UNGVARI does not recall any of LEWINSKY's boyfriends from college.

UNGVARI visited LEWINSKY twice while LEWINSKY was working in Washington, DC. The first visit occurred in October of 1995 when LEWINSKY was an intern at the White House. UNGVARI stayed with LEWINSKY at LEWINSKY's apartment. LEWINSKY lived with her mother and brother at the time. UNGVARI visited LEWINSKY at work and met some of her co-workers. UNGVARI does not remember any names of those co-workers.

On UNGVARI's birthday, November 23, 1995, LEWINSKY telephoned and advised she had kissed CLINTON. UNGVARI understood the kiss to be more than a friendly one. UNGVARI advised that LEWINSKY would not have bothered to tell her if the kiss was just a friendly one. UNGVARI recalls LEWINSKY saying the kiss happened in or near CLINTON's office or an office within an office. LEWINSKY told UNGVARI not to tell anyone, but UNGVARI told her then-boyfriend, ROGER CROOKS and her sister, EVELYN UNGVARI. UNGVARI believed LEWINSKY since, to the best of UNGVARI's knowledge, LEWINSKY had never lied to UNGVARI about anything.

UNGVARI recalls LEWINSKY mentioning something about giving CLINTON a piece of pizza, but UNGVARI is unsure if that was the same incident as the first kiss or not.

Soon after November of 1995, LEWINSKY advised she had given CLINTON oral sex. LEWINSKY advised that she took off her clothes during this encounter. LEWINSKY mentioned that the oral sex took place in an office or a study. LEWINSKY mentioned that there was a sink in the room. LEWINSKY mentioned that CLINTON did not ejaculate. LEWINSKY expressed disappointment that CLINTON never ejaculated, but she never mentioned why CLINTON did not ejaculate. Sometime later in LEWINSKY's relationship with CLINTON, CLINTON did ejaculate and LEWINSKY expressed excitement over this fact to UNGVARI.

UNGVARI was shocked when LEWINSKY informed her of this incident. UNGVARI advised that LEWINSKY would be happy when she got to see CLINTON and depressed and unhappy when she did not. LEWINSKY advised that CLINTON told her early in their

relationship that he could not perform oral sex on her and they could not have intercourse because he loved his family. LEWINSKY would perform oral sex on CLINTON and CLINTON would fondle LEWINSKY's breasts.

UNGVARI advised the sexual relationship between CLINTON and LEWINSKY lasted from the end of 1995 until sometime in 1997. UNGVARI projected a disinterest in hearing about the relationship because it was "crazy" and because UNGVARI thought LEWINSKY was playing with fire. UNGVARI advised that LEWINSKY's relationship with men appeared to follow the same pattern. LEWINSKY repeatedly became involved with men who were either married or, in some other way, unobtainable.

LEWINSKY told her mother, MARCIA LEWIS, about her relationship with CLINTON. LEWINSKY told CATHERINE ALLDAY, NEYSA ERBLAND, ASHLEY RAINES, ANDY BLEILER and BLEILER's wife about her relationship with CLINTON. LEWINSKY's meetings with CLINTON were inconsistent. Sometimes LEWINSKY met with CLINTON twice a week, sometimes once in two months.

LEWINSKY's interaction with CLINTON was orchestrated through BETTY CURRIE. LEWINSKY expressed fondness towards CURRIE. During the last year, however, LEWINSKY expressed frustration in CURRIE, as CURRIE became more reluctant to let the LEWINSKY meet with CLINTON.

LEWINSKY advised she usually had physical contact with CLINTON on weekends and at night during the week. LEWINSKY advised that BETTY CURRIE would call LEWINSKY to arrange LEWINSKY's meetings with CLINTON. LEWINSKY never mentioned if CURRIE knew about the physical relationship between CLINTON and LEWINSKY.

LEWINSKY mentioned NELL and UNGVARI thinks NELL worked in the White House cafeteria. NELL would give LEWINSKY M&M'S. LEWINSKY did not mention if she had a sexual relationship with NELL. LEWINSKY never mentioned if NELL knew about LEWINSKY's physical relationship with CLINTON.

LEWINSKY received psychiatric therapy, beginning her first year of college. LEWINSKY's therapist is IRENE KASORLA in Los Angeles. When LEWINSKY moved to Washington, DC, she

continued her therapy via telephone.

In March of 1996, LEWINSKY paid for UNGVARI to fly to Washington, DC. UNGVARI stayed with LEWINSKY and MARCIA LEWIS. UNGVARI visited LEWINSKY at the White House on the Friday of this visit. UNGVARI met a lot of LEWINSKY's co-workers, including BETTY CURRIE, ASHLEY RAINES, and NELL. UNGVARI went on a tour of the White House. Sometime later, LEWINSKY asked UNGVARI about the tour and indicated the room off to the right of the Oval Office is where LEWINSKY and CLINTON would engage in oral sex.

On the Sunday of this same weekend, LEWINSKY took UNGVARI to the White House to gather something LEWINSKY had left on her desk. During this visit, UNGVARI met some more people, including some Secret Service officers. UNGVARI recalls HILLARY and CHELSEA CLINTON going to the White House theater to watch a movie, but UNGVARI was looking the other way when they passed, so she missed them.

UNGVARI advised that she was waiting in a hallway for LEWINSKY when she overheard LEWINSKY talking to someone. At that time, CLINTON was exiting a restroom. LEWINSKY introduced UNGVARI as her friend from California. CLINTON said that he had heard about UNGVARI and mentioned something about UNGVARI being from Los Angeles or San Francisco. CLINTON mentioned that he was recently in San Francisco and that he had laryngitis. UNGVARI and LEWINSKY were excited about meeting CLINTON.

UNGVARI advised she felt like CLINTON was "checking her out." CLINTON was staring at UNGVARI's chest the entire time he was talking to UNGVARI. UNGVARI later told LEWINSKY of her impression, but LEWINSKY did not respond.

LEWINSKY told UNGVARI that her position at the White House was being eliminated and she was being transferred. LEWINSKY thought other women at the White House did not like her. LEWINSKY's contact with CLINTON was less frequent when LEWINSKY moved to the Pentagon.

LEWINSKY played an audio tape of a message CLINTON left on LEWINSKY's answering machine. CLINTON was not whispering in the call, but his voice was lowered. UNGVARI recognized CLINTON's voice. The message was something to the effect of "hi,

I guess you're not home, good-bye."

LEWINSKY's contact with CLINTON was less frequent after she left employ at the White House. CLINTON tried to end the relationship on more than one occasion. LEWINSKY said that on one occasion, she began crying after CLINTON told her the relationship was going to end. CLINTON told LEWINSKY that he loved his family, so he could not continue the relationship.

On some occasions, CLINTON would call LEWINSKY after midnight. CLINTON wanted LEWINSKY to talk "dirty" to him. LEWINSKY could hear CLINTON masturbating as she talked. UNGVARI believes LEWINSKY and CLINTON engaged in phone-sex about five times.

LEWINSKY bought CLINTON at least two ties. CLINTON wore one tie while he signed the Telecom Bill. LEWINSKY gave UNGVARI a picture of CLINTON wearing a tie LEWINSKY had given him. LEWINSKY also bought CLINTON an antique. CLINTON gave LEWINSKY a broach, a hat pin, and a cigar in plastic wrapping.

LEWINSKY referred to CLINTON as "the Creep", "the Big Creep," "the Big He," and "him."

In October of 1997, LEWINSKY mentioned moving to New York. LEWINKSY did not want anything to do with politics. LEWINSKY mentioned meeting BILL RICHARDSON in her apartment at the Watergate. RICHARDSON offered LEWINSKY a job, but she did not want to work in that part of New York, nor did she want to work in politics. LEWINSKY never mentioned VERNON JORDAN's name to UNGVARI.

LEWINSKY spent Thanksgiving of 1997 in Los Angeles. UNGVARI met with LEWINSKY during a part of that holiday. LEWINSKY talked about New York.

UNGVARI spoke with LEWINSKY once in December of 1997. LEWINSKY mentioned moving to New York. LEWINSKY seemed depressed.

LEWINSKY called UNGVARI on January 2, 1998. UNGVARI had a guest at her house, so the conversation with LEWINSKY was not a long one. LEWINSKY seemed happy. The discussion focused

more on New Year's Eve than anything else. LEWINSKY mentioned meeting a guy from New York in a bar. LEWINSKY said she kissed the guy and the two planned to go out again. UNGVARI brought up the President, and LEWINSKY may have expressed rejection.

After the story broke in January, UNGVARI left a message with LEWINSKY's father expressing her love for MONICA LEWINSKY. LEWINSKY's father did not know about the sexual relationship between LEWINSKY and CLINTON.

The day BILL GINSBURG was on numerous television talk shows, GINSBURG called UNGVARI and left a message on her answering machine. GINSBURG's message was that he hoped he had NATALIE UNGVARI's phone and he left his pager number for her to page him. UNGVARI did not page him. The messages before and after GINSBURG's were from reporters advising UNGVARI that GINSBURG had given her the "green light" to talk with them.

UNGVARI did not want to speak to the media as she did not want the attention and she did not have anything to say that would make LEWINSKY look better.

1 PROCEEDINGS
2 Whereupon,
3 NATALIE ROSE UNGVARI
4 was called as a witness and, having been first duly sworn by
5 the Foreperson of the Grand Jury, was examined and testified
6 as follows:
7 EXAMINATION
8 BY MR. WISENBERG:
9 Q Would you state your name for the record, please?
10 A Natalie Rose Ungvari.
11 Q Could you spell your last name?
12 A Sure. U-n-g-v-a-r-i.
13 Q And how do you pronounce?
14 A Ungvari.
15 Q Ungvari?
16 A Yes.
17 Q Ms. Ungvari, my name is Sol Wisenberg, this is my
18 colleague, Mary Anne Wirth, and we're attorneys with the
19 Office of Independent Counsel. These are the grand jurors
20 and this is the grand jury reporter.
21 This is a federal grand jury, and let me stop
22 myself and reconfirm with the foreperson that we have a
23 quorum and that there are no unauthorized persons in the
24 grand jury room.
25 THE FOREPERSON: We do have a quorum and there are

1 no persons unauthorized in this room.
2 MR. WISENBERG: Okay.
3 BY MR. WISENBERG:
4 Q This is a federal grand jury impaneled by the
5 United States District Court for the District of Columbia
6 conducting an investigation of possible violations of federal
7 criminal law involving possible perjury, possible obstruction
8 of justice, and possible subornation of perjury.
9 Do you understand?
10 A Yes.
11 Q Okay. And what I'm going to do now is read to you
12 from a portion of the court order from the United States
13 Court of Appeals for the District of Columbia Circuit
14 authorizing this portion of our investigation.
15 "The Independent Counsel shall have jurisdiction
16 and authority to investigate to the maximum extent authorized
17 by the Independent Counsel Reauthorization Act of 1994
18 whether Monica Lewinsky or others suborned perjury,
19 obstructed justice, intimidated witnesses, or otherwise
20 violated federal law, other than a Class B or Class C
21 misdemeanor or infraction, in dealing with witnesses,
22 potential witnesses, attorneys or others concerning the civil
23 case, Jones v. Clinton."
24 Did you understand what I just read to you?
25 A Yes.

