

Mr. Speaker, S. 67 designates the headquarters building of the Department of Housing and Urban Development in Washington, D.C. as the Robert C. Weaver Federal Building.

Robert C. Weaver was born on December 23, 1907 in Washington, D.C. He attended Harvard University and earned three degrees, including a doctorate in economics. In the 1930s and 1940s, Dr. Weaver was involved in many government agencies, where he advocated racial equality.

In the early 1960s, President KENNEDY appointed Dr. Weaver administrator of the Housing and Home Financing Agency, the predecessor to the Department of Housing and Urban Development. President JOHNSON designated HUD a Cabinet-level agency. Following service in the Federal Government, Mr. Weaver became a professor of numerous colleges.

Dr. Weaver passed away in July of 1997. This is a fitting designation. I support the bill and urge my colleagues to support it.

Mr. OBERSTAR. Mr. Speaker, further reserving the right to object, I too rise in support of S. 67 to designate the HUD headquarters as the Robert C. Weaver Federal Building.

I have had the privilege, as a member of the staff of my predecessor, to meet Bob Weaver; and I have only the highest respect for his professional accomplishments and for Dr. Weaver as a very decent, warm, caring, energetic, hard working, and visionary human being.

Dr. Robert Clifton Weaver has been one of the most instrumental and influential Americans in directing and administering federal housing policies. Dr. Weaver was a native Washingtonian, a graduate of Dunbar High School, and Harvard University in 1929. In 1931 he received his Masters degree, and in 1934 his Ph.D. in economics from Harvard.

He entered government in 1933, as one of the young professionals who were drawn to Washington because of the "New Deal" programs of President Roosevelt.

He quickly became a leader in promoting opportunities and efforts to increase minority participation in government projects and policy development. During the 1940's and 1950's, Dr. Weaver held a variety of prestigious positions, including Director of the Opportunity Fellowship Program of the John Hay Whitney Foundation, consultant to the Ford Foundation, State of New York Rent Administrator, and in 1960 he became the Vice Chairman of the New York City Housing and Redevelopment Board.

In 1961, President Kennedy named Dr. Weaver as the Administrator of the Housing and Home Finance Agency, then a loose collection of agencies including the mortgage-insuring Federal Housing Administration.

Dr. Weaver worked tirelessly to mold the agency into a single organization with a unified goal. In 1966, when the Department of Housing and Urban Development (HUD) was formed by President Johnson, Dr. Weaver was designated its first Secretary, the first African-American to hold a cabinet-level position.

After his service at HUD, Dr. Weaver returned to academic life and served as the President of Baruch College in New York City.

Dr. Weaver was the recipient of numerous awards and honors, including the NAACP's Springarn Medal, the Albert Einstein Commemorative Award, the New York City Urban League Frederick Douglass Award, and New York University's Robert F. Wagner Public Service Award.

Dr. Weaver led a rich, full life marked by professional accomplishments and excellence. His legacy in public service is a model for all of us. It is fitting and proper to honor Dr. Weaver with this designation and I join with the Gentleman from New York, Mr. RANGEL, the sponsor of the House's companion bill, in supporting S. 67.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Louisiana?

There was no objection.

The Clerk read the Senate bill, as follows:

S. 67

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DESIGNATION OF ROBERT C. WEAVER FEDERAL BUILDING.

In honor of the first Secretary of Housing and Urban Development, the headquarters building of the Department of Housing and Urban Development located at 451 Seventh Street, SW., in Washington, District of Columbia, shall be known and designated as the "Robert C. Weaver Federal Building".

SEC. 2. REFERENCES.

Any reference in a law, map, regulation, document, paper, or other record of the United States to the building referred to in section 1 shall be deemed to be a reference to the "Robert C. Weaver Federal Building".

The Senate bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. COOKSEY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on S. 1595 and S. 67, the measures just considered by the House.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Louisiana?

There was no objection.

MOTOR CARRIER SAFETY IMPROVEMENT ACT OF 1999

Mr. SHUSTER. Mr. Speaker, I ask unanimous consent that the Committee on Transportation and Infrastructure be discharged from further consideration of the bill (H.R. 3419) to amend title 49, United States Code, to establish the Federal Motor Carrier Safety Administration, and for other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

Mr. OBERSTAR. Mr. Speaker, reserving the right to object, I would ask the

chairman of the committee for an explanation of the bill.

Mr. SHUSTER. Mr. Speaker, will the gentleman yield?

Mr. OBERSTAR. I yield to the gentleman from Pennsylvania.

Mr. SHUSTER. Mr. Speaker, I thank the gentleman for yielding to me.

This bill creates a new Federal Motor Carrier Safety Administration within the Department of Transportation and makes significant safety improvements. It is a good bipartisan bill that will improve safety on our Nation's highways.

Mr. Speaker, this bill will make our roads safer for everyone. We owe it to the driving public to ensure that the trucks with which they share the road are safe.

Without hampering honest operators, this bill will ensure that the authorities will have the resources they need to keep unsafe buses and trucks off the road. It closes loopholes and imposes tough penalties on repeat offenders.

This bill doubles the number of State truck inspectors and puts more inspectors on the Mexican border to ensure that income Mexican trucks meet all U.S. safety standards.

This is a time-sensitive bill because trucking safety currently does not have an organizational home at the Department of Transportation.

It is temporarily housed in the Office of the Secretary.

This bill will create a new Federal Motor Carrier Safety Administration effective January 1, 2000.

If Congress does not enact this bill, truck safety will remain in limbo at the Department.

This is truly a comprehensive bill that reforms Federal motor carrier safety efforts.

This new agency will be dedicated to truck and bus safety. In the past, motor carrier safety oversight was housed in the Federal Highway Administration, where it had to compete with large Federal infrastructure programs for attention.

The complexity and growth of the trucking industry justifies the creation of an agency with a clear, preeminent safety mission focused on truck and bus safety. Truck safety will now have the same status within the Department as aviation safety, automobile safety, pipeline safety, and maritime safety.

When this bill passed last month, some in the media said the bill would overturn NAFTA. Amazingly enough, they were wrong. This bill gives the Secretary the power to shut down unsafe Mexican trucks coming into the U.S.—that is it. To ensure this bill has no effect on NAFTA, we have included language that states that nothing in today's bill will over-ride NAFTA.

This is the most significant motor carrier safety legislation since 1986.

This bill was developed between the House and the Senate.

It is very similar to the truck safety bill passed earlier this year by the House of Representatives by the overwhelming margin of 415 to 5.

It is my hope that if the House passes this bill today that the Senate will pass it before the Congress adjourns.

This bill is a pro-safety bill that will improve highway safety for all Americans.

I urge passage of the bill.

Mr. OBERSTAR. Mr. Speaker, further reserving the right to object, I am very pleased with this bill. The Motor Carrier Safety Improvement Act of 1999 is a good bill. It preserves all the strong provisions of the bill that passed the House and adds provisions from the Senate bill that will further enhance safety. A strong House bill has been made even stronger.

I just want to express my great appreciation to my chairman, my partner, and the chairman of the subcommittee, the gentleman from Wisconsin (Mr. PETRI), and the ranking member, the gentleman from West Virginia (Mr. RAHALL), but especially to our chairman for championing this legislation. This is good legislation. It will only add to the gentleman's distinguished record of achievement in this House, especially one in the safety arena where he has been so strong an advocate.

Mr. SHUSTER. Mr. Speaker, if the gentleman would further yield, I am also submitting an explanatory statement of the bill to be printed in the RECORD. This document has been worked out by the Members on the House and Senate sides, by myself, the gentleman from Wisconsin (Mr. PETRI), the gentleman from Minnesota (Mr. OBERSTAR), the gentleman from West Virginia (Mr. RAHALL), as well as Senators MCCAIN and HOLLINGS.

I would particularly like to emphasize that the gentleman from Virginia (Mr. WOLF) certainly played a key role in serving as a catalyst to bring this legislation to our attention, and I certainly want to commend him for that.

I also would like to report to the House, as we close this session of the Congress, that of the 104 bills signed into law by the President thus far, 19 came from our committee. So approximately 20 percent of the bills which made their way through to law have come from the Committee on Transportation and Infrastructure. Additionally, another 50 bills, in fact this one will be 51 bills, will make their way through the House, and we look forward to many of them becoming law in the next session.

Mr. OBERSTAR. Reclaiming my time, under my reservation, Mr. Speaker, I thank the gentleman and concur in that observation.

Mr. SHUSTER. Mr. Speaker, if the gentleman will yield once again, I would be derelict in not noting the tremendous contribution of our staff, Jack Schenendorf, Mike Strachn, Roger Nober, Chris Bertram, Patti Doersch, Jess Sharp; and on the gentleman's side, Clyde Woodle, Rosalyn Millman, who is now acting administrator of NHTSA.

Everyone worked so hard to bring this bill to where it is today, and I want to commend the gentleman and thank him once again for the tremendous bipartisan support which we have had on our committee.

Mr. OBERSTAR. Mr. Speaker, reclaiming my time under my reserva-

tion of objection, I thank the gentleman and am certainly glad he cited the staff, because they certainly have worked hard and cooperatively all the way through this legislation.

The gentleman's statement underscores the success of the Committee on Transportation and Infrastructure. In a Congress that has been getting a bad rap for gridlock, this committee has worked together and achieved an extraordinary record of accomplishment. Just before the August break, it was 26 percent of all the bills that have passed the House enacted into law were bills from this committee.

□ 2000

Our percentage has dropped only because other committees have awakened and have risen to the challenge and the examples set by the Committee on Transportation and Infrastructure. But again, it is due to the partnership and the cooperation we have achieved, I think, at the level of the chairman and ranking member.

Mr. Speaker, I rise in strong support of the Motor Carrier Safety Improvement Act of 1999. We originally passed this bill on October 14, but the Other Body has not completed work on its version of the bill. In order to make it possible to send a bill to the President before we adjourn, we have worked with the Senate Commerce Committee on a bipartisan basis to develop a bill that combines the best features of our bill and the companion motor carrier safety bill introduced in the Other Body. Our aim is to pass this compromise legislation in both Houses prior to adjournment and to send it to the President for his signature.

I am very pleased with the Motor Carrier Safety Improvement Act of 1999. This is a good bill. It preserves all the strong safety provisions in the House bill, and adds provisions from the Senate bill that will further enhance safety. A strong House bill has been made even stronger.

I want to commend our Committee Chairman, Mr. SHUSTER, Chairman PETRI of the Ground Transportation Subcommittee, and Subcommittee Ranking Member RAHALL for their diligent efforts in developing this bill. This important legislation will give federal government the direction, the incentives, and the resources needed to improve the safety of large trucks on our highways. Every year, crashes involving large trucks kill more than 5,300 people and injure about 130,000 people. On average, there are 14 deaths and 350 injuries every day of the year. Unless the federal safety program is significantly improved, there will be more deaths and injuries as the number of miles traveled by large trucks increases. This is not acceptable.

The Inspector General of the Department of Transportation, the General Accounting Office, and Norm Mineta, a former Chairman of our Surface Transportation Subcommittee and Full Committee, have concluded that the federal government's program to ensure the safety of motor carriers has major deficiencies. Their studies found that DOT has not been conducting enough commercial vehicle and driver inspections; and that the penalties imposed for violations are too low to deter future violations.

The studies also found that DOT rarely completes needed safety regulations on time.

More than 20 motor carrier safety rulemakings have been in process for between three and nine years. These rulemakings involve important safety issues such as hours-of-service limits, motor carrier permits for carrying hazardous materials, and training standards for entry-level drivers.

DOT's databases are incomplete and unreliable; DOT lacks adequate personnel and facilities at our borders; and perceived conflicts of interest have undermined the credibility of DOT's research program.

Since these troubling reports by the IG and others were issued, the Secretary of Transportation, to his credit, has taken important steps to enhance the effectiveness of the motor carrier safety program. We support the Secretary's efforts. The legislation we have written will enhance these efforts and give DOT the resources needed to carry out the job.

There are four principles, I believe, that any good motor carrier safety bill should include—safety as the primary mission; sound credible research as the foundation for policy; vigorous oversight and enforcement; and adequate resources. This bill addresses each of these principles.

The bill creates a new Administration, the Federal Motor Carrier Safety Administration, without DOT. The bill gives the new Administration the direction, the incentives, and the resources it will need to improve motor carrier safety. The new Administration will also include a regulatory ombudsman, with authority to expedite rulemaking by assigning the necessary staff and resolving disagreements within the new agency.

The bill follows the model of the Federal Aviation Act of 1958, which established the Federal Aviation Administration to improve aviation safety. The bill directs the new Federal Motor Carrier Safety Administration to consider the assignment and maintenance of safety as the highest priority, recognizing the clear intent, encouragement, and dedication of Congress to the furtherance of the highest degree of safety in motor carrier transportation.

The bill requires the Secretary to develop a long-term strategy for improving motor carrier safety. Specific, measurable goals must be established to carry out the strategy, and estimates of funds and staff resources needed to accomplish the goals must be submitted to Congress annually.

The three top officials of the new Administration (the Administrator, Deputy Administrator, Chief Safety Officer) and the Administration's regulatory ombudsman are each required to sign a performance agreement with specific measurable goals to carry out this strategy, including increasing the number of inspections and compliance reviews, eliminating the backlog in rulemaking and enforcement cases, improving the quality and effectiveness of databases, and increasing inspection resources at the border. An official's progress toward meeting the goals is to be given substantial weight when bonuses and other achievement awards are dispersed within the Department.

The bill will give the Administration the resources it will need to do a better job. The bill provides a significant increase in guaranteed and authorized funding for motor carrier safety programs. Funding for personnel and resources of the new Administration will be 70 percent higher (an average of \$38 million per year) than current staffing for the Office of

Motor Carrier Safety. The additional funding will enable the Motor Carrier Administration to hire more federal inspectors, and more attorneys to complete rulemakings. The bill also provides an additional \$55 million per year of guaranteed funding for motor carrier safety grants. In addition, the bill authorizes \$75 million per year, subject to appropriation, for motor carrier safety grants above the guaranteed level.

The bill makes numerous programmatic changes to improve safety by keeping dangerous drivers off the roads and enhancing oversight. The bill improves the consistency of Commercial Driver's Licenses by closing loopholes in record keeping, establishing tougher penalties for crashes that cause fatalities, and authorizing DOT to decertify the CDL programs of States that do not comply with national requirements.

Trucks entering the United States will face more comprehensive oversight when DOT implements new staffing standards for inspectors at our international borders. Violators of safety laws and regulations will face penalties high enough to promote future compliance. Maximum fines will be assessed for repeat offenders as well as a pattern of violations of our safety laws and regulations.

A comprehensive study of crash causation along with an enhanced data collection effort will help DOT and the States target their education, oversight, and enforcement activities to address the most serious contributors to crashes.

I want to again commend Chairmen SHUSTER and PETRI, and Ranking Democratic Member RAHALL, for their efforts to develop this strong motor carrier safety bill. I urge my colleagues to support the bill.

