§ 682.102 Obtaining and repaying a loan.

(a) *Stafford loan application.* Generally, to obtain a Stafford loan a student requests a loan by completing the Free Application for Federal Student Aid (FAFSA), and contacting the school, lender or guarantor. The school determines and certifies the student's eligibility for the loan. Prior to loan disbursement, the lender obtains a loan guarantee from a guaranty agency or

the Secretary and the student completes a promissory note, unless the student has previously completed a Master Promissory Note (MPN) that the lender may use for the new loan.

(b) [Reserved]

(c) *PLUS loan application.* (1) For a parent to obtain a PLUS loan, the parent completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary. Prior to loan disbursement, the parent completes a PLUS MPN, unless the parent has previously completed a PLUS MPN that the lender may use for the new loan.

(2) For a graduate or professional student to obtain a PLUS loan, the student applies for a PLUS Loan by completing a Free Application for Federal Student Aid (FAFSA) and contacting the school, lender or guarantor. The school determines and certifies the student's eligibility for the PLUS loan. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary. Prior to loan disbursement, the student completes a PLUS MPN, unless the student has previously completed a PLUS MPN that the lender may use for the new loan.

(d) *Consolidation loan application.* Generally, to obtain a Consolidation loan, a borrower completes an application and submits it to a lender participating in the Consolidation Loan Program. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(e) *Repaying a loan—(1) General.* Generally, the borrower is obligated to repay the full amount of the loan, late fees, collection costs chargeable to the borrower, and any interest not payable by the Secretary. The borrower's obligation to repay is cancelled if the borrower dies, becomes totally and permanently disabled, or has that obligation discharged in bankruptcy. A parent borrower's obligation to repay a PLUS loan is cancelled if the student, on

whose behalf the parent borrowed, dies. The borrower's or student's obligation to repay all or a portion of his or her loan may be cancelled if the student is unable to complete his or her program of study because the school closed or the borrower's or student's eligibility to borrow was falsely certified by the school. The obligation to repay all or a portion of a loan may be forgiven for Stafford loan borrowers who enter certain areas of the teaching or child care professions.

(2) *Stafford loan repayment.* In the case of a subsidized Stafford loan, a borrower is not required to make any principal payments on a Stafford loan during the time the borrower is in school. The Secretary pays the interest on the borrower's behalf during the time the borrower is in school. When the borrower ceases to be enrolled on at least a half-time basis, a grace period begins during which no principal payments are required, and the Secretary continues to make interest payments on the borrower's behalf. In the case of an unsubsidized Stafford loan, the borrower is responsible for interest during these periods. At the end of the grace period, the repayment period begins. During the repayment period, for the subsidized and unsubsidized Stafford loan, the borrower pays both the principal and the interest accruing on the loan.

(3) *SLS loan repayment.* Generally, the repayment period for an SLS loan begins immediately on the day of the last disbursement of the loan proceeds by the lender. The first payment of principal and interest on an SLS loan is due from the borrower within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower, but who has not yet entered repayment on the Stafford loan, requests that commencement of repayment on the SLS loan be deferred until the borrower's grace period on the Stafford loan expires.

(4) *PLUS loan repayment.* Generally, the repayment period for a PLUS loan begins on the day the loan is fully disbursed by the lender. The first payment of principal and interest on a PLUS loan is due from the borrower within 60 days after the loan is fully disbursed.

(5) *Consolidation loan repayment.* Generally, the repayment period for a Consolidation loan begins on the day the loan is disbursed. The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower's liability on all loans being consolidated has been discharged.

(6) *Deferment of repayment.* Repayment of principal on a FFEL program loan may be deferred under the circumstances described in § 682.210.

(7) *Default.* If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.
