

§ 806.18

letter citing FOIA. This does not apply to requests from a Congressional Committee or Subcommittee Chair on behalf of the committee or subcommittee.

§ 806.18 Initial determinations.

(a) Disclosure authorities make final decisions on providing releasable records within the time limits and provide recommendations to the IDA on proposed denials and partial denials after coordination with the appropriate FOIA and JA office. Normally, disclosure authorities are division chiefs or higher at Air Staff level. MAJCOMs will designate their disclosure authority levels. The level should be high enough so a responsible authority makes the disclosure according to the policies outlined in this part. At out sourced units or functions, the disclosure authority must be a government official. Contractors who are functional OPRs for official government records are not authorized to make the decision to disclose government records.

(b) On receipt, Air Force FOIA offices will promptly inform Air Force PAOs of all FOIA requests that are potentially newsworthy, or that are submitted by news media requesters. FOIA offices will coordinate final replies for such cases with public affairs.

§ 806.19 Reasonably segregable portions.

Delete information exempt from release under the FOIA from copies of otherwise releasable records. Do not release copies that would permit the requester to "read through the marking." Examples of records with deletions of exempted data are in § 806.30.

§ 806.20 Records of non-U.S. government source.

(a) The Air Force, in compliance with Executive Order 12600, will advise submitters of contractor-submitted records when a FOIA requester seeks the release of such records, regardless of any initial determination as to whether FOIA exemption (b)(4) applies. See § 806.15(c) and § 806.31. Due to a change to 48 CFR, submitter notification is not required prior to release of unit prices contained in contracts awarded based upon solicitations

32 CFR Ch. VII (7-1-12 Edition)

issued after January 1, 1998. For solicitations issued before January 1, 1998, conduct a normal submitter notice. Unit prices contained in proposals provided prior to contract award are protected from release, as are all portions of unsuccessful proposals (before and after contract award) (10 U.S.C. 2305(g)).

(b) Department of State involvement. Air Force FOIA managers will notify their MAJCOM (or equivalent) FOIA office, in writing, via fax or e-mail when the Department of State becomes involved in any Air Force FOIA actions. The MAJCOM FOIA office will provide 11 CS/SCSR, via fax or e-mail, a summary of the issues involved, and the name, phone number, mailing address and e-mail address of: their own FOIA office point of contact; the Air Force record OPR point of contact, the DoD component FOIA office point of contact (if any), and the Department of State point of contact. 11 CS/SCSR will inform SAF/IA of any State Department involvement in Air Force FOIA actions. (See § 806.7(b).) An example of a memo advising 11 CS/SCSR of State Department involvement in an Air Force FOIA action is provided in § 806.27.

§ 806.21 Appeals.

(a) FOIA requesters seeking Air Force records must address appeals to the Office of the Secretary of the Air Force, through the FOIA office of the IDA that denied the request. Requesters should attach a copy of the denial letter to their appeal and give reasons for appealing. Air Force IDAs may reconsider any prior denials and may grant all or part of a requester's appeal. When any appellate action sought by a FOIA requester is denied by an IDA, the IDA will include a statement that the issues raised in the appeal were considered and rejected (in full or in part) in any file sent to the Secretary of the Air Force in the course of a FOIA appeal action. Send all appeals to IDA decisions at the wing level through the MAJCOM FOIA office for sending to the Secretary of the Air Force's designated appellate authority, SAF/GCA (and Air Force Legal Services Agency (AFLSA/JACL)). (See

Department of the Air Force, DoD

§ 806.25

§§ 806.4(g), 806.5(b), and § 806.5(k.) Additional steps are required prior to sending an appeal file.

(1) MAJCOM FOIA offices and record OPRs are responsible for ensuring adequate preparation of the FOIA appeal package for reconsideration by the IDA. FOIA offices and records OPRs will coordinate with Air Force attorneys, who will provide written opinions on substantive issues raised in the appeal.

(2) If a requester appeals an Air Force “no records” determination, Air Force elements must search again or verify the adequacy of their first search. The package must include documents that show the Air Force element systematically tried to find responsive records. Tell, for example, what areas or offices were searched and how the search was conducted—manually, by computer, by telephone, and so forth. In the event a requester sues the Air Force to contest a determination that no responsive records exist, formal affidavits are required to support the adequacy of any searches conducted.

(3) FOIA requesters seeking to appeal denials involving Office of Personnel Management’s controlled civilian personnel records must appeal to the Office of the General Counsel, Office of Personnel Management, 1900 E Street NW, Washington, DC 20415.

(4) If a requester appeals a denial of a fee waiver, fee estimate, or fee reduction request, FOIA offices and record OPRs must account for actual and estimated costs of processing a request, and will include copies of the DD Forms 2086 or 2086-1 in the appeal package.

(5) When any appellate action sought by a FOIA requester is denied by an IDA, prepare the FOIA appeal package as specified in § 806.29, and then the MAJCOM FOIA office forwards the appeal file to the Secretary of the Air Force’s designated appellate authority, SAF/GCA (through AFLSA/JACL), for a final administrative determination.

(b) Air Force activities will process appeal actions expeditiously to ensure they reach the Office of the Secretary of the Air Force in a timely manner.

§ 806.22 Time limits.

Any FOIA appeals received after the 60-day time limit are not processed, unless the requester provides adequate justification for failing to comply with the time limit. If a late appeal is received, and there is no adequate justification for failing to comply with the time limit, the FOIA office will advise the FOIA requester their appeal has been closed. An example of a closure letter is included in § 806.27.

§ 806.23 Delay in responding to an appeal.

For an appeal in process and not yet forwarded to AFLSA/JACL, the MAJCOM FOIA office is responsible for advising the requester of the status of the appeal. For an appeal in process at AFLSA/JACL, that office will advise the requester regarding status of the appeal.

§ 806.24 Fee restrictions.

For FOIA purposes, Air Force activities will consider the cost of collecting a fee to be \$15 and will not assess requesters’ fees for any amount less than \$15.

§ 806.25 Annual report.

(a) MAJCOM FOIA managers and AFLSA/JACL send a consolidated report for the fiscal year on DD Form 2564, Annual Report Freedom of Information Act, to HQ AFCIC/ITC by October 30 via regular mail, e-mail, or facsimile. AFLSA/JACL will prepare the appeals and litigation costs sections of the report. HQ AFCIC/ITC will make the Air Force report available on the WWW.

(b) Total requests processed. “Processed” includes responses that give an estimated cost for providing the records, even if the requester has not paid.

(c) Denied in full. Do not report “no record” responses as denials.

(d) Other reasons.

(1) *Referrals*. Also include referrals within Air Force in this category.

(2) *Not an agency record*. The “not an agency record” other reason category only applies to requests for: objects or articles such as structures, furniture, vehicles and equipment, whatever their historical value, or value as evidence;
