U.S. GOVERNMENT PRINTING OFFICE

41–660 WASHINGTON : 2008

*To the Congress of the United States:*

I am pleased to transmit legislation and supporting documents to implement the United States-Colombia Trade Promotion Agreement (the "Agreement"). The Agreement represents an historic development in our relations with Colombia, which has shown its commitment to advancing democracy, protecting human rights, and promoting economic opportunity. Colombia's importance as a steadfast strategic partner of the United States was recognized by President Clinton's support for an appropriation in 2000 to provide funding for Plan Colombia, and my Administration has continued to stand with Colombia as it confronts violence, terror, and drug traffickers.

This Agreement will increase opportunity for the people of Colombia through sustained economic growth and is therefore vital to ensuring that Colombia continues on its trajectory of positive change. Under the leadership of President Alvaro Uribe, Colombia has made a remarkable turnaround since 1999 when it was on the verge of being a failed state. This progress is in part explained by Colombia's success in demobilizing tens of thousands of paramilitary fighters. The Colombian government reports that since 2002, kidnappings, terrorist attacks, and murders are all down substantially, as is violence against union members.

The Government of Colombia, with the assistance of the United States, is continuing its efforts to further reduce the level of violence in Colombia and to ensure that those responsible for violence are quickly brought to justice. To speed prosecutions of those responsible for violent crimes, the Prosecutor General's Office plans to hire this year 72 new prosecutors and more than 110 investigators into the Human Rights Unit. These additions are part of the increase of more than 2,100 staff that will be added to the Prosecutor General's Office in 2008 and 2009. To support these additional personnel and their activities, Colombia has steadily increased the budget for the Prosecutor General's Office, including by more than $40 million this year, bringing the total outlay for that office to nearly $600 million.

In negotiating this Agreement, my Administration was guided by the objectives set out by the Congress in the Trade Act of 2002. My Administration has complied fully with the letter and spirit of Trade Promotion Authority—from preparation for the negotiations, to consultations with the Congress throughout the talks, to the content of the Agreement itself. In addition, my Administration has conducted several hundred further consultations, led congressional trips to Colombia, and last year renegotiated key labor, environmental, investment, and intellectual property rights provisions in the Agreement at the behest of the Congress. By providing for the effective enforcement of labor and environmental laws, combined with strong remedies for noncompliance, the Agreement will con-

tribute to improved worker rights and higher levels of environmental protection in Colombia. The result is an Agreement that all of us can be proud of and that will create significant new opportunities for American workers, farmers, ranchers, businesses, and consumers by opening the Colombian market and eliminating barriers to U.S. goods, services, and investment.

Under the Agreement, tariffs on over 80 percent of U.S. industrial and consumer goods exported to Colombia will be eliminated immediately, with tariffs on the remaining goods eliminated within 10 years. The Agreement will allow 52 percent of U.S. agricultural exports, by value, to enter Colombia duty-free immediately, with the remaining agricultural tariffs phased out over time. This will help to level the playing field, as 91 percent of U.S. imports from Colombia already enjoy duty-free access to our market under U.S. trade preference programs.

My Administration looks forward to continuing to work with the Congress on a bipartisan path forward to secure approval of this legislation that builds on the positive spirit of the May 10, 2007, agreement on trade between the Administration and the House and Senate leadership, and the strong bipartisan support demonstrated by both Houses of Congress in overwhelmingly approving the United States-Peru Trade Promotion Agreement last year. The United States-Colombia Trade Promotion Agreement represents an historic step forward in U.S. relations with a key friend and ally in Latin America. Congressional approval of legislation to implement the Agreement is in our national interest, and I urge the Congress to act favorably on this legislation as quickly as possible.

GEORGE W. BUSH.

