NOEL

A life-affirming ministry in the Worldwide Anglican Communion

Mission

Advocate the sanctity of human life from conception to natural death in the Church and society.

Vision

Stand for the value of every human life as revealed in Scripture and *equip people to develop a biblical response to issues that threaten human life.

We are a fellowship of Anglican Christians who believe...

- God values each human life and gives it purpose.
- God ordains marriage and family for the creation and nurturing of human life.
- God desires that we respect and love each person, especially the poor, the weak, and the vulnerable.
- God calls us to minister to people in ways that affirm the sanctity of human life.

We're here for LIFE!

United States Senators
Washington DC

Dear Senators,

On behalf of all the Anglicans and Episcopalians that you serve, thank you for your dedication to this great nation.

It is because of our great national history we write. We are very concerned about what is commonly referred to as "Judicial Activism" and the negative impact it will have on this nation's future. NOEL believes all judges should seek to uphold the Constitution of the United States; **therefore we strongly support the nomination of John Roberts for the U.S. Supreme Court.**

We urge you to help preserve this nation's history and vote yes to confirm Judge Roberts and prevent any type of filibuster.

Again, thank you for serving our country.

Respectfully,

Georgette Forney
President, NOEL

The Rev. D. Lorne Coyle
