INTRODUCTION OF LEGISLATION NAMING THE DICK CHENEY FEDERAL BUILDING

(Mrs. CUBIN asked and was given permission to address the House for 1

minute and to revise and extend her remarks.)

Mrs. CUBIN. Mr. Speaker, it gives me great pleasure today to introduce legislation to rename the Federal building and post office in Casper, Wyoming, the Dick Cheney Federal Building. I know of no one more deserving of this honor than Dick Cheney.

Dick was one of my predecessors in the House. He served as Chief of Staff to former President Ford and he was Secretary of Defense under former President George Bush. During his tenure as Defense Secretary, Dick directed two of the largest military campaigns in recent history, Operation Just Cause in Panama and Operation Desert Storm in the Middle East. For his leadership in the Gulf War, Dick was awarded the Presidential Medal of Freedom by President Bush, one of the highest honors bestowed on any individual.

Although Dick is now serving as Chairman of the Board and Chief Executive Officer of the Halliburton Company and out of the political limelight, he remains extremely popular in Wyoming and his advice is still sought after by many of us, including myself, who currently serve in office. I hope my colleagues will join me in sponsoring this legislation in honor of one of our most cherished and highly respected former Members.

Mr. Speaker, it is my distinct honor and privilege to introduce today a bill to rename the Federal Building and Post Office in Casper, Wyoming, after a former member of this body, my predecessor, Dick Cheney. I cannot think of anyone more deserving of this recognition, and I know the residents of Casper and all of Wyoming will be proud to honor him in this manner.

As most of my colleagues are aware, Dick was first elected to serve in the House of Representatives in 1978 and was reelected five times. At the end of his first term, his Republican colleagues elected him to serve as Chairman of the Republican Policy Committee. I'm told that is the first time in this century a freshman member has been named to that position. Dick went on to become Chairman of the Republican Conference and House Minority Whip.

But Dick's political career really began years earlier when he first joined the Nixon Administration in 1969, where he served in a number of positions at the Cost of Living Council, the Office of Economic Opportunity and the White House staff. He left the government in 1973 to become Vice President of Bradley, Woods and Company, an investment advisory firm.

When Gerald Ford assumed the Presidency in August of 1974, Dick was invited to serve on the transition team and later as Deputy Assistant to the President. In November, 1975, he was named Assistant to the President and White House Chief of Staff, a position he held throughout the remainder of the Ford Administration. I might add that, at 34, Dick was the youngest Chief of Staff ever to serve a President.

For many of us in Wyoming who have known Dick for years, however, our greatest thrill was having him appointed as Secretary of Defense in the Bush Administration, a position he held from March of 1989 to January
