

the glorious Cuban War of Independence in 1895, and the day in 1996 when two civilian aircraft carrying four members of the Brothers to the Rescue organization were shot down over international waters by the Cuban dictatorship's fighter jets. The 24 February Movement desires, and struggles for, freedom in Cuba.

According to reports, Mr. García Roldán has been imprisoned since April 16, 2004 and, after a sham trial, sentenced to 4 years in the totalitarian gulag. In the U.S. Department of State's Country Reports on Human Rights Practices—2005, it is reported "On February 19, a 'reeducation specialist' forced political prisoner Fidel García Roldán into a cell, pushed him against the wall, then hit him repeatedly in the head."

That same report details the abhorrent conditions in the gulag:

Prison conditions continued to be harsh and life threatening. Conditions in detention facilities also were harsh. Prison authorities frequently beat, neglected, isolated, and denied medical treatment to detainees and prisoners, particularly those convicted of political crimes or those who persisted in expressing their views . . . Prisoners sometimes were held in "punishment cells," which usually were located in the basement of a prison, with continuous semi-dark conditions, no available water, and only a hole for a toilet.

Mr. García Roldán, despite being imprisoned, despite facing even more severe maltreatment in the inhuman gulag, continues to advocate for liberty. Mr. García Roldán is a brilliant example of the heroism of the Cuban people. No matter how intense the repression, no matter how horrifically brutal the consequences of a dignified struggle for liberty, the totalitarian gulags are full of men and women of all backgrounds and ages who represent the best of the Cuban nation.

Mr. Speaker, we must speak out and act against this abominable disregard for human rights, human dignity, and human freedom just 90 miles from our shore. It is categorically unacceptable that men and women who demand freedom from tyranny are locked in dungeons and abused by totalitarian monsters. My Colleagues, we must demand the immediate and unconditional release of Fidel García Roldán and every political prisoner in totalitarian Cuba.

ENDORSEMENT OF PROFESSOR
JEFFREY LEIGH SEDGWICK

HON. JOHN W. OLVER

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2006

Mr. OLVER. Mr. Speaker, I ask that this statement be inserted into the CONGRESSIONAL RECORD at the appropriate place:

"On Tuesday the Senate Judiciary Committee will hold a hearing on the nomination of Professor Jeffrey Leigh Sedgwick to head the Bureau of Justice Statistics. For over 24 years Professor Sedgwick has taught students at the University of Massachusetts the intricacies of the American Political System. Throughout the course of his established career he has also spread his expertise to other educational institutions, such as Smith College in Massachusetts and the University of Virginia. It is time now for Professor Sedgwick to loan his knowl-

edge and experience to the Federal Government as the head of the Bureau of Justice Statistics.

"Professor Sedgwick has devoted much of his career to the study and interpretation of criminal justice and through the years he has developed a strong sense of our Nation's criminal justice system. His in-depth research has led to a number of books, articles and editorials offering insight into crime and punishment in the United States. These qualifications give Professor Sedgwick a solid foundation for taking over the responsibilities of the head of the Bureau of Justice Statistics.

"This would not be Professor Sedgwick's first experience in the Federal Government. In 1984 he served as the Deputy Director for Data Analysis within the Bureau of Justice Statistics. In this position he gained a familiarity for the work that this bureau does and moved on to a career of studying crime and justice. Professor Sedgwick is indisputably qualified to take over operations at the Bureau of Justice Statistics and I urge my colleagues in the Senate to confirm him for this post."

HONORING GREATER BETHEL AFRICAN METHODIST EPISCOPAL CHURCH IN OVERTOWN FOR 110 YEARS OF SERVICE TO THE COMMUNITY

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2006

Mr. MEEK of Florida. Mr. Speaker, today I rise to pay tribute to the Greater Bethel African Methodist Episcopal Church (BAME) as it celebrates its 110th Anniversary on Sunday, March 12, 2006 in the Overtown community of Miami-Dade County, Florida. This important milestone is truly a testament to the leadership of the church and the commitment of the faithful and the church's theme reflects it: "Greater Bethel AME: A Beacon of Light Shining Bright for 110 Years."

I commend the entire Greater Bethel AME family, including the Senior Pastor, Reverend Milton Broomfield and Ms. Barbara Brown, the Chairperson, on this wonderful occasion. It is the thorough exercise of faith that we are emboldened by God's Blessed Assurance spoken through the Prophet Isaiah (Chapter 58, Verses 9–11): ". . . You shall call, and the Lord will answer. For if you bestow your bread on the hungry and satisfy the afflicted, then light shall rise for you in the darkness . . . and the Lord will guide you always."

Greater Bethel AME Church symbolizes an unshakable monument that has manifested and continues to manifest our community's faith in God. The longevity of this landmark church—not only through its members' genuine caring of one another, but also through the outreach efforts of its services and good works for those it has been privileged to serve—is truly remarkable. Despite the pain and agony that our community suffered in the midst of many years of disenfranchisement and misrepresentation, Greater Bethel AME Church stood out as a beacon of Hope and a citadel of Truth by which God has called our community to respond to the mandate of Christian stewardship.

It is with this spirit that I recognize this historic Church on its 110th Anniversary, defined

by determination and courage throughout its ministry. We are grateful for what Greater Bethel AME Church symbolizes for all of us, even as we look forward to the challenges of the future.
