(Dept. Circular 570; 2005 Revision)

COMPANIES HOLDING CERTIFICATES OF AUTHORITY AS ACCEPTABLE SURETIES ON FEDERAL BONDS AND AS ACCEPTABLE REINSURING COMPANIES

Effective July 1, 2005

This Circular is published annually, solely for the information of Federal bond-approving officers and persons required to give bonds to the United States. Copies of the Circular and interim changes may be obtained directly from the internet or from the Government Printing Office (202) 512-1800. (Interim changes are published in the FEDERAL REGISTER and on the internet as they occur). Other information pertinent to Federal sureties may be obtained from the U.S. Department of the Treasury, Financial Management Service, Surety Bond Branch, 3700 East West Highway, Room 6F01, Hyattsville, MD 20782, Telephone (202) 874-6850 or Fax (202) 874-9978.

The most current list of Treasury authorized companies is always available through the Internet at http://www.fms.treas.gov/c570. In addition, applicable laws, regulations, and application information are also available at the same site.

Please note that the underwriting limitation published herein is on a per bond basis but this does not limit the amount of a bond that a company can write. Companies are allowed to write bonds with a penal sum over their underwriting limitation as long as they protect the excess amount with reinsurance, coinsurance or other methods as specified at 31 CFR 223.10-11. Please refer to footnote (b) at the end of this publication.

The following companies have complied with the law and the regulations of the U.S. Department of the Treasury. Those listed in the front of this Circular are acceptable as sureties and reinsurers on Federal bonds under Title 31 of the United States Code, Sections 9304 to 9308 [See Note (a)]. Those listed in the back are acceptable only as reinsurers on Federal bonds under 31 CFR 223.3(b) [See Note (e)].

If we can be of any assistance, please feel free to contact the Surety Bond Branch at (202) 874-6850.

NOTES

(a) All Certificates of Authority expire June 30, and are renewable July 1, annually. Companies holding Certificates of Authority as acceptable sureties on Federal bonds are also acceptable as reinsuring companies.

(b) The Underwriting Limitations published herein are on a *per bond basis*. Treasury requirements do not limit the penal sum (face amount) of bonds which surety companies may provide. However, *when the penal sum exceeds a company's Underwriting Limitation, the excess must be protected* by co-insurance, reinsurance, or other methods in accordance with Treasury Circular 297, Revised September 1, 1978 (31 CFR Section 223.10, Section 223.11). Treasury refers to a *bond of this type as an Excess Risk.* When Excess Risks on *bonds in favor of the United States are protected by reinsurance*, such reinsurance is to be effected by use of a *Federal reinsurance form* to be filed with the bond or within 45 days thereafter. In protecting such excess risks, the underwriting limitation in force on the day in which the bond was provided will govern absolutely. For further assistance, contact the Surety Bond Branch at (202) 874-6850.

(c) For a Federal bond to be acceptable, a surety company *must be licensed in the State or other area in which it executes (signs and/or otherwise validates) a bond,* but need not be licensed in the State or other area in which the principal resides or where the contract is to the performed. See 28 Op. Atty. Gen. 127, Dec. 24, 1909; 31 CFR Section 223.5 (b). The term "other area" includes the

For further assistance, contact the Surety Bond Branch at (202) 874-6850.

(d) FEDERAL PROCESS AGENTS: Treasury Approved surety companies are required to appoint Federal process agents in accord with 31 U.S.C. 9306 and 31 CFR 224 in the following districts: Where the *principal resides*; where the *obligation is to be performed;* and in the *District of Columbia* where the bond is returnable or filed. No process agent is required in the State or other area where the company is incorporated (31 CFR Section 224.2). The name and address of a particular surety's process agent in a particular Federal Judicial District may be obtained from the Clerk of the U.S. District Court in that district. (The appointment documents are on file with the clerks.)
(NOTE: A surety company's underwriting agent who furnishes its bonds may or may not be its authorized process agent.)

SERVICE OF PROCESS: Process should be served on the Federal process agent appointed by a surety in a judicial district, except where the appointment of such agent is pending or during the absence of such agent from the district. Only in the event an agent has not been duly appointed, or the appointment is pending, or the agent is absent from the district, should process be served directly on the Clerk of the court pursuant to the provisions of 31 U.S.C. 9306.

(e) Companies holding Certificates of Authority as acceptable reinsuring companies are acceptable only as reinsuring companies on Federal bonds.

(f) Some companies may be Approved *surplus lines carriers* in various states.