1 Q Okay. I'm going to read you now your -- what we
2 call the rights and responsibilities of grand jury witnesses,
3 and I will ask you to -- occasionally I will ask whether or
4 not you understood what I've read, and I'll ask you to give
5 us a "Yes" or "No" or "Maybe" rather than a shake of the head
6 or an "Uh-uh" or "Uh-huh" --
7 A Okay.
8 Q -- so that it can be picked up on the record. Is
9 that okay?
10 A Yeah -- yes.
11 Q All right. You may refuse to answer any question
12 if a truthful answer to that question would tend to
13 incriminate you. You understand that?
14 A Yes, I do.
15 Q That's the privilege against self-incrimination. I
16 take it somebody's explained that to you?
17 A Yes, I understand.
18 Q Anything you do say may be used against you by the
19 grand jury or in a later legal proceeding. Do you understand
20 that?
21 A Yes.
22 Q If you have retained counsel, he or she is not
23 allowed in the grand jury room with you, but the grand jurors
24 will permit you a reasonable opportunity to step outside the
25 grand jury room and consult with counsel if you desire. Do

Page 5

1 you understand that?
2 A Yes.
3 Q You are represented by counsel here today; is that
4 correct?
5 A Yes.
6 Q Tell us who that is.
7 A Ralph Caccia.
8 Q Okay. There are three categories of witnesses who
9 come before a grand jury, witnesses, subjects, and targets,
10 and the informal definition of a target would be somebody who
11 the prosecutor and the grand jury believe it's more than
12 likely that person will be indicted. Do you understand that
13 definition?
14 A Yes.
15 Q You're not a target. Do you understand that?
16 A Yes.
17 Q A subject would be a person who's not in a target
18 status, but there are some questions about their activity,
19 and the grand jury wants to get further answers about that.
20 Do you understand that?
21 A Yeah -- yes.
22 Q You understand you're not a subject either under
23 that definition.
24 A I understand.
25 Q And then there's a witness, just somebody there are

Page 6

1 no particular suspicions about, but just somebody who has
2 information that's within the grand jury's subject matter
3 jurisdiction. Do you understand that?
4 A Yes.
5 Q Do you understand that you are a witness?
6 A Yes.
7 Q And you understand we can't promise that a person
8 will be a witness forever. It's an ongoing investigation,
9 and we don't know what we'll discover. Do you understand
10 that?
11 A Yes.
12 Q But you are a witness as of now. You understand?
13 A Yes.
14 Q All right. You understand that you have to tell
15 the truth?
16 A Yes.
17 Q That if you tell a lie about an important matter,
18 that's perjury and that's a crime.
19 A Yes, I understand.
20 Q In that regard, if there's any question that we ask
21 that you don't understand, that's not artfully asked, tell us
22 to ask it again, and we'll do our best.
23 A Yes.
24 Q Okay. We are bound by certain oaths of secrecy,
25 myself, Ms. Wirth, the court reporter, and the grand jury.

Page 7

1 There are certain well-recognized exceptions to that, but
2 other than those exceptions, it means we cannot go blab about
3 what you testify to here today, or even that you were here.
4 Do you understand that?
5 A Yes.
6 Q You, on the other hand, are not bound by that oath
7 of secrecy. You can tell nobody or you can go tell the
8 world. You understand that?
9 A Yes.
10 Q That's a matter between you and your attorney. Do
11 you understand?
12 A Yes.
13 Q So let me give you an example of some of the
14 exceptions to grand jury secrecy that we're generally under.
15 The prosecutor, as you can tell. FBI agents --
16 certain FBI agents who are assigned to help us, we can tell
17 them about what goes on in the grand jury room. Like the
18 fellow outside, H.M. Roach, who I think you've met, we're
19 allowed to tell him about what's happened. Do you understand
20 that?
21 A Yes.
22 Q They're aiding in our investigation. But they
23 themselves are subject to the 6(e) rule. They can't go blab
24 about it. Do you understand that?
25 A I understand.

Page 8

1 Q Another exception would be -- let's say a trial
2 results from our investigation, a trial of somebody, and you
3 were called as a witness. If you said something on the stand
4 completely different than what you tell us here today,
5 somebody -- any of the lawyers involved on any side could
6 hold up a transcript of your grand jury testimony and say
7 that's not what you said when you were in front of the grand
8 jury.
9 Do you understand that?
10 A Yes.
11 Q That would be another example.
12 We can -- pursuant to court order, if we are
13 ordered to by a court, in certain circumstances grand jury
14 material can be released. Do you understand that?
15 A Yes.
16 Q Independent counsels operate under slightly
17 different rules, in that there are certain instances pursuant
18 to the reporting function of an independent counsel --
19 reporting to Congress, issuing a final report -- that, again,
20 with a court order from a judge, certain grand jury material
21 can be released. Do you understand that?
22 A Yes.
23 Q Okay. Now, is there anything about your rights and
24 responsibilities as I've explained them that you do not
25 understand?

Page 9

A No.
MR. WISENBERG: Did I leave anything out?
MS. WIRTH: No.
MR. WISENBERG: Okay, all right.
Then I'm going to hand you over for questioning by my colleague, Ms. Wirth.
BY MS. WIRTH:
Q Can you tell the grand jury how old you are?
A I'm 24.
Q And what is your marital status?
A I'm single.
Q And where were you born?
A Los Angeles.
Q And where do you live now?
A Los Angeles.
Q Can you tell the grand jury what your occupation is?
A I'm a staff assistant at Warner Bros.

Q Who did you meet?
A I met a Catherine --
Q Was that Catherine Allday?
A Yes.
Q Now Catherine Allday Davis?
A [redacted]

Page 12

[redacted]
A Yes.
[redacted]
A They were lovers.
Q And did you know that based on your conversations with Monica?
A Yes.
Q What do you know about Monica's college experience, what kind of student she was, whether she was happy in college, and so on?
A I know she -- it was important to her to do well. I know that she wanted to move on and go to graduate school.
Q What was her major?
A Psychology.
Q When you both graduated from college, what happened to her, what happened to you?
A She moved to Washington and I stayed in San Francisco for a year after I graduated. She graduated a year before I did.
Q She graduated a year before you did?
A Yes.
Q When she moved to Washington, do you remember what

Page 13

1 time of year that was, what year it was and what time of the
2 year?
3 A Which part?
4 Q What year did she move to Washington?
5 A '95, summer.
6 Q Summertime? And did she have employment in
7 Washington?
8 A I knew that she had applied for an internship at
9 the White House.
10 Q And do you know whether she had any assistance in
11 getting that job?
12 A She mentioned that Walter Kaye would help her
13 apply.
14 Q Who was Walter Kaye?
15 A As I understood, Walter Kaye was a friend of her
16 aunt.
17 Q And did Walter Kaye have any relationship to
18 anybody in Washington that you know?
19 A I know that he was a contributor to the Democratic
20 Party. I know that she had told me what exactly it was. I
21 just don't recall.
22 Q And do you know whether, in fact, Mr. Kaye assisted
23 her in getting her her internship? Did she ever tell you
24 that?
25 A I don't know, no.

Page 14

1 Q What is her aunt's name?
2 A Debbie.
3 Q Have you met her aunt?
4 A Yes.
5 Q What other members of Monica's family have you met?
6 A I have met her maternal grandmother, I know
7 Debbie's husband and son, I know her father's side, her
8 grandmother and her father's two sisters, and I know her
9 stepmother.
10 Q And do you know her father and mother as well?
11 A Yes.
12 Q Do you know any siblings?
13 A And her brother as well, Michael.
14 Q Now, when Monica moved to Washington, you said it
15 was in the summer of 1995, did she begin an internship at the
16 White House?
17 A She did. I don't exactly remember which month, but
18 she did.
19 Q And did you continue to keep in touch with her
20 during that period?
21 A Yes.
22 Q How did you do that?
23 A Phone.
24 Q And about how often would you speak, generally?
25 A At that point pretty often, once a week.

Page 15

1 Q And did she talk about her work?
2 A Yes.
3 Q What did she tell you?
4 A She told me that she -- she told me what her duties
5 were as an intern.
6 Q What kinds of duties did she tell you that she did?
7 A I think mostly correspondence. I think she opened
8 mail and would write letters back, photo requests and stuff
9 of that nature.
10 Q Did she ever tell you anybody that she worked for?
11 A I don't remember.
12 Q Did she ever tell you about any of her friends at
13 work?
14 A I know that she didn't have many in the beginning.
15 I remember her being lonely during that period.
16 Q Did you visit her in Washington?
17 A Yes.
18 Q When did you visit her?
19 A I visited her twice, once in October of --
20 Q This is 1995?
21 A '95, and she was an intern. And I returned in
22 March of '96, once she was working for Leon Panetta.
23 Q Okay, now, with respect to your visit in October of
24 1995, how long did you stay?
25 A A weekend, I think a Friday through Sunday.

Page 16

1 Q And who did you stay with?
2 A I stayed with her and her mother.
3 Q Monica was living with her mother at that time?
4 A Yes.
5 Q And did you visit Monica's workplace?
6 A Yes.
7 Q Tell us about that. Where did you go, what
8 happened?
9 A It was probably the last hour, maybe two hours on
10 Friday. I remember the place -- not specifically, I remember
11 the room. I remember meeting other interns. I met her
12 supervisor. And it was a very casual -- it was, you know,
13 5:00 on Friday, and she showed me around a little bit. She -
14 - she introduced me to people.
15 Q Was that the only occasion you had to go to the
16 White House that weekend?
17 A Yes.
18 Q When you saw Monica that weekend, did she discuss
19 her work with you?
20 A I don't recall.
21 Q Was she happy working at the White House, do you
22 remember?
23 A Yes.
24 Q Do you remember the names of any friends that you
25 met, if you met any?

