

§ 1599.14

7 CFR Ch. XV (1-1-05 Edition)

commodity (or any part thereof) is determined to be unfit for the authorized use, the Cooperating Sponsor shall notify the Agricultural Counselor or Attache of the circumstances pertaining to the loss or damage. With the concurrence of the Agricultural Counselor or Attache, the commodity determined to be unfit for authorized use shall be disposed of in the following order of priority:

(i) By transfer to an approved USDA sponsored program for use as livestock feed. FAS shall be advised promptly of any such transfer so that shipments from the United States to the livestock feeding program can be reduced by an equivalent amount;

(ii) Sale for the most appropriate use, *i.e.*, animal feed, fertilizer, or industrial use, at the highest obtainable price. When the commodity is sold, all U.S. Government markings shall be obliterated or removed;

(iii) By donation to a governmental or charitable organization for use as animal feed or for other non-food use; or

(iv) If the commodity is unfit for any use or if disposal in accordance with paragraph (b)(1)(i), (ii) or (iii) of this section is not possible, the commodity shall be destroyed under the observation of a representative of the Agricultural Counselor or Attache, if practicable, in such manner as to prevent its use for any purpose.

(2) Actual expenses incurred, including third party costs, in effecting any sale may be deducted from the sale proceeds and, if the commodities were intended for direct distribution, the Cooperating Sponsor shall deposit the net proceeds with the U.S. Disbursing Officer, American Embassy, with instructions to credit the deposit to an account as designated by FAS. If the commodities were intended to be sold, the Cooperating Sponsor shall deposit the gross proceeds into the special interest bearing account and, after approved costs related to the handling and disposition of damaged commodities are paid, shall use the remaining funds for purposes of the approved program. The Cooperating Sponsor shall promptly furnish to the Agricultural Counselor or Attache a written report of all circumstances relating to the

loss and damage on any commodity loss in excess of \$5,000; quarterly reports shall be made on all other losses. If the commodity was inspected by a public health official or other competent authority, the report and any supplemental report shall include a certification by such public health official or other competent authority as to the condition of the commodity and the exact quantity of the damaged commodity disposed. Such certification shall be obtained as soon as possible after the discharge of the cargo. A report must also be provided to the Chief, Debt Management Division, KCMO/DMD, of action taken to dispose of commodities unfit for authorized use.

§ 1599.14 How is liability established for loss, damage, or improper distribution of commodities?

(a) *Fault of Cooperating Sponsor prior to loading on ocean vessel.* The Cooperating Sponsor shall immediately notify KCCO, Chief, Export Operations Division if the Cooperating Sponsor will not have a vessel for loading at the U.S. port of export in accordance with the agreed shipping schedule. FAS will determine whether the commodity will be: Moved to another available outlet; stored at the port for delivery to the Cooperating Sponsor when a vessel is available for loading; or disposed of as FAS may deem proper. The Cooperating Sponsor shall take such action as directed by FAS and shall reimburse FAS for expenses incurred if FAS determines that the expenses were incurred because of the fault or negligence of the Cooperating Sponsor.

(b) *Fault of others prior to loading on ocean vessel.* The Cooperating Sponsor shall immediately notify the Chief, Debt Management Office, KCMO/DMD, when any damage or loss to the commodity occurs that is attributable to a warehouseman, carrier, or other person between the time title is transferred to a Cooperating Sponsor and the time the commodity is loaded on board vessel at the designated port of export. The Cooperating Sponsor shall promptly assign to CCC any rights to claims which may arise as a result of such loss or damage and shall promptly forward

to CCC all documents pertaining thereto. CCC shall have the right to initiate claims, and retain the proceeds of all claims, for such loss or damage.

(c) *Survey and outturn reports related to claims against ocean carriers.* (1) If the Program Agreement provides that CCC will arrange for an independent cargo surveyor to attend the discharge of the cargo, CCC will require the surveyor to provide a copy of the report to the Cooperating Sponsor.