THE WHITE HOUSE, *April 7, 2008.*

## ANNEX I

### Explanatory Notes

1. The Schedule of a Party to this Annex sets out, pursuant to Articles 10.13 (Non-Conforming Measures) and 11.6 (Non-Conforming Measures), a Party's existing measures that are not subject to some or all of the obligations imposed by:

(a) Article 10.3 (National Treatment) or 11.2 (National Treatment);

(b) Article 10.4 (Most-Favored-Nation Treatment) or 11.3 (Most-Favored-Nation Treatment);

(c) Article 11.5 (Local Presence);

(d) Article 10.9 (Performance Requirements);

(e) Article 10.10 (Senior Management and Boards of Directors); or

(f) Article 11.4 (Market Access).

2. Each Schedule entry sets out the following elements:

(a) **Sector** refers to the sector for which the entry is made;

(b) **Obligations Concerned** specifies the article(s) referred to in paragraph 1 that, pursuant to Articles 10.13.1(a) and 11.6.1(a), do not apply to the non-conforming aspects of the law, regulation, or other measure, as set out in paragraph 3;

(c) **Level of Government** indicates the level of government maintaining the scheduled measure(s);

(d) **Measures** identifies the laws, regulations, or other measures for which the entry is made. A measure cited in the **Measures** element:

(a) the **Measures** element is qualified by a liberalization commitment from the **Description** element, the **Measures** element as so qualified shall prevail over all other elements; and

(b) the **Measures** element is not so qualified, the **Measures** element shall prevail over all other elements, unless any discrepancy between the **Measures** element and the other elements considered in their totality is so substantial and material that it would be unreasonable to conclude that the **Measures** element should prevail, in which case the other elements shall prevail to the extent of that discrepancy.

4. In accordance with Article 10.13.1(a) and 11.6.1(a), and subject to Article 10.13.1(c) and 11.6.1(c), the articles of this Agreement specified in the **Obligations Concerned** element of an entry do not apply to the non-conforming aspects of the law, regulation, or other measure identified in the **Measures** element of that entry.

5. 6. Nothing in Article 11.12 (Specific Commitments) shall be construed to prevent Colombia from maintaining the payment for concessions by private suppliers of express delivery services as provided by Article 24(a) and (b) of *Decreto 229 de 1995*, and any amendment thereto, as long as the payment is applied in a manner consistent with Article 10.3 (National Treatment), Article 10.4 (Most-Favored-National Treatment), Article 11.2 (National Treatment), and Article 11.3 (Most-Favored-Nation Treatment).

A domiciliary public service enterprise, must be organized under the *Empresas de Servicios Públicos* or ESP regime, must be domiciled in Colombia and organized under Colombian law as a share company (*sociedad por acciones*). The requirement of being organized as a share company does not apply to a decentralized entity that takes the form of a commercial and industrial enterprise of the State.

For purposes of this entry, domiciliary public services include the provision of water, sewage, refuse disposal, electric power, combustible gas distribution, and basic public-switched telephone services (PSTN) and any activities supplemental thereto. Activities supplemental to basic public-switched telephone services means long-distance public telephone and fixed wireless local loop telephone services in rural areas, but does not mean commercial mobile telephone services.

An enterprise in which a locally organized community holds a controlling interest shall be given a preference over enterprises with otherwise equivalent bids in the granting of a concession or license for the provision of domiciliary public services to that community.

Upon request of a Party anytime after two years of the entry into force of this Agreement, Colombia shall consult with that Party to consider whether:

(a) any part of this measure shall be modified; or

(b) any sector may be deleted from this measure.

If, as a result of consultations under this paragraph, the Parties agree that this non-conforming measure should be modified, then, on approval by the Parties and in accordance with Article 23.2 (Amendments), the Annex shall be modified.

2. Colombia shall publish in advance any measure that it proposes to adopt addressing the unreasonable denial of access to Colombian consumers of Colombian audiovisual content through interactive audio and/or video services and shall provide interested persons a reasonable opportunity to comment on the proposed measure. At least 90 days before any proposed measure is adopted, Colombia shall notify the other Parties of the proposed measure. **Description:**

**Investment**

1. Colombia reserves the right to adopt any measure for reasons of public order pursuant to Article 100 of the *Constitución Política de Colombia (1991)*, provided that Colombia promptly provides written notice to each other Party that it has adopted the measure and that the measure:

(a) is applied in accordance with the procedural requirements set out in the *Constitución Política de Colombia (1991)* and its implementing legislation, such as the requirements set out in Articles 213, 214, and 215 of the *Constitución Política de Colombia (1991)* and in *Ley 137 de 1994*;

(b) is adopted or maintained only where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society;

(c) is not applied in an arbitrary or unjustifiable manner;

(d) does not constitute a disguised restriction on investment; and

(e) is necessary and proportional to the objective it seeks to achieve.

