Determine salaries for military personnel by using the Composite Standard Pay rates (DoD 7229.9-M, Department of Defense Accounting Manual). For civilian personnel use Office of Personnel Management salary table and add 16 percent for benefits. A sample computation is shown as follows. Table G-1 shows how the cost computation is made.

TABLE G-1.—SAMPLE COMPUTATION

Grade	No. of personnel	Salary	Percentage of time	Costs
O-5	1	\$88,463	10	\$8,846
O-1	1	37,219	30	11,165
GS-12	1	41,557	50	20,799
Total	90	40,790

Notes:

1. To determine the manyear computation: Add the total percentages of time for personnel involved in administering the FOI program and divide by 100.
2. Sample Computation: Manyears=140% divided by 100=1.4 manyears.

(a) *Estimated manyears.* Add the total percentages of time for personnel involved in administering the FOI program and divide by 100. In the example shown above, (10+30+50)/100=.9 manyears.

(b) *Manyear costs.* Total costs associated with salaries of individuals involved in administering FOIA program. In the example shown above, the total cost is \$40,790.

(c) *Estimated manhour costs by Category.* This section accounts for all other personnel not reported in (a) and (b) of this section who are involved in processing FOIA requests. Enter the total hourly cost for each of the five areas described below.

(1) *Search time.* This includes only those direct costs associated with the time spent looking for material that is responsive to a request, including line by line identification of material within a document to determine if it is responsive to the request. Searches may be done manually or by computer using existing programming.

(2) *Review and existing.* This includes all direct costs incurred during the process of examining documents located in response to a request to determine whether any portion of any document located is permitted to be

withheld. It also includes excising document to prepare them for release. It does not include time spent resolving general legal or policy issues regarding the applications of exemptions.

(3) *Coordination and approval.* This includes all costs involved in coordinating the release/denial of documents requested under the FOIA.

(4) *Correspondence/form preparation.* This includes all costs involved in typing responses, filling out forms, etc., to respond to a FOIA request.

(5) *Other activities.* This includes all other processing costs not covered above, such as processing time by the mail room.

(6) *Total.* Enter the sum of (c)(1) through (c)(5) of this section.

(d) *Overhead.* This is the cost of supervision, space, and administrative support. It is computed as 25% of the sum of (b) and (c) of this section.

(e) *Total.* (1) Enter the sum of (b), (c), and (d) of this section.

(2) *Other case-related costs.* Using the fee schedule, enter the total amounts incurred in each of the areas below.

(i) *Computer search time.* This includes costs of central processing unit, input/output devices, memory, etc., of the computer system used, as well as the wage of the machine's operator/programmer.

(ii) *Office copy reproduction.* This includes the cost of reproducing normal documents with office copying equipment.

(iii) *Microfiche reproduction.* This includes the cost of reproducing normal documents with office copying equipment.

(iv) *Printed records.* This is the cost of providing reproduced copies of forms, publications, or reports.

(v) *Computer copy.* This is the actual cost of duplicating magnetic tapes, floppy diskettes, computer printouts, etc.

(vi) *Audiovisual materials.* This is the actual cost of duplicating audio or video tapes or like materials, to include the wage of the person doing the work.

(vii) *Other.* Reports all other costs which are easily identifiable, such as per diem, operation of courier vehicles, training courses, printing (indexes and forms), long distance telephone calls, special mail services, use of indicia, etc.

(viii) *Subtotal.* Enter the sum of (e)(2)(i) through (vii) of this section.

(ix) *Overhead.* This is the cost of supervision, space and administrative support. It is computed as 25% of (e)(2)(viii) of this section.

(x) *Total.* Enter the sum of (e)(2)(viii) and (ix) of this section.

(3) *Cost of routing requests processed.* This item optional. Some reporting activities may find it economical to develop an average cost factor for processing repetitive routine requests rather than tracking costs on

§ 518.100

each request as it is processed. Care should be exercised so that costs are comprehensive to include a 25% overhead, yet not duplicated elsewhere in the report. Multiply the number of routine requests processed items the cost factor to compute this amount.

(4) *Total costs.* Enter the sum of (1) through (3) of this section.

(f) *Format time limit extension.* Enter the total number of instances in which it was necessary to seek a formal 10 working day time extension for one of the reasons explained as follows:

(1) *Location.* The need to search for and collect the requested records from another activity that is separate from the office processing the request.

(2) *Volume.* The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records in a single request.

(3) *Consultation.* The need for consultation with another agency having a substantial interest in the material requested.

(4) *Court involvement.* Where court actions were taken on the basis of exhaustion of administrative procedures because the department/activity was unable to comply with the request within the applicable time limits, and in which a court allowed additional time upon a showing of exceptional circumstances, provide a copy of each court opinion and court order containing such an extension of time.

(5) *Total.* Enter the sum of paragraphs (j)(2)(i) through (j)(2)(iv) above of this section.

The educational programs should be targeted toward all members of the DoD Component, developing a general understanding and appreciation of the DoD FOIA Program; whereas, the training programs should be focused toward those personnel who are involved in the day-to-day processing of FOIA requests, and should provide a thorough understanding of the procedures outlined in this Regulation.

32 CFR Ch. V (7–1–99 Edition)

§ 518.101 Purpose.

The purpose of the educational and training programs is to promote a positive attitude among DoD personnel and raise the level of understanding and appreciation of the DoD FOIA Program, thereby improving the interaction with members of the public and improving the public trust in the Department of Defense.

(c) Provide for the procedural and legal guidance and instruction, as may be required, in the discharge of the responsibilities of initial denial and appellate authorities.

(d) Advise personnel of the penalties for noncompliance with the FOIA.

§ 518.103 Implementation.

§ 518.104 Uniformity of legal interpretation.

In accordance with DoD Directive 5400.7 (reference (b)), the General Counsel of the Department of Defense shall ensure uniformity in the legal position and interpretation of the DoD FOIA Program. This regulation provides procedures for contacting the DOD General Counsel where required.
