

(f) If an immigration judge issues an alternate order of removal in connection with a grant of voluntary departure, upon overstay of the voluntary departure period except where the respondent has filed a timely appeal with the Board. In such a case, the order shall become final upon an order of removal by the Board or the Attorney General, or upon overstay of any voluntary departure period granted or reinstated by the Board or the Attorney General.

**§ 241.2 Warrant of removal.**

(a) *Issuance of a warrant of removal.* A Form I-205, Warrant of Removal, based upon the final administrative removal order in the alien's case shall be issued by a district director. The district director shall exercise the authority contained in section 241 of the Act to determine at whose expense the alien shall be removed and whether his or her mental or physical condition requires personal care and attention en route to his or her destination.

(b) *Execution of the warrant of removal.* Any officer authorized by § 287.5(e) of this chapter to execute administrative warrants of arrest may execute a warrant of removal.

**§ 241.3 Detention of aliens during removal period.**

(a) *Assumption of custody.* Once the removal period defined in section 241(a)(1) of the Act begins, an alien in the United States will be taken into custody pursuant to the warrant of removal.

(b) *Cancellation of bond.* Any bond previously posted will be canceled unless it has been breached or is subject to being breached.

(c) *Judicial stays.* The filing of (or intention to file) a petition or action in a Federal court seeking review of the issuance or execution of an order of removal shall not delay execution of the Warrant of Removal except upon an affirmative order of the court.

**§ 241.4 Continued detention of inadmissible, criminal, and other aliens beyond the removal period.**

(a) *Scope.* The authority to continue an alien in custody or grant release or parole under sections 241(a)(6) and

212(d)(5)(A) of the Act shall be exercised by the Commissioner or Deputy Commissioner, as follows: Except as otherwise directed by the Commissioner or his or her designee, the Executive Associate Commissioner Field Operations (Executive Associate Commissioner) or the district director may continue an alien in custody beyond the removal period described in section 241(a)(1) of the Act pursuant to the procedures described in this section. Except as provided in paragraph (b)(2) of this section, the provisions of this section apply to custody determinations for the following groups of aliens:

(1) An alien ordered removed who is inadmissible under section 212 of the Act, including an excludable alien convicted of one or more aggravated felony offenses and subject to the provisions of section 501(b) of the Immigration Act of 1990, Public Law 101-649, 104 Stat. 4978, 5048 (codified at 8 U.S.C. 1226(e)(1) through (e)(3)(1994));

(2) An alien ordered removed who is removable under section 237(a)(1)(C) of the Act;

(3) An alien ordered removed who is removable under sections 237(a)(2) or 237(a)(4) of the Act, including deportable criminal aliens whose cases are governed by former section 242 of the Act prior to amendment by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, Div. C of Public Law 104-208, 110 Stat. 3009-546; and

(4) An alien ordered removed who the decision-maker determines is unlikely to comply with the removal order or is a risk to the community.

(b) *Applicability to particular aliens—*

(1) *Motions to reopen.* An alien who has filed a motion to reopen immigration proceedings for consideration of relief from removal, including withholding or deferral of removal pursuant to 8 CFR 208.16 or 208.17, shall remain subject to the provisions of this section unless the motion to reopen is granted. Section 236 of the Act and 8 CFR 236.1 govern custody determinations for aliens who are in pending immigration proceedings before the Executive Office for Immigration Review.

(2) *Parole for certain Cuban nationals.* The review procedures in this section do not apply to any inadmissible

Marisol Cuban who is being detained by the Service pending an exclusion or removal proceeding, or following entry of a final exclusion or pending his or her return to Cuba or removal to another country. Instead, the determination whether to release on parole, or to revoke such parole, or to detain, shall in the case of a Marisol Cuban be governed by the procedures in 8 CFR 212.12.

(3) *Individuals granted withholding or deferral of removal.* Aliens granted withholding of removal under section 241(b)(3) of the Act or withholding or deferral of removal under the Convention Against Torture who are otherwise subject to detention are subject to the provisions of this part 241. Individuals subject to a termination of deferral hearing under 8 CFR 208.17(d) remain subject to the provisions of this part 241 throughout the termination process.

