Subpart A—General Provisions

§ 102-74.5 What is the scope of this part?

The real property policies contained in this part apply to Federal agencies, including the GSA's Public Buildings Service (PBS), operating under, or subject to, the authorities of the Administrator of General Services.

§ 102-74.10 What is the basic facility management policy?

Executive agencies must manage, operate and maintain Government-owned and leased buildings in a manner that

provides for quality space and services consistent with their operational needs and accomplishes overall Government objectives. The management, operation and maintenance of buildings and building systems must—

(a) Be cost effective and energy efficient;

(b) Be adequate to meet the agencies' missions;

(c) Meet nationally recognized standards; and

(d) Be at an appropriate level to maintain and preserve the physical plant assets, consistent with available funding.

Subpart B—Facility Management

§ 102-74.15 What are the facility management responsibilities of occupant agencies?

Occupants of facilities under the custody and control of Federal agencies must—

(a) Cooperate to the fullest extent with all pertinent facility procedures and regulations;

(b) Promptly report all crimes and suspicious circumstances occurring on Federally controlled property first to the regional Federal Protective Service, and as appropriate, the local responding law enforcement authority;

(c) Provide training to employees regarding protection and responses to emergency situations; and

(d) Make recommendations for improving the effectiveness of protection in Federal facilities.
