use, nor for progeny born during that period. In calculating the billing the grazing fee is prorated on a daily basis and charges are rounded to reflect the nearest whole number of animal unit months.

(d) A surcharge shall be added to the grazing fee billings for authorized grazing of livestock owned by persons other than the permittee or lessee except where such use is made by livestock owned by sons and daughters of permittees and lessees as provided in § 4130.7(f). The surcharge shall be over and above any other fees that may be charged for using public land forage. Surcharges shall be paid prior to grazing use. The surcharge for authorized pasturing of livestock owned by persons other than the permittee or lessee will be equal to 35 percent of the difference between the current year's Federal grazing fee and the prior year's private grazing land lease rate per animal unit month for the appropriate State as determined by the National Agricultural Statistics Service.

(e) Fees are due on due date specified on the grazing fee bill. Payment will be made prior to grazing use. Grazing use that occurs prior to payment of a bill, except where specified in an allotment management plan, is unauthorized and may be dealt with under subparts 4150 and 4170 of this part. If allotment management plans provide for billing after the grazing season, fees will be based on actual grazing use and will be due upon issuance. Repeated delays in payment of actual use billings or non-compliance with the terms and conditions of the allotment management plan and permit or lease shall be cause to revoke provisions for after-the-grazing-season billing.

(f) Failure to pay the grazing bill within 15 days of the due date specified in the bill shall result in a late fee assessment of \$25.00 or 10 percent of the grazing bill, whichever is greater, but not to exceed \$250.00. Payment made later than 15 days after the due date, shall include the appropriate late fee assessment. Failure to make payment within 30 days may be a violation of § 4140.1(b)(1) and shall result in action

by the authorized officer under §§ 4150.1 and 4160.1-2.

§ 4130.8-2 Refunds.

(a) Grazing fees may be refunded where applications for change in grazing use and related refund are filed prior to the period of use for which the refund is requested.

(b) No refunds shall be made for failure to make grazing use, except during periods of range depletion due to drought, fire, or other natural causes, or in case of a general spread of disease among the livestock that occurs during the term of a permit or lease. During these periods of range depletion the authorized officer may credit or refund fees in whole or in part, or postpone fee payment for as long as the emergency exists.

§ 4130.8-3 Service charge.

A service charge may be assessed for each crossing permit, transfer of grazing preference, application solely for nonuse or conservation use, and each replacement or supplemental billing notice except for actions initiated by the authorized officer. Pursuant to section 304(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1734(a)), calculation of the Bureau service charge assessed shall reflect processing costs and shall be adjusted periodically as costs change.