(4) *Service determination under 8 CFR 241.13.* The custody review procedures in this section do not apply after the Service has made a determination, pursuant to the procedures provided in 8 CFR 241.13, that there is no significant likelihood that an alien under a final order of removal can be removed in the reasonably foreseeable future. However, if the Service subsequently determines, because of a change of circumstances, that there is a significant likelihood that the alien may be removed in the reasonably foreseeable future to the country to which the alien was ordered removed or to a third country, the alien shall again be subject to the custody review procedures under this section.

(c) *Delegation of authority.* The Attorney General's statutory authority to make custody determinations under sections 241(a)(6) and 212(d)(5)(A) of the Act when there is a final order of removal is delegated as follows:

(1) *District directors.* The initial custody determination described in paragraph (h) of this section and any further custody determination concluded in the three-month period immediately following expiration of the removal period, subject to the provisions of paragraph (c)(2) of this section, will be made by the district director having jurisdiction over the alien. The district director shall maintain appropriate

files respecting each detained alien reviewed for possible release, and shall have authority to determine the order in which the cases shall be reviewed, and to coordinate activities associated with these reviews in his or her respective district.

(2) *Headquarters Post-Order Detention Unit (HQPDU).* For any alien the district director refers for further review after the removal period, or any alien who has not been released or removed by the expiration of the three-month period after the review, all further custody determinations will be made by the Executive Associate Commissioner, acting through the HQPDU.

(3) *The HQPDU review plan.* The Executive Associate Commissioner shall appoint a Director of the HQPDU. The Director of the HQPDU shall have authority to establish and maintain appropriate files respecting each detained alien to be reviewed for possible release, to determine the order in which the cases shall be reviewed, and to coordinate activities associated with these reviews.

(4) *Additional delegation of authority.* All references to the Executive Associate Commissioner and district director in this section shall be deemed to include any person or persons (including a committee) designated in writing by the district director or Executive Associate Commissioner to exercise powers under this section.

(d) *Custody determinations.* A copy of any decision by the district director or Executive Associate Commissioner to release or to detain an alien shall be provided to the detained alien. A decision to retain custody shall briefly set forth the reasons for the continued detention. A decision to release may contain such special conditions as are considered appropriate in the opinion of the Service. Notwithstanding any other provisions of this section, there is no appeal from the district director's or the Executive Associate Commissioner's decision.

(1) *Showing by the alien.* The district director or the Executive Associate Commissioner may release an alien if the alien demonstrates to the satisfaction of the Attorney General or her designee that his or her release will not pose a danger to the community or to

the safety of other persons or to property or a significant risk of flight pending such alien's removal from the United States. The district director or the Executive Associate Commissioner may also, in accordance with the procedures and consideration of the factors set forth in this section, continue in custody any alien described in paragraphs (a) and (b)(1) of this section.

(2) *Service of decision and other documents.* All notices, decisions, or other documents in connection with the custody reviews conducted under this section by the district director or Executive Associate Commissioner shall be served on the alien, in accordance with 8 CFR 103.5a, by the Service district office having jurisdiction over the alien. Release documentation (including employment authorization if appropriate) shall be issued by the district office having jurisdiction over the alien in accordance with the custody determination made by the district director or by the Executive Associate Commissioner. Copies of all such documents will be retained in the alien's record and forwarded to the HQPDU.

(3) *Alien's representative.* The alien's representative is required to complete Form G-28, Notice of Entry of Appearance as Attorney or Representative, at the time of the interview or prior to reviewing the detainee's records. The Service will forward by regular mail a copy of any notice or decision that is being served on the alien only to the attorney or representative of record. The alien remains responsible for notification to any other individual providing assistance to him or her.