Page 17

1 A I don't remember, not on that trip.
2 Q Did you meet any friends?
3 A I don't know if they were her friends or co-
4 interns.
5 Q Did Monica discuss the President at all on that
6 trip?
7 A Yes.
8 Q What did she tell you?
9 A She told me that she was attracted to him, she had
10 a big crush on him, and I think she told me she at some point
11 had gotten his attention, that there was some mutual eye
12 contact and recognition, mutual acknowledgement.
13 Q Is this something you had discussed with her prior
14 to this trip?
15 A I don't remember.
16 Q All right. Is there anything else about that
17 weekend that you recall?
18 A No.
19 Q And you went back to California after that?
20 A Yes.
21 Q And did you continue to talk to her on the
22 telephone?
23 A Yes.
24 Q Did there come a time during your conversations
25 that fall when Monica mentioned anything specifically had

Page 18

1 happened with respect to the President?
2 A Yes, but I don't know exactly when. I know it was
3 between October, that visit, and the one in March.
4 Q So sometime October '95 and March of '96.
5 A Yes.
6 Q Can you tell us about that conversation?
7 A In November, Thanksgiving of '95, I had called her
8 or she -- I don't remember who called who, actually -- and
9 she told me that she had a secret, and I felt that she needed
10 to let it out, and she told me that nobody knew, or that I
11 wasn't supposed to tell anybody, and that she'd kissed the
12 President.
13 Q Now, why do you remember that this conversation
14 took place in November?
15 A Because it was on my birthday.
16 Q And when is your birthday?
17 A It was on Thanksgiving, the actual day she told me.
18 I can't remember if my birthday fell on it or near it. It
19 usually falls during that week. My birthday's the 23rd of
20 November.
21 Q And where were you at that time when that
22 conversation took place?
23 A I was in my sister's bedroom.
24 Q In your parents' home?
25 A Yes, in Los Angeles.

Page 19

1 Q Where was Monica?
2 A In Washington.
3 Q And did she tell you anything more specific than
4 she kissed the President?
5 A She told me -- I think it happened late on a
6 weeknight, that people were working late, or there was maybe
7 a party within the office after work, and that she had an
8 opportunity to bring the President a slice of pizza from this
9 party.
10 Q Did she tell you where it took place?
11 A I think she said it was in an office within the
12 Oval Office.
13 Q What did you say to her, if you remember?
14 A I was shocked.
15 Q Did you believe her?
16 A I did believe her.
17 Q Why did you believe her?
18 A Because I don't think she would lie about it.
19 She's never lied to me before.
20 Q Did you say anything to her?
21 A I thought it was crazy.
22 Q Did you tell her that?
23 A I don't remember what I said. I probably told her
24 that.
25 Q Anything else about that conversation that you

Page 20

1 recall?
2 A No.
3 Q Did there come a time when you discussed with
4 Monica the President again after that?
5 A Yes.
6 Q What do you remember?
7 A I remember her -- her being pretty confident that
8 it would happen again. I don't know based on what, but it
9 seemed like something was going to start, or develop further,
10 and I know that -- I don't know specifically how long after
11 or how many times, but I know that a physical relationship
12 did develop.
13 Q What did she tell you about that?
14 A She told me that she gave him oral sex.
15 Q Do you remember when she first told you that?
16 A I know it was after November of '95. I don't know
17 specifically -- I know it wasn't long after. I don't
18 remember specifically --
19 MR. WISENBERG: I'm sorry. It was not long after?
20 THE WITNESS: It was not long after.
21 BY MS. WIRTH:
22 Q Was it still in 1995, if you recall?
23 A It might have been.
24 Q And did she tell you where and when that took
25 place?

Page 21

1 A I remember mostly late nights or Sundays or
2 Saturdays. It was weekends, in his office.
3 Q Was it that same office within the Oval Office?
4 A Yes, I think so.
5 Q What did you say to her when she told you that?
6 A I thought it was crazy.
7 Q Did you believe her?
8 A I did believe her.
9 Q And when you say you thought it was crazy, you mean
10 in the sense of a foolish thing to do or -- what do you mean?
11 A It was just so big, it was -- she and I had that
12 kind of relationship where we'd discuss things of that
13 nature, but this was just so huge, this was somebody huge.
14 Q Do you remember anything that you said to her, what
15 your reaction was?
16 A I remember in the beginning I found it crazy, like
17 I said, and then it got to be more humorous, and then it got
18 to a point where I felt it had become an obsession, and I --
19 I think that I just showed disinterest after a while.
20 Q You're talking about a progression over a period of
21 time.
22 A Yes.
23 Q About what period of time did this range of
24 feelings of yours progress over?
25 A Probably -- I know it was before she moved to the

Page 22

1 Pentagon that I was --
2 Q What was before?
3 A That I grew tired of it.
4 Q From what period of time, from when to when, did
5 Monica discuss with you a physical relationship with the
6 President?
7 A I'm sorry?
8 Q When did she begin talking to you about her
9 physical relationship with the President, and through what
10 period of time did those discussions continue?
11 A They continued up until probably six months ago and
12 began that first time in November, on my birthday.
13 Q Okay. When you say six months ago, that would be
14 roughly when?
15 A When would that be? We're in March.
16 Q Sometime in the fall of '97
17 A Probably late summer.
18 Q And after that did you continue to discuss the
19 President with her, after the late summer of '97?
20 A Yes, but not nearly as often.
21 Q Did the subject of the physical relationship come
22 up after the late summer of '97 between her and the
23 President?
24 A Yes, but I think any discussion of it was because
25 of a lack of a relationship, her expressing disappointment

Page 23

1 because of a lack of it.
2 Q Now, going back to the first conversation that you
3 had when Monica told you that she had oral sex with t
4 President, what specifically did she tell you in terms of who
5 gave who oral sex?
6 A From what she told me, he had told her from the
7 beginning that she shouldn't expect any intercourse. And I
8 know from what she told me that when they were together, that
9 he did not want to ejaculate.
10 Q Did he tell her why she should not expect
11 intercourse?
12 A She told me that he said that he loved his family,
13 and I -- and he may have even said he didn't want to.
14 Q Getting back to my question, though, did she tell
15 you who gave who oral sex?
16 A She told me she gave him, he received.
17 Q And throughout the course of your conversations
18 with her, did that situation ever change?
19 A I don't think so.
20 Q Did she ever tell you about any other sexual
21 activity beyond her giving the President oral sex?
22 A No. I know there was fondling.
23 Q By who?
24 A By him.
25 Q And what particular places of her body, if she to

Page 2

1 you?
2 A Her breasts. I know that she undressed for him.
3 Q Now, after that first conversation when she told
4 you she had given the President oral sex, did there come a
5 time when you discussed that with her again, that she told
6 you that this activity continued?
7 A (No response.)
8 Q Did you ever have another conversation with Monica
9 where she discussed that she gave the President oral sex
10 after that first conversation?
11 A Oh, yeah.
12 Q Okay. And can you tell the grand jury over what
13 period of time, how long those conversations would take
14 place, what she told you?
15 A I think she told me every time it happened. I
16 don't remember how many exactly, probably between November of
17 '95 till six months ago, maybe a total of five times.
18 Q Did she ever tell you anything beyond what we've
19 already discussed in terms of details?
20 A No.
21 Q Did she ever tell whether ejaculation -- if that
22 ever occurred?
23 A She did tell me once it did.
24 Q Did she ever discuss with you when these encounters
25 would take place, what time of the day, what time of the

Page 25

1 week?
2 A I know that they were late at night if it was a
3 workday. It would be around 11:00. But I think most of the
4 times was on the weekends.
5 Q And did she discuss where they took place?
6 A In his office. I think it almost always did.
7 MR. WISENBERG: And which office is that?
8 THE WITNESS: I don't remember. I think she -- I
9 think I always assumed it was the same place. Sometimes it
10 was his study, I think, within the Oval. I think it was --
11 that's what it's called. I know that he had another office,
12 but I don't know if that one was it.
13 BY MS. WIRTH:
14 Q Did she ever tell you about any particular either
15 item of furniture or appliance in this office where this took
16 place?
17 A I remember her saying there was a sink in the room.
18 Q Do you remember in what context she mentioned that?
19 A I don't remember.
20 Q Now, you told us a moment ago that at some point
21 Monica went to work at the Pentagon; is that right?
22 A Yes.
23 Q Do you know, first off, when Monica left the White
24 House?
25 A I think April of '96.

Page 26

1 Q And going back for a moment, did there come a time
2 when she finished her internship and took a permanent job at
3 the White House?
4 A Yeah, yes.
5 Q Do you know when that was?
6 A That was before my second visit.
7 Q And your second visit was in March of '96?
8 A Right. I think it happened in December of '95.
9 Q That she changed jobs to a permanent job?
10 A Yes.
11 Q Do you know what kind of tasks she had at that time
12 when she changed jobs to a permanent employment? Did she
13 ever tell you what kind of pass she had?
14 A How she --
15 Q What kind of pass she had?
16 A Oh, pass. I thought you said past. Sorry.
17 She told me that she had gotten a blue pass.
18 Q Do you know what that means?
19 A She -- she told me more or less it was something
20 not easy to get, and that it would allow her access into the
21 White House, and I know that she really wanted one.
22 I remember as an intern she talked about it a lot,
23 that she wanted one, and she finally got one.
24 Q Do you know -- did she tell you anything about her
25 permanent job, what office it was with, what her duties were?

Page 27

1 A I know she worked for the chief of staff. I know
2 her office was right near the Oval Office. I know she really
3 liked it. She liked the physical closeness of her office to
4 the President.
5 Q Now, you told us that you made a second visit to
6 Washington. And when was that?
7 A March of '96.
8 Q And was Monica still employed as a permanent
9 employee at that time?
10 A Yes.
11 Q And, by the way, does the Office of Legislative
12 Affairs ring a bell --
13 A Yeah.
14 Q -- as to where she worked?
15 A Yes.
16 Q Now, when you came this second time, how long did
17 you stay for?
18 A I believe it was a Friday to Monday.
19 Q And who paid for you to come out?
20 A She flew me out.
21 Q Why?
22 A She was depressed. She didn't have much of a
23 social life. I know she -- she said she had missed me and
24 wanted me to come out.
25 Q Where did you stay when you came?