2. Without prejudice to any claim that may be submitted to arbitration pursuant to Article 10.16.1, a claimant may submit to arbitration under Section B of Chapter 10 a claim that:

(a) Colombia has adopted a measure for which it has provided notice pursuant to paragraph 1; and

(b) the claimant or, as the case may be, an enterprise of Colombia that is a juridical person that the claimant owns or controls directly or indirectly, has incurred loss or damage by reason of, or arising out of, the measure.

In the event of such a claim, Section B shall apply, *mutatis mutandis*, and all references in Section B to a breach, or to an alleged breach, of an obligation under Section A shall be understood to refer to the measure, which would constitute a breach of an obligation under Section A but for this entry.

However, no award may be made in favor of the claimant if Colombia establishes to the satisfaction of the tribunal that the measure satisfies all the conditions listed in subparagraphs (a) through (e) of paragraph 1.

3. (a) Following receipt of the notice referred to in paragraph 1, a Party may request in writing the establishment of an arbitral panel to consider whether the measure referred to in paragraph 1 satisfies all of the conditions listed in subparagraphs (a) through (e) of that paragraph. The Party shall deliver the request to the other Parties. An arbitral panel shall be established upon delivery of the request.

(b) Any other Party may join the arbitral panel proceedings as a complaining Party on delivery of written notice to the other Parties.[2] The notice shall be delivered at the earliest possible time, and in any event no later than seven days after the date of the request referred to in subparagraph (a).

(c) Unless otherwise agreed by the disputing Parties, only the dispute settlement provisions of Chapter 21 (Dispute Settlement) referred to in this subparagraph shall apply to the panel proceedings:

(i) the panel shall be selected and perform its functions in a manner consistent with the provisions of Chapter 21 (Dispute Settlement) and the Model Rules of Procedure, except that Article 21.10.4 through 21.10.6 shall not apply;

(ii) in lieu of Article 21.10.4, the terms of reference shall be:

"To examine, in light of the relevant provisions of Colombia's Annex II entry on public order, the matter referenced in the panel request and to make a determination as to whether the measure referred to in paragraph 1 of Colombia's entry satisfies all the conditions listed in subparagraphs (a) through (e) of that paragraph, and to deliver

[2] For greater certainty, this subparagraph is without prejudice to Article 21.2.2 (Dispute Settlement)

the written reports referred to in paragraph 3(c)(iii) of Colombia's entry and Article 21.14."

and Colombia shall bear the burden of proof; and

(iii) the dispute settlement provisions of Articles 21.11 through 21.14 shall apply, *mutatis mutandis*, except that in lieu of Article 21.13.3, the panel shall, within 75 days after the last panelist is selected, present to the disputing Parties an initial report containing its determination.

(d) If a tribunal established under paragraph 2 determines in its decision or award, that the measure does not satisfy all the conditions listed in paragraph 1(a) through (e), a Party may provide to Colombia a written request to enter into consultations with a view to developing mutually acceptable compensation to the extent that the measure would have been inconsistent with Article 10.3 but for this entry.

(e) Promptly after receiving a request under subparagraph (d), Colombia shall enter into consultations with the Party.

(f) If within 30 days of the Party's request for consultations under subparagraph (d) Colombia and the Party are unable to agree on compensation, the Party may provide Colombia written notice of its intent to suspend the application of benefits of equivalent effect. Such notice shall specify the level of benefits that the Party intends to suspend.

(g) The Party may suspend the application of benefits of equivalent effect specified in its notice to Colombia under subparagraph (d) not sooner than 30 days after providing such notice. Such suspension shall terminate upon termination of the measure referred to in paragraph 1.

