National Forest Adventure Pass

Thank You for buying this Pass. It pays for any standard amenity fee required on the Angeles, Cleveland, Los Padres or San Bernardino National Forests. Display your pass while parked using the forest for recreation activities. Additional fees or permits may be required for other activities.

Your Pass at Work

The **Adventure Pass program** improves resource conditions and recreation opportunities. Eighty five percent (85%) of the revenues will be invested locally on the Angeles, Cleveland, Los Padres or San Bernardino National Forests for on the ground projects.

Secure Your Vehicle and Protect Your Pass

Lock your car and secure articles out of sight. The Forest Service is not responsible for fire, theft, damage or loss of articles. Lost, stolen, or damaged passes will not be replaced. No receipt has been provided.

Always Check for Current Forest Conditions

Passes do not guarantee access to forest destinations nor do they reserve any portion of National Forest land. Weather and Fire restrictions can affect access. Call ahead for current conditions before leaving on your outing. See contact info below.