Page 28

1 A At her apartment again.
2 Q Was her mom there at this time?
3 A I think so.
4 Q Did you visit her workplace on that trip?
5 A Yes.
6 Q How many times?
7 A Twice.
8 Q Tell us about the first time.
9 A The first time was Friday. She arranged for a tour
10 for me of the White House. She didn't go with me. Someone
11 else took me on it. And I met her when it was over.
12 Q Did you meet any co-workers or friends of hers at
13 the White House at that time?
14 A She introduced me to many people. I remember Betty
15 Currie specifically.
16 Q Who is Betty Currie?
17 A The President's personal secretary.
18 Q Did you meet anybody named Nel or Nelvis?
19 A Yeah, I met Nel.
20 Q Who is Nel?
21 A I think he -- I know that he works in the
22 commissary over there, or a mess hall.
23 Q Did you meet Ashley?
24 A I did meet Ashley Friday night.
25 Q Ashley Raines?

Page 29

1 A Yes.
2 Q Okay. And did you make a second visit to the White
3 House that weekend?
4 A Yes.
5 Q And when was that?
6 A Sunday morning.
7 Q What happened?
8 A I had woken up, and she told me that she needed to
9 get something from her office, paperwork, I think, that she
10 had left something and she needed it. So -- so we went over
11 there Sunday morning. We threw on clothes and just went
12 over.
13 And there were more people there. She introduced
14 me to them. And it was real quick. She picked up what she
15 needed.
16 And then I think she left her keys, and I waited
17 for her in the hallway, and she came out, and I had heard her
18 talking to someone. And I had turned the corner, I was in
19 the hallway looking at pictures on the wall. And she called
20 for me to come back to her. I could hear her around the
21 corner.
22 And she was standing there with a Secret Service
23 man outside of her office door, and the President shortly
24 came out of the restroom, which I think was next door.
25 Q And what happened then?

Page 30

1 A She told me that she wanted me to meet someone.
2 And I remember before I knew it was him -- because I don't
3 know at what point I actually saw who she was about to
4 introduce me to -- I remember being annoyed because I just
5 wanted to go.
6 And it was early, and I had made small talk with so
7 many people that morning that she introduced me to that I was
8 annoyed, and then I looked and I saw who it was, and I think
9 I laughed.
10 Q And did she introduce you to the President?
11 A She did.
12 Q What do you remember about any conversation between
13 you and the President or Monica and the President?
14 A She said, "I want you to meet a friend of mine."
15 She said this to him. And she introduced me and --
16 Q How did she introduce you, do you remember?
17 A "This is my best friend, Natalie."
18 Q What did he say?
19 A I think he said, "You must be her friend from
20 California," something along those lines. I remember being
21 shocked that he knew where I was from. I can't remember if
22 he knew L.A. or San Francisco or California.
23 Q Did he make any remarks about California at that
24 time?
25 A He said that he was just in San Francisco the week

Page 31

1 before, or within the last week, and I told him that I knew
2 that. He asked me how I was and I asked him how he was, and
3 he -- he told me that he was just getting over laryngitis or
4 he had laryngitis, and I remember it being funny.
5 Q Anything else memorable about that meeting with the
6 President?
7 A Yeah. Without sounding vain, I hope, I felt that
8 he was checking me out.
9 Q Why did you think that?
10 A I just felt like he looked me up and down.
11 Q Did you ever say anything to Monica about that?
12 A I did when he left.
13 Q What did you say?
14 A Well, I brought it up in a funny way, and she
15 really didn't react at all. I -- I know that she was really
16 excited that she -- that that whole thing just happened by
17 accident, and that I had an opportunity to meet him. She was
18 really excited about that.
19 I remember her telling -- and she kind of wasn't
20 there. Her head was somewhere else.
21 Q Did she -- during that particular visit that you
22 had with her in Washington, did she tell you anything about
23 her relationship with the President that you recall?
24 A During my visit? I remember her -- she had played
25 a tape for me from her answering machine.

Page 32

1 Q During that visit?
2 A I believe so. Yeah, I think it was that second
3 visit.
4 Q What was on the tape?
5 A I can't remember if she played the tape for me then
6 or it was after the visit over the phone. Yeah, I can't
7 remember if it was actually during that visit or if it
8 happened after.
9 Q But there came a time when you heard the tape?
10 A There did come a time when I heard the tape.
11 Q Was that in 1996 at some point?
12 A Yes.
13 Q And what kind of tape was it?
14 A It was from her answering machine, a cassette tape.
15 Q What did she say to you when she played it for you?
16 A I don't remember what she said. I know she really
17 wanted me to hear it. She thought it was pretty cool.
18 Q What did it say?
19 A I know that she'd saved it. I don't know long it
20 was saved before she had an opportunity to play it for me.
21 What did it say?
22 Q Yes.
23 A It said -- he said, "You're not home. Bye."
24 Q It was one message that you heard?
25 A One that I heard.

Page 33

1 Q Did you recognize the voice on that tape?
2 A Yes.
3 Q Whose voice was it?
4 A The President's.
5 Q And could you describe for the grand jury the
6 volume or tone of the voice that you heard on that tape?
7 A It -- he had made an effort to lower his voice. It
8 wasn't a whisper. I think I had to hear it twice to -- to
9 recognize the voice. I mean, I did recognize it. I'm not
10 used to his voice in that low volume.
11 Q And when you heard this tape, had you already met
12 him in person?
13 A Yes, I think so.
14 Q To your knowledge, who else did Monica confide her
15 relationship with the President to?
16 A I know that she had told Neysa.
17 Q Who is Neysa?
18 A Neysa is a friend of hers from the second high
19 school she attended.
20 Q Do you know Neysa?
21 A Yes.
22 Q Are you also a friend of hers or --
23 A Not independent of Monica, not really.
24 Q Who else?
25 A I know she revealed it to Ashley later.

Page 34

1 Q Because Monica told you?
2 A Monica told me that. She told me she had told
3 Catherine.
4 Q Catherine Allday?
5 A Yes. And she had mentioned that she had told her
6 mom. I don't know if her mom knew all the graphic stuff that
7 her friends knew. I know that her mom -- she told me that
8 she -- she discussed with her mom meeting him outside of
9 office hours, on the weekends and stuff, and I don't recall
10 to what extent.
11 Q Do you know, based on your conversations with
12 Monica, whether her mother knew that Monica had a sexual
13 relationship with the President?
14 A I don't recall if I assumed it or she told me, one
15 way or the other. I always assumed she knew. I know that
16 they were very close.
17 Q Did Monica ever tell you anything about Catherine's
18 reaction to Monica's relationship with the President?
19 A I know from Catherine, and I know from Monica
20 telling me about Catherine's reaction, that -- that she
21 thought it was crazy. And I remember Monica being upset with
22 Catherine, and telling me that she was upset, and I would
23 ask, and she would say, "Because she gave me another
24 lecture."
25 And I think she was bothered because she knew she

Page 35

1 was right, she knew that Catherine was right, but didn't want
2 to hear it.
3 Q And the lecture would be one of disapproval of this
4 relationship?
5 A Yeah, yes. And it was -- I repeated the same
6 disapproval, and I'm sure the other people who knew didn't
7 approve.
8 Q Do you know whether Monica's aunt knew about
9 Monica's relationship with the President?
10 A I don't know.
11 Q Now, returning to a subject we touched on just
12 briefly a few minutes ago, Monica left the White House, left
13 employment at the White House and went to work at the
14 Pentagon, you told us, correct?
15 A Yes.
16 Q Do you know why Monica left the White House?
17 A I think she told me that they had eliminated the
18 position in that office.
19 Q Did she ever tell you that she was asked to leave
20 or fired?
21 A No.
22 Q Did she ever discuss with you whether people at the
23 White House liked her, accepted her, appreciated her?
24 A She told me that she felt that the women
25 specifically didn't like her.

Page 36

1 Q Did she say why?
2 A She never said why, or I don't remember her giving
3 a reason. But I remember her feeling threatened by some of
4 the women. I know she felt very competitive with the women
5 for the President's attention.
6 Q Now, when Monica went to work at the Pentagon, was
7 she happy there?
8 A No.
9 Q What did she tell you?
10 A She went there thinking that it wouldn't be for
11 long, and she didn't like working in that part of town. She
12 didn't like the environment.
13 Q Did she ever discuss with you either a wish or an
14 intention to return to work at the White House?
15 A Yes.
16 Q What did she say?
17 A She said that she did want to return, and she said
18 that --
19 MR. WISENBERG: That she did or didn't want to
20 return?
21 THE WITNESS: That she did want to return to the
22 White House, and that the President would make some effort to
23 have her come back.
24 BY MS. WIRTH:
25 Q Did she ever tell you whether the President had

Page 37

1 told her a specific time that she would be able to come back?
2 A I don't remember a specific time. I just remember
3 it wasn't fast enough for her. I know that she really didn't
4 expect to be there as long as she was.
5 Q Did she ever tell you that she had to wait until
6 after the presidential election in 1996 to go back?
7 A She may have.
8 Q Did she ever tell you what efforts the President
9 made, if he made any, to get her back into the White House?
10 A I don't recall him making any, or none that I can
11 recall.
12 Q Did she ever tell you about any discussions that
13 she had with anyone who worked at the White House about
14 getting back into the White House to work?
15 A No.
16 Q Did she ever mention anybody named Marsha?
17 A No.
18 Q Now, when Monica went to work at the Pentagon, can
19 you tell us, based on your conversations with Monica, whether
20 her relationship, her physical relationship with the
21 President continued, and, if so, did it change in any way or
22 stay the same?
23 A I know that she saw him a lot less frequently, that
24 the visits had spread out, the time between visits was a lot
25 longer.

Page 38

1 Q And when they visited, was it in the same place as
2 before in the office?
3 A I think so. I think she would see him at events as
4 well, outside of work.
5 Q And did their physical relationship continue when
6 she did see him?
7 A I don't remember if it was physical after that, but
8 I know that she became more depressed, and because she became
9 depressed, I assumed it was another lack of it.
10 Q Do you have any knowledge as to whether at any time
11 after Monica left the White House and wasn't working there,
12 she had physical contact with the President, or sexual
13 contact with him?
14 A Yeah, I'm sure.
15 Q Just less frequent?
16 A Yes.
17 Q Did she ever tell you how she got into the White
18 House to see the President after she left working there?
19 A I think she said that -- well, she knew a lot of
20 people there still, but I remember mostly Betty Currie
21 arranging it, or she was the messenger.
22 Q "She," Betty?
23 A Yes.
24 Q Did Monica tell you that Betty would call her and
25 arrange a meeting or that Monica would call Betty?

