

Federal Trade Commission

§ 303.6

the Act and regulations for any failure of compliance with the Act and regulations by reason of any statement or omission in such label, invoice, or other means of identification utilized in accordance with his direction: *Provided*, That nothing herein shall relieve the processor or finisher of any duty or liability to which he may be subject under the Act and regulations.

§ 303.3 Fibers present in amounts of less than 5 percent.

(a) Except as permitted in sections 4(b)(1) and 4(b)(2) of the Act, as amended, no fiber present in the amount of less than 5 percent of the total fiber weight shall be designated by its generic name or fiber trademark in disclosing the constituent fibers in required information, but shall be designated as "other fiber." When more than one of such fibers are present in a product, they shall be designated in the aggregate as "other fibers." Provided, however, that nothing in this section shall be construed as prohibiting the disclosure of any fiber present in a textile fiber product which has a clearly established and definite functional significance when present in the amount contained in such product, as for example:

96 percent Acetate
4 percent Spandex.

(b) In making such disclosure, all of the provisions of the Act and regulations in this part setting forth the manner and form of disclosure of fiber content information, including the provisions of §§ 303.17 and 303.41 of this part relating to the use of generic names and fiber trademarks, shall be applicable.

[63 FR 7518, Feb. 13, 1998]

§ 303.4 English language requirement.

All required information shall be set out in the English language. If the required information appears in a language other than English, it also shall appear in the English language. The provisions of this section shall not apply to advertisements in foreign language newspapers or periodicals, but such advertising shall in all other respects comply with the Act and regulations.

§ 303.5 Abbreviations, ditto marks, and asterisks prohibited.

(a) In disclosing required information, words or terms shall not be designated by ditto marks or appear in footnotes referred to by asterisks or other symbols in required information, and shall not be abbreviated except as permitted in § 303.33(e) of this part.

(b) Where the generic name of a textile fiber is required to appear in immediate conjunction with a fiber trademark in advertising, labeling, or invoicing, a disclosure of the generic name by means of a footnote, to which reference is made by use of an asterisk or other symbol placed next to the fiber trademark, shall not be sufficient in itself to constitute compliance with the Act and regulations.
