

February 7, 2008

We are posting an electronic copy of Volume 12, JCP Paper Specification Standards. We anticipate a 90-day open review period. At the end of this period, these Government paper specification standards will be printed and reposted on GPO's website incorporating appropriate change requests.

The printed edition will be available to Government departments and agencies and also sold through our Superintendent of Documents program to the public.

Should you have any questions, corrections, or need clarification on any of the standards, feel free to contact Sylvia Subt, Manager, Quality Control & Inventory Management Department (ssubt@gpo.gov) or 202.512.0766.

Thank you.

A handwritten signature in cursive script that reads "Jim Bradley".

JAMES C. BRADLEY
