of under the Act have been reserved to the United States.

§ 3100.2 Drainage.

§ 3100.2-1 Compensation for drainage.

Upon a determination by the authorized officer that lands owned by the United States are being drained of oil or gas by wells drilled on adjacent lands, the authorized officer may execute agreements with the owners of adjacent lands whereby the United States and its lessees shall be compensated for such drainage. Such agreements shall be made with the consent of any lessee affected by an agreement. Such lands may also be offered for lease in accordance with part 3120 of this title.

§ 3100.2-2 Drilling and production or payment of compensatory royalty.

Where lands in any leases are being drained of their oil or gas content by wells either on a Federal lease issued at a lower rate of royalty or on non-Federal lands, the lessee shall both drill and produce all wells necessary to protect the leased lands from drainage. In lieu of drilling necessary wells, the lessee may, with the consent of the authorized officer, pay compensatory royalty in the amount determined in accordance with § 3162.2(a) of this title.