Mr. Speaker, I include for the RECORD the following statement from Secretary Slater supporting the committee's action and supporting this bill:

STATEMENT OF U.S. TRANSPORTATION SECRETARY SLATER SUPPORTING THE MOTOR CARRIER SAFETY IMPROVEMENT BILL

I am gratified that the Congress is moving swiftly to pass the "Motor Carrier Safety Improvement Act of 1999" (H.R. 3419). This bill would give the U.S. Department of Transportation and states additional tools to significantly improve commercial motor carrier safety across the country and at our borders. President Clinton has made clear that safety is the highest priority for the Department of Transportation. The Administration strongly supports passage of H.R. 3419.

The leadership of House Transportation and Infrastructure Committee Chairman Bud Shuster and Ranking Member Jim Oberstar, and Senate Commerce Committee Chairman John McCain and Ranking Member Ernest Hollings was critical to this agreement.

This legislation is truly a broad-based, bipartisan effort and, if enacted, will reduce motor carrier crashes and save lives. It incorporates initiatives from Senate and House proposals; the Administration's proposal; a safety audit by the Department's Inspector General, Kenneth M. Mead; a review conducted for the Department by former House Public Works and Transportation Committee Chairman Norman Y. Mineta; and recommendations from labor, safety groups, industry, and state and local governments.

The bill would create a new Federal Motor Carrier Safety Administration focused on safety as its highest priority. I support that safety emphasis wholeheartedly and applaud other provisions to increase resources and

regulatory and enforcement tools. Among the significant provisions are:

Commercial Driver's License Program. Comprehensive improvements would be made to the Commercial Driver's License (CDL) program. These would allow the Department and its state partners to more effectively identify problem drivers, take appropriate remedial action, and get high-risk drivers off the road.

New Entrants. A "new entrants" program would permit the Department and states to ensure the safety fitness of newly-formed motor carrier companies. New applicants for authority would demonstrate their knowledge of safety regulations, and the Department would be challenged to review the safety of new carriers within the first 18 months of operation.

Foreign Carriers. The Department would gain strong new sanctions to prevent foreign carriers from operating illegally in the United States. The Department would deny entry to carriers that are not properly registered and impose stiff fines on violators. If carriers operate outside the scope of their registration authority, their trucks would be placed out-of-service at the roadside.

Data Collection to Target Problems. New data and analysis tools would help the Department determine why truck and bus crashes happen and identify the best prevention measures. H.R. 3419 would fund a major crash causation study and put into place a new system for collecting crash data nationally. The bill would also require motor carriers to update their records with the Department, helping us to focus enforcement resources on carriers that present the greatest safety risk.

Increased Resources. With passage of this bill, states would receive a major boost in resources to conduct more inspections of vehicles, drivers, and carriers. They would be able to implement innovative new safety countermeasures, keep more complete records on driver violations, and greatly strengthen enforcement programs.

I urge the Congress to act expeditiously to approve the "Motor Carrier Safety Improvement Act of 1999." I believe we have a singular opportunity now to make major strides toward improving motor carrier safety and achieving the Administration's 50 percent fatality reduction goal. We at the Department look forward to working with all our partners in continuing these critical efforts to save lives and make our nation's highways safer.

Mr. Speaker, I concur with the statement of the chairman of the committee on the remarks and the document that he will include in the RECORD that serve as a joint statement of managers for this legislation.

Mr. SHUSTER. Mr. Speaker, if the gentleman will continue to yield, I am submitting for the RECORD the joint explanatory materials I referred to above:

INTRODUCTORY NOTE TO JOINT EXPLANATORY MATERIALS

We are pleased to submit the accompanying Joint Explanatory Statement of the Motor Carrier Safety Improvement Act. These materials explain the provisions of the bill in detail. On September 24, the Committee on Transportation and Infrastructure filed its report (H. Rept. 106-333) on H.R. 2679, its Motor Carrier Safety Act, to establish a separate motor carrier administration at the Department of Transportation and to make reforms to the commercial driver's license program and related motor carrier safety programs. The House overwhelmingly passed H.R. 2679 on October 14. The Senate intro-

duced S. 1501, the Motor Carrier Safety Improvement Act, in August but took no further action on the bill.

To expedite enactment of the significant motor carrier safety reforms included in this bill, the leadership of the House Transportation and Infrastructure Committee has worked with the Senate Commerce, Science, and Transportation Committee in developing the bill. This Joint Explanatory Statement therefore represents the views of the Chairmen and Ranking members of the Transportation and Infrastructure Committee and the Ground Transportation Subcommittee, along with the Chairman and Ranking Member of the Senate Commerce Committee.

This Joint Explanatory Statement will provide legislative history for interpreting this important safety legislation.

JOINT EXPLANATORY STATEMENT OF THE HONORABLE BUD SHUSTER, THE HONORABLE JAMES OBERSTAR, THE HONORABLE THOMAS PETRI, THE HONORABLE NICK RAHALL, THE HONORABLE JOHN MCCAIN AND THE HONORABLE ERNEST HOLLINGS ON H.R. 3419: MOTOR CARRIER SAFETY IMPROVEMENT ACT OF 1999

Section 1. Short Title; Table of contents

The provision provides that this Act may be cited as the "Motor Carrier Safety Improvement Act of 1999." The section also includes a table of contents for the bill.

Sec. 2. Secretary defined

The provision defines the term "Secretary" to mean the Secretary of Transportation.

Sec. 3. Findings

The provision makes eight findings on motor carrier safety. Among other findings, Congress finds that the current rate, number, and severity of crashes involving motor carriers are unacceptable; the number of Federal and State motor carrier compliance reviews and commercial motor vehicle and operator inspections is insufficient; civil penalties for violators must be utilized to deter future violations; and meaningful measures to improve safety must be implemented expeditiously to prevent increases in motor carrier crashes, injuries, and fatalities. Congress further finds that proper use of Federal resources is essential to the Department of Transportation's ability to improve its research, rulemaking, oversight, and enforcement activities.

Sec. 4. Purposes

The provision lists the purposes of this Act as improving the administration of the Federal motor carrier safety program by establishing a Federal Motor Carrier Safety Administration in the Department of Transportation and by enacting measures to reduce the number and severity of large truck-involved crashes through increased inspections and compliance reviews, stronger enforcement measures, expedited rulemakings, scientifically sound research, and improvements to the commercial driver's license program.

TITLE I—FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION

Sec. 101. Establishment of Federal Motor Carrier Safety Administration

Subsection 101(a) adds a new section 113 to title 49, United States Code, to establish, as a separate administration within the Department of transportation, the Federal Motor Carrier Safety Administration (FMCSA). The managers note that Section 101 provides that "in carrying out its duties, the Administrator shall consider the assignment and maintenance of safety as the highest priority." This subsection is modeled on provisions which govern the activities of the Federal Aviation Administration and the Secretary of Transportation's responsibilities

for the regulation of air transportation. See 49 U.S.C. 40101(a)(1) & (d) and 49 U.S.C. 47101(a)(1). The Managers intend that new section 101 be interpreted and implemented in the same manner as the above-listed provisions in the laws governing aviation.

The Administration is headed by a Presidentially appointed, Senate-confirmed Administrator with professional experience in motor carrier safety; a Deputy Administrator appointed by the Secretary with the approval of the President, and a Chief Safety Officer appointed in the competitive service. In addition to any duties and powers prescribed by the Secretary, the Administrator shall carry out the duties and powers related to motor carriers and motor carrier safety set forth in chapters 5, 51, 55, 57, 59, 133 through 149, 311, 313, 315, and 317 of title 49, United States Code, and 42 U.S.C. 4917.

Subsection (b) provides dedicated funding for the administrative and research expenses of the FMCSA. This subsection increases funding 70 percent (an average of \$38 million per year) above the level currently provided within the Federal Highway Administration, to improve the motor carrier safety research, rulemaking, oversight, and enforcement activities transferred to the FMCSA.

Subsections (c) and (d) make conforming amendments to titles 5 and 49, United States Code.

Subsection (e) caps the employment level currently at the Office of Motor Carrier Safety at its headquarters location in fiscal year 2000, except for staff transferred to the Office from the Federal Highway Administration, for fiscal year 2000. The cap includes Office of Motor Carrier Safety staff and FHWA transferred employees (FTEs) who were already dedicated to motor carrier safety matters when the Office of Motor Carrier Safety was established in October 1999. It does not preclude further transfers from the FHWA to the FMCSA during fiscal year 2000.

The Congress has provided additional motor carrier safety funding and expects those resources to be dedicated toward increased motor carrier safety enforcement and inspection activities and to expedite rulemakings. The cost of unnecessary headquarters administrative or overhead positions, including public affairs officers, congressional liaison representatives and other nonsafety-related positions, is not a proper use of the additional authorized funding. These headquarters' officials are not involved in carrying out safety responsibilities such as developing policies and regulations to enforce motor carrier safety laws.

Subsection (e) requires the Secretary to report to the Senate Committee on Commerce, Science, and Transportation and the House Committee on Transportation and Infrastructure on the specific FMCSA personnel requested for each of fiscal years 2001, 2002, and 2003. The Secretary's justifications for any additional FMCSA headquarters' administrative or overhead positions shall include detailed descriptions of the specific needs to be addressed by the additional personnel. Such justifications must be submitted to allow sufficient time for the Committees to review the Secretary's request.

Subsection (f) provides that the authority to promulgate safety standards for commercial motor vehicles and equipment subsequent to initial manufacture is vested in the Secretary of Transportation and may be delegated.

Subsection (g) requires the Secretary to comply with the requirements of a discretionary departmental regulation, at 48 C.F.R. 1252.209-70, concerning the disclosure of conflicts of interest in research contracts, and to include the text of such regulation in each such contract. This requirement is Department wide. This subsection also calls for

a study to determine the effectiveness of this requirement. Eliminating or mitigating conflicts of interest will increase the likelihood that the research results will be more widely accepted and therefore be a more acceptable basis for policy decisions.

The managers note the bill does not establish any specific offices of the FMCSA because the Secretary is best positioned to determine the specific organizational structure of the Administration. The Congress intends for the Secretary to organize the new agency in a manner and structure that adequately reflects the unique demands of passenger vehicle safety, international affairs, and consumer affairs.

Sec. 102. Revenue aligned budget authority

Subsection 102(a) amends section 110 of title 23, United States Code, concerning revenue aligned budget authority, to include the motor carrier safety assistance program (MCSAP) in the group of programs for which funding is annually adjusted to correspond to Highway Trust Fund receipts.

Subsection (b) makes a number of technical and conforming amendments, including the relocation of a second section 110, concerning uniform transferability of Federal-aid highway funds, to a section 126 of title 23, United States Code.

Sec. 103. Additional funding for Motor Carrier Safety Grant Program

Subsection 103(a) authorizes an additional \$75 million from the Highway Trust Fund for each of fiscal years 2001 through 2003 for the motor carrier safety assistance program.

Subsection (b) amends section 4003 of the Transportation Equity Act for the 21st Century (TEA 21) to increase the amount of guaranteed funding provided in TEA 21 for the motor carrier safety assistance program by the following amounts: \$65 million for each of fiscal years 2001 through 2003. This subsection also amends section 1102 of TEA 21 to reduce the obligation ceiling for federal-aid highways and highway safety construction programs by \$65 million for each of fiscal years 2001 through 2003.

Subsection (c) establishes a maintenance of effort requirement for States receiving MCSAP funds under this section. Each State must maintain its spending for MCSAP-eligible activities at a level equal to the average annual level of expenditures for MCSAP activities for fiscal years 1997, 1998, and 1999.

Subsection (d) permits the Secretary to provide emergency grants of up to \$1 million to a State that is having difficulties in meeting the requirements associated with the commercial driver's license program and is in danger of having its program suspended due to noncompliance.

Subsection (e) provides that if a State is not in substantial compliance with each requirement of 49 U.S.C. 31311, concerning commercial driver's licensing, the Secretary shall withhold any allocation of MCSAP funds authorized under this section. This subsection also provides that it, before June 30 of the fiscal year in which it was found in noncompliance, a State is found by the Secretary to be in substantial compliance with each requirement of section 31311 of such title, the Secretary shall allocate to the State the funds withheld under this subsection.

Sec. 104. Motor carrier safety strategy

Subsection 104(a) requires the Secretary of Transportation, as part of the Department's existing federally required strategic planning efforts required under GPRA, to develop and implement a long-term strategy, including an annual plan and schedule for improving commercial motor vehicle, operator, and carrier safety, and sets forth four goals to be included in the strategy. The goals are: (1)

reducing the number and rates of crashes, injuries, and fatalities involving commercial motor vehicles, (2) improving enforcement and compliance programs, (3) identifying and targeting enforcement at a high-risk carriers, vehicles, and drivers, and (4) improving research.

Subsection (b) requires that goals be established that are designed to accomplish the safety strategy and that estimates be developed concerning the funding and staffing resources needed to accomplish the goals. By working toward the measurable goals, the Administration will also be progressing toward the strategic goals.

Subsection (c) requires the submission of the strategy and annual plan with the President's annual budget submission, starting with fiscal year 2001.

Subsection (d) establishes that for each of the fiscal years 2001 through 2003, the following officials shall enter into annual performance agreements between: (1) the Secretary and the Federal Motor Carrier Safety Administrator; (2) the Administrator and the Deputy Federal Motor Carrier Safety Administrator; (3) the Administrator and the Chief Safety Officer of the Federal Motor Carrier Safety Administration; and (4) the Administrator and the regulatory ombudsman designated by the Administrator. Each of these officials shall enter into a performance agreement that contains the appropriate numeric or measurable goals of the Administration's motor carrier safety strategy.

The provision requires that the Secretary assess the progress of the officials toward achieving their respective goals, and that the Secretary convey the assessments to the officials, identifying possible future performance improvements. An official's progress toward meeting the goals of a performance agreement is to be given substantial weight by the Secretary when bonuses or other achievement awards are dispersed consistent with the Department's established performance appraisal system.

Subsection (e) requires that the Secretary and the Administrator of the FMCSA assess the progress of the Administration toward achieving the goals set out in subsection (a) no less frequently than semiannually. The assessment should be conveyed to the employees of the FMCSA, and deficiencies identified. The Secretary is required to report to the Congress the results of the individual and Administration progress assessment annually.

Subsection (f) requires the Administrator of the FMCSA to designate a regulatory ombudsman to expedite rulemakings in order to meet statutory and internal departmental deadlines.

Sec. 105. Commercial motor vehicle safety advisory committee

The provision permits the establishment of a commercial motor vehicle safety advisory committee to provide advice and recommendations on a range of commercial motor vehicle safety issues. Members are appointed by the Secretary and include representatives of industry, drivers, safety advocates, manufacturers, safety enforcement officials, representatives of law enforcement agencies from border States, and other individuals affected by rulemakings. No one interest may constitute a majority. If the Secretary establishes the advisory committee, it should provide advice to the Secretary on commercial motor vehicle safety regulations and other matters relating to activities and functions of the Federal Motor Carrier Safety Administration. The committee will remain in effect until September 30, 2003.

