Secretary including energy-related economic and institutional aspects; and (C) the Environmental Protection Agency shall retain responsibility for the environmental and other economic and institutional aspects of solid waste projects and for assurance that such projects are consistent with any applicable suggested guidelines published pursuant to section 6907 of this title, and any applicable State or regional waste management plan.

(d) Guidelines for obtaining program information from municipalities; availability of information, etc., to Congressional committees; annual reports to Congress; contents, etc.

(1) The Secretary shall establish such guidelines as he deems necessary for purposes of obtaining pertinent information from municipalities receiving funding under this section. These guidelines shall include but not be limited to methods of assessment and evaluation of projects authorized under this section. Such assessments and evaluations shall be presented by the Secretary to the House Committee on Science, Space, and Technology and the Senate Committee on Energy and Natural Resources upon the request of either such committee.

(2) The Secretary shall annually submit a report to the Congress concerning the actions taken or not taken by the Secretary under this section during the preceding fiscal year, and including but not limited to (A) a discussion of the status of each demonstration facility and related facilities financed under this section, including progress made in the development of such facilities, and the expected or actual production from each such facility including byproduct production therefrom, and the distribution of such products and byproducts, (B) a statement of the financial condition of each such demonstration facility, (C) data concerning the environmental, community, and health and safety impacts of each such facility and the actions taken or planned to prevent or mitigate such impacts, (D) the administrative and other costs incurred by the Secretary and other Federal agencies in carrying out this program, and (E) such other data as may be helpful in keeping Congress and the public fully and currently informed about the program authorized by this section.

(3) The annual reports required by this subsection shall be a part of the annual report required by section 5914 of this title, except that the matters required to be reported by this subsection shall be clearly set out and identified in such annual reports. Such reports shall be transmitted to the Speaker of the House of Representatives and the House Committee on Science, Space, and Technology and to the President of the Senate and the Senate Committee on Energy and Natural Resources.

(e) Transfer of part of program to other agency or authority

No part of the program authorized by this section shall be transferred to any other agency or authority, except pursuant to Act of Congress enacted after February 25, 1978.

(f) Compliance by municipalities receiving financial assistance with Federal and State environmental, etc., laws and regulations, and licensing requirements

Nothing in this section shall be construed as abrogating any obligations of any municipality receiving financial assistance pursuant to this section to comply with Federal and State environmental, land use, water, and health and safety laws and regulations or to obtain applicable Federal and State permits, licenses, and certificates.

(Pub. L. 93–577, § 20, as added Pub. L. 95–238, title IV, § 401, Feb. 25, 1978, 92 Stat. 84; amended Pub. L. 103–437, § 15(c)(9), Nov. 2, 1994, 108 Stat. 4592.)

AMENDMENTS

1994—Subsec. (d)(1), (3). Pub. L. 103–437 substituted ''Committee on Science, Space, and Technology'' for ''Committee on Science and Technology''.

CHANGE OF NAME

Committee on Science, Space, and Technology of House of Representatives treated as referring to Committee on Science of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress.

TRANSFER OF FUNCTIONS

''Secretary'', meaning Secretary of Energy, substituted for ''Administrator'' in subsecs. (b)(1), (5), (c)(1), and (d)(1), (2) and for ''Energy Research and Development Administration'' in subsec. (c)(2) pursuant to sections 301(a), 703, and 707 of Pub. L. 95–91, Aug. 4, 1977, 91 Stat. 577, 606, 607, which are classified to sections 7151(a), 7293, and 7297 of this title and which terminated Energy Research and Development Administration and transferred its functions and functions of Administrator thereof (with certain exceptions) to Secretary of Energy.

SECTION REFERRED TO IN OTHER SECTIONS

CODIFICATION

The Developmental Disabilities Assistance and Bill of Rights Act, comprising this chapter, is title I of the Mental Retardation Facilities and Community Mental Health Centers Act of 1963, which was originally enacted by Pub. L. 88–164, Oct. 31, 1963, 77 Stat. 282, at which time title I was known as the Mental Retardation Facilities Construction Act, and parts B and C of such title I were classified to subchapters I (§ 2661 et seq.) and II (§ 2670 et seq.), respectively, of chapter 33 of this title. Because of the extensive amendments, reorganization of the subject matter, and expansion of the Act by the acts summarized below, the Act is shown herein as having been added by Pub. L. 98–527, without reference to intervening amendments.

Part D of the Act was added by Pub. L. 90–170, § 4, Dec. 4, 1967, 81 Stat. 528, and was classified to subchapter IIA (§ 2678 et seq.) of chapter 33 of this title. Part C of the Act was amended generally and the Act was reorganized and renamed the Developmental Disabilities Services and Facilities Construction Act, by Pub. L. 91–517, Oct. 30, 1970, 84 Stat. 1316.

Parts A, B, and D of the Act were amended generally and the Act was otherwise extensively amended and reorganized by Pub. L. 94–103, Oct. 4, 1975, 89 Stat. 486, and was reclassified to this chapter (§ 6000 et seq.).

The Act was renamed the Developmental Disabilities Assistance and Bill of Rights Act and was amended and reorganized by Pub. L. 95–602, title V, Nov. 6, 1978, 92 Stat. 3003, and was subsequently amended generally and completely reorganized by Pub. L. 98–527, § 2, Oct. 19, 1984, 98 Stat. 2662.

EXECUTIVE ORDER NO. 11776

Ex. Ord. No. 11776, eff. Mar. 28, 1974, 39 F.R. 11865, as amended by Ex. Ord. No 12608, Sept. 9, 1987, 52 F.R. 34617, which continued the President's Committee on Mental Retardation with expanded membership and expanded responsibilities, was superseded by Ex. Ord. No. 12994, Mar. 21, 1996, 61 F.R. 13047, set out below.

EX. ORD. NO. 12994. PRESIDENT'S COMMITTEE ON MENTAL RETARDATION

Ex. Ord. No. 12994, Mar. 21, 1996, 61 F.R. 13047, provided:

The President's Committee on Mental Retardation, established by Executive Order No. 11280 [former 42 U.S.C. note prec. 2661] on May 11, 1966, as superseded by Executive Order No. 11776 on March 28, 1974, has organized national planning, stimulated development of plans, policies and programs, and advanced the concept of community participation in the field of mental retardation.

National goals have been established to:

(1) promote full participation of people with mental retardation in their communities;

(2) provide all necessary supports to people with mental retardation and their families for such participation;

(3) reduce the occurrence and severity of mental retardation by one-half by the year 2010;

(4) assure the full citizenship rights of all people with mental retardation, including those rights secured by such landmark statutes as the Americans with Disabilities Act of 1990, Public Law 101-336 (42 U.S.C. 12101 *et seq.*);
