112TH CONGRESS
2D SESSION

H. R. 3872

To provide a prize to the first manufacturer of highly-efficient mid-sized automobiles powered by gasoline.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 1, 2012

Mr. DANIEL E. LUNGREN of California introduced the following bill; which was referred to the Committee on Energy and Commerce

---

A BILL

To provide a prize to the first manufacturer of highly-efficient mid-sized automobiles powered by gasoline.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the ''Excellence in Energy Efficiency Act of 2012'' or the ''E Prize Act of 2012''.

SEC. 2. PRIZE TO FIRST MANUFACTURER OF HIGHLY-EFFICIENT MID-SIZED AUTOMOBILES POWERED BY GASOLINE.

The Secretary of Energy shall establish a program to award a prize in the amount of $1,000,000,000 to the

first automobile manufacturer incorporated in the United States to manufacture and sell in the United States 60,000 mid-sized sedan automobiles which operate on gasoline and can travel 100 miles per gallon.