(e) *Criteria for release.* Before making any recommendation or decision to release a detainee, a majority of the Review Panel members, or the Director of the HQPDU in the case of a record review, must conclude that:

(1) Travel documents for the alien are not available or, in the opinion of the Service, immediate removal, while proper, is otherwise not practicable or not in the public interest;

(2) The detainee is presently a non-violent person;

(3) The detainee is likely to remain nonviolent if released;

(4) The detainee is not likely to pose a threat to the community following release;

(5) The detainee is not likely to violate the conditions of release; and

(6) The detainee does not pose a significant flight risk if released.

(f) *Factors for consideration.* The following factors should be weighed in considering whether to recommend further detention or release of a detainee:

(1) The nature and number of disciplinary infractions or incident reports received when incarcerated or while in Service custody;

(2) The detainee's criminal conduct and criminal convictions, including consideration of the nature and severity of the alien's convictions, sentences imposed and time actually served, probation and criminal parole history, evidence of recidivism, and other criminal history;

(3) Any available psychiatric and psychological reports pertaining to the detainee's mental health;

(4) Evidence of rehabilitation including institutional progress relating to participation in work, educational, and vocational programs, where available;

(5) Favorable factors, including ties to the United States such as the number of close relatives residing here lawfully;

(6) Prior immigration violations and history;

(7) The likelihood that the alien is a significant flight risk or may abscond to avoid removal, including history of escapes, failures to appear for immigration or other proceedings, absence without leave from any halfway house or sponsorship program, and other defaults; and

(8) Any other information that is probative of whether the alien is likely to—

(i) Adjust to life in a community,

(ii) Engage in future acts of violence,

(iii) Engage in future criminal activity,

(iv) Pose a danger to the safety of himself or herself or to other persons or to property, or

(v) Violate the conditions of his or her release from immigration custody pending removal from the United States.

## § 241.4

## 8 CFR Ch. I (1–1–02 Edition)

(g) *Travel documents and docket control for aliens continued in detention*—(1) *Removal period.* (i) The removal period for an alien subject to a final order of removal shall begin on the latest of the following dates:

(A) the date the order becomes administratively final;

(B) If the removal order is subject to judicial review (including review by habeas corpus) and if the court has ordered a stay of the alien's removal, the date on which, consistent with the court's order, the removal order can be executed and the alien removed; or

(C) If the alien was detained or confined, except in connection with a proceeding under this chapter relating to removability, the date the alien is released from the detention or confinement.

(ii) The removal period shall run for a period of 90 days. However, the removal period is extended under section 241(a)(1)(C) of the Act if the alien fails or refuses to make timely application in good faith for travel or other documents necessary to the alien's departure or conspires or acts to prevent the alien's removal subject to an order of removal. The Service will provide such an alien with a Notice of Failure to Comply, as provided in paragraph (g)(5) of this section, before the expiration of the removal period. The removal period shall be extended until the alien demonstrates to the Service that he or she has complied with the statutory obligations. Once the alien has complied with his or her obligations under the law, the Service shall have a reasonable period of time in order to effect the alien's removal.

(2) *In general.* The district director shall continue to undertake appropriate steps to secure travel documents for the alien both before and after the expiration of the removal period. If the district director is unable to secure travel documents within the removal period, he or she shall apply for assistance from Headquarters Detention and Deportation, Office of Field Operations. The district director shall promptly advise the HQPDU Director when travel documents are obtained for an alien whose custody is subject to review by the HQPDU. The Service's determination that receipt of a travel

document is likely may by itself warrant continuation of detention pending the removal of the alien from the United States.

(3) *Availability of travel document.* In making a custody determination, the district director and the Director of the HQPDU shall consider the ability to obtain a travel document for the alien. If it is established at any stage of a custody review that, in the judgment of the Service, travel documents can be obtained, or such document is forthcoming, the alien will not be released unless immediate removal is not practicable or in the public interest.

(4) *Removal.* The Service will not conduct a custody review under these procedures when the Service notifies the alien that it is ready to execute an order of removal.

(5) *Alien's compliance and cooperation.* (i) Release will be denied and the alien may remain in detention if the alien fails or refuses to make timely application in good faith for travel documents necessary to the alien's departure or conspires or acts to prevent the alien's removal. The detention provisions of section 241(a)(2) of the Act will continue to apply, including provisions that mandate detention of certain criminal and terrorist aliens.

