was received. If, within 30 days of receipt of notice, the OCC does not notify the association of its objection on the grounds set forth in paragraph (a) of this section, the association may change its title by amending its charter in accordance with §144.2(b) or §152.4 of this chapter and the amendment provisions of its charter, except that an association chartered as a Federal Savings and Loan Association may change its title to indicate that it is a Federal Savings Bank, and an association chartered as a Federal Savings Bank may change its title to indicate that it is a Federal Savings and Loan Association.

ORGANIZATION

§ 143.2 Application for permission to organize.

(a) *General.* Recommendations by employees of the OCC regarding applications for permission to organize a Federal savings association are privileged, confidential, and subject to part 4, subpart C of this chapter.

(b)–(c) [Reserved]

(2) Promptly after publication, the applicant(s) shall transmit copies of each notice and publisher's affidavit of publication in the same manner as the original filing.

(3) The OCC shall give notice of the application to the state official who supervises savings associations in the state in which the new association is to be located.

(4) Any person may inspect the application and all related communications at the address specified in 12 CFR 4.14(c) during regular business hours, unless such information is exempt from public disclosure.

(e) *Submission of comments.* Commenters may submit comments on the application in accordance with the procedures specified in subpart C of part 116 of this chapter.

(f) *Meetings.* The OCC may arrange a meeting in accordance with the proce-

dures in subpart D of part 116 of this chapter.

(g) *Approval.* (1) Factors that will be considered are:

(i) Whether the applicants are persons of good character and responsibility;

(ii) Whether a necessity exists for such association in the community to be served;

(iii) Whether there is a reasonable probability of the association's usefulness and success;

(iv) Whether the association can be established without undue injury to properly conducted existing local thrift and home financing institutions;

(v) Whether the association will perform a role of providing credit for housing consistent with safe and sound operation of a Federal savings association; and

(vi) Whether the factors set forth in §143.3 are met, in the case of an application that would result in the formation of a *de novo* association, as defined in §143.3(a).

(2) Approvals of applications will be conditioned on the following:

(i) Receipt by the OCC of written confirmation from the Federal Deposit Insurance Corporation that the accounts of the Federal savings association will be insured by the Federal Deposit Insurance Corporation;

(ii) A minimum amount of capital to be paid into the association's accounts prior to commencing business;

(iii) The submission of a statement that—

(A) The applicants have complied in all respects with the Act and these rules and regulations regarding organization of a Federal savings association;

(B) The applicants have incurred no expense in forming the association which is chargeable to it, and no such expense will be incurred;

(C) No funds have been collected on account of the association before the OCC's approval;

(D) An organization committee has been created (naming the committee and its officers);

(E) The committee will organize the association and serve as temporary officers of the association until officers are elected by the association's board

of directors under §143.5 of this part; and

(F) No funds will be accepted for deposit by the association until organization has been completed; and

(iv) The satisfaction of any other requirement the OCC may impose.

(h) *Alternative procedures for interim Federal savings associations.* (1) Applications for permission to organize an interim Federal savings association are not subject to paragraphs (d), (e), (f) or (g)(2) of this section.

(2) Approval of an application for permission to organize an interim Federal savings association shall be conditioned on approval by the OCC of an application to merge the interim Federal savings association and an existing insured stock association or on approval by the OCC of such other transaction which the interim was chartered to facilitate. In evaluating the application, the OCC will consider the purpose for which the association will be organized, the form of any proposed transactions involving the organizing association, the effect of the transactions on existing associations involved in the transactions, and the factors specified in §143.2(g)(1) to the extent relevant.

§ 143.3 *De novo* applications for a Federal savings association charter.

(a) *Definitions.* For purposes of this section, the term “*de novo* association” means any Federal savings association chartered by the OTS prior to July 21, 2011 or by the OCC, the business of which has not been conducted previously under any charter or conducted in the previous three years in substantially the same form as is proposed by the *de novo* association. A “*de novo* applicant” means any person or persons who apply to establish a *de novo* association.

(b) *Minimum initial capitalization.* (1) A *de novo* association must have at least two million dollars in initial capital stock (stock institutions) or initial pledged savings or cash (mutual institutions), except as provided in paragraph (b)(2) of this section. The minimum initial capitalization is the amount of proceeds net of all incurred and anticipated securities issuance expenses, organization expenses, pre-opening expenses, or any expenses paid

(or funds advanced) by organizers that are to be reimbursed from the proceeds of a securities offering. In securities offerings for a *de novo* association, all securities of a particular class in the initial offering shall be sold at the same price.

(2) On a case by case basis, the OCC may, for good cause, approve a *de novo* association that has less than two million dollars in initial capital or may require a *de novo* association to have more than two million dollars in initial capital.