## ANNEX III: FINANCIAL SERVICES NON-CONFORMING MEASURES

### Schedule of the United States

### Introductory Note

1. The Schedule of the United States to this Annex sets out:

   (a) headnotes that limit or clarify the commitments of the United States with respect to the obligations described in subparagraph (b)(i) through (v) and in subparagraph (c);

   (b) in Section A, pursuant to Article 12.9 (Non-Conforming Measures), the existing measures of the United States that do not conform with some or all of the obligations imposed by:

      (i) Article 12.2 (National Treatment),

      (ii) Article 12.3 (Most-Favored-Nation Treatment),

      (iii) Article 12.4 (Market Access for Financial Institutions),

      (iv) Article 12.5 (Cross-Border Trade), or

      (v) Article 12.8 (Senior Management and Boards of Directors); and

   (c) in Section B, pursuant to Article 12.9 (Non-Conforming Measures), the specific sectors, subsectors, or activities for which the United States may maintain existing, or adopt new or more restrictive, measures that do not conform with the obligations imposed by Article 12.2, 12.3, 12.4, 12.5, or 12.8.

2. Each entry in Section A sets out the following elements:

   (a) **Sector** refers to the general sector for which the entry is made;

   (b) **Subsector** refers to the specific sector for which the entry is made;

   (c) **Obligations Concerned** specifies the article(s) referred to in paragraph 1(b) that, pursuant to Article 12.9.1(a), do not apply to the non-conforming aspects of the law, regulation, or other measure, as set out in paragraph 4;

   (d) **Level of Government** indicates the level of government maintaining the scheduled measure(s);

   (e) **Measures** identifies the laws, regulations, or other measures for which the entry is made. A measure cited in the **Measures** element:

(i) means the measure as amended, continued, or renewed as of the date of entry into force of this Agreement, and

(ii) includes any subordinate measure adopted or maintained under the authority of and consistent with the measure; and

(f) **Description** provides a general, non-binding description of the measure for which the entry is made.

3. Each entry in Section B sets out the following elements:

(a) **Sector** refers to the general sector for which the entry is made;

(b) **Subsector** refers to the specific sector for which the entry is made;

(c) **Obligations Concerned** specifies the article(s) referred to in paragraph 1(c) that, pursuant to Article 12.9.2, do not apply to the sectors, subsectors, or activities scheduled in the entry;

(d) **Level of Government** indicates the level of government maintaining the scheduled measure(s); and

(e) **Description** sets out the scope of the sectors, subsectors, or activities covered by the entry.

4. For entries in Section A, in accordance with Article 12.9.1(a), and subject to Article 12.9.1(c), the articles of this Agreement specified in the **Obligations Concerned** element of an entry do not apply to the non-conforming aspects of the law, regulation, or other measure identified in the **Measures** element of that entry, except to the extent that such non-conforming aspects are inconsistent with a Specific Commitment in Annex 12.15.

5. For entries in Section B, in accordance with Article 12.9.2, the articles of this Agreement specified in the **Obligations Concerned** element of an entry do not apply to the sectors, subsectors, and activities identified in the **Description** element of that entry.

6. Where the United States maintains a measure that requires that a service supplier be a citizen, permanent resident, or resident of its territory as a condition to the supply of a service in its territory, a Schedule entry for that measure taken with respect to Article 12.2, 12.3, 12.4, or 12.5 shall operate as a Schedule entry with respect to Article 10.3 (National Treatment), 10.4 (Most-Favored-Nation Treatment), or 10.8 (Performance Requirements) to the extent of that measure.

**ANNEX III**
**Schedule of the United States**

**Headnotes**

1. Commitments in these subsectors under the Agreement are undertaken subject to the limitations and conditions set forth in these headnotes and in the Schedule below.

2. National treatment commitments in these subsectors are subject to the following limitations:

(a) National treatment with respect to banking will be provided based upon the foreign bank's "home state" in the United States, as that term is defined under the International Banking Act, where that Act is applicable. A domestic bank subsidiary of a foreign firm will have its own "home state," and national treatment will be provided based upon the subsidiary's home state, as determined under applicable law.[1]

(b) National treatment with respect to insurance financial institutions will be provided according to a non-U.S. insurance financial institution's state of domicile, where applicable, in the United States. State of domicile is defined by individual states, and is generally the state in which an insurer either is incorporated, is organized, or maintains its principal office in the United States.