(ii) The Service shall serve the alien with a Notice of Failure to Comply, which shall advise the alien of the following: the provisions of sections 241(a)(1)(C) (extension of removal period) and 243(a) of the Act (criminal penalties related to removal); the circumstances demonstrating his or her failure to comply with the requirements of section 241(a)(1)(C) of the Act; and an explanation of the necessary steps that the alien must take in order to comply with the statutory requirements.

(iii) The Service shall advise the alien that the Notice of Failure to Comply shall have the effect of extending the removal period as provided by law, if the removal period has not yet expired, and that the Service is not obligated to complete its scheduled custody reviews under this section until the alien has demonstrated compliance with the statutory obligations.

(iv) The fact that the Service does not provide a Notice of Failure to Comply, within the 90-day removal period, to an alien who has failed to comply with the requirements of section 241(a)(1)(C) of the Act, shall not have the effect of excusing the alien's conduct.

(h) *District director's custody review procedures.* The district director's custody determination will be developed in accordance with the following procedures:

(1) *Records review.* The district director will conduct the initial custody review. For aliens described in paragraphs (a) and (b)(1) of this section, the district director will conduct a records review prior to the expiration of the removal period. This initial post-order custody review will consist of a review of the alien's records and any written information submitted in English to the district director by or on behalf of the alien. However, the district director may in his or her discretion schedule a personal or telephonic interview with the alien as part of this custody determination. The district director may also consider any other relevant information relating to the alien or his or her circumstances and custody status.

(2) *Notice to alien.* The district director will provide written notice to the detainee approximately 30 days in advance of the pending records review so that the alien may submit information in writing in support of his or her release. The alien may be assisted by a person of his or her choice, subject to reasonable security concerns at the institution and panel's discretion, in preparing or submitting information in response to the district director's notice. Such assistance shall be at no expense to the Government. If the alien or his or her representative requests additional time to prepare materials beyond the time when the district director expects to conduct the records review, such a request will constitute a waiver of the requirement that the review occur prior to the expiration of the removal period.

(3) *Factors for consideration.* The district director's review will include but is not limited to consideration of the factors described in paragraph (f) of

this section. Before making any decision to release a detainee, the district director must be able to reach the conclusions set forth in paragraph (e) of this section.

(4) *District director's decision.* The district director will notify the alien in writing that he or she is to be released from custody, or that he or she will be continued in detention pending removal or further review of his or her custody status.

(5) *District office staff.* The district director may delegate the authority to conduct the custody review, develop recommendations, or render the custody or release decision to those persons directly responsible for detention within his or her district. This includes the deputy district director, the assistant director for detention and deportation, the officer-in-charge of a detention center, persons acting in such capacities, or such other persons as the district director may designate from the professional staff of the Service.

(i) *Determinations by the Executive Associate Commissioner.* Determinations by the Executive Associate Commissioner to release or retain custody of aliens shall be developed in accordance with the following procedures.

(1) *Review panels.* The HQPDU Director shall designate a panel or panels to make recommendations to the Executive Associate Commissioner. A Review Panel shall, except as otherwise provided, consist of two persons. Members of a Review Panel shall be selected from the professional staff of the Service. All recommendations by the two-member Review Panel shall be unanimous. If the vote of the two-member Review Panel is split, it shall adjourn its deliberations concerning that particular detainee until a third Review Panel member is added. The third member of any Review Panel shall be the Director of the HQPDU or his or her designee. A recommendation by a three-member Review Panel shall be by majority vote.

(2) *Records review.* Initially, and at the beginning of each subsequent review, the HQPDU Director or a Review Panel shall review the alien's records.

## § 241.4

## 8 CFR Ch. I (1–1–02 Edition)

Upon completion of this records review, the HQPDU Director or the Review Panel may issue a written recommendation that the alien be released and reasons therefore.

(3) *Personal interview.* (i) If the HQPDU Director does not accept a panel's recommendation to grant release after a records review, or if the alien is not recommended for release, a Review Panel shall personally interview the detainee. The scheduling of such interviews shall be at the discretion of the HQPDU Director. The HQPDU Director will provide a translator if he or she determines that such assistance is appropriate.

