BID OPENING: Proposal forms shall be received until such time as the Government no longer requires this SPA. The date of December 31, 2004, is for record purposes only.

DESCRIPTION OF AGREEMENT: This Simplified Purchase Agreement (SPA) is established between the Government Printing Office (GPO) and commercial suppliers for various supplies and services which include but are not limited to the following: color copying, duplicating, litigation copying, printed products, typesetting, electronic forms design, and promotional items. It provides simplified procedures for various Government agencies to acquire these supplies and services from commercial sources while reducing administrative costs and providing opportunity for local small business concerns to support this need in their area.

This agreement shall be used by various Government agencies beginning when executed and ending upon notification by the GPO. It is to acquire required supplies and services with a cost per order not to exceed \$2,500.00.

SCOPE: Color copying, duplicating, litigation copying, printed products, typesetting, electronic forms design, calligraphy and other related supplies and services as required. Products required include books, pamphlets, flat sheet forms, certificates, typesetting, forms design, and various other items.

SECURITY: The contractor shall take all necessary precautions to insure against loss of forms or other reproducibles at any time prior to delivery to destination.

Proper control and handling must be maintained at all times to prevent any information or materials required to produce the product ordered under these specifications from falling into unauthorized hands. When indicated, all extra copies, materials, waste, etc. must be destroyed.

Additionally, when litigation copying is required, the Government reserves the right to require the contractor to furnish a listing of all personnel which will handle orders produced under this SPA in order that a background check may be conducted.

SCHEDULE: Orders will require delivery from approximately 4 hours up to 20 workdays or more after availability of furnished material, depending upon the complexity of the work required and the requirements of the ordering agency.

QUOTATIONS: Quotations will be solicited by the ordering agency for each individual order.

Quotations will be solicited by telephone, facsimile, e-mail, or other electronic communication and must be provided by telephone, facsimile, e-mail, or other electronic communication within timeframe indicated on the work order. Exception: The contractor may respond with a "no quote" if unable to perform the requirements of the order in the time required.

Quotations must include complete pricing. Quotations submitted for individual orders must be the lowest quotation for any customer for like products or services under any terms or conditions. Counter offers, if any (such as specification suggestions or alternate schedules) may be submitted.

Quotations must include a separate total price of any Superintendent of Documents copies to be delivered f.o.b. destination as indicated on the work order. Quotations for Supt. Docs copies are exclusive of any makeready or setup costs.

Notice of acceptance of quotation to the contractor and availability of material will be given by facsimile, e-mail, or other electronic communication within 30 minutes after receipt of quotations.

Work order and government furnished material must be picked up after notification of acceptance of quotation and availability of material, when required. The majority of orders will be picked up from the Agency facility or transmitted by other method mutually agreed upon by the contractor and ordering activity.

Under this SPA, work will be placed with the contractor quoting to meet all the requirements of the order and providing the best value to the Government, considering price and other factors. Generally quotations will be solicited from three or more sources. However, to further reduce administrative costs for work valued at \$1,000 or less, a single quotation may be solicited. In such cases, work may be placed without additional quotations, or additional quotations may be solicited to assure a fair and reasonable price.

A WORK ORDER FORM will be used to place all orders. The sample attached will be representative of the information which will be furnished on the actual Work Order Form, however, its appearance may not be the same. The work order form must contain signatures of both agency and contractor representatives to be utilized as a delivery receipt/billing document and submitted for payment.

AUTHORIZED INDIVIDUALS: Contractors must provide quotes to and accept work only from authorized individuals. GPO will provide each contractor with a list of individuals authorized to solicit quotations and place work under this SPA. GPO will provide timely updates or changes in these authorizations as required.
