

this far reaching authority, especially during an economic crisis.

This agreement also does not include strong transitional assistance to workers whose company moves overseas or shuts down due to unfair trade. Mr. Speaker, I have assisted thousands of my constituents with the poorly funded TAA program and cannot afford to watch more families turned away from needed assistance. This plan also expects families to cover high health insurance costs with a tax credit. To expect families during an unforeseen lay off to benefit from a tax credit which they would not see until the next year is ineffective and insulting.

Mr. Speaker, I support free trade when it benefits American workers. But, I do not believe we should grant the President fast track to negotiate trade agreements in this form. I urge my colleagues to vote down this conference agreement, which makes no improvement on previous attempts to implement fast track.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the conference report.

There was no objection.

The SPEAKER pro tempore. The question is on the conference report.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. RANGEL. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.