(ii) The alien may be accompanied during the interview by a person of his or her choice, subject to reasonable security concerns at the institution's and panel's discretion, who is able to attend at the time of the scheduled interview. Such assistance shall be at no expense to the Government. The alien may submit to the Review Panel any information, in English, that he or she believes presents a basis for his or her release.

(4) *Alien's participation.* Every alien shall respond to questions or provide other information when requested to do so by Service officials for the purpose of carrying out the provisions of this section.

(5) *Panel recommendation.* Following completion of the interview and its deliberations, the Review Panel shall issue a written recommendation that the alien be released or remain in custody pending removal or further review. This written recommendation shall include a brief statement of the factors that the Review Panel deems material to its recommendation.

(6) *Determination.* The Executive Associate Commissioner shall consider the recommendation and appropriate custody review materials and issue a custody determination, in the exercise of discretion under the standards of this section. The Executive Associate Commissioner's review will include but is not limited to consideration of the factors described in paragraph (f) of this section. Before making any decision to release a detainee, the Executive Associate Commissioner must be able to reach the conclusions set forth

in paragraph (e) of this section. The Executive Associate Commissioner is not bound by the panel's recommendation.

(7) *No significant likelihood or removal.* During the custody review process as provided in this paragraph (i), or at the conclusion of that review, if the alien submits, or the record contains, information providing a substantial reason to believe that the removal of a detained alien is not significantly likely in the reasonably foreseeable future, the HQPDU shall treat that as a request for review and initiate the review procedures under § 241.13. To the extent relevant, the HQPDU may consider any information developed during the custody review process under this section in connection with the determinations to be made by the Service under § 241.13. The Service shall complete the custody review under this section unless the HQPDU is able to make a prompt determination to release the alien under an order of supervision under § 241.13 because there is no significant likelihood that the alien will be removed in the reasonably foreseeable future.

(j) *Conditions of release—(1) In general.* The district director or Executive Associate Commissioner shall impose such conditions or special conditions on release as the Service considers appropriate in an individual case or cases, including but not limited to the conditions of release noted in 8 CFR 212.5(c) and § 241.5. An alien released under this section must abide by the release conditions specified by the Service in relation to his or her release or sponsorship.

(2) *Sponsorship.* The district director or Executive Associate Commissioner may, in the exercise of discretion, condition release on placement with a close relative who agrees to act as a sponsor, such as a parent, spouse, child, or sibling who is a lawful permanent resident or a citizen of the United States, or may condition release on the alien's placement or participation in an approved halfway house, mental health project, or community project when, in the opinion of the Service, such condition is warranted. No detainee may be released until sponsorship, housing, or other placement has

been found for the detainee, if ordered, including but not limited to, evidence of financial support.

(3) *Employment authorization.* The district director and Executive Associate Commissioner may, in the exercise of discretion, grant employment authorization under the same conditions set forth in §241.5(c) for aliens released under an order of supervision.

(4) *Withdrawal of release approval.* The district director or Executive Associate Commissioner may, in the exercise of discretion, withdraw approval for release of any detained alien prior to release when, in the decision-maker's opinion, the conduct of the detainee, or any other circumstance, indicates that release would no longer be appropriate.

(k) *Timing of reviews.* The timing of reviews shall be in accordance with the following guidelines:

(1) *District director.* (i) Prior to the expiration of the removal period, the district director shall conduct a custody review for an alien described in paragraphs (a) and (b)(1) of this section where the alien's removal, while proper, cannot be accomplished during the period because no country currently will accept the alien, or removal of the alien prior to expiration of the removal period is impracticable or contrary to the public interest. As provided in paragraph (h)(4) of this section, the district director will notify the alien in writing that he or she is to be released from custody, or that he or she will be continued in detention pending removal or further review of his or her custody status.