3. To clarify the U.S. commitment with respect to Article 12.4 (Market Access for Financial Institutions), juridical persons supplying banking or other financial services (excluding insurance) and constituted under the laws of the United States are subject to non-discriminatory limitations on juridical form.[2]

4. The United States limits its commitments under Article 12.9.1(c) (Non-Conforming Measures) with respect to Article 12.4 (Market Access for Financial Institutions) in the following manner: with respect to banking and other financial services (excluding insurance), Article 12.9.1(c) shall apply only to non-conforming measures relating to Article 12.4(a) and not to those non-conforming measures relating to Article 12.4(b).

---

[1] Foreign banking organizations are generally subject to geographic and other limitations in the United States on a national treatment basis. Where such limitations do not conform to national treatment, they have been listed as non-conforming measures. For purposes of illustration, under this approach, the following situation does not accord national treatment and would therefore be listed as a non-conforming measure: a foreign bank from a particular home state is accorded less favorable treatment than that accorded to a domestic bank from that state with respect to expansion by branching.

[2] For example, partnerships and sole proprietorships are generally not acceptable juridical forms for depository financial institutions in the United States. This headnote is not itself intended to affect, or otherwise limit, a choice by an investor of another Party between branches or subsidiaries.

GENERAL NOTES
TARIFF SCHEDULE OF THE UNITED STATES

1. Relation to the Harmonized Tariff Schedule of the United States (HTSUS). The provisions of this Schedule are generally expressed in terms of the HTSUS, and the interpretation of the provisions of this Schedule, including the product coverage of subheadings of this Schedule, shall be governed by the General Notes, Section Notes, and Chapter Notes of the HTSUS. To the extent that provisions of this Schedule are identical to the corresponding provisions of the HTSUS, the provisions of this Schedule shall have the same meaning as the corresponding provisions of the HTSUS.

2. Base Rates of Customs Duty. The base rates of customs duty set forth in this Schedule reflect the HTSUS Column 1 General rates of duty in effect on January 1, 2004.

3. Staging. In addition to the staging categories listed in Annex 2.3, paragraph 1, this Schedule contains staging categories **R** and **S**:

(a) for goods provided for in the items in staging category R, at the time of importation the duty imposed upon the assembled article to be applied in accordance with the procedures specified in U.S. note 4 of subchapter II, chapter 98, of the HTSUS, shall be the rate applicable to the full value of the article itself under the staging obligations set forth for the appropriate provision in Chapters 1 through 97 of this Schedule, until January 1 of year ten, at which time such goods shall be duty-free; and

(b) duties on originating goods provided for in the items in staging category S shall be eliminated entirely and such goods shall be duty-free on the date this Agreement enters into force. For goods in tariff items 98120020, 98120040, 98130005, 98130010, 98130015, 98130020, 98130025, 98130030, 98130035, 98130040, 98130045, 98130050, 98130055, 98130060, 98130070, 98130075, and 98140050 duty-free means free without bond.

For purposes of this note, "qualifying good" means a good that satisfies the requirements of Chapter Four (Rules of Origin and Origin Procedures), except that operations performed in or materials obtained from a Party other than Colombia shall be considered as if the operations were performed in a non-Party and the material was obtained from a non-Party.

5. Originating goods shall not be subject to any duty provided for in heading 9901 of the HTSUS, provided that (a) the goods are imported directly from Colombia into the customs territory of the United States and (b) the sum of the cost or value of the materials produced in the territory of Colombia plus the direct costs of processing operations performed in the territory of

Notes

1. This Appendix contains modifications of the provisions of the HTSUS. Subject to Note 4 of the General Notes of the United States, originating goods included in this Appendix are subject to the rates of duty set out in this Appendix in lieu of the rates of duty set out in Chapters 1 through 97 of the HTSUS.
