standing against this bill from a pro-life position. They’re good hearts. But they've been sold a bill of goods. You don’t have to believe me.

I had an incredible non-reversal rate as a judge and chief justice; as a lawyer very successful. But let me tell you, there are people waiting to get the executive order struck down the moment it is signed. You need to hear from somebody who understands your heart and understands where you’re coming from. The executive order won't work. Then in the end, your standout will have been for nothing.

Please take another look at it. This is the wrong thing to have your vote swayed by. You can’t say you weren’t warned.