(ii) When release is denied pending the alien's removal, the district director in his or her discretion may retain responsibility for custody determinations for up to three months after expiration of the removal period, during which time the district director may conduct such additional review of the case as he or she deems appropriate. The district director may release the alien if he or she is not removed within the three-month period following the expiration of the removal period, in accordance with paragraphs (e), (f), and (j) of this section, or the district director may refer the alien to the HQPDU for further custody review.

(2) *HQPDU reviews.* (i) *District director referral for further review.* When the district director refers a case to the HQPDU for further review, as provided in paragraph (c)(2) of this section, authority over the custody determination transfers to the Executive Associate Commissioner, according to procedures established by the HQPDU. The Service will provide the alien with approximately 30 days notice of this further review, which will ordinarily be conducted by the expiration of the removal period or as soon thereafter as practicable.

(ii) *District director retains jurisdiction.* When the district director has advised the alien at the 90-day review as provided in paragraph (h)(4) of this section that he or she will remain in custody pending removal or further custody review, and the alien is not removed within three months of the district director's decision, authority over the custody determination transfers from the district director to the Executive Associate Commissioner. The initial HQPDU review will ordinarily be conducted at the expiration of the three-month period after the 90-day review or as soon thereafter as practicable. The Service will provide the alien with approximately 30 days notice of that review.

(iii) *Continued detention cases.* A subsequent review shall ordinarily be commenced for any detainee within approximately one year of a decision by the Executive Associate Commissioner declining to grant release. Not more than once every three months in the interim between annual reviews, the alien may submit a written request to the HQPDU for release consideration based on a proper showing of a material change in circumstances since the last annual review. The HQPDU shall respond to the alien's request in writing within approximately 90 days.

(iv) *Review scheduling.* Reviews will be conducted within the time periods specified in paragraphs (k)(1)(i), (k)(2)(i), (k)(2)(ii), and (k)(2)(iii) of this section or as soon as possible thereafter, allowing for any unforeseen circumstances or emergent situation.

(v) *Discretionary reviews.* The HQPDU Director, in his or her discretion, may schedule a review of a detainee at

shorter intervals when he or she deems such review to be warranted.

(3) *Postponement of review.* In the case of an alien who is in the custody of the Service, the district director or the HQPDU Director may, in his or her discretion, suspend or postpone the custody review process if such detainee's prompt removal is practicable and proper, or for other good cause. The decision and reasons for the delay shall be documented in the alien's custody review file or A file, as appropriate. Reasonable care will be exercised to ensure that the alien's case is reviewed once the reason for delay is remedied or if the alien is not removed from the United States as anticipated at the time review was suspended or postponed.

(4) *Transition provisions.* (i) The provisions of this section apply to cases that have already received the 90-day review. If the alien's last review under the procedures set out in the Executive Associate Commissioner memoranda entitled *Detention Procedures for Aliens Whose Immediate Repatriation is Not Possible or Practicable*, February 3, 1999; *Supplemental Detention Procedures*, April 30, 1999; *Interim Changes and Instructions for Conduct of Post-order Custody Reviews*, August 6, 1999; *Review of Long-term Detainees*, October 22, 1999, was a records review and the alien remains in custody, the HQPDU will conduct a custody review within six months of that review (Memoranda available at <http://www.ins.usdoj.gov>). If the alien's last review included an interview, the HQPDU review will be scheduled one year from the last review. These reviews will be conducted pursuant to the procedures in paragraph (i) of this section, within the time periods specified in this paragraph or as soon as possible thereafter, allowing for resource limitations, unforeseen circumstances, or an emergent situation.

(ii) Any case pending before the Board on December 21, 2000 will be completed by the Board. If the Board affirms the district director's decision to continue the alien in detention, the next scheduled custody review will be conducted one year after the Board's

decision in accordance with the procedures in paragraph (i) of this section.

(1) *Revocation of release—(1) Violation of conditions of release.* Any alien described in paragraph (a) or (b)(1) of this section who has been released under an order of supervision or other conditions of release who violates the conditions of release may be returned to custody. Any such alien who violates the conditions of an order of supervision is subject to the penalties described in section 243(b) of the Act. Upon revocation, the alien will be notified of the reasons for revocation of his or her release or parole. The alien will be afforded an initial informal interview promptly after his or her return to Service custody to afford the alien an opportunity to respond to the reasons for revocation stated in the notification.