(2)(i) If the Cooperating Sponsor arranges for an independent cargo surveyor, the Cooperating Sponsor shall forward to the Chief, Debt Management Office, KCMO/DMD, any narrative chronology or other commentary it can provide to assist in the adjudication of ocean transportation claims and shall prepare such a narrative in any case where the loss is estimated to be in excess of \$5,000.00. The Cooperating Sponsor may, at its option, also engage the independent surveyor to supervise clearance and delivery of the cargo from customs or port areas to the Cooperating Sponsor or its agent and to issue delivery survey reports thereon.

(ii) In the event of cargo loss and damage, the Cooperating Sponsor shall provide to the Chief, Debt Management Office, KCMO/DMD, the names and addresses of individuals who were present at the time of discharge and during survey and who can verify the quantity lost or damaged. For bulk grain shipments, in those cases where the Cooperating Sponsor is responsible for survey and outturn reports, the Cooperating Sponsor shall obtain the services of an independent surveyor to:

(A) Observe the discharge of the cargo;

(B) Report on discharging methods including scale type, calibrations and any other factor which may affect the accuracy of scale weights, and, if scales are not used, state the reason therefore and describe the actual method used to determine weights;

(C) Estimate the quantity of cargo, if any, lost during discharge through carrier negligence;

(D) Advise on the quality of sweepings;

(E) Obtain copies of port or vessel records, if possible, showing quantity discharged;

(F) Provide immediate notification to the Cooperating Sponsor if additional services are necessary to protect cargo interests or if the surveyor has reason to believe that the correct quantity was not discharged; and

(G) In the case of shipments arriving in container vans, list the container van numbers and seal numbers shown on the container vans, and indicate whether the seals were intact at the time the container vans were opened, and whether the container vans were in any way damaged. To the extent possible, the independent surveyor should observe discharge of container vans from the vessel to ascertain whether any damage to the container van occurred and arrange for surveying as container vans are opened.

(iii) Cooperating Sponsors shall send copies to KCMO/DMD, Chief, Debt Management Office of all reports and documents pertaining to the discharge of commodities.

(iv) FAS will reimburse the Cooperating Sponsor for costs incurred upon receipt of the survey report and the surveyor's invoice or other documents that establish the survey cost. FAS will not reimburse a Cooperating Sponsor for the costs of a delivery survey unless the surveyor also prepares a discharge survey, or for any other survey not taken contemporaneously with the discharge of the vessel, unless FAS determines that such action was justified in the circumstances.

(3) Survey contracts shall be let on a competitive bid basis unless FAS determines that the use of competitive bids would not be practicable. FAS may preclude the use of certain surveyors because of conflicts of interest or lack of demonstrated capability to properly carry out surveying responsibilities.

(4) If practicable, all surveys shall be conducted jointly by the surveyor, the consignee, and the ocean carrier, and the survey report shall be signed by all parties.

(d) Ocean carrier loss and damage. (1) Notwithstanding transfer of title, CCC shall have the right to file, pursue, and retain the proceeds of collection from claims arising from ocean transportation cargo loss and damage arising

out of shipments of commodities provided to governmental Cooperating Sponsors; however, when the Cooperating Sponsor pays the ocean freight or a portion thereof, it shall be entitled to pro rata reimbursement received from any claims related to ocean freight charged. FAS will pay general average contributions for all valid general average incidents which may arise from the movement of commodity to the destination ports. CCC shall receive and retain all allowances in general average.

(2) Nongovernmental Cooperating Sponsors shall: File notice with the ocean carrier immediately upon discovery of any cargo loss or damage, promptly initiate claims against the ocean carriers for such loss and damage, take all necessary action to obtain restitution for losses, and provide CCC copies of all such claims. Notwithstanding the preceding sentence, the nongovernmental Cooperating Sponsor need not file a claim when the cargo loss is less than \$100, or in any case when the loss is between \$100 and \$300 and the nongovernmental Cooperating Sponsor determines that the cost of filing and collecting the claim will exceed the amount of the claim. The nongovernmental Cooperating Sponsor shall transmit to KCMO/DMD, Chief, Debt Management Office information and documentation on such lost or damaged shipments when no claim is to be filed. In the event of a declaration of General Average:

(i) The Cooperating sponsor shall assign all claim rights to CCC and shall provide CCC all documentation relating to the claim, if applicable;

(ii) CCC shall be responsible for settling general average and marine salvage claims;

(iii) FAS has sole authority to authorize any dispositions of commodities which have not commenced ocean transit or of which the ocean transit is interrupted;

(iv) FAS will receive and retain any monetary proceeds resulting from such disposition;

(v) CCC will initiate, prosecute, and retain all proceeds of cargo loss and damage against ocean carriers and any allowance in general average; and

(vi) FAS will pay any general average or marine salvage claims determined to be due.