Page 39

1 A Both.
2 THE FOREPERSON: Excuse me, Ms. Wirth.
3 MS. WIRTH: Yes.
4 THE FOREPERSON: It's time for a break.
5 MS. WIRTH: Yes.
6 MR. WISENBERG: For?
7 THE FOREPERSON: For 15 minutes.
8 MR. WISENBERG: All right. May the witness be
9 excused?
10 THE FOREPERSON: Yes, she may.
11 MR. WISENBERG: We will come and get you when it's
12 time to start.
13 THE WITNESS: Okay.
14 MR. WISENBERG: Thanks.
15 (Witness excused. Witness recalled.)
16 MR. WISENBERG: Is the grand jury ready?
17 A JUROR: We have a quorum, do we not, Madam
18 Foreperson?
19 THE FOREPERSON: Yes, we do.
20 MR. WISENBERG: No unauthorized persons are present
21 in the grand jury room?
22 THE FOREPERSON: No, sir, we do not.
23 Ms. Ungvari, you're still under oath.
24 THE WITNESS: Yes.

1 Q I think before we broke we were talking about Betty
2 assisting Monica in terms of getting into the White House to
3 visit the President after Monica left to work at the
4 Pentagon.
5 A Mm-hmm.
6 Q And I believe you testified that sometimes Betty
7 would call Monica and sometimes Monica would call Betty,
8 correct?
9 A Yes.
10 Q To arrange those appointments. Did Monica ever
11 tell you whether Betty Currie about Monica's sexual
12 relationship with the President?
13 A No.
14 Q No, she never told you?
15 A No. I asked her once.
16 Q And what did she say?
17 A She said no.
18 Q Do you remember when you asked her that?
19 A Probably sometime after she left the Pentagon. It
20 was after I had met Betty.
21 MR. WISENBERG: You said after she left the
22 Pentagon.
23 THE WITNESS: I'm sorry. After she left the White
24 House to go to the Pentagon.
25 BY MS. WIRTH:

Page 41

1 Q Did you ever have any further discussions with
2 Monica about whether Betty knew?
3 A No.
4 Q What about Nel or Nelvis, do you know whether he
5 knew about Monica's relationship with the President?
6 A I don't think so. I don't -- I don't remember her
7 telling me anything and I don't remember asking.
8 Q That subject didn't come up.
9 A Never.
10 Q Now, what, if anything, do you know about any gifts
11 that Monica gave to the President?
12 A I know that she gave him two ties, maybe more. I
13 remember two.
14 Q Did she ever tell you whether the President wore
15 those ties?
16 A Yes.
17 Q What did she tell you?
18 A I know the first one she bought him he wore -- she
19 had shown me a photograph that had been published in a
20 magazine, I think, of him wearing it during the signing of a
21 bill.
22 Q Do you know what bill?
23 A The telecom bill. And I think the other one, he
24 took a photograph, a more formal photograph in it for her.
25 Q Wearing it?

Page 42

1 A Yes.
2 Q And did he give her that photograph?
3 A I think so.
4 Q Did you ever see it?
5 A I think I did see it.
6 Q Did you see it Washington or somewhere else?
7 A I think I saw it in L.A. She showed me photographs
8 in L.A.
9 Q And was it signed or autographed?
10 A It might have been.
11 Q Besides the ties, what, if any, other gifts do you
12 know that Monica gave to the President?
13 A I know recently she purchased an antique, but I
14 don't remember exactly what, and I don't know if she gave it
15 to him. I know that she had bought it for the purpose of
16 giving it to him.
17 Q So you have no idea -- no memory of what it was?
18 A I can't remember. I just remember it being an
19 antique, and it -- I remember it being very old.
20 Q And when you say "recently," how recently?
21 A Within the last six months.
22 Q Any other gifts that she gave him that you recall?
23 A No.
24 Q Do you know about any books that she gave the
25 President?

Page 43

1 A No.
2 Q Do you know about any figurines or figures that she
3 gave the President?
4 A No.
5 Q Any mugs?
6 A Yeah.
7 Q Any gifts that the President gave to Monica that
8 you know about from your conversations with Monica?
9 A Gifts that he gave her?
10 Q Yes.
11 A She had showed me a cigar from -- with the
12 presidential seal on it.
13 Q Where did she show you that?
14 A At her house, at her apartment.
15 Q And this is in one of your two trips to see her?
16 A Yes.
17 Q Which one?
18 A I think it was the second one.
19 Q Was it wrapped in plastic?
20 A Yes.
21 Q Did it have any particular seal on it?
22 A Yes.
23 Q What seal?
24 A It was the presidential seal, I think. I don't
25 really know one from the other.

Page 44

1 Q And did she tell you that the President gave her
2 that cigar?
3 A Yes.
4 Q Anything else that he gave her?
5 A He got her a hat pin and I think a broach.
6 Q Did you ever see either of those items?
7 A I saw one, but I don't remember which one it was.
8 I may have seen both.
9 Q Where were you when you saw either one of them?
10 A At her father's house in L.A. this past
11 Thanksgiving.
12 Q Do you know about any other gifts the President
13 gave Monica?
14 A No. Other than photographs and a cigar and the
15 antique hat pin and broach, no.
16 Q Do you know whether the President ever gave Monica
17 any books?
18 A No.
19 Q Did you ever hear any discussion of the book,
20 "Leaves of Grass"?
21 A That sounds familiar.
22 Q Do you remember anything about that?
23 A No.
24 Q Did you know whether Monica and the President
25 shared any interests in anything in particular?

Page 45

1 A I know they both liked antiques and they both liked
2 poetry.
3 Q Do you know anything about any conversations that
4 Monica had with the President that they would talk about
5 topics?
6 A They discussed their family, sometimes politics. I
7 don't remember anything specific, but it was person, it was
8 friendly.
9 Q Do you know whether there were times when Monica
10 would visit the President when they would just talk? Did she
11 ever talk to you about it?
12 A Yes.
13 Q Did Monica have any nicknames for the President
14 that she used when she spoke to you?
15 A She called him Handsome and The Creep or The Big
16 Creep.
17 Q When did call him The Creep and The Big Creep? How
18 was she feeling when she used those words?
19 A She was usually disappointed when she called him
20 The Creep or angry.
21 Q Do you know whether Monica ever sent -- ever had
22 published a Valentine in the newspaper for the President?
23 A I don't remember that.
24 Q Do you know whether the President ever gave Monica
25 any items of clothing?

Page 46

1 A No.
2 Q Now, you mentioned a moment ago photographs. Other
3 than the one that you've already described where the
4 President is wearing the tie that Monica gave him, are there
5 any other photographs that you saw in Monica's possession
6 that she told she got from the President?
7 A I don't know if she specifically received them from
8 the President or a photographer. She showed me some
9 Christmas photographs that were taken of the first family, I
10 think, in front of a Christmas tree, lots of formal
11 photographs.
12 Q Were any of them with Monica in them?
13 A Yes, at events, there were some. I don't know who
14 she got them from, though.
15 Q Do you know whether after Monica left the White
16 House and worked at the Pentagon, whether she ever sent
17 messages, letters, notes, things of that nature, to the
18 President at the White House?
19 A I don't remember.
20 Q Now, did there come a time when Monica began to
21 discuss with you that she wanted to leave Washington and move
22 to New York?
23 A Yes.
24 Q And when did she tell you that?
25 A I knew when she came to visit in November, when she

Page 47

1 came to California for Thanksgiving. Maybe about a month
2 before that she started talking about it.
3 Q This past November 1997, did you see Monica i
4 California?
5 A Yes.
6 Q Did she discuss with you at that time anything
7 about her relationship with the President?
8 A She seemed very depressed, and I could sense that
9 she wanted to talk, but knew that I -- I probably didn't want
10 to hear it.
11 Q Now, you've mentioned before -- did you want to say
12 something else?
13 A We didn't -- I think I brought it up, and I asked
14 her if she was okay, specifically regarding him, and she just
15 mentioned she wanted to go to New York, and just leave.
16 Q Okay. You mentioned before that, "She knew" --
17 "she," being Monica -- "knew I didn't want to hear it." And
18 I think earlier you also described, you know, a sequence of
19 emotions that you had, ending with not wanting to hear about
20 it.
21 Can you tell the grand jury why you felt that way,
22 why didn't you want to hear about Monica's relationship with
23 the President?
24 A Firstly, it was because I recognized a pattern of
25 the same story since I've known her.

Page 4

1 Q What do you mean by that? Can you explain that to
2 the grand jury?
3 A She would become obsessed with a male, who was
4 usually pretty unobtainable, and --
5 Q [redacted]
6 A [redacted]
7 Q [redacted]
8 A [redacted]
9 Q [redacted]
10 [redacted]
11 A [redacted]
12 Q [redacted]
13 A [redacted]
14 [redacted]
15 [redacted]
16 Q Okay. Any other examples?
17 A No, I -- I just remember it being the same story.
18 Q Did you ever talk to her about that?
19 A Yeah. And she would just get frustrated.
20 Q Now you said one reason that you didn't want to
21 hear about Monica's relationship with the President was that
22 you noticed a pattern over time.
23 A Right.
24 Q What else?
25 A The other one was that it -- it made me

Page 49

1 uncomfortable.
2 Q Why?
3 A Because of -- a little bit because of the -- I knew
4 that a lot of people didn't know. She called me from work
5 and talked about it, which made me kind of nervous.
6 She seemed a little too confident that she could
7 talk openly about it, and it made me feel weird. It just was
8 -- she was too confident about it, and I hesitated to share
9 her confidence. It was weird.
10 Q Did you ever tell you outright, you know, "I don't
11 want to hear about this"? Or is it just something that you
12 projected in the way you reacted to her?
13 A I don't think I ever told her, but I projected it
14 definitely. The same way with the other men.
15 Q Did Monica ever date any other men during the
16 period that she was talking to you about her relationship
17 with the President?
18 A There were a few.
19 Q Were they people she met in Washington?
20 A Yes.
21 Q Do you remember any names?
22 A I remember a Doug and a Tom, Thomas.
23 Q Now, when Monica began to discuss with you, you
24 said, sometime in fall of 1997 that she wanted to go to New
25 York to live, did she tell you why she wanted to go to New

Page 50

1 York?
2 A I know that she always loved New York, and I know
3 that she -- I know that her mother had relocated and moved
4 there, and I know primarily she just wanted to get away from
5 Washington.
6 Q Did she tell you anything about her efforts to get
7 a job in New York?
8 A She told me that she wanted nothing to do with
9 politics, that she wanted to maybe get into media or TV or
10 something more interesting to her. And I know that she --
11 she mentioned that maybe her mother could help her. I know
12 her mom knows people there. And she mentioned that maybe the
13 President would help her.
14 Q Did she ever tell you anything that the President
15 did to assist her to get a job in New York?
16 A No, not specifically.
17 Q Did she ever tell you about any interviews she had
18 for a job in New York?
19 A I know that she'd interviewed in Washington for a
20 job in New York.
21 Q And what job was that?
22 A A position at the U.N. I don't know specifically
23 what.
24 Q Who did she interview with?
25 A Bill Richardson.