Sec. 106. Savings provision

The savings provision is intended to provide for the orderly transfer of personnel and

property from the Office of Motor Carrier Safety to the FMCSA. The provision is also intended to ensure that legal documents and requirements that had been in effect on the date of the transfer, and proceedings in effect, will continue as if the Act had not been enacted. The savings provision also provides that lawsuits commenced against the Office of Motor Carrier Safety or its employees, in their official function, continue as if this Act had not been enacted. Further the provision assures the authority of officials of the FMCSA to continue the functions and performances that had been previously performed by officials of the Office of Motor Carrier Safety, and deems any reference to the Office of Motor Carrier Safety, or its predecessors, to apply to the FMCSA.

Sec. 107. Effective date

Subsection 107(a) provides that this Act shall take effect on the date of its enactment; except that the amendments made by section 101 which establish the Federal Motor Carrier Safety Administration, shall take effect on January 1, 2000.

Subsection (b) requires that the President's budget submission for fiscal year 2001 and each fiscal year thereafter reflect the establishment of the Federal Motor Carrier Safety Administration in accordance with this Act.

TITLE II—COMMERCIAL MOTOR VEHICLE AND DRIVER SAFETY

Sec. 201. Disqualifications

Subsection 201(a) amends section 31310 of title 49, United States Code, to make a single violation of driving a commercial motor vehicle with a revoked, suspended, or canceled commercial driver's license, or driving while disqualified, a one-year disqualifying offense, and to make a conviction for causing a fatality through the negligent or criminal operation of a commercial motor vehicle a one-year disqualifying offense. This subsection also makes the commission of more than one violation of driving a commercial motor vehicle with a revoked, suspended, or canceled commercial driver's license, or driving while disqualified, a lifetime disqualifying offense, and to make a conviction of more than one offense of causing a fatality through the negligent or criminal operation of a commercial motor vehicle a lifetime disqualifying offense.

Subsection (b) amends section 31310 to give the Secretary emergency disqualification authority to revoke the commercial driving privileges of an individual upon a determination by the Secretary that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard. The Secretary can disqualify an individual under this provision for no more than 30 days without providing notice and an opportunity for a hearing.

Subsection (b) also amends section 31310 to require the Secretary to issue regulations establishing criteria for disqualifying from operating a commercial motor vehicle an individual who holds a commercial driver's license and who has been convicted of a serious offense involving a vehicle other than a commercial motor vehicle (CMV) resulting in the revocation, cancellation, or suspension of the individual's license, or has been convicted of a drug or alcohol-related offense involving a motor vehicle other than a commercial motor vehicle. The behavior of a CDL holder in operating vehicles other than CMV's is relevant to the CDL holder's fitness to operate a commercial motor vehicle; therefore the Secretary is directed to conduct a rulemaking to determine the appropriate minimum time periods for which a CDL holder should be disqualified, but in no case shall the time periods for which CDL

holders are disqualified for such offenses be more stringent than the disqualification periods for offenses involving a commercial motor vehicle.

Subsection (c) amends section 31301 of title 49, United States Code, to add three offenses to the list of serious traffic violations for which a CDL holder can be disqualified under subsection 31310(e). The new offenses are: driving a CMV without obtaining a CDL; driving a CMV without a CDL in your possession; and driving without a required endorsement. But it shall not be a serious traffic violation if a driver cited for operating a CMV without a license in his or her possession can produce proof, before the time to appear or pay the fine for such citation, that he or she did have a valid CDL at the time of the citation.

Subsection (d) makes clarifying amendments to section 31305(b)(1) of title 49, United States Code.

Sec. 202. Requirements for State participation

Subsection 202(a) amends section 31311(a)(6) of title 49, United States Code, to require a State to request, before renewing an individual's CDL, all information about the driving record of such individual from any other State that has issued a driver's license to the individual.

Subsection (b) amends section 31311(a)(8) of such title to require a State, when notifying the Secretary, the operator of CDLIS, and the issuing State of the disqualification, revocation, suspension, or cancellation of a CDL holder's commercial driver's license, to also notify such entities of the underlying violation that resulted in such disqualification, revocation, suspension, or cancellation.

Subsection (c) revises 31311(a)(9) of such title to require a State to notify a CDL holder's home State of any violation of traffic laws committed by the CDL holder, not just violations involving a commercial motor vehicle. The subsection also requires a State to notify any State that has issued a driver's license (non-CDL) to an individual of any violation committed while the individual is operating a CMV.

Subsection (d) amends section 31311(a)(10) of such title to provide that a State may not issue any form of special license or permit, including a provisional or temporary license, to a CDL holder that would permit the CDL holder to drive a CMV during a period in which the CDL holder's license is revoked, suspended, or canceled, or the CDL holder is disqualified from operating a CMV.

Subsection (e) revises 31311(a)(13) of title 49 to provide that a State may establish penalties, with the Secretary's approval, that are consistent with chapter 313, for violations committed by an individual operating a commercial motor vehicle.

Subsection (f) adds a new paragraph 31311(a)(18) to title 49 to require the State to maintain, as part of its driver information system, a record of each violation of motor vehicle traffic control laws committed by a CDL holder, and to make to such record available upon request to the individual driver, the Secretary, employers, prospective employers. State licensing and law enforcement agencies, and their authorized agents.

Subsection (g) adds a new paragraph 31311(a)(19) to title 49 to prohibit both conviction masking and deferral programs by requiring every State to keep a complete driving record of all violations of traffic control laws (including CMV and non-CMV violations) by any individual to whom it has issued a CDL, and to make each such complete driving record available to all authorized persons and governmental entities having access to such record. This provision provides that a State may not allow information regarding such violations to be masked

or withheld in any way from the record of a CDL holder.

Subsection (g) also adds a new paragraph 31311(a)(20) to title 49 to require each State to comply with the requirements of the regulation issued under 31310(g) of such title.

Sec. 203. State noncompliance

Section 203 clarifies the Secretary's authority to shut down a State's CDL program if a State is not substantially complying with Federal CDL requirements. The section permits a CDL holder or applicant to go to another State for licensing or renewal if his/her home state program has been shut down for noncompliance. This provision does not invalidate or otherwise affect commercial driver's licenses issued by a State before the State's CDL program was found to be non-compliant and shut down.

Sec. 204. Checks before issuance of driver's licenses

Section 204 amends section 30304 of title 49, United States Code, to require a State, before issuing or renewing any motor vehicle operator's license to an individual, to query both the National Driver Register (NDR) and the commercial driver's license information system (CDLIS). The intent of this provision is to close a loophole in the CDL program identified in the Department of Transportation's CDL Effectiveness Study, whereby a driver currently holding a valid CDL applies for a non-CDL without revealing or surrendering the CDL. Without a check of both NDR and CDLIS, the fact that the driver already holds a CDL at the time of application for a non-CDL can go undetected, thus defeating the fundamental "one driver, one license" principle behind the CDL program that prevents drivers from spreading multiple convictions over multiple licenses. The provision also amends section 31311(a)(6) to require that before issuing or renewing a commercial driver's license, the State shall request from any other State that has issued a driver's license to the individual all information about the driving record of the individual.

Sec. 205. Registration enforcement

The provision adds new subsection 13902(e) to authorize the Secretary to put a carrier out of service upon finding that the carrier is operating without authority or beyond the scope of its authority. Foreign motor carriers who operate vehicles in the U.S. are not permitted to operate in interstate commerce without evidence of registration in each motor vehicle.

SEC. 206. Delinquent payment of penalties

Subsection (a) amends section 13905(c) of title 49, United States Code, to provide that registration of a carrier, broker, or freight forwarder may be suspended, amended, or revoked for failure to pay civil penalty, or arrange and abide by a payment plan, within 90 days of the time specified by order of the Secretary for the payment of such penalty. This provision does not apply to a person unable to pay assessed penalties because a person is a debtor in a case under chapter 11 of title 11, United States Code.

Subsection (b) amends section 521(b) of title 49, United States Code, to provide that an owner or operator of a commercial motor vehicle who fails to pay an assessed civil penalty or fails to arrange and abide by an acceptable payment plan for such civil penalty, within 90 days of the time specified by order of the Secretary for the payment of such penalty, may not operate in interstate commerce. This provision does not apply to a person unable to pay assessed penalties because the person is a debtor in a case under chapter 11 of title 11, United States Code.

Sec. 207. State cooperation in registration enforcement

The provision amends section 31102(b) of title 49, United States Code, to clarify that State motor carrier plans shall ensure State cooperation in enforcement of registration and financial responsibility requirements in sections 13902, 13906, 31138 and 31139 of such title.

Sec. 208. Imminent hazard

The provision revises the definition of imminent hazard in section 521(b)(5)(B) of title 49, United States Code, to refer to a condition that "substantially increases the likelihood of" serious injury or death.

Sec. 209. Household goods amendments

Subsection 209(a) is a technical amendment to the definition of household goods in section 13102(10)(A) of title 49, United States Code, regarding certain property moving from a store or factory.

Subsection (b) increases the limit for mandatory arbitration under section 14708(b)(6) of such title from \$1,000 to \$5,000.

Subsection (c) requires a General Accounting Office study on the effectiveness of DOT enforcement of household goods consumer protection rules and other potential methods of enforcement, including State enforcement.

Sec. 210. New motor carrier entrant requirements

This provision requires the Secretary to initiate a rulemaking to establish minimum requirements for new motor carriers to ensure applicant carriers are knowledgeable about applicable Federal motor carrier safety standards. It requires motor carrier owners and operators who were granted new operating authority to be reviewed by a safety inspector within eighteen months of commencing operations. The provision requires the Secretary, in establishing the elements of the safety review, to consider the impact on small businesses and to consider establishing alternative locations for conducting such reviews. It also allows the new entrant review requirements to be phased in over time to take into account the availability of certified motor carrier safety auditors and provides for designating new motor carriers as "new entrants" until the required review is completed.

Sec. 211. Certification of safety auditors

The provision requires the Secretary to complete a rulemaking within one year of enactment to improve training and provide for the certification of motor carrier safety auditors, including private contractors, to conduct safety inspection audits. The provision prohibits private contractors from issuing safety ratings or operating authority, and authorizes the Secretary to decertify any motor carrier safety auditors.

Sec. 212. Commercial van rulemaking

This provision requires the Secretary to complete in one year an on-going rulemaking, Docket No. FHWA-99-5710, to determine which small passenger vans should be covered by Federal motor carrier safety regulations. At a minimum, the rulemaking shall apply safety regulations to commercial vans referred to as "camionetas"—carriers providing international transportation between points in Mexico and points in the United States—and to commercial vans operating in interstate commerce outside commercial zones that have been determined to pose serious safety risks. In no case should the rulemaking be concluded to exempt all small commercial passenger carrying vans.

The managers note there have been a number of fatal accidents involving small passenger vans known as camionetas particularly in the Southern border States. In an effort to address this safety problem, the Con-

gress has acted on two separate occasions directing the Secretary to apply Federal motor carrier safety regulations to these passenger vans. First, the definition of passenger vans was amended as part of the ICC Termination Act of 1995 with the intent of applying safety regulations to these carriers. However, the Department took no action based on this statutory requirement. Due to the lack of action by the Department to regulate these vehicles, the Congress again directed the Department to apply certain motor carrier safety regulations to those vans in the Transportation Equity Act for the 21st Century (TEA 21). The TEA 21 provision required that all commercial vans carrying more than 8 passengers to be covered by most Federal motor carrier safety rules by June 1999, except to the extent DOT exempted operations as it determined appropriate through rulemaking. The Department took no action to even initiate the statutory rulemaking by the June deadline. On September 3, 1999, the Department finally issued a rule but it actually exempted the entire class of vehicles from regulation until further notice. The managers find the Department's blatant misinterpretation of the statute unacceptable. Therefore, a provision has been included in this bill directing the Secretary to finally address this identified safety problem.

Sec. 213. 24-hour staffing of telephone hotline

The provision amends section 4017 of TEA 21 to require that the Department's toll-free telephone hotline for reporting safety violations be staffed 24 hours a day, 7 days a week, by individuals knowledgeable about Federal motor carrier safety regulations and procedures. This section also increases the funding authorization for the hotline to the level of the Department of Transportation's estimate of the cost of 24-hour coverage.

Sec. 214. CDL school bus endorsement

The provision requires the Secretary to conduct a rulemaking to establish a special CDL endorsement for drivers of school buses. The section requires, at a minimum, that the endorsement (1) include a driving skills test in a school bus, and (2) address proper safety procedures for loading and unloading children, using emergency exits, and traversing highway grade crossings.

Sec. 215. Medical certificate

The provision requires the Secretary to initiate a rulemaking to provide for the Federal medical qualification certificate to be made part of the commercial drivers' license.

Sec. 216. Implementation of inspector general recommendations

The provision requires the Secretary to implement all the DOT Inspector General's motor carrier safety improvement recommendations contained in the IG's April 1999 report assessing the effectiveness of DOT's motor carrier safety program, except to the extent to which such recommendations are specifically addressed in sections 206, 208, 217, and 222 of this Act. These recommendations, found on pages 17, 18, 26, and 27 of the IG report, are as follows:

Recommendations to Improve the Effectiveness of Motor Carrier Safety Enforcement:

1. Strengthen its enforcement policy by establishing written policy and operating procedures to take strong action against motor carriers with repeat violations of the same acute or critical regulation. Strong enforcement actions would include assessing fines at the statutory maximum amount, the issuance of compliance orders, not negotiating reduced assessments, and when necessary, placing motor carriers out of service.
2. Remove all administrative restrictions on fines placed in the Uniform Fine Assessment program and increase the maximum fines to the level authorized by TEA-21.

3. Establish stiffer fines that cannot be considered a cost of doing business and, if necessary, seek appropriate legislation raising statutory penalty ceilings.

4. Implement a procedure that removes the operating authority from motor carriers that fail to pay civil penalties within 90 days after final orders are issued or settlement agreements are completed.

5. Establish criteria for determining when a motor carrier poses an imminent hazard.

6. Require follow-up visit and monitoring of those motor carriers with a less-than-satisfactory safety rating, at varying intervals, to ensure that safety improvements are sustained, or if safety has deteriorated that appropriate sanctions are invoked.

7. Establish a control mechanism that requires written justification by the OMC State Director when compliance reviews of high-risk carriers are not performed.

8. Establish a written policy and operating procedures that identify criteria and time frames for closing enforcement cases, including the current backlog.

Recommendations for Data Enhancement:

1. Require applicants requesting operating authority to provide the number of commercial vehicles they operate and the number of drivers they employ and require all motor carriers to periodically update this information.

2. Revise the grant formula and provide incentives through MSCAP grants for states to provide accurate, complete and timely commercial vehicle crash reports, vehicle and driver inspection reports and traffic violation data.

3. Withhold funds from MCSAP grants for those States that continue to report inaccurate incomplete and untimely commercial vehicle crash data, vehicle and driver inspection data and traffic violation data within a reasonable notification period such as one year.

4. Initiate a program to train local enforcement agencies for reporting of crash, roadside inspection data including associated traffic violations.

