60% Cotton  
40% Unknown fibers—waste materials.  
40% Acrylic  
20% Modacrylic  
40% Undetermined fibers—odd lots.  
50% Polyester  
30% Cotton  
20% Textile by-products of undetermined fiber content.  
50% Rayon  
50% Secondhand materials—fiber content unknown.  
45% Acetate  
30% Cotton  
25% Miscellaneous rags—undetermined fiber content.

(c) No representation as to fiber content shall be made as to any textile product or any portion of a textile fiber product designated as composed of unknown or undetermined fibers. If any such representation is made, a full and complete fiber content disclosure shall be required.

(d) Nothing contained in this section shall excuse a full disclosure as to fiber content if the same is known or practically ascertainable.

### § 303.15 Required label and method of affixing.

(a) A label is required to be affixed to each textile product and, where required, to its package or container in a secure manner. Such label shall be conspicuous and shall be of such durability as to remain attached to the product and its package throughout any distribution, sale, resale and until sold and delivered to the ultimate consumer.

(b) Each textile fiber product with a neck must have a label disclosing the country of origin affixed to the inside center of the neck midway between the shoulder seams or in close proximity to another label affixed to the inside center of the neck. The fiber content and RN or name of the company may be disclosed on the same label as the country of origin or on another conspicuous and readily accessible label or labels on the inside or outside of the garment. On all other textile products, the required information shall be disclosed on a conspicuous and readily accessible label or labels on the inside or outside of the product. The country of

origin disclosure must always appear on the front side of the label. Other required information may appear either on the front side or the reverse side of a label, provided that the information is conspicuous and readily accessible.

(c) In the case of hosiery products, this section shall not be construed as requiring the affixing of a label to each hosiery product contained in a package if, (1) such hosiery products are intended for sale to the ultimate consumer in such package, (2) such package has affixed to it a label bearing the required information for the hosiery products contained in the package, and (3) the information on the label affixed to the package is equally applicable to each textile fiber product contained therein.

(d) Socks provided for in subheading 6115.92.90, 6115.93.90, 6115.99.18, 6111.20.60, 6111.30.50, or 6111.90.50 of the Harmonized Tariff Schedule of the United States, as in effect on September 1, 2003, shall be marked, as legibly, indelibly, and permanently as the nature of the article or package will permit, to disclose the English name of the country of origin. This disclosure shall appear on the front of the package, adjacent to the size designation of the product, and shall be set forth in such a manner as to be clearly legible, conspicuous, and readily accessible to the ultimate consumer. *Provided, however,* any package that contains several different types of goods and includes socks classified under subheading 6115.92.90, 6115.93.90, 6115.99.18, 6111.20.60, 6111.30.50, or 6111.90.50 of the Harmonized Tariff Schedule of the United States, as in effect on September 1, 2003, shall not be subject to the requirements of this subsection.

### § 303.16 Arrangement and disclosure of information on labels.

(a) Subject to the provisions of § 303.15(b), information required by the Act and regulations in this part may appear on any label or labels attached to the textile fiber product, including the care label required by 16 CFR part 423, provided all the pertinent requirements of the Act and regulations in

this part are met and so long as the combination of required information and non-required information is not misleading. The required information shall include the following:

(1) The generic names and percentages by weight of the constituent fibers present in the textile fiber product, excluding permissive ornamentation, in amounts of 5 percent or more and any fibers disclosed in accordance with §303.3(a) shall appear in order of predominance by weight with any percentage of fiber or fibers required to be designated as "other fiber" or "other fibers" appearing last.

(2) The name, provided for in §303.19, or registered identification number issued by the Commission, of the manufacturer or of one or more persons marketing or handling the textile fiber product.

(3) The name of the country where such product was processed or manufactured, as provided for in §303.33.

(b) All parts of the required information shall be set forth in such a manner as to be clearly legible, conspicuous, and readily accessible to the prospective purchaser. All parts of the fiber content information shall appear in type or lettering of equal size and conspicuousness.

(c) Subject to the provisions of §303.17, any non-required information or representations placed on the product shall not minimize, detract from, or conflict with required information and shall not be false, deceptive, or misleading.

(d) Non-deceptive terms which are properly and truthfully descriptive of a fiber may be used in conjunction with the generic name of such fiber; as for example: "100 percent cross-linked rayon," "100 percent solution dyed acetate," "100 percent combed cotton," "100 percent nylon 66," etc.

**§303.17 Use of fiber trademarks and generic names on labels.**

(a) A non-deceptive fiber trademark may be used on a label in conjunction with the generic name of the fiber to

which it relates. Where such a trademark is placed on a label in conjunction with the required information, the generic name of the fiber must appear in immediate conjunction therewith, and such trademark and generic name must appear in type or lettering of equal size and conspicuousness.

(b) Where a generic name or a fiber trademark is used on any label, whether required or non-required, a full and complete fiber content disclosure shall be made in accordance with the Act and regulations the first time the generic name or fiber trademark appears on the label.

(c) If a fiber trademark is not used in the required information, but is used elsewhere on the label as non-required information, the generic name of the fiber shall accompany the fiber trademark in legible and conspicuous type or lettering the first time the trademark is used.

(d) No fiber trademark or generic name shall be used in non-required information on a label in such a manner as to be false, deceptive, or misleading as to fiber content, or to indicate directly or indirectly that a textile fiber product is composed wholly or in part of a particular fiber, when such is not the case.

**§303.18 Terms implying fibers not present.**

Words, coined words, symbols or depictions, (a) which constitute or imply the name or designation of a fiber which is not present in the product, (b) which are phonetically similar to the name or designation of such a fiber, or (c) which are only a slight variation of spelling from the name or designation of such a fiber shall not be used in such a manner as to represent or imply that such fiber is present in the product.

[30 FR 13693, Oct. 28, 1965]

**§303.19 Name or other identification required to appear on labels.**

(a) The name required by the Act to be used on labels shall be the name under which the person is doing business. Where a person has a word trademark, used as a house mark, registered in the United States Patent Office, such word trademark may be used on