Page 51

1 Q And did she obtain a job offer from the U.N.?
2 A She did.
3 Q Did she want to accept that job?
4 A No.
5 Q Did she tell you why?
6 A She told me that she didn't accept it, and I asked
7 why, and she said she didn't -- she wasn't interested. She
8 didn't want to work in that part of town, she said, in New
9 York. And I think it was just too -- too related to
10 politics, and she wasn't interested, and I think she wanted
11 her experience in New York to be with a perfect job, making a
12 good income. She wanted it to be perfect.
13 Q Did she talk to you at all about getting a job in
14 private industry, in business?
15 A No.
16 Q Did she tell you whether anybody at the White House
17 was helping her get a job in New York?
18 A No one specifically. She just said that maybe the
19 President could help her.
20 Q Did she ever tell you that she met with Vernon
21 Jordan in an effort to get a job in New York?
22 A No.
23 Q Did she ever mention the name, Vernon Jordan, to
24 you?
25 A I don't remember.

Page 52

1 Q Did she ever mention Revlon or American Express?
2 A No.
3 Q How often did you talk to her in the fall of '97?
4 How frequent were your conversations?
5 A Probably once a month.
6 Q And is there any particular reason why your
7 telephone calls with her happened less frequently?
8 A My schedule changed. I've been working longer
9 hours. I haven't really talked to anybody socially since the
10 summer of '97. I've been very involved in work, and I know
11 that when we did talk, it was -- she was mostly depressed,
12 and I didn't have the time or the energy to -- to listen,
13 because it was always the same.
14 And I know that she -- she mentioned going to New
15 York, but sometimes I'd talk to her and it would be, "This
16 weekend I'm moving to New York," and sometimes it would be,
17 "I'm going to New York as soon as I find a job." So I just
18 kind of waited for her to call me from New York.
19 I had mentioned that I wanted to go to New York,
20 and I wanted to wait till she was settled.
21 Q You mentioned that you saw her around Thanksgiving
22 time --
23 A Mm-hmm.
24 Q -- when she visited Los Angeles. Did you speak to
25 Monica in December of 1996?

Page 53

1 A Probably.
2 Q Do you know how many times?
3 A Maybe once.
4 Q Do you remember anything about that telephone call?
5 A No.
6 Q Were you alone when that call was made?
7 A Probably. I love alone. I could have called her.
8 Sometimes I tried calling her from my work when I had time.
9 Q Do you remember whether she discussed her
10 relationship with the President during that December call?
11 A No. I know that she told me that she had a going-
12 away party at work, and that -- I think it was before
13 Christmas. And that's -- that's really what I remember in
14 December.
15 Q What about January of '98?
16 A January 2nd was the last time I spoke with her.
17 Q And who made that call?
18 A She called me.
19 Q And where were you?
20 A At home.
21 Q And where was she?
22 A I think she was at home.
23 Q In D.C.?
24 A In D.C., yes.
25 Q Okay. And were you alone at that time?

Page 54

1 A No, I had a guest from out of town.
2 Q So what happened during that call?
3 A It was two days after New Year's Eve, and we talked
4 about what we had done.
5 Q What did she tell you?
6 A She told me she went to -- some friends of hers
7 from here dragged her to a party, I think, at a restaurant or
8 a bar, and she said she -- she sounded really excited. She
9 had had a great time.
10 I know she always hated that holiday. She always
11 had expectations of it, and she had a really good one, and I
12 was happy to hear her happy again. She said that she'd met
13 someone, who I think is from New York, and she was
14 interested. And I told her what I did.
15 Q Did the subject of the President come up during
16 that call?
17 A I think I brought it up.
18 Q What did you ask her?
19 A I think I asked, "How are things going?" And she
20 said, "Not good." And that was it.
21 Q Did she discuss with you plans to go to New York at
22 that time, during that call?
23 A Yeah.
24 Q What did she say?
25 A She said she didn't have a job yet, but she thought

Page 55

1 she was going to leave pretty soon, and when she gets there,
2 she'll call me again.
3 Q Have you had any contact with Monica since then?
4 A No.
5 Q Have you attempted to call her since then?
6 A Yes.
7 Q Tell the grand jury why and how many times.
8 A I called her, I believe -- oh, wait, I called her
9 on the 16th of January and left a message on her answering
10 machine. I had wanted to tell her about somebody that I had
11 met the night before. And she never called back.
12 And then I think it was the 21st -- I had left that
13 message for her on a Friday, and that following Wednesday, I
14 think, I had woken up and seen her on CNN and made an attempt
15 to call, and there was no answer.
16 Q Any answering machine?
17 A Not an answering machine. There was nothing. It
18 just rang. And I had called her father and left him a
19 message. And I think I -- I did attempt it one more time a
20 couple weeks later.
21 Q Did you call her in D.C.?
22 A Yes.
23 Q Anyone pick up the phone?
24 A No.
25 Q Any answering machine?

Page 56

1 A Nothing.
2 Q Has anyone contacted you on her behalf?
3 A Her attorney called me.
4 Q That's Mr. Ginsburg?
5 A Mr. Ginsburg.
6 Q When did that happen?
7 A I don't know what the specific date was. I know it
8 was a Sunday morning, and he had left me a message on my
9 machine, and I never responded.
10 Q Do you know whether Mr. Ginsburg was involved in
11 anything in particular on that Sunday?
12 A I know that that day he was on several morning
13 shows discussing the case. I didn't watch any of them. I
14 only knew about it from the other messages that I got that
15 Sunday from the media, wanting to talk to me and telling me
16 that if I wanted to discuss anything with the media, that Mr.
17 Ginsburg gave me a green light to do so.
18 Q And did you do so?
19 A No.
20 Q Was there any substantive in Mr. Ginsburg's message
21 to you on the answering machine other than to page him or
22 call him?
23 A No. He just told me to page him.
24 Q And that was your last contact -- your only contact
25 with him?

Page 57

1 A Yes.
2 Q Did Monica ever discuss Linda Tripp with you?
3 A I don't remember a specific conversation or
4 description. I remember the last name. I thought it was
5 funny.
6 Q Did you know that Monica had confided her
7 relationship with the President in Linda Tripp?
8 A No.
9 Q Did you know that Linda Tripp was somebody who
10 Monica worked with at the Pentagon?
11 A No.
12 Q Now, did Monica ever discuss with you what happened
13 to any of the gifts that she received from the President?
14 A No.
15 Q Did she ever tell you that she gave them to anyone?
16 A No.
17 Q Did she ever tell you about giving any of them to
18 her mother?
19 A No.
20 Q To Betty Currie?
21 A No. That I learned from the news.
22 MR. WISENBERG: Did she ever indicate at any time
23 that she was worried about having gifts from the President in
24 her possession?
25 THE WITNESS: No.

Page 58

1 BY MS. WIRTH:
2 Q Did she ever talk to you about destroying any of
3 them or giving them to someone else to destroy?
4 A No.
5 Q Did she ever tell you about any particular item of
6 clothing that she wore when she saw the President?
7 A No.
8 Q Did the subject of the Paula Jones case ever come
9 up in your conversations with Monica?
10 A Yeah. I think I brought it up.
11 Q When?
12 A Probably sometime in '97.
13 Q Do you remember what you said?
14 A I remember her telling me of the most recent
15 physical contact she had. I remember asking, "Doesn't he
16 care that all of this is going on?" I mean, it just made no
17 sense to me, and I thought maybe she had a clue.
18 And she seemed really confident that -- she didn't
19 really understand why I was concerned about it.
20 Q Did she ever say to you that she was concerned
21 about being caught when she was together with the President?
22 A No.
23 Q Did she ever tell you of any close calls, where --
24 A No.
25 Q -- she was almost discovered?

Page 59

1 A No.
2 Q Did Monica ever tell you that she was on a witness
3 list in the Paula Jones case?
4 A No.
5 Q Did she ever tell you that she filled out an
6 affidavit or signed an affidavit in the Paula Jones case?
7 A No.
8 MR. WISENBERG: Or a statement of any kind?
9 THE WITNESS: No.
10 BY MS. WIRTH:
11 Q Did she ever tell you that she had a lawyer
12 representing her in connection with the Paula Jones case?
13 A No.
14 Q Did she ever tell you that she talked to a lawyer
15 in connection with the Paula Jones case?
16 A No.
17 Q And, again, the name, Vernon Jordan, never came up
18 in that regard?
19 A I don't recall.
20 Q Did she ever talk to you about whether she would be
21 called to testify in the Paula Jones case?
22 A No.
23 Q Did she ever discuss with you in general what she
24 would say if anyone ever asked her in any context about her
25 relationship with the President?

Page 60

1 A No. It was never an issue. I seemed to be more
2 concerned than her. She seemed confident it would be a
3 secret.
4 Q Did Monica's dad respond to your message, by the
5 way?
6 A No.
7 MR. WISENBERG: I've got some questions.
8 MS. WIRTH: Okay.
9 BY MR. WISENBERG:
10 Q You think this discussion where you said something
11 to the effect of you can't believe he'd be doing this with
12 the Paula Jones case going on.
13 You think it would have happened sometime in '97?
14 A I think.
15 Q Okay. You're just not that sure about the date of
16 this discussion?
17 A I'm not sure.
18 Q You obviously knew there was a Paula Jones case.
19 A Yeah.
20 Q And Ms. Lewinsky didn't say anything to you like,
21 "Who is Paula Jones?" or, "What's the Paula Jones case?" or
22 anything like that.
23 A No, she knew what I was talking about.
24 Q You said there weren't any close calls in the White
25 House. Did she ever say that anybody had to say while she

Page 61

1 was in the White House -- had to kind of cover for her, like
2 she might have been -- as example, might have been found in a
3 room where she shouldn't have been or a hallway where she
4 shouldn't have been, and somebody had to come in and say,
5 "That's so-and-so," something along those lines, kind of to
6 cover for her and give a story, cover story?
7 A No.
8 Q Anything like that you can think of?
9 A I remember when I asked about Betty's knowledge of
10 everything, it seemed to me that Monica was just confident
11 everybody would say the right thing, that everything would be
12 orchestrated to come out a secret.
13 Q Okay.
14 A Not a secret, but they wouldn't be caught.
15 Q All right.
16 A There wouldn't be a problem.
17 Q Is that what she said or an impression you got?
18 A That's an impression I got.
19 Q From something that she said?
20 A I think just a lack of saying anything.
21 Q She didn't seem concerned, in other words.
22 A No. Again, it seemed like I was more concerned. I
23 was more stressed about them getting caught than she was.
24 She seemed pretty confident everything would be fine.
25 Q Is there any doubt in your mind that what she told

Page 62

1 you about her relationship happened?
2 A There's no doubt.
3 Q She wasn't fantasizing it, in your opinion, as her
4 friend?
5 A No.
6 Q Did she ever tell you about any gifts she gave the
7 President that would have had her name somewhere in the gift,
8 like a gift that had something printed on it and part of the
9 printing had the name "Monica"?
10 A No.
11 Q You mentioned -- I'm trying to remember the context
12 now. You mentioned that you had talked to her -- oh, I think
13 you were talking about relationships that she would get
14 into --
15 A Mm-hmm.
16 Q -- with unobtainable -- for example, married men.
17 You said that she would be get frustrated.
18 A Mm-hmm.
19 Q How do you mean?
20 A She would get frustrated by the rejection, physical
21 rejection. It seemed that she wouldn't take no for an answer
22 whenever they wanted to end it.
23 Q Does the name Burson -- I might be getting it wrong
24 -- Burson Marsteller mean anything to you as a company she
25 might have interviewed with?

