[1] The amount of money shown in this column is based on less than 2 years' service. Subject to such regulations as may be prescribed by the President, members of the uniformed services entitled to receive basic pay shall, in addition thereto, be entitled to receive incentive pay as determined by the Secretary of the department concerned, for duty as a crew member involving frequent and regular participation in aerial flights; or for duty on board a submarine, including submarines under construction from the time builders' trials commence. (An Army or Air Force officer assigned to submarine duty with the Navy will be paid additional pay in accordance with Navy regulations.)

[2] The Chairman of the Joint Chiefs of Staff shall receive the basic pay and basic and personal money allowances prescribed by law for the Chief of Staff, United States Army, and such special pays and incentive pay to which he may be entitled under other provisions of law.

[3] Officers appointed in the grade of General of the Army (5 star) or General of the Air Force (5 star) shall receive the pay and allowances as a major general, plus a personal money allowance of $5,000 per annum. Officers appointed in the grade of Fleet Admiral shall receive the pay and allowances as a rear admiral (upper half), plus a personal money allowance of $5,000 per annum.

[4] A general officer appointed as Chief of Staff to the President, unless he be entitled to rank, title, or grade, and the pay and allowances of a general, or a higher grade under some other provisions of law, shall, when appointed to such position, have the rank, title, pay, and allowances of a general.

[5] An officer entitled to receive basic pay shall, while serving as the Chief of Staff of the Army, as the Chief of Naval Operations, as the Chief of Staff of the Air Force, or as the Commandant of the Marine Corps, shall, in lieu of any other personal money allowance, but in addition to any other pay or allowance, be entitled to receive a personal money allowance of $4,000 per annum. However, if such officer has been appointed in the grade of General of the Army (5 star), General of the Air Force (5 star), or Fleet Admiral, he shall receive the personal money allowance of $5,000 instead of the allowance of $4,000. (See footnote 3 above.)

[6] A general or admiral will in addition to any other authorized pay and allowances, be entitled to a personal money allowance of $2,200 per annum. An officer serving on active duty in the grade of general (4 star) or admiral shall, in addition to the pay and allowances to which he is entitled, be entitled to an additional increment of basic pay in an amount of $200 per month.