(2) *Determination by the Service.* The Executive Associate Commissioner shall have authority, in the exercise of discretion, to revoke release and return to Service custody an alien previously approved for release under the procedures in this section. A district director may also revoke release of an alien when, in the district director's opinion, revocation is in the public interest and circumstances do not reasonably permit referral of the case to the Executive Associate Commissioner. Release may be revoked in the exercise of discretion when, in the opinion of the revoking official:

(i) The purposes of release have been served;

(ii) The alien violates any condition of release;

(iii) It is appropriate to enforce a removal order or to commence removal proceedings against an alien; or

(iv) The conduct of the alien, or any other circumstance, indicates that release would no longer be appropriate.

(3) *Timing of review when release is revoked.* If the alien is not released from custody following the informal interview provided for in paragraph (1)(1) of this section, the HQPDU Director shall schedule the review process in the case of an alien whose previous release or

parole from immigration custody pursuant to a decision of either the district director or the Executive Associate Commissioner under the procedures in this section has been or is subject to being revoked. The normal review process will commence with notification to the alien of a records review and scheduling of an interview, which will ordinarily be expected to occur within approximately three months after release is revoked. That custody review will include a final evaluation of any contested facts relevant to the revocation and a determination whether the facts as determined warrant revocation and further denial of release. Thereafter, custody reviews will be conducted annually under the provisions of paragraphs (i), (j), and (k) of this section.

**§ 241.5 Conditions of release after removal period.**

(a) *Order of supervision.* An alien released pursuant to § 241.4 shall be released pursuant to an order of supervision. The Commissioner, Deputy Commissioner, Executive Associate Commissioner Field Operations, regional director, district director, acting district director, deputy district director, assistant district director for investigations, assistant district director for detention and deportation, or officer-in-charge may issue Form I-220B, Order of Supervision. The order shall specify conditions of supervision including, but not limited to, the following:

(1) A requirement that the alien report to a specified officer periodically and provide relevant information under oath as directed;

(2) A requirement that the alien continue efforts to obtain a travel document and assist the Service in obtaining a travel document;

(3) A requirement that the alien report as directed for a mental or physical examination or examinations as directed by the Service;

(4) A requirement that the alien obtain advance approval of travel beyond previously specified times and distances; and

(5) A requirement that the alien provide the Service with written notice of any change of address on Form AR-11 within ten days of the change.

(b) *Posting of bond.* An officer authorized to issue an order of supervision may require the posting of a bond in an amount determined by the officer to be sufficient to ensure compliance with the conditions of the order, including surrender for removal.

(c) *Employment authorization.* An officer authorized to issue an order of supervision may, in his or her discretion, grant employment authorization to an alien released under an order of supervision if the officer specifically finds that:

(1) The alien cannot be removed because no country will accept the alien; or

(2) The removal of the alien is impracticable or contrary to public interest.

[62 FR 10378, Mar. 6, 1997, as amended at 65 FR 80298, Dec. 21, 2000]

**§ 241.6 Administrative stay of removal.**

(a) Any request of an alien under a final order of deportation or removal for a stay of deportation or removal shall be filed on Form I-246, Stay of Removal, with the district director having jurisdiction over the place where the alien is at the time of filing. The Commissioner, Deputy Commissioner, Executive Associate Commissioner Field Operations, regional director, or district director, in his or her discretion and in consideration of factors listed in 8 CFR 212.5 and section 241(c) of the Act, may grant a stay of removal or deportation for such time and under such conditions as he or she may deem appropriate. Neither the request nor the failure to receive notice of disposition of the request shall delay removal or relieve the alien from strict compliance with any outstanding notice to surrender for deportation or removal.

(b) Denial by the Commissioner, Deputy Commissioner, Executive Associate Commissioner Field Operations, regional director, or district director of a request for a stay is not appealable, but such denial shall not preclude an immigration judge or the Board from granting a stay in connection with a