(c) *Business and investment plans of de novo associations.* (1) To assist the OCC in making the determinations required under section 5(e) of the Home Owners’ Loan Act, a *de novo* applicant shall submit a business plan describing, for the first three years of operation of the *de novo* association, the major areas of operation, including:

(i) Lending, leasing and investment activity, including plans for meeting Qualified Thrift Lender requirements;

(ii) Deposit, savings and borrowing activity;

(iii) Interest-rate risk management;

(iv) Internal controls and procedures;

(v) Plans for meeting the credit needs of the proposed *de novo* association’s community (including low- and moderate-income neighborhoods);

(vi) Projected statements of condition;

(vii) Projected statements of operations; and

(viii) Any other information requested by the OCC.

(2) The business plan shall:

(i) Provide for the continuation or succession of competent management subject to the approval of the OCC;

(ii) Provide that any material change in, or deviation from, the business plan must receive the prior approval of the OCC;

(iii) Demonstrate the *de novo* association’s ability to maintain required minimum regulatory capital under 12 CFR parts 165 and 167 for the duration of the plan.

(d) *Composition of the board of directors.* (1) A majority of a *de novo* association’s board of directors must be representative of the state in which the savings association is located. The OCC generally will consider a director to be

representative of the state if the director resides, works or maintains a place of business in the state in which the savings association is located. If the association is located in a Metropolitan Statistical Area (MSA), Primary Metropolitan Statistical Area (PMSA) or Consolidated Metropolitan Statistical Area (CMSA) that incorporates portions of more than one state, a director will be considered representative of the association's state if he or she resides, works or maintains a place of business in the MSA, PMSA or CMSA in which the association is located.

(2) The *de novo* association's board of directors must be diversified and composed of individuals with varied business and professional experience. In addition, except in the case of a *de novo* association that is wholly-owned by a holding company, no more than one-third of a board of directors may be in closely related businesses. The background of each director must reflect a history of responsibility and personal integrity, and must show a level of competence and experience sufficient to demonstrate that such individual has the ability to direct the policies of the association in a safe and sound manner. Where a *de novo* association is owned by a holding company that does not have substantial independent economic substance, the board of directors of the holding company must satisfy the foregoing standards.

(e) *Management Officials.* Proposed stockholders of ten percent or more of the stock of a *de novo* association will be considered management officials of the association for the purpose of the OCC's evaluation of the character and qualifications of the management of the association. In connection with the OCC's consideration of an application for permission to organize and subsequent to issuance of a Federal savings association charter to the association by the OCC, any individual or group of individuals acting in concert under 12 CFR part 174, who owns or proposes to acquire, directly or indirectly, ten percent or more of the stock of an association subject to this section, shall submit a Biographical and Financial Report, on forms prescribed by the OCC, to the appropriate OCC licensing office.

(f) *Supervisory transactions.* This section does not apply to any application for a Federal savings association charter submitted in connection with a transfer or an acquisition of the business or accounts of a savings association if the OCC determines that such transfer or acquisition is instituted for supervisory purposes, or in connection with applications for Federal charters for interim *de novo* associations chartered for the purpose of facilitating mergers, holding company reorganizations, or similar transactions.

§ 143.4 Issuance of charter.

Approval by the OCC of the organization of a Federal savings association or the conversion of an insured association to Federal savings association form shall constitute issuance of a charter and shall be final, provided that the association complies with the procedures set out at §144.2(a) of this chapter. The charter shall conform with the requirements of §144.1 of this chapter, the permissible provisions of §144.2, or other provisions specifically approved by the OCC.

§ 143.5 Completion of organization.

(a)(1) *Temporary officers.* When the OCC approves an application for permission to organize a Federal savings association, the applicants shall constitute the organization committee and elect a chairperson, vice-chairperson, and a secretary, who shall act as the temporary officers of the association until their successors are duly elected and qualified. The temporary officers may effect compliance with any conditions prescribed by the OCC.

(2) *Organization meeting.* Promptly upon receipt of a charter, the temporary officers shall call a meeting of the association's capital subscribers; notice of such meeting shall be mailed to each subscriber at least 5 days before the meeting day. Subscribers who have subscribed for a majority of the association's capital, present in person or by proxy, shall constitute a quorum. At such meeting, directors of the association shall be elected according to the association's charter and bylaws, and any other action permitted by such charter and bylaws may be taken; any

Comptroller of the Currency, Treasury

§ 143.8

such action shall be considered an acceptance by the association of such charter and of such bylaws, which shall be in the form provided in parts 144 and 152 of this chapter.

(b) First meeting of directors. Upon election, the association's board of directors shall hold a meeting to elect officers of the association as provided by its charter and bylaws and to take any other action necessary to permit operation of the association in accordance with law, the association's charter and bylaws, and these rules and regulations. When such officers have been bonded under §163.190 of this chapter, they shall immediately collect the sums due on subscriptions to the association's capital.

