Economic Impact Report

July 2009

Importers/Exporters by Congressional District

This document features the top importers and exporters by Congressional District. Here are instructions for using this document.

- The list is organized according to state. Click on **Bookmarks** to access the tabs for each state. Click on the state you are want to access, and the list of importers and exporters for that state will appear. The footer will show the number of pages for the state you are reviewing.

- Within each tab is a listing of importers and exporters organized by Congressional Districts. Currently the importers and exporters are listed separately (**importers are black** and **exporters are blue**)

- You may conduct a work search by clicking on the search icon or by clicking **Ctrl. F**