5. Standardize OMC and NHTSA crash data requirements, crash data collection procedures, and reports.

6. Obtain and analyze crash causes and fault data as a result of comprehensive crash evaluations to identify safety improvements.

The provision requires that every 90 days, beginning 90 days after enactment, the Secretary provide status reports on the implementation of recommendations. The IG would also be directed to provide the Committees with assessments of the Secretary's progress. The IG report shall include an analysis of the number of violations cited by safety inspectors, the level of fines assessed and collected for such violations, the number of cases in which there are findings of extraordinary circumstances under section 222(c) of this Act, and the circumstances in which such findings are made.

Sec. 217. Periodic refiling of motor carrier, identification reports

The provision requires periodic updating, but not more frequently than once every two years, of the Motor Carrier Identification Report, Form MCS-150, filed by each motor carrier conducting operations in interstate or foreign commerce. An initial updating of the information is required within 12 months from enactment of the Act.

Sec. 218. Border staffing standards

Subsection 218(a) requires the Secretary to develop and implement appropriate staffing standards for Federal and State motor carrier safety inspectors in international border areas.

Subsection (b) lists the factors to be considered in developing the staffing standards.

These include the volume of traffic, hours of operation of the border facilities, types of commercial motor vehicles (including passenger vehicles) and cargo in the border areas, and the responsibilities of Federal and State inspectors.

Subsection (c) prohibits the United States and any State from reducing its respective level of motor carrier safety inspectors in an international border area below the level of such inspectors in fiscal year 2000.

Subsection (d) provides that if, by October 1, 2001, and each fiscal year thereafter, the Secretary has not ensured that appropriate levels of staffing consistent with the staffing standards are deployed in international border areas, the Secretary should allocate five percent of motor carrier safety assistance program funds for border commercial motor vehicle and safety enforcement programs.

Sec. 219. Foreign motor carrier penalties and disqualifications

Subsection 219(a) provides for civil penalties and disqualifications for foreign motor carriers that operate, before implementation of the land transportation provisions of NAFTA, without authority outside of a commercial zone.

Subsection (b) provides that the civil penalty for an intentional violation shall not be more than \$10,000 and may include disqualification from operating in U.S. for not more than 6 months.

Subsection (c) provides that the civil penalty for a pattern of intentional violations shall not be more than \$25,000; the carrier shall be disqualified from operating in the U.S., and that such disqualification may be permanent.

Subsection (d) prohibits any foreign motor carrier from leasing its motor vehicles to any other carrier to transport property in the U.S. during any period in which a suspension, condition, restriction, or limitation imposed under 49 U.S.C. 13902(c) applies to the foreign carrier.

Subsection (e) provides that no provision may be enforced if inconsistent with international agreements.

Subsection (f) provides that acts committed without knowledge of the carrier or committed unintentionally are not grounds for penalty or disqualification.

Sec. 220. Traffic law initiative

The provision permits the Secretary to carry out a program with one or more States to develop innovative methods of improving motor carrier traffic law compliance, including the use of photography and other imaging technologies.

Sec. 221. State-to-State notification of violations data

The provision requires the Secretary to develop a uniform system to support the electronic transmission of data State-to-State on violations of all motor vehicle traffic control laws by individuals possessing a commercial driver's license.

Sec. 222. Minimum and maximum assessments

Subsection 222(a) directs the Secretary to ensure that motor carriers operate safely by imposing civil penalties at a level calculated to ensure prompt and sustained compliance with Federal motor carrier safety and commercial driver's license (CDL) laws.

Subsection (b) recommends the Secretary establish and assess minimum civil penalties for Federal motor carrier safety and CDL violations and requires the Secretary to assess the maximum civil penalty for repeat offenders or a pattern of violations.

Subsection (c) recognizes that extraordinary circumstances do arise that merit the assessment of civil penalties at a level lower than any level established under subsection (b) of this section. If the Secretary assesses

such lower penalties, the Secretary must document the justification for them.

Subsection (d) requires the Secretary to conduct and submit to Congress a study of the effectiveness of revised civil penalties established in TEA 21 and this Act in ensuring compliance with Federal motor carrier safety and commercial driver's license laws.

Sec. 223. Motor carrier safety progress report

The provision directs the Secretary to submit a status report on the Department's progress in achieving its goal of reducing motor carrier fatalities by 50 percent by 2009.

Sec. 224. Study of commercial motor vehicle crash causation

Subsection (a) requires the Secretary to conduct a comprehensive study to determine the causes of, and contributing factors to, crashes involving commercial motor vehicles, including vehicles defined in section 31132(1)(B) of title 49, United States Code, and to identify the data requirements needed to improve the Department's and the States' ability to evaluate crashes and crash trends, identify crash causes and contributing factors, and develop safety measures to reduce such crashes.

Subsection (b) addresses the design of the study, requiring that it yield information to help the Department and the States identify activities likely to lead to significant reductions in commercial motor vehicle-involved crashes including crashes by commercial vans.

Subsection (c) lists the areas of expertise of the people with whom the Secretary is required to consult in conducting the study.

Subsection (d) requires the Secretary to provide for public comment on various aspects of the study.

Subsection (e) requires the Secretary to submit the results of the study to Congress, review the study at least once every five years, and update the study and report as necessary.

Subsection (f) provides \$5 million in contract authority to carry out this section.

Sec. 225. Data collection and analysis

This provision directs the Secretary to carry out a program to improve the collection and analysis of data on commercial motor vehicle crashes, including crash causation. NHTSA, in cooperation with the new Federal Motor Carrier Safety Administration, is required to administer the program. It requires NHTSA to integrate driver citation and conviction information and provides \$5 million from the FMCSA's administrative takedown to fund this program. This section also provides \$5 million in contract authority for information systems under 49 U.S.C. 31106.

Sec. 226. Drug test results study

Subsection 226(a) directs the Secretary to conduct a study on the feasibility and merits of having medical review officers or employers report positive drug tests of CDL holders to the State that issued the CDL and requiring all prospective employers, before hiring any driver, to query the State that issued the driver's CDL on whether the State has on record any verified positive controlled substances test on such driver.

Subsection (b) lists factor to be considered in the study. They are: safeguarding confidentiality of test results; costs, benefits and safety impacts; and whether a process should be established to allow drivers to correct errors and expunge information from their records after a reasonable time.

Subsection (c) requires the Secretary to issue a report to Congress on the study within two years.

Sec. 227. Approval of agreements

Section 227 amends section 13703 of title 49, United States Code, by adding a new require-

ment to require the Surface Transportation Board to review every five years any agreement for any activities approved under section 13703. The provision also provides for the continuation of any pending cases before the Board, but prohibits certain nationwide agreements.

Sec. 228. DOT authority

This section clarifies Congressional intent with respect to the criminal investigative authority of the Department of Transportation Inspector General (IG).

When the Office of Motor Carrier Safety finds evidence of egregious criminal violations of motor carrier safety regulations through their regulatory compliance efforts, it refers these cases to the IG's Office of Investigations. Recently, a U.S. District Court concluded that an investigation undertaken by the IG exceeded its jurisdiction, see *In the Matter of the Search of Northland Trucking Inc.* (D.C. Arizona), finding that the motor carrier involved was not a grantee or contractor of the Department, nor was there evidence of collusion with DOT employees. This narrow construction of the IG's authority is not well grounded in law, and the managers are concerned about the adverse impacts the Order could have on IG operations. This provision, therefore, clarifies Congressional intent with respect to the authority of the IG, reaffirming the IG's ability and authority to continue to conduct criminal investigations of parties subject to DOT laws or regulations, whether or not such parties receive Federal funds from the Department.

Mr. COSTELLO. Mr. Speaker, I rise today in support of H.R. 3419, which incorporates H.R. 2679, the Motor Carrier Safety Act. I am specially pleased to see that this bill includes provisions for Foreign Motor Carrier penalties and disqualifications.

Mexican-domiciled trucks are operating improperly in the United States and violate U.S. statutes by either not obtaining operating authority or operating beyond the scope of their authority. About 98% of these trucks are limited to operating within the commercial zones along the four southern border states, but Mexican trucks have been found as far away as Washington, New York and my home state of Illinois.

Mr. Speaker, in FY98, there were almost 24,000 safety inspections performed on drivers and/or vehicles of Mexico domiciled trucks. Forty one percent of these trucks failed to meet U.S. safety requirements, and were placed out of service for safety violations. Clearly, it is imperative that we keep these unsafe trucks off our highways.

Current law provides for only a \$500 fine for those trucks operating where they are not suppose to. This bill will increase penalties for those trucks that operate without authority, raising the fines to a \$10,000 fine and six month suspension maximum for the first offense and a \$25,000 fine and possibly permanent suspension for subsequent offenses, a measure I strongly support.

I believe that this will minimize the number of unsafe trucks on our highways, ensuring safer roads for everybody. By moving the Office of Motor Carriers from the Federal Highway Administration, it is my hope that the Office will have the power to enforce compliance to this legislation.

I urge my colleague to join me in supporting this bill.

Mr. WOLF. Mr. Speaker, I rise in support of the bill offered by the gentleman from Pennsylvania. The Motor Carrier Safety Improvement Act of 1999 forms a new motor carrier

safety administration that is charged with improving motor carrier safety from its current deplorable state. This bill also includes a number of needed changes to the commercial drivers license program and motor carrier operations along our southern border. This is a good beginning.

For the past year, the House Appropriations Committee, and the Transportation and Infrastructure Committee, have been reviewing a variety of truck safety issues. What we found was appalling. The Office of Motor Carriers, which until recently has been housed within the Federal Highway Administration, has allowed motor carrier safety to decline dramatically. Last year 5,374 people died in truck related accidents. The year before that, 5,398 people died—a decade high. During this same period, safety reviews on trucking companies dropped from 5 per month to one per month, and civil penalties declined to \$1,600. Because of this, and other problems, the Department of Transportation Inspector General, the chairman of the National Transportation Safety Board, trucking representatives, the law enforcement community, and safety advocates all agree that the Office of Motor Carriers has been ineffective in reducing trucking accidents and fatalities.

The bill before you will address many of the problems found by Congress and these groups. It will strengthen truck safety activities both at the federal and at the state levels. As noted, it creates a new safety administration, which as its name implies, will be focused on safety. It is critical Mr. Speaker, that the Secretary appoint a good and decent person to the position of administrator, who will focus on safety first, making it their daily goal to reduce the number of truck related fatalities on our nation's highways. This person should not only be knowledgeable in the area of truck safety but be free of any conflicts of interest.

Finally, Mr. Speaker, I'd like to express my appreciation, and that of the nation, to the gentleman from Pennsylvania for moving this bill. Because of his efforts, along with those of the gentlemen from Wisconsin, Minnesota and West Virginia, thousands of families across the country will be spared that terrible phone call informing them that a relative has been involved in an accident. I want the world to know Mr. Speaker, that because of Mr. SHUSTER's leadership on this issue, America's highways will be safer. He deserves our thanks.

Mr. MENENDEZ. Mr. Speaker, this bill makes our roads for drivers, passengers, and pedestrians. For too long, the Department of Transportation has neglected commercial passenger van safety. When the Transportation Equity Act for the 21st Century passed, I thought the DOT would address this issue because that was the intent of Section 4008 in the bill. Unfortunately, the DOT did not meet this intent since they chose to delay the application of Federal Motor Carrier Safety regulations to for-profit commercial passenger vans.

I am pleased that this bill forces the Department of Transportation to complete its rulemaking and not exempt all for-profit commercial passenger van operators from the final rule when it is issued.

Another problem we have and that the bill addresses is the lack of data and information on the causes of and contributing factors to crashes involving commercial motor vehicles, specifically for-profit commercial passenger

vans, regardless of where they originate. We have provided the DOT with the resources and guidance to complete a comprehensive study on this issue. It is my hope that this national study will give special attention to metropolitan areas like northern New Jersey.

I want to thank the Chairman, Mr. SHUSTER, and the Ranking Member, Mr. OBERSTAR, on these two important provisions which will lead to safer travel for all those who use our roads.

Mr. PETRI. Mr. Speaker, H.R. 3419—the Motor Carrier Safety Improvement Act of 1999—is a comprehensive bill that will improve truck and bus safety by strengthening Federal and State safety programs.

The bill creates a new Federal Motor Carrier Safety Administration within the U.S. Department of Transportation (DOT) on January 1, 2000; increases funding from the Highway Trust Fund for Federal and State safety efforts; and, closes loopholes in the Commercial Driver's License (CDL) program.

For example, the bill gives the Secretary emergency authority to revoke the license of a truck or bus driver found to constitute an imminent hazard.

The Federal Motor Carrier Safety Administration is given increased funding for safety to allow for growth in the number of safety inspectors and in safety research.

The bill guarantees \$195 million over the next three years from the Highway Trust Fund for motor carrier safety grants. These grants fund State safety enforcement efforts. The bill also contains a number of programmatic reforms, including the closing of loopholes in the Commercial Driver's License, setting standards for fines, and improving border safety efforts.

I am submitting a Joint Explanatory Statement on the bill that explains the provisions of the bill in more detail.

It is critical that Congress enact this legislation before the end of the session since trucking safety functions of the Department are temporarily housed in the Office of the Secretary.

If we don't pass this legislation, I am afraid that this organizational limbo will continue.

The bill is very similar to the bill that passed the House earlier this year by a vote of 415 to 5, which had bipartisan support in Committee.

This is an important bill, that truly will improve highway safety. I urge passage of this legislation.

Mr. OBERSTAR. Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

The Clerk read the Senate bill, as follows:

H.R. 3419

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE; TABLE OF CONTENTS.

(a) SHORT TITLE.—This Act may be cited as the "Motor Carrier Safety Improvement Act of 1999".

(b) TABLE OF CONTENTS.—

- Sec. 1. Short title; table of contents.
- Sec. 2. Secretary defined.
- Sec. 3. Findings.
- Sec. 4. Purposes.

TITLE I—FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION

Sec. 101. Establishment of Federal Motor Carrier Safety Administration.

- Sec. 102. Revenue aligned budget authority.
- Sec. 103. Additional funding for motor carrier safety grant program.
- Sec. 104. Motor carrier safety strategy.
- Sec. 105. Commercial motor vehicle safety advisory committee.
- Sec. 106. Saving provisions.
- Sec. 107. Effective date.

TITLE II—COMMERCIAL MOTOR VEHICLE AND DRIVER SAFETY

- Sec. 201. Disqualifications.
- Sec. 202. Requirements for State participation.
- Sec. 203. State noncompliance.
- Sec. 204. Checks before issuance of driver's licenses.
- Sec. 205. Registration enforcement.
- Sec. 206. Delinquent payment of penalties.
- Sec. 207. State cooperation in registration enforcement.
- Sec. 208. Imminent hazard.
- Sec. 209. Household goods amendments.
- Sec. 210. New motor carrier entrant requirements.

SEC. 2. SECRETARY DEFINED.

In this Act, the term "Secretary" means the Secretary of Transportation.

SEC. 3. FINDINGS.