(3) Amounts collected by nongovernmental Cooperating Sponsors on claims against ocean carriers which are less than \$200 may be retained by the nongovernmental Cooperating Sponsor. On claims involving loss or damage of \$200 or more, nongovernmental Cooperating Sponsors may retain from collections received by them, either \$200 plus 10 percent of the difference between \$200 and the total amount collected on the claim, up to a maximum of \$500; or the actual administrative expenses incurred in collection of the claim, provided retention of such administrative expenses is approved by CCC. Allowable collection costs shall not include attorneys fees, fees of collection agencies, and similar costs. In no event will FAS pay collection costs in excess of the amount collected on the claim.

(4) A nongovernmental Cooperating Sponsor also may retain from claim recoveries remaining after allowable deductions for administrative expenses of collection, the amount of any special charges, such as handling and packing costs, which the nongovernmental Cooperating Sponsor has incurred on the lost or damaged commodity and which are included in the claims and paid by the liable party.

(5) A nongovernmental Cooperating Sponsor may redetermine claims on the basis of additional documentation or information not considered when the claims were originally filed when such documentation or information clearly changes the ocean carrier's liability. Approval of such changes by FAS is not required regardless of amount. However, copies of redetermined claims and supporting documentation or information shall be furnished to FAS.

(6) A nongovernmental Cooperating Sponsor may negotiate compromise settlements of claims of any amount, provided that proposed compromise settlements of claims having a value of \$5,000 or more shall require prior approval in writing by FAS. When a claim is compromised, a nongovernmental Cooperating Sponsor may retain from the amount collected, the amounts authorized in paragraph (d)(3) of this section, and in addition, an

amount representing such percentage of the special charges described in paragraph (d)(4) of this section as compromised amount is to the full amount of the claim. When a claim is less than \$600, a nongovernmental Cooperating Sponsor may terminate collection activity when it is determined that pursuit of such claims will not be economically sound. Approval for such termination by FAS is not required; however, the nongovernmental Cooperating Sponsor shall notify KCMO/DMD, Chief, Debt Management Division when collection activity on a claim is terminated.

(7) All amounts collected in excess of the amounts authorized in this section to be retained shall be remitted to CCC. For the purpose of determining the amount to be retained by a nongovernmental Cooperating Sponsor from the proceeds of claims filed against ocean carriers, the word "claim" shall refer to the loss and damage to commodities which are shipped on the same voyage of the same vessel to the same port destination, irrespective of the kinds of commodities shipped or the number of different bills of lading issued by the carrier.

(8) If a nongovernmental Cooperating Sponsor is unable to effect collection of a claim or negotiate an acceptable compromise settlement within the applicable period of limitation or any extension thereof granted in writing by the party alleged responsible for the damage, the nongovernmental Cooperating Sponsor shall assign its rights to the claim to CCC in sufficient time to permit the filing of legal action prior to the expiration of the period of limitation or any extension thereof. Generally, a nongovernmental Cooperating Sponsor should assign claim rights to CCC no later than 60 days prior to the expiration of the period of limitation or any extension thereof. In all cases, a nongovernmental Cooperating Sponsor shall keep CCC informed of the progress of its collection efforts and shall promptly assign their claim rights to CCC upon request. Subsequently, if CCC collects on or settles the claim, CCC shall, except as indicated in this paragraph, pay to a nongovernmental Cooperating Sponsor the

amount to which it would have been entitled had it collected on the claim. The additional 10 percent on amounts collected in excess of \$200 will be payable, however, only if CCC determines that reasonable efforts were made to collect the claim prior to the assignment, or if payment is determined to be commensurate with the extra efforts exerted in further documenting the claim. If documentation requirements have not been fulfilled and the lack of such documentation has not been justified to the satisfaction of CCC, CCC will deny payment of all allowances to the nongovernmental Cooperating Sponsor.

