

(i) The executor is discharged from liability under section 2204; or

(ii) Notice of lien is filed in accordance with § 301.6323(f)-1 of this chapter.

The section 6324A lien continues until the liability for the deferred amount is satisfied or becomes unenforceable by reason of lapse of time. The provisions of § 301.6325-1(c), relating to release of lien or discharge of property, shall apply to this paragraph (c)(1).

(2) *Requirement that lien be filed.* The lien imposed by section 6324A is not valid against a purchaser (as defined in paragraph (f) of § 301.6323(h)-1), holder of a security interest (as defined in paragraph (a) of § 301.6323(h)-1), mechanic's lienor (as defined in paragraph (b) of § 301.6323(h)-1), or judgment lien creditor (as defined in paragraph (g) of § 301.6323(h)-1) until notice of the lien is filed. Once filed, the notice of lien remains effective without being refiled.

(3) *Priorities.* Although a notice of lien under section 6324A had been properly filed, that lien is not valid—

(i) To the extent provided in section 6323(b)(6), relating to real property tax and special assessment liens, regardless of whether such liens came into existence before or after the filing of the notice of Federal tax lien;

(ii) In the case of any real property subject to a lien for repair or improvement, as against a mechanic's lienor, whether or not such lien came into existence before or after the notice of tax lien was filed; and

(iii) As against any security interest set forth in section 6323(c)(3), relating to real property construction or improvement financing agreements, regardless of whether such security interest came into existence before or after filing of the notice of tax lien.

However, paragraphs (c)(3) (ii) and (iii) of this section shall not apply to any security interest that came into existence after the date of filing of notice (in a manner similar to a notice filed under section 6323(f)) that payment of the deferred amount has been accelerated under section 6166(g) or 6166A(h) (as in effect prior to its repeal by the Economic Recovery Tax Act of 1981).

(d) *Release or discharge of lien.* For rules relating to release of the lien imposed by section 6324A or discharge of

the section 6166 lien property, see section 6325 and § 301.6325-1 of this chapter.

(e) *Definitions.* For purposes of section 6324A of this section—

(1) *Deferred amount.* The deferred amount is the aggregate amount of estate tax deferred under section 6166 or 6166A (as in effect prior to its repeal by the Economic Recovery Tax Act of 1981) determined as of the date prescribed by section 6151(a) for payment of the estate tax.

(2) *Required interest amount.* The required interest amount is the aggregate amount of interest payable over the first four years of the deferral period. For purposes of computing the required interest amount, the interest rate prescribed by section 6621 in effect on the date prescribed by section 6151(a) for payment of the estate tax shall be used for computing the interest for the first four years of the deferral period. The 4-percent interest rate prescribed by section 6601(j) shall apply to the extent provided in that section. For purposes of computing interest during deferral periods beginning after December 31, 1982, interest shall be compounded daily.

(3) *Deferral period.* The deferral period is the period for which the payment of tax is deferred pursuant to the election under section 6166 or 6166A (as in effect prior to its repeal by the Economic Recovery Tax Act of 1981).

(4) *Application of definitions.* In the case of a deficiency, a separate deferred amount, required interest amount, and deferral period shall be determined as of the due date of the first installment after the deficiency is prorated to installments under section 6166 or 6166A (as in effect prior to its repeal by the Economic Recovery Tax Act of 1981).

§ 20.6324B-1 Special lien for additional estate tax attributable to farm, etc., valuation.

(a) *General rule.* In the case of an estate of a decedent dying after December 31, 1976, which includes any interest in qualified real property, if the executor elects to value part or all of such property pursuant to section 2032A, a lien arises in favor of the United States on the property to which the election applies. The lien is in the amount equal

to the adjusted tax difference attributable to such interest (as defined by section 2032A(c)(2)(B)). The term "qualified real property" means qualified real property as defined in section 2032A(b), qualified replacement property within the meaning of section 2032A(h)(3)(B), and qualified exchange property within the meaning of section 2032A(i)(3). The rules set forth in the regulations under section 2032A shall apply in determining whether this section is applicable to otherwise qualified real property held by a partnership, corporation or trust.

(b) *Period of lien.* The lien shall arise at the time the executor files an election under section 2032A. It shall remain in effect until one of the following occurs:

(1) The liability for the additional estate tax under section 2032A(c) with respect to such interest has been satisfied; or

(2) Such liability has become unenforceable by reason of lapse of time; or

(3) The district director is satisfied that no further liability for additional estate tax with respect to such interest may arise under section 2032A(c), i.e., the required time period has elapsed since the decedent's death without the occurrence of an event described in section 2032A(c)(1), or the qualified heir (as defined in section 2032A(e)(1)) had died.

For procedures regarding the release or subordination of liens or discharge of property from liens, see §301.6325-1 of this chapter (Regulations on Procedure and Administration).

(c) *Substitution of security for lien.* The district director may, upon written application of the qualified heir (as defined in section 2032A(e) (1)) acquiring any interest in qualified real property to which a lien imposed by section 6324B attaches, issue a certificate of discharge of any or all property subject to such lien, after receiving a bond or other security in an amount or value determined by the district director as sufficient security for the maximum potential liability for additional estate tax with respect to such interest. Any bond shall be in the form and with the security prescribed in §301.7101-1 of this chapter.

(d) *Special rules.* The rules set forth in section 6324A(d) (1), (3), and (4), and the regulations thereunder, shall apply with respect to a lien imposed by section 6324B as if it were a lien imposed by section 6324A.

§ 20.6325-1 Release of lien or partial discharge of property; transfer certificates in nonresident estates.

(a) A transfer certificate is a certificate permitting the transfer of property of a nonresident decedent without liability. Except as provided in paragraph (b) of this section, no domestic corporation or its transfer agent should transfer stock registered in the name of a non-resident decedent (regardless of citizenship) except such shares which have been submitted for transfer by a duly qualified executor or administrator who has been appointed and is acting in the United States, without first requiring a transfer certificate covering all of the decedent's stock of the corporation and showing that the transfer may be made without liability. Corporations, transfer agents of domestic corporations, transfer agents of foreign corporations (except as to shares held in the name of a non-resident decedent not a citizen of the United States), banks, trust companies, or other custodians in actual or constructive possession of property, of such a decedent can insure avoidance of liability for taxes and penalties only by demanding and receiving transfer certificates before transfer of property of nonresident decedents.

(b)(1) Subject to the provisions of paragraph (b)(2) of this section—

(i) In the case of a nonresident not a citizen of the United States dying on or after January 1, 1977, a transfer certificate is not required with respect to the transfer of any property of the decedent if the value on the date of death of that part of the decedent's gross estate situated in the United States did not exceed the lesser of \$60,000 or \$60,000 reduced by the adjustments, if any, required by section 6018(a)(4) for certain taxable gifts made by the decedent and for the aggregate amount of certain specific exemptions.

(ii) In the case of a nonresident not a citizen of the United States dying on or