Congress makes the following findings:

(1) The current rate, number, and severity of crashes involving motor carriers in the United States are unacceptable.

(2) The number of Federal and State commercial motor vehicle and operator inspections is insufficient and civil penalties for violators must be utilized to deter future violations.

(3) The Department of Transportation is failing to meet statutorily mandated deadlines for completing rulemaking proceedings on motor carrier safety and, in some significant safety rulemaking proceedings, including driver hours-of-service regulations, extensive periods have elapsed without progress toward resolution or implementation.

(4) Too few motor carriers undergo compliance reviews and the Department's data bases and information systems require substantial improvement to enhance the Department's ability to target inspection and enforcement resources toward the most serious safety problems and to improve States' ability to keep dangerous drivers off the roads.

(5) Additional safety inspectors and inspection facilities are needed in international border areas to ensure that commercial motor vehicles, drivers, and carriers comply with United States safety standards.

(6) The Department should rigorously avoid conflicts of interest in Federally funded research.

(7) Meaningful measures to improve safety must be implemented expeditiously to prevent increases in motor carrier crashes, injuries, and fatalities.

(8) Proper use of Federal resources is essential to the Department's ability to improve its research, rulemaking, oversight, and enforcement activities related to commercial motor vehicles, operators, and carriers.

SEC. 4. PURPOSES.

The purposes of this Act are—

(1) to improve the administration of the Federal motor carrier safety program and to establish a Federal Motor Carrier Safety Administration in the Department of Transportation; and

(2) to reduce the number and severity of large-truck involved crashes through more commercial motor vehicle and operator inspections and motor carrier compliance reviews, stronger enforcement measures against violators, expedited completion of rulemaking proceedings, scientifically sound research, and effective commercial driver's license testing, recordkeeping and sanctions.

TITLE I—FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION

SEC. 101. ESTABLISHMENT OF FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION.

(a) IN GENERAL.—Chapter 1 of title 49, United States Code, is amended by adding at the end the following:

“§ 113. Federal Motor Carrier Safety Administration

“(a) IN GENERAL.—The Federal Motor Carrier Safety Administration shall be an administration of the Department of Transportation.

“(b) SAFETY AS HIGHEST PRIORITY.—In carrying out its duties, the Administration shall consider the assignment and maintenance of safety as the highest priority, recognizing the clear intent, encouragement, and dedication of Congress to the furtherance of the highest degree of safety in motor carrier transportation.

“(c) ADMINISTRATOR.—The head of the Administration shall be the Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and shall be an individual with professional experience in motor carrier safety. The Administrator shall report directly to the Secretary of Transportation.

“(d) DEPUTY ADMINISTRATOR.—The Administration shall have a Deputy Administrator appointed by the Secretary, with the approval of the President. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

“(e) CHIEF SAFETY OFFICER.—The Administration shall have an Assistant Federal Motor Carrier Safety Administrator appointed in the competitive service by the Secretary, with the approval of the President. The Assistant Administrator shall be the Chief Safety Officer of the Administration. The Assistant Administrator shall carry out the duties and powers prescribed by the Administrator.

“(f) POWERS AND DUTIES.—The Administrator shall carry out—

“(1) duties and powers related to motor carriers or motor carrier safety vested in the Secretary by chapters 5, 51, 55, 57, 59, 133 through 149, 311, 313, 315, and 317 and by section 18 of the Noise Control Act of 1972 (42 U.S.C. 4917; 86 Stat. 1249–1250); except as otherwise delegated by the Secretary to any agency of the Department of Transportation other than the Federal Highway Administration, as of October 8, 1999; and

“(2) additional duties and powers prescribed by the Secretary.

“(g) LIMITATION ON TRANSFER OF POWERS AND DUTIES.—A duty or power specified in

subsection (f)(1) may only be transferred to another part of the Department when specifically provided by law.

“(h) EFFECT OF CERTAIN DECISIONS.—A decision of the Administrator involving a duty or power specified in subsection (f)(1) and involving notice and hearing required by law is administratively final.

“(i) CONSULTATION.—The Administrator shall consult with the Federal Highway Administrator and with the National Highway Traffic Safety Administrator on matters related to highway and motor carrier safety.”.

(b) ADMINISTRATIVE EXPENSES.—Section 104(a)(1) of title 23, United States Code, is amended—

(1) in paragraph (1) by redesignating subparagraphs (A) and (B) as clauses (i) and (ii), respectively, and by moving the text of such clauses 2 ems to the right;

(2) in paragraph (1) by striking “exceed 1½ percent of all sums so made available, as the Secretary determines necessary—” and inserting “exceed—

“(A) 1½ percent of all sums so made available, as the Secretary determines necessary—”;

(3) by striking the period at the end of paragraph (1)(A)(ii) (as redesignated by paragraphs (1) and (2) of this subsection) and inserting “; and” and the following:

“(B) ½ of 1 percent of all sums so made available, as the Secretary determines necessary, to administer the provisions of law to be financed from appropriations for motor carrier safety programs and motor carrier safety research.”; and—

(4) by adding at the end the following:

“(4) LIMITATION ON TRANSFERABILITY.—Unless expressly authorized by law, the Secretary may not transfer any sums deducted under paragraph (1) to a Federal agency or entity other than the Federal Highway Administration and the Federal Motor Carrier Safety Administration.”.

(c) CONFORMING AMENDMENTS.—

(1) CHAPTER ANALYSIS.—The analysis for chapter 1 of title 49, United States Code, is amended by adding at the end the following:

“113. Federal Motor Carrier Safety Administration.”.

(2) FEDERAL HIGHWAY ADMINISTRATION.—Section 104 of title 49, United States Code, is amended—

(A) in subsection (c)—

(i) by striking the semicolon at the end of paragraph (1) and inserting “; and”;

(ii) by striking paragraph (2); and

(iii) by redesignating paragraph (3) as paragraph (2);

(B) by striking subsection (d); and

(C) by redesignating subsection (e) as subsection (d).

(d) POSITIONS IN EXECUTIVE SERVICE.—

(1) ADMINISTRATOR.—Section 5314 of title 5, United States Code, is amended by inserting after

“Administrator of the National Highway Traffic Safety Administration.” the following:

“Administrator of the Federal Motor Carrier Safety Administration.”.

(2) DEPUTY AND ASSISTANT ADMINISTRATORS.—Section 5316 of title 5, United States Code, is amended by inserting after

“Deputy Administrator of the National Highway Traffic Safety Administration.” the following:

“Deputy Administrator of the Federal Motor Carrier Safety Administration.”.

“Assistant Federal Motor Carrier Safety Administrator.”.

(e) PERSONNEL LEVELS.—The number of personnel positions at the Office of Motor Carrier Safety (and, beginning on January 1, 2000, the Federal Motor Carrier Safety Administration) at its headquarters location in

fiscal year 2000 shall not be increased above the level transferred from the Federal Highway Administration to the Office of Motor Carrier Safety. The Secretary shall provide detailed justifications to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives for the personnel requested for fiscal years 2001, 2002, and 2003 for the Federal Motor Carrier Safety Administration when the President submits his budget, including a justification for increasing personnel at headquarters above the levels so transferred.

(f) AUTHORITY TO PROMULGATE SAFETY STANDARDS FOR RETROFITTING.—The authority under title 49, United States Code, to promulgate safety standards for commercial motor vehicles and equipment subsequent to initial manufacture is vested in the Secretary and may be delegated.

(g) CONFLICTS OF INTEREST.—

(1) COMPLIANCE WITH REGULATION.—In awarding any contract for research, the Secretary shall comply with section 1252.209-70 of title 48, Code of Federal Regulations, as in effect on the date of enactment of this section. The Secretary shall require that the text of such section be included in any request for proposal and contract for research made by the Secretary.

(2) STUDY.—

(A) IN GENERAL.—The Secretary shall conduct a study to determine whether or not compliance with the section referred to in paragraph (1) is sufficient to avoid conflicts of interest in contracts for research awarded by the Secretary and to evaluate whether or not compliance with such section unreasonably delays or burdens the awarding of such contracts.

(B) CONSULTATION.—In conducting the study under this paragraph, the Secretary shall consult, as appropriate, with the Inspector General of the Department of Transportation, the Comptroller General, the heads of other Federal agencies, research organizations, industry representatives, employee organizations, safety organizations, and other entities.

(C) REPORT.—Not later than 18 months after the date of the enactment of this Act, the Secretary shall transmit the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the results of the study conducted under this paragraph.

SEC. 102. REVENUE ALIGNED BUDGET AUTHORITY.

(a) IN GENERAL.—Chapter 1 of title 23, United States Code, is amended—

(1) by redesignating the first section 110, relating to uniform transferability of Federal-aid highway funds, as section 126 and moving and inserting such section after section 125 of such chapter; and

(2) in the remaining section 110, relating to revenue aligned budget authority—

(A) in subsection (a)(2) by inserting “and the motor carrier safety grant program” after “relief”; and

(B) in subsection (b)(1)(A)—

(i) by inserting “and the motor carrier safety grant program” after “program”;

(ii) by striking “title and” and inserting “title.”; and

(iii) by inserting “, and subchapter I of chapter 311 of title 49” after “21st Century”.

(b) CONFORMING AMENDMENT.—The analysis for such chapter is amended—

(1) by striking

“110. Uniform transferability of Federal-aid highway funds.”;

(2) by inserting after the item relating to section 125 the following:

"126. Uniform transferability of Federal-aid highway funds.";

and

(3) in the item relating to section 163 by striking "Sec.".

SEC. 103. ADDITIONAL FUNDING FOR MOTOR CARRIER SAFETY GRANT PROGRAM.

(a) IN GENERAL.—There are authorized to be appropriated out of the Highway Trust Fund (other than the Mass Transit Account) for the Secretary of Transportation to carry out section 31102 of title 49, United States Code, \$75,000,000 for each of fiscal years 2001 through 2003.

(b) INCREASED AUTHORIZATIONS FOR MOTOR CARRIER SAFETY GRANTS.—

(1) IN GENERAL.—Section 4003 of the Transportation Equity Act for the 21st Century (112 Stat. 395-398) is amended by adding at the end the following:

"(i) INCREASED AUTHORIZATIONS FOR MOTOR CARRIER SAFETY GRANTS.—The amount made available to incur obligations to carry out section 31102 of title 49, United States Code, by section 31104(a) of such title for each of fiscal years 2001 through 2003 shall be increased by \$65,000,000."

(2) CORRESPONDING REDUCTION TO OBLIGATION CEILING.—Section 1102 of such Act (23 U.S.C. 104 note; 112 Stat. 1115-1118) is amended by adding at the end the following:

"(j) REDUCTION IN OBLIGATION CEILING.—The limitation on obligations imposed by subsection (a) for each of fiscal years 2001 through 2003 shall be reduced by \$65,000,000."

(c) MAINTENANCE OF EFFORT.—The Secretary may not make, from funds made available by or under this section (including any amendment made by this section), a grant to a State unless the State first enters into a binding agreement with the Secretary that provides that the total expenditures of amounts of the State and its political subdivisions (not including amounts of the United States) for the development or implementation of programs for improving motor carrier safety and enforcement of regulations, standards, and orders of the United States on commercial motor vehicle safety, hazardous materials transportation safety, and compatible State regulations, standards, and orders will be maintained at a level at least equal to the average level of such expenditures for fiscal years 1997, 1998, and 1999.

(d) EMERGENCY CDL GRANTS.—Section 31107 of title 49, United States Code, is amended by adding at the end the following:

"(c) EMERGENCY CDL GRANTS.—From amounts made available by subsection (a) for a fiscal year, the Secretary of Transportation may make a grant of up to \$1,000,000 to a State whose commercial driver's license program may fail to meet the compliance requirements of section 31311(a)."

(e) STATE COMPLIANCE WITH CDL REQUIREMENTS.—

(1) WITHHOLDING OF ALLOCATION FOR NON-COMPLIANCE.—If a State is not in substantial compliance with each requirement of section 31311 of title 49, United States Code, the Secretary shall withhold all amounts that would be allocated, but for this paragraph, to the State from funds made available by or under this section (including any amendment made by this section).

(2) PERIOD OF AVAILABILITY OF WITHHELD FUNDS.—Any funds withheld under paragraph (1) from any State shall remain available until June 30 of the fiscal year for which the funds are authorized to be appropriated.

(3) ALLOCATION OF WITHHELD FUNDS AFTER COMPLIANCE.—If, before the last day of the period for which funds are withheld under paragraph (1) from allocation are to remain available for allocation to a State under paragraph (2), the Secretary determines that the State is in substantial compliance with each requirement of section 31311 of title 49,

the Secretary shall allocate to the State the withheld funds.

(4) PERIOD OF AVAILABILITY OF SUBSEQUENTLY ALLOCATED FUNDS.—Any funds allocated pursuant to paragraph (3) shall remain available for expenditure until the last day of the first fiscal year following the fiscal year in which the funds are so allocated. Sums not expended at the end of such period are released to the Secretary for reallocation.

(5) EFFECT OF NONCOMPLIANCE.—If, on June 30 of the fiscal year in which funds are withheld from allocation under paragraph (1), the State is not substantially complying with each requirement of section 31311 of title 49, United States Code, the funds are released to the Secretary for reallocation.

SEC. 104. MOTOR CARRIER SAFETY STRATEGY.

(a) SAFETY GOALS.—In conjunction with existing federally required strategic planning efforts, the Secretary shall develop a long-term strategy for improving commercial motor vehicle, operator, and carrier safety. The strategy shall include an annual plan and schedule for achieving, at a minimum, the following goals:

(1) Reducing the number and rates of crashes, injuries, and fatalities involving commercial motor vehicles.

(2) Improving the consistency and effectiveness of commercial motor vehicle, operator, and carrier enforcement and compliance programs.

(3) Identifying and targeting enforcement efforts at high-risk commercial motor vehicles, operators, and carriers.

(4) Improving research efforts to enhance and promote commercial motor vehicle, operator, and carrier safety and performance.

(b) CONTENTS OF STRATEGY.—

(1) MEASURABLE GOALS.—The strategy and annual plans under subsection (a) shall include, at a minimum, specific numeric or measurable goals designed to achieve the strategic goals of subsection (a). The purposes of the numeric or measurable goals are as follows:

(A) To increase the number of inspections and compliance reviews to ensure that all high-risk commercial motor vehicles, operators, and carriers are examined.

(B) To eliminate, with meaningful safety measures, the backlog of rulemakings.

(C) To improve the quality and effectiveness of data bases by ensuring that all States and inspectors accurately and promptly report complete safety information.

(D) To eliminate, with meaningful civil and criminal penalties for violations, the backlog of enforcement cases.

(E) To provide for a sufficient number of Federal and State safety inspectors, and provide adequate facilities and equipment, at international border areas.

(2) RESOURCE NEEDS.—In addition, the strategy and annual plans shall include estimates of the funds and staff resources needed to accomplish each activity. Such estimates shall also include the staff skills and training needed for timely and effective accomplishment of each goal.