(9) When a nongovernmental Cooperating Sponsor permits a claim to become time-barred, or fails to take timely actions to insure the right of CCC to assert such claims, and CCC determines that the nongovernmental Cooperating Sponsor failed to properly exercise its responsibilities under the Agreement, the nongovernmental Cooperating Sponsor shall be liable to the United States for the cost and freight value of the commodities lost to the program.

(e) *Fault of Cooperating Sponsor in country of distribution.* If a commodity, sale proceeds or program income is used for a purpose not permitted by the Program Agreement, or if a Cooperating Sponsor causes loss or damage to a commodity, sale proceeds, or program income through any act or omission or failure to provide proper storage, care and handling, FAS may require the Cooperating Sponsor to pay to the United States the value of the commodities, sale proceeds or program income lost, damaged or misused, or undertake other remedies FAS deems appropriate. FAS will consider normal commercial practices in the country of distribution in determining whether there was a proper exercise of the Cooperating Sponsor's responsibility. Payment by the Cooperating Sponsor shall be made in accordance with paragraph (g) of this section.

(f) *Fault of others in country of distribution and in intermediate country.* (1) In addition to survey or outturn reports to determine ocean carrier loss and damage, the Cooperating Sponsor

shall, in the case of landlocked countries, arrange for an independent survey at the point of entry into the recipient country and make a report as set forth in paragraph (c)(1) of this section. FAS will reimburse the Cooperating Sponsor for the costs of survey as set forth in paragraph (c)(2)(iv) of this section.

(2) Where any damage to or loss of the commodity or any loss of sale proceeds or program income is attributable to a warehouseman, carrier or other person, the Cooperating Sponsor shall make every reasonable effort to pursue collection of claims for such loss or damage. The Cooperating Sponsor shall furnish a copy of the claim and related documents to the Agricultural Counselor or Attache. Cooperating Sponsors who fail to file or pursue such claims shall be liable to FAS for the value of the commodities or sale proceeds or program income lost, damaged, or misused: Provided, however, that the Cooperating Sponsor may elect not to file a claim if the loss is less than \$500. The Cooperating Sponsor may retain \$150 of any amount collected on an individual claim. In addition, Cooperating Sponsors may, with the written approval of the Agricultural Counselor or Attache, retain amounts to cover special costs of collection such as legal fees, or pay such collection costs with sale proceeds or program income. Any proposed settlement for less than the full amount of the claim requires prior approval by the Agricultural Counselor or Attache. When the Cooperating Sponsor has exhausted all reasonable attempts to collect a claim, it shall request the Agricultural Counselor or Attache to provide further instructions.

(3) The Cooperating Sponsor shall pursue any claim by initial billings and at least three subsequent demands at not more than 30 day intervals. If these efforts fail to elicit a satisfactory response, the cooperating sponsor shall pursue legal action in the judicial system of country unless otherwise agreed by the Agricultural Counselor or Attache. The Cooperating Sponsors must inform the Agricultural Counselor or Attache in writing of the reasons for not pursuing legal action; and the Agricultural Counselor or Attache may

require the Cooperating Sponsor to obtain the opinion of competent legal counsel to support its decision prior to granting approval. If the Agricultural Counselor or Attache approves a Cooperating Sponsor's decision not to take further action on the claim, the Cooperating Sponsor shall assign the claim to CCC and shall forward all documentation relating to the claim to CCC.

(4) As an alternative to legal action in the judicial system of the country with regard to claims against a public entity of the government of the cooperating country, the Cooperating Sponsor and the cooperating country may agree in writing to settle disputed claims by an appropriate administrative procedure or arbitration.

(g) *Determination of value.* The Cooperating Sponsor shall determine the value of commodities misused, lost or damaged on the basis of the domestic market price at the time and place the misuse, loss or damage occurred. When it is not feasible to determine such market price, the value shall be the f.o.b. or f.a.s. commercial export price of the commodity at the time and place of export, plus ocean freight charges and other costs incurred by the U.S. Government in making delivery to the Cooperating Sponsor. When the value is determined on a cost basis, the Cooperating Sponsor may add to the value any provable costs it has incurred prior to delivery by the ocean carrier. In preparing the claim statement, these costs shall be clearly segregated from costs incurred by the Government of the United States. With respect to claims other than ocean carrier loss or damage claims, the Cooperating Sponsor may request the Agricultural Counselor or Attache to approve a commercially reasonable alternative basis to value the claim.