(c) *Membership in Federal Home Loan Bank and insurance of accounts.* When a Federal savings association's charter is issued it must promptly qualify as a member of a Federal Home Loan Bank and meet all requirements necessary to obtain insurance of its accounts by the Federal Deposit Insurance Corporation.

(d) *Failure to complete.* Organization of a Federal savings association is completed when the organization meeting and the first meeting of its directors have been held, permanent officers have been bonded, the association holds the cash required to be paid on subscriptions to its capital, if required, Federal Home Loan Bank membership has been obtained and Federal Deposit Insurance Corporation insurance of accounts has been confirmed and any conditions imposed by the OTS prior to July 21, 2011 or by the OCC in connection with approval of the application have been met. If organization is not so completed within six months after issuance of a charter, or within such additional period granted for good cause, and in the case of an interim Federal savings association, if a merger, or other transaction facilitated by the existence of an interim association, has not been approved, the charter shall become void and all cash collected on subscriptions shall thereupon be returned.

§143.6 Limitations on transaction of business.

No person may organize a Federal savings association, collect money

from others for such purpose, or represent himself or herself as authorized to do so, and no Federal savings association shall transact any business prior to completion of its organization, except as provided in this part.

§ 143.7 Federal savings association created in connection with an association in default or in danger of default.

The preceding sections of this part do not apply to a Federal savings association which is proposed by the Federal Deposit Insurance Corporation under section 11(c) of the Federal Deposit Insurance Act (12 U.S.C. 1821(c)) or section 21A of the Federal Home Loan Bank Act (12 U.S.C. 1441A), or is otherwise chartered by the OCC in connection with an association in default or in danger of default. Incorporation and organization of such associations are complete when the OCC so determines.

CONVERSION

§ 143.8 Conversion of depository institutions to Federal mutual charter.

(a) With the approval of the OCC, any depository institution, as defined in §152.13 of this chapter, that is in mutual form, may convert into a Federal mutual savings association, provided that:

(1) The depository institution, upon conversion, will have its deposits insured by the Federal Deposit Insurance Corporation;

(2) The depository institution, in accomplishing the conversion, complies with all applicable state and Federal statutes and regulations, and OCC policies, and obtains all necessary regulatory and member approvals; and

(3) The resulting Federal mutual association conforms, within the time prescribed by the OCC, to the requirements of section 5(c) of the Home Owners' Loan Act.

(b) Recommendations regarding applications for issuance of Federal charters are privileged, confidential and subject to part 4, subpart C of this chapter.

§ 143.9

12 CFR Ch. I (1–1–14 Edition)

§ 143.9 Application for conversion to Federal mutual charter.

(a)(1) *Filing.* Any depository institution that proposes to convert to a Federal mutual association as provided in § 143.8 must, after approval by its board of directors, file an application on forms obtained from the OCC with the appropriate licensing office. The applicant must submit any financial statements or other information the OCC may require.

(2) *Procedures.* An application for conversion filed under this section is subject to the procedures for organization of a Federal mutual association at § 143.2(d) through (f) of this chapter.

(b) *Plan of conversion.* The applicant shall submit with its application a plan of conversion specifying the location of the home office and any branch offices to be maintained by the Federal savings association, and providing for:

(3) Issuance by the Federal savings association of savings accounts to current holders of withdrawable accounts in an amount equaling the value of such accounts; and

(4) If applicable, issuance of additional savings accounts to current holders of nonwithdrawable capital stock of the applicant in an amount equaling the value of their nonwithdrawable capital stock, including the present value of any preference to which such holders are entitled.

(c) *Action on application.* The OCC will consider such application and any information submitted with the application, and may approve the application in accordance with section 5(e) of the Home Owners' Loan Act and § 143.2(g)(1). Converting depository institutions that have been in existence less than three years will be subject to all approval criteria and other requirements applicable to *de novo* Federal associations. Approval of an application and issuance by the OCC of a charter will be subject to:

(1) Compliance by the applicant with all conditions prescribed in the approval;

(2) Receipt by the applicant of approval of the plan of conversion by such vote as may be required by the laws of the applicant's jurisdiction to consider such action;

(3) In the case of a converting association the accounts of which are not insured by the Federal Deposit Insurance Corporation, receipt by the OCC of written confirmation from the Federal Deposit Insurance Corporation that the accounts of the converting association will be insured by the Federal Deposit Insurance Corporation; and

(4) Receipt by the OCC of written confirmation from the appropriate Federal Home Loan Bank of approval of the converting institution's application for Federal Home Loan Bank membership, if the institution is not a member.

§ 143.10 Organization after conversion.

Except as provided in § 143.11, after a Federal charter is issued under § 143.9 the association's members shall, after due notice, or upon a valid adjournment of a previous legal meeting, hold a meeting to elect directors and take all other action necessary fully to effect the conversion and operate the association in accordance with law and these rules and regulations. Immediately thereafter the board of directors shall meet, elect officers, and transact any other appropriate business.