(3) SAVINGS CLAUSE.—In developing and assessing progress toward meeting the measurable goals set forth in this subsection, the Secretary and the Federal Motor Carrier Safety Administrator shall not take any action that would impinge on the due process rights of motor carriers and drivers.

(c) SUBMISSION WITH THE PRESIDENT'S BUDGET.—Beginning with fiscal year 2001 and each fiscal year thereafter, the Secretary shall submit to Congress the strategy and annual plan at the same time as the President's budget submission.

(d) ANNUAL PERFORMANCE.—

(1) ANNUAL PERFORMANCE AGREEMENT.—For each of fiscal years 2001 through 2003, the fol-

lowing officials shall enter into annual performance agreements:

(A) The Secretary and the Federal Motor Carrier Safety Administrator.

(B) The Administrator and the Deputy Federal Motor Carrier Safety Administrator.

(C) The Administrator and the Chief Safety Officer of the Federal Motor Carrier Safety Administration.

(D) The Administrator and the regulatory ombudsman of the Administration designated by the Administrator under subsection (f).

(2) GOALS.—Each annual performance agreement entered into under paragraph (1) shall include the appropriate numeric or measurable goals of subsection (b).

(3) PROGRESS ASSESSMENT.—Consistent with the current performance appraisal system of the Department of Transportation, the Secretary shall assess the progress of each official (other than the Secretary) referred to in paragraph (1) toward achieving the goals in his or her performance agreement. The Secretary shall convey the assessment to such official, including identification of any deficiencies that should be remediated before the next progress assessment.

(4) ADMINISTRATION.—In deciding whether or not to award a bonus or other achievement award to an official of the Administration who is a party to a performance agreement required by this subsection, the Secretary shall give substantial weight to whether the official has made satisfactory progress toward meeting the goals of his or her performance agreement.

(e) ACHIEVEMENT OF GOALS.—

(1) PROGRESS ASSESSMENT.—No less frequently than semiannually, the Secretary and the Administrator shall assess the progress of the Administration toward achieving the strategic goals of subsection (a). The Secretary and the Administrator shall convey their assessment to the employees of the Administration and shall identify any deficiencies that should be remediated before the next progress assessment.

(2) REPORT TO CONGRESS.—The Secretary shall report annually to Congress the contents of each performance agreement entered into under subsection (d) and the official's performance relative to the goals of the performance agreement. In addition, the Secretary shall report to Congress on the performance of the Administration relative to the goals of the motor carrier safety strategy and annual plan under subsection (a).

(f) EXPEDITING REGULATORY PROCEEDINGS.—The Administrator shall designate a regulatory ombudsman to expedite rulemaking proceedings. The Secretary and the Administrator shall each delegate to the ombudsman such authority as may be necessary for the ombudsman to expedite rulemaking proceedings of the Administration to comply with statutory and internal departmental deadlines, including authority to—

(1) make decisions to resolve disagreements between officials in the Administration who are participating in a rulemaking process; and

(2) ensure that sufficient staff are assigned to rulemaking projects to meet all deadlines.

SEC. 105. COMMERCIAL MOTOR VEHICLE SAFETY ADVISORY COMMITTEE.

(a) ESTABLISHMENT.—The Secretary may establish a commercial motor vehicle safety advisory committee to provide advice and recommendations on a range of motor carrier safety issues.

(b) COMPOSITION.—The members of the advisory committee shall be appointed by the Secretary and shall include representatives of the motor carrier industry, drivers, safety advocates, manufacturers, safety enforcement officials, law enforcement agencies of border States, and other individuals affected

by rulemakings under consideration by the Department of Transportation. Representatives of a single interest group may not constitute a majority of the members of the advisory committee.

(c) **FUNCTION.**—The advisory committee shall provide advice to the Secretary on commercial motor vehicle safety regulations and other matters relating to activities and functions of the Federal Motor Carrier Safety Administration.

(d) **TERMINATION DATE.**—The advisory committee shall remain in effect until September 30, 2003.

SEC. 106. SAVINGS PROVISION.

(a) **TRANSFER OF ASSETS AND PERSONNEL.**—Except as otherwise provided in this Act and the amendments made by this Act, those personnel, property, and records employed, used, held, available, or to be made available in connection with a function transferred to the Federal Motor Carrier Safety Administration by this Act shall be transferred to the Administration for use in connection with the functions transferred, and unexpended balances of appropriations, allocations, and other funds of the Office of Motor Carrier Safety (including any predecessor entity) shall also be transferred to the Administration.

(b) **LEGAL DOCUMENTS.**—All orders, determinations, rules, regulations, permits, grants, loans, contracts, settlements, agreements, certificates, licenses, and privileges—

(1) that have been issued, made, granted, or allowed to become effective by the Office, any officer or employee of the Office, or any other Government official, or by a court of competent jurisdiction, in the performance of any function that is transferred by this Act or the amendments made by this Act; and

(2) that are in effect on the effective date of such transfer (or become effective after such date pursuant to their terms as in effect on such effective date), shall continue in effect according to their terms until modified, terminated, superseded, set aside, or revoked in accordance with law by the Administration, any other authorized official, a court of competent jurisdiction, or operation of law.

(c) **PROCEEDINGS.**—

(1) **IN GENERAL.**—The provisions of this Act shall not affect any proceedings or any application for any license pending before the Office at the time this Act takes effect, insofar as those functions are transferred by this Act; but such proceedings and applications, to the extent that they relate to functions so transferred, shall be continued. Orders shall be issued in such proceedings, appeals shall be taken therefrom, and payments shall be made pursuant to such orders, as if this Act had not been enacted; and orders issued in any such proceedings shall continue in effect until modified, terminated, superseded, or revoked by a duly authorized official, by a court of competent jurisdiction, or by operation of law.

(2) **STATUTORY CONSTRUCTION.**—Nothing in this subsection shall be deemed to prohibit the discontinuance or modification of any proceeding described in paragraph (1) under the same terms and conditions and to the same extent that such proceeding could have been discontinued or modified if this Act had not been enacted.

(3) **ORDERLY TRANSFER.**—The Secretary is authorized to provide for the orderly transfer of pending proceedings from the Office.

(d) **SUITS.**—

(1) **IN GENERAL.**—This Act shall not affect suits commenced before the date of the enactment of this Act, except as provided in paragraphs (2) and (3). In all such suits, proceeding shall be had, appeals taken, and

judgments rendered in the same manner and with the same effect as if this Act had not been enacted.

(2) **SUITS BY OR AGAINST OMCS.**—Any suit by or against the Office begun before January 1, 2000, shall be continued, insofar as it involves a function retained and transferred under this Act, with the Administration (to the extent the suit involves functions transferred to the Administration under this Act) substituted for the Office.

(3) **REMANDED CASES.**—If the court in a suit described in paragraph (1) remands a case to the Administration, subsequent proceedings related to such case shall proceed in accordance with applicable law and regulations as in effect at the time of such subsequent proceedings.

(e) **CONTINUANCE OF ACTIONS AGAINST OFFICERS.**—No suit, action, or other proceeding commenced by or against any officer in his official capacity as an officer of the Office shall abate by reason of the enactment of this Act. No cause of action by or against the Office, or by or against any officer thereof in his official capacity, shall abate by reason of enactment of this Act.

(f) **EXERCISE OF AUTHORITIES.**—Except as otherwise provided by law, an officer or employee of the Administration may, for purposes of performing a function transferred by this Act or the amendments made by this Act, exercise all authorities under any other provision of law that were available with respect to the performance of that function to the official responsible for the performance of the function immediately before the effective date of the transfer of the function under this Act or the amendments made by this Act.

(g) **REFERENCES.**—Any reference to the Office in any Federal law, Executive order, rule, regulation, or delegation of authority, or any document of or pertaining to the Office or an officer or employee of the Office is deemed to refer to the Administration or a member or employee of the Administration, as appropriate.

SEC. 107. EFFECTIVE DATE.

(a) **IN GENERAL.**—This Act shall take effect on the date of enactment of this Act; except that the amendments made by section 101 shall take effect on January 1, 2000.

(b) **BUDGET SUBMISSIONS.**—The President's budget submission for fiscal year 2001 and each fiscal year thereafter shall reflect the establishment of the Federal Motor Carrier Safety Administration in accordance with this Act.

TITLE II—COMMERCIAL MOTOR VEHICLE AND DRIVER SAFETY

SEC. 201. DISQUALIFICATIONS.

(a) **DRIVING WHILE DISQUALIFIED AND CAUSING A FATALITY.**—

(1) **FIRST VIOLATION.**—Section 31310(b)(1) of title 49, United States Code, is amended—

(A) by striking "or" at the end of subparagraph (B);

(B) by striking the period at the end of subparagraph (C) and inserting a semicolon; and

(C) by adding at the end the following:

"(D) committing a first violation of driving a commercial motor vehicle when the individual's commercial driver's license is revoked, suspended, or canceled based on the individual's operation of a commercial motor vehicle or when the individual is disqualified from operating a commercial motor vehicle based on the individual's operation of a commercial motor vehicle; or

"(E) convicted of causing a fatality through negligent or criminal operation of a commercial motor vehicle."

(2) **SECOND AND MULTIPLE VIOLATIONS.**—Section 31310(c)(1) of such title is amended—

(A) by striking "or" at the end of subparagraph (C);

(B) by redesignating subparagraph (D) as subparagraph (F);

(C) by inserting after subparagraph (C) the following:

"(D) committing more than one violation of driving a commercial motor vehicle when the individual's commercial driver's license is revoked, suspended, or canceled based on the individual's operation of a commercial motor vehicle or when the individual is disqualified from operating a commercial motor vehicle based on the individual's operation of a commercial motor vehicle;

"(E) convicted of more than one offense of causing a fatality through negligent or criminal operation of a commercial motor vehicle; or"; and

(D) in subparagraph (F) (as redesignated by subparagraph (B) of this paragraph) by striking "clauses (A)–(C) of this paragraph" and inserting "subparagraphs (A) through (E)".

(3) **CONFORMING AMENDMENT.**—Section 31301(12)(C) of such title is amended by inserting " , other than a violation to which section 31310(b)(1)(E) or 31310(c)(1)(E) applies" after "a fatality".

(b) **EMERGENCY DISQUALIFICATION; NON-COMMERCIAL MOTOR VEHICLE CONVICTIONS.**—Section 31310 of such title is amended—

(1) by redesignating subsections (f), (g), and (h) as subsections (h), (i), and (j), respectively;

(2) by inserting after subsection (e) the following:

"(f) **EMERGENCY DISQUALIFICATION.**—

"(1) **LIMITED DURATION.**—The Secretary shall disqualify an individual from operating a commercial motor vehicle for not to exceed 30 days if the Secretary determines that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

"(2) **AFTER NOTICE AND HEARING.**—The Secretary shall disqualify an individual from operating a commercial motor vehicle for more than 30 days if the Secretary determines, after notice and an opportunity for a hearing, that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

"(g) **NONCOMMERCIAL MOTOR VEHICLE CONVICTIONS.**—

"(1) **ISSUANCE OF REGULATIONS.**—Not later than 1 year after the date of enactment of this Act, the Secretary shall issue regulations providing for the disqualification by the Secretary from operating a commercial motor vehicle of an individual who holds a commercial driver's license and who has been convicted of—

"(A) a serious offense involving a motor vehicle (other than a commercial motor vehicle) that has resulted in the revocation, cancellation, or suspension of the individual's license; or

"(B) a drug or alcohol related offense involving a motor vehicle (other than a commercial motor vehicle).

"(2) **REQUIREMENTS FOR REGULATIONS.**—Regulations issued under paragraph (1) shall establish the minimum periods for which the disqualifications shall be in effect, but in no case shall the time periods for disqualification for noncommercial motor vehicle violations be more stringent than those for offenses or violations involving a commercial motor vehicle. The Secretary shall determine such periods based on the seriousness of the offenses on which the convictions are based."; and

(3) in subsection (h) (as redesignated by paragraph (1) of this subsection) by striking "(b)–(e)" each place it appears and inserting "(b) through (g)".

(c) **SERIOUS TRAFFIC VIOLATIONS.**—Section 31301(12) of such title is amended—

(1) by striking “and” at the end of subparagraph (C);

(2) by redesignating subparagraph (D) as subparagraph (G); and

(3) by inserting after subparagraph (C) the following:

“(D) driving a commercial motor vehicle when the individual has not obtained a commercial driver’s license;

“(E) driving a commercial motor vehicle when the individual does not have in his or her possession a commercial driver’s license unless the individual provides, by the date that the individual must appear in court or pay any fine with respect to the citation, to the enforcement authority that issued the citation proof that the individual held a valid commercial driver’s license on the date of the citation;

“(F) driving a commercial motor vehicle when the individual has not met the minimum testing standards—

“(i) under section 31305(a)(3) for the specific class of vehicle the individual is operating; or

“(ii) under section 31305(a)(5) for the type of cargo the vehicle is carrying; and”.

(d) CONFORMING AMENDMENTS.—Section 31305(b)(1) of such title is amended—

(1) by striking “to operate the vehicle”; and

(2) by inserting before the period at the end “to operate the vehicle and has a commercial driver’s license to operate the vehicle”.

SEC. 202. REQUIREMENTS FOR STATE PARTICIPATION.

(a) REQUESTS FOR DRIVING RECORD INFORMATION.—Section 31311(a)(6) of title 49, United States Code, is amended—

(1) by inserting “or renewing such a license” before the comma; and

(2) by striking “commercial” the second place it appears.

(b) RECORDING OF VIOLATIONS.—Section 31311(a)(8) of such title is amended by inserting before the period at the end the following: “, and the violation that resulted in the disqualification, revocation, suspension, or cancellation shall be recorded”.

(c) NOTIFICATION OF STATE OFFICIALS.—Section 31311(a)(9) of such title is amended to read as follows:

“(9) If an individual violates a State or local law on motor vehicle traffic control (except a parking violation) and the individual—

“(A) has a commercial driver’s license issued by another State; or

“(B) is operating a commercial vehicle without a commercial driver’s license and has a driver’s license issued by another State;

the State in which the violation occurred shall notify a State official designated by the issuing State of the violations not later than 10 days after the date the individual is found to have committed the violation.”.

(d) PROVISIONAL LICENSES.—Section 31311(a)(10) of such title is amended—

(1) by striking “(10)” and inserting “(10)(A); and

(2) by adding at the end the following:

“(B) The State may not issue a special license or permit (including a provisional or temporary license) to an individual who holds a commercial driver’s license that permits the individual to drive a commercial motor vehicle during a period in which—

“(i) the individual is disqualified from operating a commercial motor vehicle; or

“(ii) the individual’s driver’s license is revoked, suspended, or canceled.”.

(e) PENALTIES.—Section 31311(a)(13) of such title is amended—

(1) by inserting “consistent with this chapter that” after “penalties”; and

(2) by striking “vehicle” the first place it appears and all that follows through the period at the end and inserting “vehicle.”.

