For those matters covered by this subpart that also have substantive FDIC regulations or related statements of policy, references to the relevant regulations or statements of policy are contained in the specific sections.

§ 303.241 Reduce or retire capital stock or capital debt instruments.

(a) *Scope.* This section contains the procedures to be followed by an insured state nonmember bank to seek the prior approval of the FDIC to reduce the amount or retire any part of its common or preferred stock, or to retire any part of its capital notes or debentures pursuant to section 18(i)(1) of the Act (12 U.S.C. 1828(i)(1)).

(3) The time period that the proposal will encompass;

(4) If the proposal involves a series of transactions affecting Tier 1 capital components which will be consummated over a period of time which shall not exceed twelve months, the application shall certify that the insured depository institution will maintain itself as a well-capitalized institution as defined in part 325 of this chapter, both before and after each of the proposed transactions;

(5) If the proposal involves the repurchase of capital instruments, the amount of the repurchase price and the basis for establishing the fair market value of the repurchase price;

(6) A statement that the proposal will be available to all holders of a particular class of outstanding capital instruments on an equal basis, and if not, the details of any restrictions; and

(7) The date that the applicant's board of directors approved the proposal.

(e) *Undercapitalized institutions.* Procedures regarding applications by an undercapitalized insured depository institution to retire capital stock or capital debt instruments pursuant to section 38 of the FDI Act (12 U.S.C. 1831o) are set forth in subpart K (Prompt Corrective Action), §303.203. Applications pursuant to sections 38 and 18(i) may be filed concurrently, or as a single application.

(f) *Expedited processing for eligible depository institutions.* An application filed under this section by an eligible depository institution as defined in §303.2(r) will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. The FDIC may remove an application from expedited processing for any of the reasons set forth in §303.11(c)(2). Absent such removal, an application processed under expedited processing will be deemed approved 20 days after the FDIC's receipt

of a substantially complete application.

(g) *Standard processing.* For those applications that are not processed pursuant to expedited procedures, the FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

§303.242 Exercise of trust powers.

(a) *Scope.* This section contains the procedures to be followed by a state nonmember bank to seek the FDIC's prior consent to exercise trust powers. The FDIC's prior consent to exercise trust powers is not required in the following circumstances:

(1) Where a state nonmember bank received authority to exercise trust powers from its chartering authority prior to December 1, 1950; or

(2) Where an insured depository institution continues to conduct trust activities pursuant to authority granted by its chartering authority subsequent to a charter conversion or withdrawal from membership in the Federal Reserve System.

(b) *Where to file.* Applicants shall submit to the appropriate FDIC office a completed form, "Application for Consent To Exercise Trust Powers". This form may be obtained from any FDIC regional director.

(c) *Content of filing.* The filing shall consist of the completed trust application form.

(e) *Expedited processing for eligible depository institutions.* An application filed under this section by an eligible depository institution as defined in §303.2(r) will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. The FDIC may remove an application from expedited processing for any of the reasons set forth in §303.11(c)(2). Absent such removal, an application processed under expedited procedures will be deemed approved 30 days after the FDIC's receipt of a substantially complete application.

(f) *Standard processing.* For those applications that are not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action when the decision is rendered.

§ 303.243 Brokered deposit waivers.

(a) *Scope.* Pursuant to section 29 of the FDI Act (12 U.S.C. 1831f) and part 337 of this chapter, an adequately capitalized insured depository institution may not accept, renew or roll over any brokered deposits unless it has obtained a waiver from the FDIC. A well-capitalized insured depository institution may accept brokered deposits without a waiver, and an undercapitalized insured depository institution may not accept, renew or roll over any brokered deposits under any circumstances. This section contains the procedures to be followed to file with the FDIC for a brokered deposit waiver. The FDIC will provide notice to the depository institution's appropriate federal banking agency and any state regulatory agency, as appropriate, that a request for a waiver has been filed and will consult with such agency or agencies, prior to taking action on the institution's request for a waiver. Prior notice and/or consultation shall not be required in any particular case if the FDIC determines that the circumstances require it to take action without giving such notice and opportunity for consultation.

