## § 655.161

the Notice of Acceptance set forth in § 655.141 and contain the following information:

(1) Identify the name of each recruitment source;

(2) State the name and contact information of each U.S. worker who applied or was referred to the job opportunity up to the date of the preparation of the recruitment report, and the disposition of each worker;

(3) Confirm that former U.S. employees were contacted and by what means; and

(4) If applicable, for each U.S. worker who applied for the position but was not hired, explain the lawful job-related reason(s) for not hiring the U.S. worker.

(b) *Duty to update recruitment report.* The employer must continue to maintain the recruitment report throughout the recruitment period including the 50 percent period. The updated report is not to be automatically submitted to the Department, but must be made available in the event of a post-certification audit or upon request by authorized representatives of the Secretary.

### § 655.157 Withholding of U.S. workers prohibited.

(a) *Filing a complaint.* Any employer who has reason to believe that a person or entity has willfully and knowingly withheld U.S. workers prior to the arrival at the worksite of H-2A workers in order to force the hiring of U.S. workers during the recruitment period, as set forth in § 655.135(d), may submit a written complaint to the CO. The complaint must clearly identify the person or entity who the employer believes has withheld the U.S. workers, and must specify sufficient facts to support the allegation (e.g., dates, places, numbers and names of U.S. workers) which will permit an investigation to be conducted by the CO.

(b) *Duty to investigate.* Upon receipt, the CO must immediately investigate the complaint. The investigation must include interviews with the employer who has submitted the complaint, the person or entity named as responsible for withholding the U.S. workers, and the individual U.S. workers whose availability has purportedly been withheld.

(c) *Duty to suspend the recruitment period.* Where the CO determines, after conducting the interviews required by paragraph (b) of this section, that the employer's complaint is valid and justified, the CO will immediately suspend the application of the 50 percent rule of the recruitment period, as set forth in § 655.135(d), to the employer. The CO's determination is the final decision of the Secretary.

### § 655.158 Duration of positive recruitment.

Except as otherwise noted, the obligation to engage in positive recruitment described in §§ 655.150 through 655.154 shall terminate on the date H-2A workers depart for the employer's place of work. Unless the SWA is informed in writing of a different date, the date that is the third day preceding the employer's first date of need will be determined to be the date the H-2A workers departed for the employer's place of business.

## LABOR CERTIFICATION DETERMINATIONS

### § 655.160 Determinations.

Except as otherwise noted in this section, the CO will make a determination either to grant or deny the *Application for Temporary Employment Certification* no later than 30 calendar days before the date of need identified in the *Application for Temporary Employment Certification*. An *Application for Temporary Employment Certification* that is modified under § 655.142 or that otherwise does not meet the requirements for certification in this subpart is not subject to the 30-day timeframe for certification.

### § 655.161 Criteria for certification.

(a) The criteria for certification include whether the employer has established the need for the agricultural services or labor to be performed on a temporary or seasonal basis; complied with the requirements of parts 653 and 654 of this chapter; complied with all of this subpart, including but not limited to the timeliness requirements in § 655.130(b); complied with the offered wage rate criteria in § 655.120; made all the assurances in § 655.135; and met all