(f) RECORDS OF VIOLATIONS.—Section 31311(a) of such title is amended by adding at the end the following:

“(18) The State shall maintain, as part of its driver information system, a record of each violation of a State or local motor vehicle traffic control law while operating a motor vehicle (except a parking violation) for each individual who holds a commercial driver’s license. The record shall be available upon request to the individual, the Secretary, employers, prospective employers, State licensing and law enforcement agencies, and their authorized agents.”.

(g) MASKING.—Section 31311(a) of such title is further amended by adding at the end the following:

“(19) The State shall—

“(A) record in the driving record of an individual who has a commercial driver’s license issued by the State; and

“(B) make available to all authorized persons and governmental entities having access to such record,

all information the State receives under paragraph (9) with respect to the individual and every violation by the individual involving a motor vehicle (including a commercial motor vehicle) of a State or local law on traffic control (except a parking violation), not later than 10 days after the date of receipt of such information or the date of such violation, as the case may be. The State may not allow information regarding such violations to be withheld or masked in any way from the record of an individual possessing a commercial driver’s license.”.

(h) NONCOMMERCIAL MOTOR VEHICLE CONVICTIONS.—Section 31311(a) of such title is further amended by adding at the end the following:

“(20) The State shall revoke, suspend, or cancel the commercial driver’s license of an individual in accordance with regulations issued by the Secretary to carry out section 31310(g).”.

SEC. 203. STATE NONCOMPLIANCE.

(a) IN GENERAL.—Chapter 313 of title 49, United States Code, is amended by inserting after section 31311 the following:

“§ 31312. Decertification authority

“(a) IN GENERAL.—If the Secretary of Transportation determines that a State is in substantial noncompliance with this chapter, the Secretary shall issue an order to—

“(1) prohibit that State from carrying out licensing procedures under this chapter; and

“(2) prohibit that State from issuing any commercial driver’s licenses until such time the Secretary determines such State is in substantial compliance with this chapter.

“(b) EFFECT ON OTHER STATES.—A State (other than a State subject to an order under subsection (a)) may issue a non-resident commercial driver’s license to an individual domiciled in a State that is prohibited from such activities under subsection (a) if that individual meets all requirements of this chapter and the nonresident licensing requirements of the issuing State.

“(c) PREVIOUSLY ISSUED LICENSES.—Nothing in this section shall be construed as invalidating or otherwise affecting commercial driver’s licenses issued by a State before the date of issuance of an order under subsection (a) with respect to the State.”.

(b) CONFORMING AMENDMENT.—The chapter analysis for chapter 313 of such title is amended by inserting after the item relating to section 31311 the following:

“31312. Decertification authority.”.

SEC. 204. CHECKS BEFORE ISSUANCE OF DRIVER’S LICENSES.

Section 30304 of title 49, United States Code, is amended by adding at the end the following:

“(e) DRIVER RECORD INQUIRY.—Before issuing a motor vehicle operator’s license to an individual or renewing such a license, a State shall request from the Secretary information from the National Driver Register under section 30302 and the commercial driver’s license information system under section 31309 on the individual’s driving record.”.

SEC. 205. REGISTRATION ENFORCEMENT.

Section 13902 of title 49, United States Code, is amended—

(1) by redesignating subsection (e) as subsection (f); and

(2) by inserting after subsection (d) the following:

“(e) PENALTIES FOR FAILURE TO COMPLY WITH REGISTRATION REQUIREMENTS.—In addition to other penalties available under law, motor carriers that fail to register their operations as required by this section or that operate beyond the scope of their registrations may be subject to the following penalties:

“(1) OUT-OF-SERVICE ORDERS.—If, upon inspection or investigation, the Secretary determines that a motor vehicle providing transportation requiring registration under this section is operating without a registration or beyond the scope of its registration, the Secretary may order the vehicle out-of-service. Subsequent to the issuance of the out-of-service order, the Secretary shall provide an opportunity for review in accordance with section 554 of title 5; except that such review shall occur not later than 10 days after issuance of such order.

“(2) PERMISSION FOR OPERATIONS.—A person domiciled in a country contiguous to the United States with respect to which an action under subsection (c)(1)(A) or (c)(1)(B) is in effect and providing transportation for which registration is required under this section shall maintain evidence of such registration in the motor vehicle when the person is providing the transportation. The Secretary shall not permit the operation in interstate commerce in the United States of any motor vehicle in which there is not a copy of the registration issued pursuant to this section.”.

SEC. 206. DELINQUENT PAYMENT OF PENALTIES.

(a) REVOCATION OF REGISTRATION.—Section 13905(c) of title 49, United States Code is amended—

(1) by inserting “(1) IN GENERAL.—” before “On application”; and

(2) by inserting “(A)” before “suspend”; and

(3) by striking the period at the end of the second sentence and inserting “; and (B) suspend, amend, or revoke any part of the registration of a motor carrier, broker, or freight forwarder (i) for failure to pay a civil penalty imposed under chapter 5, 51, 149, or 311 of this title, or (ii) for failure to arrange and abide by an acceptable payment plan for such civil penalty, within 90 days of the time specified by order of the Secretary for the payment of such penalty. Subparagraph (B) shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11.

“(2) REGULATIONS.—Not later than 12 months after the date of the enactment of this paragraph, the Secretary, after notice and opportunity for public comment, shall issue regulations to provide for the suspension, amendment, or revocation of a registration under this part for failure to pay a civil penalty as provided in paragraph (1)(B).”; and

(4) by indenting paragraph (1) (as designated by paragraph (1) of this section) and

aligning such paragraph with paragraph (2) of such section (as added by paragraph (3) of this section).

(b) PROHIBITED TRANSPORTATION BY COMMERCIAL MOTOR VEHICLE OPERATORS.—Section 521(b) of such title is amended—

(1) by redesignating paragraphs (8) through (13) as paragraphs (9) through (14), respectively; and

(2) by inserting after paragraph (7) the following:

“(8) PROHIBITION ON OPERATION IN INTERSTATE COMMERCE AFTER NONPAYMENT OF PENALTIES.—

“(A) IN GENERAL.—An owner or operator of a commercial motor vehicle against whom a civil penalty is assessed under this chapter or chapter 51, 149, or 311 of this title and who does not pay such penalty or fails to arrange and abide by an acceptable payment plan for such civil penalty may not operate in interstate commerce beginning on the 91st day after the date specified by order of the Secretary for payment of such penalty. This paragraph shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11.

“(B) REGULATIONS.—Not later than 12 months after the date of enactment of this paragraph, the Secretary, after notice and an opportunity for public comment, shall issue regulations setting forth procedures for ordering commercial motor vehicle owners and operators delinquent in paying civil penalties to cease operations until payment has been made.”.

SEC. 207. STATE COOPERATION IN REGISTRATION ENFORCEMENT.

Section 31102(b)(1) of title 49, United States Code, is amended—

(1) by aligning subparagraph (A) with subparagraph (B) of such section; and

(2) by striking subparagraph (R) and inserting the following:

“(R) ensures that the State will cooperate in the enforcement of registration requirements under section 13902 and financial responsibility requirements under sections 13906, 31138, and 31139 and regulations issued thereunder;”.

SEC. 208. IMMINENT HAZARD.

Section 521(b)(5)(B) of title 49, United States Code, is amended by striking “is likely to result in” and inserting “substantially increases the likelihood of”.

SEC. 209. HOUSEHOLD GOODS AMENDMENTS.

(a) DEFINITION OF HOUSEHOLD GOODS.—Section 13102(10)(A) of title 49, United States Code, is amended by striking “, including” and all that follows through “dwelling,” and inserting “, except such term does not include property moving from a factory or store, other than property that the householder has purchased with the intent to use in his or her dwelling and is transported at the request of, and the transportation charges are paid to the carrier by, the householder;”.

(b) ARBITRATION REQUIREMENTS.—Section 14708(b)(6) of such title is amended by striking “\$1,000” each place it appears and inserting “\$5,000”.

(c) STUDY OF ENFORCEMENT OF CONSUMER PROTECTION RULES IN THE HOUSEHOLD GOODS MOVING INDUSTRY.—The Comptroller General shall conduct a study of the effectiveness of the Department of Transportation’s enforcement of household goods consumer protection rules under title 49, United States Code. The study shall also include a review of other potential methods of enforcing such rules, including allowing States to enforce such rules.

SEC. 210. NEW MOTOR CARRIER ENTRANT REQUIREMENTS.

(a) SAFETY REVIEWS.—Section 31144 of title 49, United States Code, is amended by adding at the end the following:

“(c) SAFETY REVIEWS OF NEW OPERATORS.—

“(1) IN GENERAL.—The Secretary shall require, by regulation, each owner and each operator granted new operating authority, after the date on which section 31148(b) is first implemented, to undergo a safety review within the first 18 months after the owner or operator, as the case may be, begins operations under such authority.

“(2) ELEMENTS.—In the regulations issued pursuant to paragraph (1), the Secretary shall establish the elements of the safety review, including basic safety management controls. In establishing such elements, the Secretary shall consider their effects on small businesses and shall consider establishing alternate locations where such reviews may be conducted for the convenience of small businesses.

“(3) PHASE-IN OF REQUIREMENT.—The Secretary shall phase in the requirements of paragraph (1) in a manner that takes into account the availability of certified motor carrier safety auditors.

“(4) NEW ENTRANT AUTHORITY.—Notwithstanding any other provision of this title, any new operating authority granted after the date on which section 31148(b) is first implemented shall be designated as new entrant authority until the safety review required by paragraph (1) is completed.”.

(b) MINIMUM REQUIREMENTS.—The Secretary shall initiate a rulemaking to establish minimum requirements for applicant motor carriers, including foreign motor carriers, seeking Federal interstate operating authority to ensure applicant carriers are knowledgeable about applicable Federal motor carrier safety standards. As part of that rulemaking, the Secretary shall consider the establishment of a proficiency examination for applicant motor carriers as well as other requirements to ensure such applicants understand applicable safety regulations before being granted operating authority.

SEC. 211. CERTIFICATION OF SAFETY AUDITORS.

(a) IN GENERAL.—Chapter 311 of title 49, United States Code, is amended by adding at the end the following:

“§ 31148. Certified motor carrier safety auditors

“(a) IN GENERAL.—Not later than 1 year after the date of enactment of this section, the Secretary of Transportation shall complete a rulemaking to improve training and provide for the certification of motor carrier safety auditors, including private contractors, to conduct safety inspection audits and reviews described in subsection (b).

“(b) CERTIFIED INSPECTION AUDIT REQUIREMENT.—Not later than 1 year after completion of the rulemaking required by subsection (a), any safety inspection audit or review required by, or based on the authority of, this chapter or chapter 5, 313, or 315 of this title and performed after December 31, 2002, shall be conducted by—

“(1) a motor carrier safety auditor certified under subsection (a); or

“(2) a Federal or State employee who, on the date of enactment of this section, was qualified to perform such an audit or review.

“(c) EXTENSION.—If the Secretary determines that subsection (b) cannot be implemented within the 1-year period established by that subsection and notifies the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives of the determination and the reasons therefor, the Secretary

may extend the deadline for compliance with subsection (b) by not more than 12 months.

“(d) APPLICATION WITH OTHER AUTHORITY.—The Secretary may not delegate the Secretary’s authority to private contractors to issue ratings or operating authority, and nothing in this section authorizes any private contractor to issue ratings or operating authority.

“(e) OVERSIGHT RESPONSIBILITY.—The Secretary shall have authority over any motor carrier safety auditor certified under subsection (a), including the authority to decertify a motor carrier safety auditor.”.

(b) CONFORMING AMENDMENT.—The analysis for such chapter 311 is amended by adding at the end the following:

“31148. Certified motor carrier safety auditors.”.

SEC. 212. COMMERCIAL VAN RULEMAKING.

Not later than 1 year after the date of enactment of this Act, the Secretary shall complete Department of Transportation’s rulemaking, Docket No. FHWA-99-5710, to amend Federal motor carrier safety regulations to determine which motor carriers operating commercial motor vehicles designed or used to transport between 9 and 15 passengers (including the driver) for compensation shall be covered. At a minimum, the rulemaking shall apply such regulations to—

(1) commercial vans commonly referred to as “camionetas”; and

(2) those commercial vans operating in interstate commerce outside commercial zones that have been determined to pose serious safety risks.

In no case should the rulemaking exempt from such regulations all motor carriers operating commercial vehicles designed or used to transport between 9 and 15 passengers (including the driver) for compensation.

SEC. 213. 24-HOUR STAFFING OF TELEPHONE HOTLINE.

Section 4017 of the Transportation Equity Act for the 21st Century (49 U.S.C. 31143 note; 112 Stat. 413) is amended—

(1) by redesignating subsections (c) and (d) as subsections (d) and (e), respectively;

(2) by inserting after subsection (b) the following:

“(c) STAFFING.—The toll-free telephone system shall be staffed 24 hours a day 7 days a week by individuals knowledgeable about Federal motor carrier safety regulations and procedures;” and

(3) in subsection (e) (as redesignated by paragraph (1) of this section)—

(A) by striking “104(a)” and inserting “104(a)(1)(B)”; and

(B) by striking “for each of fiscal years 1999” and inserting “for fiscal year 1999 and \$375,000 for each of fiscal years 2000”.

SEC. 214. CDL SCHOOL BUS ENDORSEMENT.

The Secretary shall conduct a rulemaking to establish a special commercial driver’s license endorsement for drivers of school buses. The endorsement shall, at a minimum—

(1) include a driving skills test in a school bus; and

(2) address proper safety procedures for—

(A) loading and unloading children;

(B) using emergency exits; and

(C) traversing highway rail grade crossings.

SEC. 215. MEDICAL CERTIFICATE.

The Secretary shall initiate a rulemaking to provide for a Federal medical qualification certificate to be made a part of commercial driver’s licenses.

SEC. 216. IMPLEMENTATION OF INSPECTOR GENERAL RECOMMENDATIONS.

(a) IN GENERAL.—The Secretary shall implement the safety improvement recommendations provided for in the Department of Transportation Inspector General’s

Report TR-1999-091, except to the extent that such recommendations are specifically addressed in sections 206, 208, 217, and 222 of this Act, including any amendments made by such sections.

(b) REPORTS TO CONGRESS.—

(1) REPORTS BY THE SECRETARY.—Not later than 90 days after the date of enactment of this Act, and every 90 days thereafter until each of the recommendations referred to in subsection (a) has been implemented, the Secretary shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the specific actions taken to implement such recommendations.

(2) REPORTS BY THE INSPECTOR GENERAL.—The Inspector General shall periodically transmit to the Committees referred to in paragraph (1) a report assessing the Secretary's progress in implementing the recommendations referred to in subsection (a) and analyzing the number of violations cited by safety inspectors and the level of fines assessed and collected for such violations, and of the number of cases in which there are findings of extraordinary circumstances under section 222(c) of this Act and the circumstances in which these findings are made.

SEC. 217. PERIODIC REFILEING OF MOTOR CARRIER IDENTIFICATION REPORTS.

