

Subpart A—General

§ 1306.1 Purpose and scope.

This Part sets forth requirements for Early Head Start and Head Start program staffing and program options that all Early Head Start and Head Start grantee and delegate agencies, with the exception of Parent Child Center programs, must meet. The exception for Parent Child Centers is for fiscal years 1995, 1996, and 1997 as consistent with section 645A(e)(2) of the Head Start Act, as amended. These requirements, including those pertaining to staffing patterns, the choice of the program options to be implemented and the acceptable ranges in the implementation of those options, have been developed to help maintain and improve the quality of Early Head Start and Head Start and to help promote lasting benefits to the children and families being served. These requirements are to be used in conjunction with the Head Start Program Performance Standards at 45 CFR Part 1304, as applicable.

§ 1306.2 Effective dates.

(a) Except as provided in paragraph (b) of this section, Head Start grantees funded or refunded after June 7, 1993, must comply with these requirements by such times in their grant cycles as new groups of children begin receiving services. This does not preclude grantees from voluntarily coming into compliance with these regulations prior to the effective date.

(b) With respect to the requirements of § 1306.32(b)(2), grantees that are currently operating classes in double session center-based options for less than three and a half hours per day, but for at least three hours per day, may continue to do so until September 1, 1995, at which time they must comply with the three and one-half hour minimum class time requirement.
