

GPO Solutions Complying with Section 508

The U.S. Access Board* has ruled that **Federal agencies covered by Section 508 of the Rehabilitation Act of 1973 have a deadline of January 18, 2018**, to comply. Accessibility standards ensure that information and communication technology is available to and usable by individuals with disabilities.

GPO offers a variety of solutions to Federal agencies to meet Section 508 Standards.

508 Compliance Consulting

GPO solutions offer professional assessment and consultation services from vendor-neutral industry experts. Section 508 consulting services include:

- Evaluation of your agency's current level of compliance
- Cost estimates for services needed to meet Section 508 requirements
- Development of Section 508 compliance SOPs for your agency
- Guidance on Section 508 responsibilities and standards
- Identification of staff training needs

508 Compliance Contract Vehicles

GPO offers contracts that provide for:

- The creation, remediation, and distribution of Section 508 compliant PDF files from legacy documents or electronic files
- 508 accessibility for fillable PDF's using Adobe LiveCycle
- An assessment review on how to make a file 508 compliant