§ 143.11 Organization plan for governance during first years after issuance of Federal mutual savings bank charter.

(a) *Organizational meeting.* Except as provided in paragraph (c)(1) of this section, promptly upon receipt of a charter, the officers of a Federal mutual savings bank which, immediately prior to conversion, was a state chartered mutual savings bank, shall call a meeting of the members. Notice for, and conduct of, such meeting shall be in accordance with the bank's Federal charter and bylaws. Business to be conducted at the organizational meeting shall include the election of trustees (who may also be known as a board of directors) and any other matters permitted by the charter and bylaws. Any action taken at such meeting shall be

Comptroller of the Currency, Treasury

§ 143.12

deemed an acceptance of the charter and bylaws approved by the OTS prior to July 21, 2011 or by the OCC pursuant to §144.1 of this chapter.

(b) *First meeting of trustees.* Upon election or appointment, the board of trustees shall hold a meeting to elect the officers of the bank in accordance with its Federal charter and bylaws, and to take other action necessary to permit the operation of the bank in accordance with the Home Owners' Loan Act of 1933, as amended, the bank's charter and bylaws, these rules and regulations, and orders of the OCC.

(c) *Plan for governance of association during first six years after issuance of Federal charter.* (1)(i) An applicant for a Federal mutual savings bank charter may submit a plan which provides that each member of its governing board, *i.e.*, board of trustees, managers, or directors, may continue to serve, provided that within two years of the issuance of a Federal charter at least one-fifth of the members of such board shall have been elected by vote, either in person or by proxy, of the bank's membership as provided in its Federal charter, that within three years of the issuance of its Federal charter at least two-fifths of the members of such board shall have been elected by such a membership vote, that within four years of the issuance of its Federal charter at least three-fifths of the members of such board shall have been elected by such a membership vote, that within five years of the issuance of its Federal charter at least four-fifths of the members of such board shall have been elected by such a membership vote, and that within six years of the issuance of its Federal charter all of the members of such board shall have been elected by such a membership vote.

(ii) The plan:

(A) Shall set forth the names of those persons who are being proposed for service on the applicant's governing board after conversion to a Federal charter,

(B) Shall show how trustees not elected by the converted bank's membership will be appointed or otherwise selected, and

(C) Shall provide that no trustees may be appointed or elected to terms of more than three years.

(iii) The plan may provide that

(A) After receipt of its Federal charter the bank will be organized by its existing governing board,

(B) Within the first two years following receipt of its Federal charter, the bank's charter may be amended without a membership vote, provided any such amendment is first approved by a two-thirds vote of its board of trustees and is thereafter approved by the OCC, and

(C) The bank's first annual membership meeting need not take place until two years after receipt of its Federal charter.

(2) Except to the extent that the OTS prior to July 21, 2011 or by the OCC approves a plan under this paragraph (c) which is inconsistent with other provisions of this section, a Federal mutual savings bank shall in all respects comply with those other provisions.

§ 143.12 Grandfathered authority.

(a) A Federal savings bank formerly chartered or designated as a mutual savings bank under state law may exercise any authority it was authorized to exercise as a mutual savings bank under state law at the time of its conversion from a state mutual savings bank to a Federal or other state charter. Except to the extent such authority may be exercised by Federal savings associations not enjoying grandfathered rights hereunder, such authority may be exercised only to the degree authorized under state law at the time of such conversion. Unless otherwise determined by the OTS prior to July 21, 2011 or by the OCC an association, in the exercise of grandfathered authority, may continue to follow applicable state laws and regulations in effect at the time of such conversion.

(b) A Federal savings association that acquires, or has acquired, a Federal savings bank by merger or consolidation may itself exercise any grandfathered rights enjoyed by the disappearing institution, whether such rights were obtained directly through

§ 143.14

conversion or through merger or consolidation. The extent of the grandfathered rights of a Federal savings association that disappeared prior to the effective date of this section shall be determined exclusively pursuant to this section.

(c) This section shall not be construed to prevent the exercise by a Federal savings association enjoying grandfathered rights hereunder of authority that is available under the applicable state law only upon the occurrence of specific preconditions, such as the attainment of a particular future date or specified level of regulatory capital, which have not occurred at the time of conversion from a state mutual savings bank, provided they occur thereafter.

(d) This section shall not be construed to permit the exercise of any particular authority on a more liberal basis than is allowable under the most liberal construction of either state or Federal law or regulation.

§ 143.14 Continuity of existence.

The corporate existence of an association converting under this part shall continue in its successor. Each savings or demand accountholder shall receive a savings account or accounts in the converted association equal in amount to the value of accounts held in the former association.