Page 63

1 A No.
2 A You mentioned a conversation with her, I believe,
3 on the 2nd of January --
4 A Mm-hmm.
5 Q -- of this year. You said something to the effect
6 of how are things going with Monica and the President, and
7 she said, "Not good." Anything beyond that?
8 A No. I had a guest over who doesn't know anything,
9 and I didn't -- I didn't pursue it beyond that.
10 MS. WIRTH: May I ask a few questions?
11 BY MS. WIRTH:
12 Q You didn't ask the question on the telephone,
13 "How's it going with the President," I take it.
14 A No.
15 Q What did you say?
16 A "How are things going?"
17 Q And did she appear to know what you meant?
18 A Yes.
19 BY MR. WISENBERG:
20 Q And did you mention at all -- I guess this probably
21 flows logically from your last answer, but I'll ask this
22 anyway. Did she mention in that conversation to you about
23 the Paula Jones case?
24 A Nothing.
25 MS. WIRTH: How long was that conversation?

Page 6

10 A No doubt.

12 A Yes.
13 Q -- in the presence of Ms. Lewinsky?
14 A Probably no more than five times.
15 Q Okay. Did he ever say to Ms. Lewinsky, "Who are
16 you?" Did he ever indicate, in other words, that he didn't
17 know who Ms. Lewinsky was?
18 A No, never.
19 Q Okay.
20 MR. WISENBERG: I think that's all I've got right
21 now. Why don't we take a brief break, and we'll ask you to
22 be excused for just a few minutes --
23 THE WITNESS: Okay.
24 MR. WISENBERG: -- and then we'll come and get you
25 back.

Page 65

1 THE WITNESS: Okay.

3 THE FOREPERSON: You're still under oath.

7 MR. WISENBERG: Okay.

9 Q The grand jurors have some questions of you that I
10 will ask on their behalf, and then we might have some others
11 after these.
12 A Okay.
13 Q You mentioned that when Monica got involved in this
14 pattern of getting involved with men who were in some sense
15 unobtainable, sometimes it would reach -- within those
16 relationships, she would get obsessed sometimes.
17 Can you give us any -- you know, based on your
18 knowledge or remembrance, any examples of that that come to
19 your mind?

13 A
14 MR. WISENBERG: Did you have a question?
15 MS. WIRTH: That was my question.
16 BY MR. WISENBERG:
17 Q Are there any other relationships you can think of
18 that fit this pattern?
19 Any other relationships that fit
20 this pattern you've talked about, unobtainable and/or married
21 men?
22 A No.
23 Q
24
25 A Mm-hmm.

Page 68

1 Q Do you know anything in particular about those
2 relationships?
3 A don't know how she met him, I
4 don't remember. I know they've gone out a couple times. I
5 know that they had an e-mail relationship. I know that's not
6 what started the relationship. It was their way of
7 communicating after they went out.
8 And I think it was a sexual relationship, if I
9 remember. I know she wanted more. I don't know if she
10 wanted it to be monogamous, but I know whatever he was
11 getting from her wasn't enough for her, and she expressed
12 that, and it frustrated him, and I think he blew her off.
13 Q Okay. And you'd mentioned somebody else. Do you
14 know anything about that?
15 A
16 Q All right.
17 A
18 Q All right. But you're not in a position to say
19 whether or not that fit this pattern you're talking about?
20 A As far as I knew, he was a single -- I know that he
21 was older than her, but from what I knew, he was available,
22 and he was interested.
23 Q Okay. Now, do you have any knowledge, based upon,
24 obviously, what she discussed with you at the time, whether
25 or not the relationship with the President faltered because

Page 69

1 of this obsession you've talked about, as opposed to just
2 generally finding out from her, "I'm frustrated because I'm
3 not seeing him as much"?
4 Can you connect it in any way, in terms of what she
5 told you, to this behavior of hers that you've seen over
6 time?
7 A I think I perceived it from her depression and
8 frustration. I know they've had conversations, she told me,
9 where he made an effort to end it, and she would cry and get
10 angry. And I would ask her, "How did he react?" And she
11 said, "It made him angry," that he would get frustrated.
12 Q Did she ever tell you that the President ever
13 yelled at her?
14 A No.
15 Q Did she ever tell you that the President said
16 something to this effect, "If I had known that you were going
17 to be like this, I never would have gotten involved with
18 you"?
19 A No.
20 Q You mentioned that she showed you a gift of a cigar
21 with a presidential seal on it?
22 A Yes.
23 Q Did she ever tell you whether there was any
24 significance to the cigar gift other than the seal on it?
25 A No.

Page 70

1 Q Did Monica smoke cigars, to your knowledge?
2 A Not regularly.
3 Q But she did occasionally?
4 A She did.
5 Q Did she ever tell you about or show you any other
6 presidential trinkets?
7 A I've seen boxes of M&Ms.
8 Q And they were presidential M&Ms?
9 A Yeah, that I think Nel gave her.
10 Q Okay.
11 A I got them when I visited. I don't know if from
12 Nel or from her, I don't remember.
13 Q Did she ever say that anyone had warned her,
14 jokingly or not, "You better watch out or you're going to
15 become another Paula Jones"?
16 A I don't remember.
17 Q You'd remember something like that, don't you
18 think?
19 A Yeah, I would remember.
20 Q Are you in a position to tell us, based on your
21 knowledge of Monica, the impact her parents' divorce had on
22 her?
23 A I don't know firsthand. I'd met her right after
24 they separated. But I have friends that knew her before and
25 say that she had gained a lot of weight.

Page 71

1 I know that she's a sensitive and emotional person.
2 I'm sure it wasn't easy. But I don't have anything to
3 compare it to.
4 Q Because you didn't see her before.
5 A Right.
6 Q Do you know her to be -- you said sensitive and
7 emotional. Do you know her to be manipulative at all?
8 A No.
9 Q Did she ever mention to you seeing a counselor or
10 therapist?
11 A I know she had a therapist in Los Angeles that she
12 would see regularly, and I know when she moved to Portland,
13 they had phone sessions. And I know that -- I think it
14 continued even after she came here.
15 Q All right. So that's obviously long term. That
16 would have gone through several years of college --
17 A Yes.
18 Q -- before college and --
19 A It definitely started -- I don't know, actually, if
20 it was high school. It could have been. I know she was in
21 Los Angeles when it started.
22 Q Okay.
23 A I know she finished high school there and began
24 college there, so it's hard to tell.
25 Q All right.

Page 72

1 A But I think it was post-high school.
2 Q So first she saw her personally, based on your
3 knowledge, and then after she moved to Portland and after
4 D.C., there were phone sessions; is that correct?
5 A Mm-hmm. But I know it also wasn't as regular when
6 she moved away. It was when she needed her, she would call.
7 Q Okay.
8 A Where before there were scheduled appointments.
9 Q Do you have any general remembrances or impressions
10 about the significance of this therapist on her life?
11 A I know that she told me what her therapist said,
12 and I -- I remember thinking she was nuts and not agreeing
13 with what --
14 Q The therapist?
15 A Yeah.
16 Q What did she say the therapist said?
17 A Well, I know that she had written some books. I
18 didn't read them, and I don't know what they're called, but I
19 know that they were about sex, and they were made for women,
20 I think.
21 I know that she is famous and that she sees
22 celebrities, people who are important. I know that she was
23 not cheap.
24 Q What was her name?
25 A Irene Kasorla, Dr. Irene Kasorla.

Page 73

1 Q And when you said that you thought she was nuts,
2 the therapist was nuts, based on what? And, I take it, you
3 don't mean that in a technical sense necessarily.
4 A No.
5 Q Okay. Based on what Monica had told you she said,
6 was this based on things Monica told you she generally -- she
7 said, in general, the therapist, or advice that she would
8 give to Monica, or both?
9 A Well, it was my opinion, based on what Monica said.
10 Monica didn't think she was --
11 Q I understand it's your opinion, but is it based on,
12 in other words, things like, "Well, my therapist, based on
13 her books, thinks this about, for instance, relationships"?
14 Or was it, "My therapist said I should do this"?
15 In other words, was it based on the personal advice
16 the therapist gave to Monica that you thought the therapist
17 was nuts or --
18 A I don't -- I don't think she gave her advice. I
19 think she analyzed actions she -- after Monica did whatever
20 she did.
21 Q Okay, well, then analysis. In other words, would
22 she --
23 A Sometimes she reprimanded her and sometimes she
24 encouraged her. But, to me, whatever Monica was doing,
25 obviously, to me, it wasn't healthy, and I felt that her

Page 74

1 therapist wasn't helping the situation.
2 Q Okay. In other words, her therapist did not -- she
3 told you what she told her therapist, for instance, about --
4 well, let's strike that.
5 Her therapist did not disapprove, apparently, of
6 some of her relationships or some of her actions as much as
7 maybe you did or some other friends?
8 A I'm sure with some of them she disapproved. I
9 remember Monica being frustrated, the same way she would get
10 frustrated with me or other girlfriends. She felt like she
11 was being lectured at, and I think that she reacted that way
12 to her therapist, too.
13 It just didn't -- whatever they were doing, it
14 wasn't helping. Nothing ever changed it. It may have been
15 Monica's not wanting to make the effort, but it just -- to
16 me, her focus was sex and her --
17 Q Whose focus?
18 A The focus of this therapist --
19 Q Okay.
20 A -- was sex and self-esteem, and I don't know if
21 that's what created this connection in Monica's head of sex
22 and self-esteem, or she encouraged it, or if she looked for a
23 specific therapist who specialized in it. I don't really
24 know. But it just seemed to be the practice to -- if it
25 would make you feel better, do it.