(b) *Where to file.* Applicants shall submit a letter application to the appropriate FDIC office.

(c) *Content of filing.* The application shall contain the following:

(1) The time period for which the waiver is requested;

(2) A statement of the policy governing the use of brokered deposits in the institution's overall funding and liquidity management program;

(4) How brokered deposits are costed and compared to other funding alternatives and how they are used in the institution's lending and investment

activities, including a detailed discussion of asset growth plans;

(5) Procedures and practices used to solicit brokered deposits, including an identification of the principal sources of such deposits;

(6) Management systems overseeing the solicitation, acceptance and use of brokered deposits;

(7) A recent consolidated financial statement with balance sheet and income statements; and

(8) The reasons the institution believes its acceptance, renewal or roll-over of brokered deposits would pose no undue risk.

(d) *Additional information.* The FDIC may request additional information at any time during processing of the application.

(e) *Expedited processing for eligible depository institutions.* An application filed under this section by an eligible depository institution as defined in this paragraph will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. For the purpose of this section, an applicant will be deemed an eligible depository institution if it satisfies all of the criteria contained in §303.2(r) except that the applicant may be adequately capitalized rather than well-capitalized. The FDIC may remove an application from expedited processing for any of the reasons set forth in §303.11(c)(2). Absent such removal, an application processed under expedited procedures will be deemed approved 21 days after the FDIC's receipt of a substantially complete application.

(f) *Standard processing.* For those filings which are not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(g) *Conditions for approval.* A waiver issued pursuant to this section shall:

(1) Be for a fixed period, generally no longer than two years, but may be extended upon refiling; and

(2) May be revoked by the FDIC at any time by written notice to the institution.

(a) *Scope.* Pursuant to section 18(k) of the FDI Act (12 U.S.C. 1828(k)) and part 359 of this chapter, an insured depository institution or depository institution holding company may not make golden parachute payments or excess nondiscriminatory severance plan payments unless the depository institution or holding company obtains permission to make such payments in accordance with the rules contained in part 359 of this chapter. This section contains the procedures to file for the FDIC's consent when such consent is necessary under part 359 of this chapter.

(1) *Golden parachute payments.* A troubled insured depository institution or a troubled depository institution holding company is prohibited from making golden parachute payments (as defined in §359.1(f)(1) of this chapter) unless it obtains the consent of the appropriate federal banking agency and the written concurrence of the FDIC. Therefore, in the case of golden parachute payments, the procedures in this section apply to all troubled insured depository institutions and troubled depository institution holding companies.

(2) *Excess nondiscriminatory severance plan payments.* In the case of excess nondiscriminatory severance plan payments as provided by §359.1(f)(2)(v) of this chapter, the FDIC's consent is necessary for state nonmember banks that meet the criteria set forth in §359.1(f)(1)(ii) of this chapter. In addition, the FDIC's consent is required for all insured depository institutions or depository institution holding companies that meet the same criteria and seek to make payments in excess of the 12-month amount specified in §359.1(f)(2)(v).

(b) *Where to file.* Applicants shall submit a letter application to the appropriate FDIC regional director.

(c) *Content of filing.* The application shall contain the following:

(6) Certification and documentation as to each of the points cited in §359.4(a)(4).

(d) *Additional information.* The FDIC may request additional information at any time during processing of the filing.

(e) *Processing.* The FDIC will provide the applicant with a subsequent written notification of the final action taken as soon as the decision is rendered.

In addition to certain statutory exceptions and exclusions contained in sections 5(e)(6), (7) and (8), the FDI Act also permits the FDIC, in its discretion, to exempt any insured depository institution from this liability if it determines that such exemption is in the best interests of the Deposit Insurance Fund. (e) *Additional information.* The FDIC may request additional information at any time during the processing of the filing.

(f) *Processing.* The FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(g) *Failure to comply with terms of conditional waiver.* In the event a conditional waiver of liability is issued, failure to comply with the terms specified therein may result in the termination of the conditional waiver of liability. The FDIC reserves the right to revoke the conditional waiver of liability after giving the applicant written notice of such revocation and a reasonable opportunity to be heard on the matter pursuant to § 303.10.
