AUTHENTICATED U.S. GOVERNMENT INFORMATION GPO

The court previously stayed this case pending defendants' appeal in Duncan v. Bonta, No. 19-55376 (9th Cir.). The parties have now filed a joint status report informing the court of the Supreme Court's decision granting certiorari in Duncan, vacating the judgment, and remanding to the Ninth Circuit for further consideration in light of the Court's decision in New York State Rifle & Pistol Ass'n, Inc. v Bruen, 142 S. Ct. 2111 (2022). See Duncan v. Bonta, 142 S. Ct. 2895 (June 30, 2022). Their joint status report also informed the court that the Ninth Circuit remanded Duncan to the district court for further proceedings consistent with Bruen. See Duncan v. Bonta, 2022 WL 4393577 (Sept. 23, 2022). In light of these developments, the stay in this case is hereby LIFTED and a status conference is set in this case for **November 7, 2022 at 1:30 p.m.** via Zoom videoconference. The courtroom deputy shall email counsel of record with instructions on how to participate in the Zoom videoconference.