Page 75

1 Q Okay.
2 A As I remember it. I just remember thinking it was
3 silly.
4 Q All right. The first thing, though, that I want to
5 try to get at is, your kind of somewhat negative assessment
6 of the therapist/counselor, I take it, was based on both
7 specific things that she told Monica about Monica as well as
8 just the general theories of this therapist?
9 A I don't understand.
10 Q Okay. In other words, what I'm trying to get at --
11 not very well -- it seems that some of your negative attitude
12 towards the therapist -- I'll break it down -- was based upon
13 what Monica is telling you the therapist is telling Monica
14 about her --
15 A Yeah, yes.
16 Q All right. I just won't go any further than that.
17 Did Monica tell you that she told the therapist
18 about the relationship with Andy?
19 A Yes.
20 Q Okay. And did Monica tell you that she had told
21 the therapist about the relationship with the President?
22 A I don't think so.
23 MS. WIRTH: Can I ask something?
24 MR. WISENBERG: Yes.
25 MS. WIRTH: You don't think she told you that, or

Page 76

1 you don't think that --
2 THE WITNESS: I don't think she told me that.
3 BY MR. WISENBERG:
4 Q If you could describe for us, based on your
5 knowledge, not only what you've seen of it, but what Monica
6 has told you and how she has acted, if you would describe for
7 us the relationship of Monica Lewinsky with her mother.
8 A Oh, I know they're very close. They both like to
9 shop. They both like the theater. I know that they -- they
10 have a lot of similar interests, and so they're each other's
11 companion when they go out.
12 They've always lived together, except for the two
13 years Monica was in Portland. And from what I knew, she
14 shared a lot with her mom.
15 Q They confided in each other a lot?
16 A Yes.
17 Q She was closer with her mother than her father?
18 A Definitely.
19 Q Any particular reason when this thing broke that
20 you called the father, or tried to contact the father as
21 opposed to the mother?
22 A Yeah, there were a couple reasons. He was closer.
23 I had his number.
24 Q Closer physically to you.
25 A Yeah.

Page 77

1 Q Geographically.
2 A Geographically, yes. And I had his number for when
3 Monica stays there when she's in town, and I didn't have her
4 mother's phone number.
5 And the last contact I had had with her was just
6 this past Thanksgiving, and I think I had called January --
7 the day that this came out, in mid-January, the 21st, I
8 think, I called, and the last time I had seen Monica was at
9 his house. We had had dinner and --
10 I'm very comfortable with her dad and her stepmom,
11 and when she's -- they've invited me over while she's not in
12 town. They make an effort to have a relationship with me
13 also, her stepmother and father, and it just seemed
14 appropriate to call.
15 Q No special reason or other.
16 A No.
17 Q You have mentioned that some of the reporters, or
18 at least one reporter told you that Ginsburg had given you
19 the green light to talk to them; is that correct?
20 A Yes.
21 Q Did you ever confirm, directly or indirectly,
22 whether or not that was true?
23 A No. I didn't care. I didn't want to tell her.
24 Q Did you know Ginsburg personally?
25 A No.

Page 78

1 Q Any particular reason you didn't contact him?
2 Because you also said that he had left a message, correct?
3 A Yes.
4 Q Ginsburg.
5 A I didn't contact him for the same reasons I didn't
6 contact any of the media. I just felt that I had nothing to
7 say that would make it better, and I had nothing -- I felt
8 that any attempt I would make to say something positive about
9 her would just be manipulated anyway, and I didn't want any
10 media attention. I had just started a job. And I didn't
11 want to invite any more involvement than I already had.
12 Q I take it, Ginsburg's message to you was completely
13 nonsubstantive, it was just, "Get in touch with me"?
14 A Yeah.
15 Q He gave no hint of why.
16 A Nothing.
17 Q Okay. You mentioned that you -- correct me if I've
18 got this wrong. I think you mentioned that you had asked
19 Monica whether or not Betty Currie knew about the
20 relationship and Monica said no; is that correct?
21 A Yes.
22 Q Do you remember when, in terms of the beginning,
23 middle, end of the relationship, this conversation would have
24 happened?
25 A I think in the middle.

Page 79

1 Q Did Monica ever say or do anything to make you
2 think that that had changed, Betty's knowledge or lack
3 thereof?
4 A No.
5 Q What did she tell you about the nature of her
6 relationship with Betty Currie?
7 A I know that they were friends. I know that there
8 were times when she would go to the office to see Betty, to
9 visit.
10 Q In other words, just to visit Betty, not just to --
11 not just as a prelude to seeing the President?
12 A Yes. I know she was fond of Betty.
13 Q Did -- I'm sorry, I didn't realize you were still -
14 -
15 A I'm trying to remember more what I knew about
16 Betty. That's it.
17 Q Did Monica ever express any fear to you, concern
18 ever about somebody finding out about the relationship?
19 A No.
20 Q And you might have answered this before the break,
21 but on the -- well, pardon me just a minute, and I'll find
22 out if you were asked.
23 (Mr. Wisenberg conferred with Ms. Wirth.)
24 BY MS. WIRTH:
25 Q Pardon me for that diversion.

Page 80

1 I think there was some testimony to the effect that
2 the President -- Monica told you the President was trying to
3 disengage from the relationship at some point in time. Do
4 you recall that?
5 A I know it happened more than once.
6 Q Okay. Did she ever say that he gave a reason for
7 that?
8 A I can't remember -- I know that at least once he
9 said that he loved his family. I know it happened more than
10 once. Not that he necessarily gave that reason, but I know
11 he tried to end it more than once.
12 There may have been a time during the reelection,
13 but I don't know if -- I remember Monica saying something
14 about -- that there was nothing during the reelection. I
15 don't know if it was because she was told there will be
16 nothing during the reelection, or she assumed that that's
17 why, and it was a convenient excuse for nothing going on
18 then.
19 Q Do you recall Monica getting very disappointed
20 because she thought she'd be able to come back right after
21 the election and it didn't happen, around November, December,
22 say, of '96?
23 A I remember her being disappointed for that reason.
24 I don't remember when in relation to the election.
25 MR. WISENBERG: Do you have some?

Page 81

1 BY MS. WIRTH:
2 Q Just a few questions that we didn't cover earlier.
3 Did Monica ever tell you about any phone calls that
4 she received from the President while she was at home?
5 A Yes.
6 Q When did those phone calls occur, generally?
7 A Always in the middle of the night.
8 Q After midnight?
9 A Yes, usually.
10 Q Would Monica be asleep sometimes?
11 A Sometimes.
12 Q And would be the nature of those phone calls?
13 A Sometimes he wanted to talk and sometimes he wanted
14 phone sex.
15 Q And she tell you anything about specifically what
16 happened during those calls?
17 A She said that the ones that were sexual, she said
18 that he would ask her to talk while he masturbated.
19 MR. WISENBERG: Questions?
20 A JUROR: Do you know whether at any point in time
21 that Monica's mom was seeing the same therapist?
22 THE WITNESS: Was seeing the same therapist?
23 A JUROR: Yes.
24 THE WITNESS: I don't know anything about that.
25 MR. WISENBERG: All right. If there are no --

Page 82

1 A JUROR: I have a question. You talked about
2 there was someone in high school and how Monica would make
3 sure she befriended the mother and the family, and you also
4 talked about Andy and how she befriended his wife and his
5 kids.
6 Would you say that this was some form of
7 manipulation in order that she knew where they were and how
8 to be around them, and she could be in touch with the closest
9 people to these people in order to be around them?
10 Like if she was invited to the family functions or
11 she wanted to get in close with the mother and the family to
12 be around this person?
13 THE WITNESS: I don't know why she did it. I
14 remember always thinking it was sick. Because it just -- it
15 never made anything better for her. It made her more
16 depressed, more emotionally involved, that it -- it just
17 didn't make it better.
18 I don't know if she had an agenda. I don't know --
19 I know that she genuinely cared for these people, and
20 whatever she did to make a relationship with them, they
21 mutually did the same, so --
22 BY MR. WISENBERG:
23 Q Did she ever express any regret ever about
24 involvement with -- either involvement with people who were
25 married or, like in the case of Andy, involvement with

Page 83

1 somebody who was married and she's got a relationship with
2 the wife? Did she ever express any regret or kind of guilt
3 over that to you?
4 A No.
5 MR. WISENBERG: Yes, ma'am?
6 A JUROR: I just have one question. You had
7 mentioned that the President had tried to end the
8 relationship several times with Monica. Did she ever tell
9 you who revised the relationship again? Was it Monica or the
10 President?
11 THE WITNESS: I think it was Monica.
12 A JUROR: She initiated it?
13 THE WITNESS: Yes. And I don't know if it was
14 always him wanting to end the physical. I think, in addition
15 to ending the physical, I think he wanted the visits to stop,
16 too, and she would react the same way.
17 A JUROR: As far as you know, who did she get --
18 you said that she got close with the family of whoever she
19 was interested in. To the President, who was it she close
20 with while she was --
21 THE WITNESS: I think Betty. I don't know that she
22 had a relationship with his wife, the President's wife.
23 MR. WISENBERG: Going once, going twice. Speak now
24 or forever hold your peace.
25 (No response.)

Page 84

1 MR. WISENBERG: All right. Thank you very much.
2 Sometimes people come to the grand jury, and no matter how
3 long they're here, it's human nature that you'll remember
4 something when you're on the plane going back home --
5 THE WITNESS: Mm-hmm.
6 MR. WISENBERG: That you just didn't think of. If
7 that happens, I would ask you to let your attorney know so
8 that he can let us know.
9 THE WITNESS: Okay.
10 MR. WISENBERG: And if there are no more questions,
11 may the witness be excused and go back home?
12 THE FOREPERSON: Yes, she may.
13 THE WITNESS: Thank you.
14 MR. WISENBERG: Thank you.
15 (The witness was excused.)
16 (Whereupon, at 12:34 p.m., the taking of the
17 testimony in the presence of a full quorum of the Grand Jury
18 was concluded.)
