CROSS-REFERENCE TABLE TO PROVISIONS OF THE CONGRESSIONAL BUDGET AND IMPOUNDMENT CONTROL ACT OF 1974, AS AMENDED, RELATING TO THE OPERATION OF THE SENATE

Many provisions of the Congressional Budget and Impoundment Control Act of 1974[1], including amendments made by the Balanced Budget and Emergency Deficit Control Act of 1985,[2] the Federal Credit Reform Act of 1990,[3] and the Unfunded Mandates Reform Act of 1995,[4] relate directly to the organization and internal operation of the United States Senate, and in effect constitute extensions of or additions to the Standing Rules themselves. Those provisions are carried in the Senate Manual in their appropriately codified form under the heading "General and Permanent Laws Relating to the United States Senate" (Extracts from the United States Code). The following cross-reference table shows their respective United States Code citations and indicates by Senate Manual section numbers their location in this volume.
