

monthly Social Security benefits as a spouse by two-thirds the amount of your monthly pension. If the reduction is not a multiple of 10 cents, we will round it to the next higher multiple of 10 cents.

(2) If you became eligible for a Government pension before July 1983 and do not meet one of the exceptions in paragraph (b) of this section, we will reduce (to zero, if necessary) your monthly Social Security benefits as a spouse by the full amount of your pension for months before December 1984 and by two-thirds the amount of your monthly pension for months after November 1984. If the reduction is not a multiple of 10 cents, we will round it to the next higher multiple of 10 cents.

(3) Your benefit as a spouse will be reduced, if necessary, for age and for simultaneous entitlement to other Social Security benefits before it is reduced because you are receiving a Government pension. In addition, this reduction follows the order of priority as stated in § 404.402(b).

(4) If the monthly benefit payable to you after the required reduction(s) is not a multiple of \$1.00, we will reduce it to the next lower multiple of \$1.00 as required by § 404.304(f).

(e) *When effective.* This reduction was put into the Social Security Act by the Social Security Amendments of 1977. It only applies to applications for benefits filed in or after December 1977 and only to benefits for December 1977 and later.

§ 404.408b Reduction of retroactive monthly social security benefits where supplemental security income (SSI) payments were received for the same period.

(a) *When reduction is required.* We will reduce your retroactive social security benefits if—

(1) You are entitled to monthly social security benefits for a month or months before the first month in which those benefits are paid; and

(2) SSI payments (including federally administered State supplementary payments) which were made to you for the same month or months would have

been reduced or not made if your social security benefits had been paid when regularly due instead of retroactively.

(b) *Amount of reduction.* Your retroactive monthly social security benefits will be reduced by the amount of the SSI payments (including federally administered State supplementary payments) that would not have been paid to you, if you had received your monthly social security benefits when they were regularly due instead of retroactively.

(c) *Benefits subject to reduction.* The reduction described in this section applies only to monthly social security benefits. Social security benefits which we pay to you for any month after you have begun receiving recurring monthly social security benefits, and for which you did not have to file a new application, are not subject to reduction. The lump-sum death payment, which is not a monthly benefit, is not subject to reduction.

(d) *Refiguring the amount of the reduction.* We will refigure the amount of the reduction if there are subsequent changes affecting your claim which relate to the reduction period described in paragraph (a) of this section. Refiguring is generally required where there is a change in your month of entitlement or the amount of your social security benefits or SSI payments (including federally administered State supplementary payments) for the reduction period.

(e) *Reimbursement of reduced retroactive monthly social security benefits.* The amount of the reduction will be—

(1) First used to reimburse the States for the amount of any federally administered State supplementary payments that would not have been made to you if the monthly social security benefits had been paid when regularly due instead of retroactively; and

(2) The remainder, if any, shall be covered into the general fund of the U.S. Treasury for the amount of SSI benefits that would not have been paid to you if the monthly social security benefits had been paid to you when regularly due instead of retroactively.
