PHOTOGRAPHS OF CHAMBER

It is against the rules for a photographer to take a picture of the Senate Chamber while the Senate is in session.[1]

On two occasions in 1949, while the Senate was sitting in its old Chamber during the remodeling of the one it presently occupies, unanimous consent was given for photographing of the Senate while sitting.[2]

By resolution of the Senate, the Senate on a number of occasions has sat for photographing of the Chamber with the Senators in their seats.[3]