The Secretary shall amend section 385.21 of the Department of Transportation's regulations (49 C.F.R. 385.21) to require periodic updating, not more frequently than once every 2 years, of the motor carrier identification report, form MCS-150, filed by each motor carrier conducting operations in interstate or foreign commerce. The initial update shall occur not later than 1 year after the date of enactment of this Act.

SEC. 218. BORDER STAFFING STANDARDS.

(a) DEVELOPMENT AND IMPLEMENTATION.—Not later than 1 year after the date of enactment of this Act, the Secretary shall develop and implement appropriate staffing standards for Federal and State motor carrier safety inspectors in international border areas.

(b) FACTORS TO BE CONSIDERED.—In developing standards under subsection (a), the Secretary shall consider volume of traffic, hours of operation of the border facility, types of commercial motor vehicles, types of cargo, delineation of responsibility between Federal and State inspectors, and such other factors as the Secretary determines appropriate.

(c) MAINTENANCE OF EFFORT.—The standards developed and implemented under subsection (a) shall ensure that the United States and each State will not reduce its respective level of staffing of motor carrier safety inspectors in international border areas from its average level staffing for fiscal year 2000.

(d) BORDER COMMERCIAL MOTOR VEHICLE AND SAFETY ENFORCEMENT PROGRAMS.—

(1) ENFORCEMENT.—If, on October 1, 2001, and October 1 of each fiscal year thereafter, the Secretary has not ensured that the levels of staffing required by the standards developed under subsection (a) are deployed, the Secretary should designate the amount made available for allocation under section 31104(f)(2)(B) of title 49, United States Code, for such fiscal year for States, local governments, and other persons for carrying out border commercial motor vehicle safety programs and enforcement activities and projects.

(2) ALLOCATION.—If the Secretary makes a designation of an amount under paragraph (1), such amount shall be allocated by the

Secretary to State agencies, local governments, and other persons that use and train qualified officers and employees in coordination with State motor vehicle safety agencies.

(3) LIMITATION.—If the Secretary makes a designation pursuant to paragraph (1) for a fiscal year, the Secretary may not make a designation under section 31104(f)(2)(B) of title 49, United States Code, for such fiscal year.

SEC. 219. FOREIGN MOTOR CARRIER PENALTIES AND DISQUALIFICATIONS.

(a) GENERAL RULE.—Subject to subsections (b) and (c), a foreign motor carrier or foreign motor private carrier (as such terms are defined under section 13102 of title 49, United States Code) that operates without authority, before the implementation of the land transportation provisions of the North American Free Trade Agreement, outside the boundaries of a commercial zone along the United States-Mexico border shall be liable to the United States for a civil penalty and shall be disqualified from operating a commercial motor vehicle anywhere within the United States as provided in subsections (b) and (c).

(b) PENALTY FOR INTENTIONAL VIOLATION.—The civil penalty for an intentional violation of subsection (a) by a carrier shall not be more than \$10,000 and may include a disqualification from operating a commercial motor vehicle anywhere within the United States for a period of not more than 6 months.

(c) PENALTY FOR PATTERN OF INTENTIONAL VIOLATIONS.—The civil penalty for a pattern of intentional violations of subsection (a) by a carrier shall not be more than \$25,000 and the carrier shall be disqualified from operating a commercial motor vehicle anywhere within the United States and the disqualification may be permanent.

(d) LEASING.—Before the implementation of the land transportation provisions of the North American Free Trade Agreement, during any period in which a suspension, condition, restriction, or limitation imposed under section 13902(c) of title 49, United States Code, applies to a motor carrier (as defined in section 13902(e) of such title), that motor carrier may not lease a commercial motor vehicle to another motor carrier or a motor private carrier to transport property in the United States.

(e) SAVINGS CLAUSE.—No provision of this section may be enforced if it is inconsistent with any international agreement of the United States.

(f) ACTS OF EMPLOYEES.—The actions of any employee driver of a foreign motor carrier or foreign motor private carrier committed without the knowledge of the carrier or committed unintentionally shall not be grounds for penalty or disqualification under this section.

SEC. 220. TRAFFIC LAW INITIATIVE.

(a) IN GENERAL.—In cooperation with one or more States, the Secretary may carry out a program to develop innovative methods of improving motor carrier compliance with traffic laws. Such methods may include the use of photography and other imaging technologies.

(b) REPORT.—The Secretary shall transmit to Congress a report on the results of any program conducted under this section, together with any recommendations as the Secretary determines appropriate.

SEC. 221. STATE-TO-STATE NOTIFICATION OF VIOLATIONS DATA.

(a) DEVELOPMENT.—In cooperation with the States, the Secretary shall develop a uniform system to support the electronic transmission of data State-to-State on convictions for all motor vehicle traffic control law

violations by individuals possessing a commercial drivers' licenses as required by paragraphs (9) and (19) of section 31311(a) of title 49, United States Code.

(b) STATUS REPORT.—Not later than 2 years after the date of enactment of this Act, the Secretary shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the status of the implementation of this section.

SEC. 222. MINIMUM AND MAXIMUM ASSESSMENTS.

(a) IN GENERAL.—The Secretary of Transportation should ensure that motor carriers operate safely by imposing civil penalties at a level calculated to ensure prompt and sustained compliance with Federal motor carrier safety and commercial driver's license laws.

(b) ESTABLISHMENT.—The Secretary—

(1) should establish and assess minimum civil penalties for each violation of a law referred to in subsection (a); and

(2) shall assess the maximum civil penalty for each violation of a law referred to in subsection (a) by any person who is found to have committed a pattern of violations of critical or acute regulations issued to carry out such a law or to have previously committed the same or a related violation of critical or acute regulations issued to carry out such a law.

(c) EXTRAORDINARY CIRCUMSTANCES.—If the Secretary determines and documents that extraordinary circumstances exist which merit the assessment of any civil penalty lower than any level established under subsection (b), the Secretary may assess such lower penalty. In cases where a person has been found to have previously committed the same or a related violation of critical or acute regulations issued to carry out a law referred to in subsection (a), extraordinary circumstances may be found to exist when the Secretary determines that repetition of such violation does not demonstrate a failure to take appropriate remedial action.

(d) REPORT TO CONGRESS.—

(1) IN GENERAL.—The Secretary shall conduct a study of the effectiveness of the revised civil penalties established in the Transportation Equity Act for the 21st Century and this Act in ensuring prompt and sustained compliance with Federal motor carrier safety and commercial driver's license laws.

(2) SUBMISSION TO CONGRESS.—The Secretary shall transmit the results of such study and any recommendations to Congress by September 30, 2002.

SEC. 223. MOTOR CARRIER SAFETY PROGRESS REPORT.

Not later than May 25, 2000, the Secretary shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a status report on the Department of Transportation's quantitative progress toward reducing motor carrier fatalities by 50 percent by the year 2009.

SEC. 224. STUDY OF COMMERCIAL MOTOR VEHICLE CRASH CAUSATION.

(a) OBJECTIVES.—The Secretary shall conduct a comprehensive study to determine the causes of, and contributing factors to, crashes that involve commercial motor vehicles. The study shall also identify data requirements and collection procedures, reports, and other measures that will improve the Department of Transportation's and States' ability to—

(1) evaluate future crashes involving commercial motor vehicles;

(2) monitor crash trends and identify causes and contributing factors; and

(3) develop effective safety improvement policies and programs.

(b) DESIGN.—The study shall be designed to yield information that will help the Department and the States identify activities and other measures likely to lead to significant reductions in the frequency, severity, and rate per mile traveled of crashes involving commercial motor vehicles, including vehicles described in section 31132(1)(B) of title 49, United States Code. As practicable, the study shall rank such activities and measures by the reductions each would likely achieve, if implemented.

(c) CONSULTATION.—In designing and conducting the study, the Secretary shall consult with persons with expertise on—

- (1) crash causation and prevention;
- (2) commercial motor vehicles, drivers, and carriers, including passenger carriers;
- (3) highways and noncommercial motor vehicles and drivers;
- (4) Federal and State highway and motor carrier safety programs;
- (5) research methods and statistical analysis; and
- (6) other relevant topics.

(d) PUBLIC COMMENT.—The Secretary shall make available for public comment information about the objectives, methodology, implementation, findings, and other aspects of the study.

(e) REPORTS.—

(1) IN GENERAL.—The Secretary shall promptly transmit to Congress the results of the study, together with any legislative recommendations.

(2) REVIEW AND UPDATE.—The Secretary shall review the study at least once every 5 years and update the study and report as necessary.

(f) FUNDING.—Of the amounts made available for each of fiscal years 2001, 2002, and 2003 under section 4003(i) of the Transportation Equity Act for the 21st Century (112 Stat. 395–398), as added by section 103(b)(1) of this Act, \$5,000,000 per fiscal year shall be available only to carry out this section.

SEC. 225. DATA COLLECTION AND ANALYSIS.

(a) IN GENERAL.—In cooperation with the States, the Secretary shall carry out a program to improve the collection and analysis of data on crashes, including crash causation, involving commercial motor vehicles.

(b) PROGRAM ADMINISTRATION.—The Secretary shall administer the program through the National Highway Traffic Safety Administration in cooperation with the Federal Motor Carrier Safety Administration. The National Highway Traffic Safety Administration shall—

(1) enter into agreements with the States to collect data and report the data by electronic means to a central data repository; and

(2) train State employees and motor carrier safety enforcement officials to assure the quality and uniformity of the data.

(c) USE OF DATA.—The National Highway Traffic Safety Administration shall—

(1) integrate the data, including driver citation and conviction information; and

(2) make the data base available electronically to the Federal Motor Carrier Safety Administration, the States, motor carriers, and other interested parties for problem identification, program evaluation, planning, and other safety-related activities.

(d) REPORT.—Not later than 3 years after the date on which the improved data program begins, the Secretary shall transmit a report to Congress on the program, together with any recommendations the Secretary finds appropriate.

(e) FUNDING.—Of the amounts deducted under section 104(a)(1)(B) of title 23, United States Code, for each of fiscal years 2001,

2002, and 2003 \$5,000,000 per fiscal year shall be available only to carry out this section.

(f) ADDITIONAL FUNDING FOR INFORMATION SYSTEMS.—

(1) IN GENERAL.—Of the amounts made available for each of fiscal years 2001, 2002, and 2003 under section 4003(i) of the Transportation Equity Act for the 21st Century (112 Stat. 395–398), as added by section 103(b)(1) of this Act, \$5,000,000 per fiscal year shall be available only to carry out section 31106 of title 49, United States Code.

(2) AMOUNTS AS ADDITIONAL.—The amounts made available by paragraph (1) shall be in addition to amounts made available under section 31107 of title 49, United States Code.

SEC. 226. DRUG TEST RESULTS STUDY.

(a) IN GENERAL.—The Secretary shall conduct a study of the feasibility and merits of—

(1) requiring medical review officers or employers to report all verified positive controlled substances test results on any driver subject to controlled substances testing under part 382 of title 49, Code of Federal Regulations, including the identity of each person tested and each controlled substance found, to the State that issued the driver's commercial driver's license; and

(2) requiring all prospective employers, before hiring any driver, to query the State that issued the driver's commercial driver's license on whether the State has on record any verified positive controlled substances test on such driver.

(b) STUDY FACTORS.—In carrying out the study under this section, the Secretary shall assess—

(1) methods for safeguarding the confidentiality of verified positive controlled substances test results;

(2) the costs, benefits, and safety impacts of requiring States to maintain records of verified positive controlled substances test results; and

(3) whether a process should be established to allow drivers—

(A) to correct errors in their records; and

(B) to expunge information from their records after a reasonable period of time.

(c) REPORT.—Not later than 2 years after the date of enactment of this Act, the Secretary shall submit to Congress a report on the study carried out under this section, together with such recommendations as the Secretary determines appropriate.

SEC. 227. APPROVAL OF AGREEMENTS.

(a) REVIEW.—Section 13703(c) of title 49, United States Code, is amended—

(1) by redesignating paragraphs (1) through (4) as subparagraphs (A) through (D), respectively;

(2) by striking “The Board” and inserting the following:

“(1) IN GENERAL.—The Board”;

(3) by adding at the end the following:

“(2) PERIODIC REVIEW OF APPROVALS.—Subject to this section, in the 5-year period beginning on the date of enactment of this paragraph and in each 5-year period thereafter, the Board shall initiate a proceeding to review any agreement approved pursuant to this section. Any such agreement shall be continued unless the Board determines otherwise.”; and

(4) by moving the remainder of the text of paragraph (1) (as designated by paragraph (2) of this subsection), including subparagraphs (A) through (D) (as designated by paragraph (1) of this subsection), 2 ems to the right.

(b) LIMITATION.—Section 13703(d) of such title is amended to read as follows:

“(d) LIMITATION.—The Board shall not take any action that would permit the establishment of nationwide collective ratemaking authority.”.

(c) EXISTING AGREEMENTS.—Section 13703(e) of such title is amended—

(1) by striking “Agreements” and inserting the following:

“(1) AGREEMENTS EXISTING AS OF DECEMBER 31, 1995.—Agreements”;

(2) by adding at the end the following:

“(2) CASES PENDING AS OF DATE OF ENACTMENT.—Nothing in section 227 (other than subsection (b)) of the Motor Carrier Safety Improvement Act of 1999, including the amendments made by such section, shall be construed to affect any case brought under this section that is pending before the Board as of the date of enactment of this paragraph.”; and

(3) by aligning the left margin of paragraph (1) (as designated by paragraph (1) of this subsection) with paragraph (2) (as added by paragraph (2) of this subsection).

SEC. 228. DOT AUTHORITY.

(a) IN GENERAL.—The statutory authority of the Inspector General of the Department of Transportation includes authority to conduct, pursuant to Federal criminal statutes, investigations of allegations that a person or entity has engaged in fraudulent or other criminal activity relating to the programs and operations of the Department or its operating administrations.

(b) REGULATED ENTITIES.—The authority to conduct investigations referred to in subsection (a) extends to any person or entity subject to the laws and regulations of the Department or its operating administrations, whether or not they are recipients of funds from the Department or its operating administrations.

The Senate bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

CONTINUING REPORTING REQUIREMENTS OF SECTION 2519 OF TITLE 18, U.S.C., BEYOND DECEMBER 21, 1999

Mr. COBLE. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the Senate bill (S. 1769) to continue the reporting requirements of section 2519 of title 18, United States Code, beyond December 21, 1999, and for other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the Senate bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

Ms. LOFGREN. Mr. Speaker, reserving the right to object, I yield to the gentleman from North Carolina (Mr. COBLE), the chairman of the subcommittee, for a brief explanation of the bill.

Mr. COBLE. Mr. Speaker, I thank the gentlewoman from California (Ms. LOFGREN) for yielding.

Mr. Speaker, the Federal Reports Elimination and Sunset Act of 1995 provided that all periodic reports provided to Congress will sunset on December 21, 1999, unless reauthorized by the Congress. The intent of the Act was to spur Congress to reexamine all the periodic reports it receives and eliminate the obsolete ones.

After careful review, the Committee on the Judiciary determined that about 40 reports out of the thousands of reports subject to sunset are required for the committee to perform its legislative and oversight duties.