(h) *Reporting losses to the Agricultural Counselor or Attache or FAS designated representative.* (1) The Cooperating Sponsor shall promptly notify the Agricultural Counselor or Attache or FAS designated representative, in writing, of the circumstances pertaining to any loss, damage, or misuse of commodities valued at \$500 or more occurring within the country of distribution or intermediate country. The report shall be

made as soon as the Cooperating Sponsor has adequately investigated the circumstances, but in no event more than ninety days from the date the loss became known to the Cooperating Sponsor. The report shall identify the party in possession of the commodities and the party responsible for the loss, damage or misuse; the kind and quantities of commodities; the size and type of containers; the time and place of misuse, loss, or damage; the current location of the commodity; the Program Agreement number, the procurement contract numbers, or if unknown, other identifying numbers printed on the commodity containers; the action taken by the Cooperating Sponsor with respect to recovery or disposal; and the estimated value of the commodity. The report shall explain why any of the above-required information can not be provided. The Cooperating Sponsor shall also report the details regarding any loss or misuse of sale proceeds or program income.

(2) The Cooperating Sponsor shall report quarterly to the Agricultural Counselor or Attache any loss, damage to or misuse of commodities resulting in loss of less than \$500. The Cooperating Sponsor shall inform the Agricultural Counselor or Attache or FAS designated representative if it has reason to believe there is a pattern or trend in the loss, damage, or misuse of such commodities and submit a report as described in paragraph (h)(1) of this section, together with any other relevant information the Cooperating Sponsor has available to it. The Agricultural Counselor or Attache may require additional information about any commodities lost, damaged or misused.

(i) *Handling claims proceeds.* Claims against ocean carriers shall be collected in U.S. dollars (or in the currency in which freight is paid) and shall be remitted (less amounts authorized to be retained) by Cooperating Sponsors to CCC. Claims against Cooperating Sponsors shall be paid to CCC in U.S. dollars. With respect to commodities lost, damaged or misused, amounts paid by Cooperating Sponsors and third parties in the country of distribution shall be deposited with the U.S. Disbursing Officer, American Embassy, preferably in U.S. dollars with

instructions to credit the deposit to an account as determined by FAS, or in local currency at the highest rate of exchange legally obtainable on the date of deposit with instructions to credit the deposit to an FAS account as determined by FAS. With respect to sale proceeds and program income, amounts recovered may be deposited in the same account as the sale proceeds and may be used for purposes of the program.

§ 1599.15 Are there special record keeping and reporting requirements?

(a) *Records and reports—general requirements.* The Cooperating Sponsor shall maintain records for a period of three (3) years from the final date specified in the program agreement. FAS may, at reasonable times, inspect the Cooperating Sponsor's records pertaining to the receipt and use of the commodities and proceeds realized from the sale of the commodities, and have access to the Cooperating Sponsor's commodity storage and distribution sites and to locations of activities supported with proceeds realized from the sale of the commodities.

(b) *Evidence of export.* The Cooperating Sponsor's freight forwarder shall, within thirty (30) days after export, submit evidence of export of the agricultural commodities to the Chief, Export Operations Division, KCCO. If export is by sea or air, the Cooperating Sponsor's freight forwarder shall submit five copies of the carrier's on board bill of lading or consignee's receipt authenticated by a representative of the U.S. Customs Service. The evidence of export must show the kind and quantity of agricultural commodities exported, the date of export, and the destination country.

(c) *Reports.* (1) The Cooperating Sponsor shall submit a semiannual logistics report to the Agricultural Counselor or Attache and to the Director, PPDED, FAS/USDA, Washington, DC 20250-1034, covering the receipt of commodities. Cooperating sponsors must submit reports on Form CCC-620 and submit the first report by May 16 for agreements signed during the period, October 1 through March 31, or by November 16
