§ 101-26.506 Interior planning and design services.

In addition to the assistance provided in the selection of furniture and furnishings as specified in § 101-26.505-7, the GSA Public Buildings Service, through facilities located in each region, will assist Federal activities within the United States, the Commonwealth of Puerto Rico, and the Virgin Islands in various phases of interior planning and design. These services will be provided either directly or through commercial sources. (For services involving space layout, see § 101-17.400.)

[41 FR 42953, Sept. 29, 1976]

§ 101-26.506-1 Types of service.

GSA interior planning and design services consist of data gathering and organizational analysis; development of a space requirements program; softline space plans; development of an interior design program (to include finish materials, furniture and furnishing specifications, and procurement data); and complete floor plans for telephones, electrical outlets, partitions, furniture, and equipment. The items specified for procurement will be selected from approved GSA sources of supply.
