

dream of owning their own auto shop a reality. Through the brothers' hard work and determination, Sullivan's was born. Since then, the family-run business has provided superior service and personal care to anyone who walks through their doors. The Sullivan family has made their shop a place where locals can come and feel comfortable; the lobby of the body shop is always stocked with snacks and hot coffee and has become a location where neighbors come to chat and have their engine repaired at the same time.

The people who work for Sullivan's Advanced Paint and Body Shop are not just friendly—they are excellent at what they do—fixing cars. The Sullivan brothers knew that a successful small business can't be run on friendly personalities alone. Danny Sullivan himself was the number one ranked technician in the country in 1981, 1982, and 1983, and he made it a priority to hire individuals with a talent for repairing automobiles. In other words, there is no doubt that they know what they are doing.

Sullivan's is an excellent example of what makes our nation great and is well deserving of recognition during National Small Business Week. Small businesses are the backbone of our economy, and shops like Sullivan's are what keep us going.

At Sullivan's, the motto is: "Excellence doesn't just happen, it's a decision we make every day." Their actions and attitudes certainly reflect their motto. In America, successful businesses come from business owners like the Sullivan brothers.

And that's just the way it is.

HONORING THE LIFE AND DEDICATED SERVICE OF STAFF SERGEANT JESSE LAMAR THOMAS, JR., UNITED STATES ARMY

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2013

Mr. MILLER of Florida. Mr. Speaker, it is with profound sadness and deepest sympathy that I rise to pay tribute to a fallen American soldier. Army Staff Sergeant Jesse Lamar Thomas, Jr. of Pensacola, Florida died on June 10, 2013, in Helmand Province, Afghanistan, while in support of Operation Enduring Freedom. SSG Thomas was assigned to the 66th Transportation Company, 39th Transportation Battalion, 16th Sustainment Brigade, 21st Theater Sustainment Command, Kaiserslautern, Germany.

SSG Thomas enlisted into the Army in October 17, 2003, and most recently served his country as a Human Resources Specialist, where he always fought for the resources and well-being of his fellow soldiers to ensure they had the tools required to accomplish the mission. SSG Thomas is remembered by his Company Command as a great mentor, a dedicated noncommissioned officer, and a true professional committed to a life of service to his fellow soldiers, to the United States Army, and to the United States of America. SSG Thomas is also remembered as a talented musician and a man with a deep dedication and love for his family and God.

SSG Thomas lived to support and lift up those around him. He dedicated his life help-

ing to ensure those who would do our Nation harm were defeated, while also working to secure the blessings of freedom for the Afghan people. We will never forget his service toward that honorable end. To SSG Thomas' loving wife Michelle; his children Jamie, Justin, and Jordan; mother, Irma Jean; his siblings, Sheldra, Geneen, Shandrea, and Darrin; his extended family and friends, my wife Vicki joins me in offering our most sincere condolences and prayers.

Mr. Speaker, on behalf of a grateful United States Congress and Nation, I stand here today to honor SSG Jesse Lamar Thomas, Jr. and all of the warriors we have lost. May God continue to bless them and the men and women of our United States Armed Forces.

EMMA COBURN TRIBUTE

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2013

Mr. TIPTON. Mr. Speaker, I rise today to recognize Emma Coburn of Crested Butte, Colorado. This month, Ms. Coburn won her second NCAA national title in the steeplechase.

Emma was born in Boulder, Colorado on October 19th, 1990, and raised in Crested Butte. In high school Ms. Coburn set the pace for an excellent athletic career, earning All-American honors on two separate occasions, setting five high school records, and winning eight 2A state championships. At the University of Colorado, she had an excellent showing at the NCAA championship finishing 11th in the steeplechase in her freshman year. Emma's excellence on the track, also extends into the classroom where she has earned a place on the Big 12 Commissioner's Honor Roll.

She won her first national title in 2011 for the steeplechase before going on to compete for the U.S. World Championship team. In the World Championship meet she was the only American in the steeplechase to make it to the finals, and placed 12th overall. In 2012 Coburn prepared to compete for her country again, this time at the Olympics. While training for the Olympics she ran a time of 9:25.28, the fastest time an American has ever ran inside of the United States. Later that year she went on to be the only American to make it the finals, finishing in 9th place.

This year Emma finished her spectacular collegiate track career with another NCAA national title in the steeplechase. Mr. Speaker, it is an honor to recognize Emma for her devotion to athletic and academic excellence as well as to thank her for representing our country at the 2012 summer Olympics.

HONORING THE LIFE AND LEGACY OF SERGEANT JUSTIN JOHNSON

HON. PATRICK MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2013

Mr. MURPHY of Florida. Mr. Speaker, I rise today with a heavy heart to honor the life and legacy of U.S. Army Sergeant Justin Johnson,

who was killed during an attack at Bagram Air Base in Afghanistan on Tuesday, June 18th Sgt. Johnson was on his third tour of duty at the age of 25. He enlisted in the Army immediately following his graduation from South Fork High School in Stuart, Florida, speaking to his commitment to serving our nation.

As we remember Sgt. Johnson here today, let us also pay tribute to the sacrifices made by the military families who support our brave men and women in uniform, all the while knowing that their loved ones may not return home. Sgt. Johnson leaves behind his mother, Sonia Randolph, and a four-year-old son, Justin Johnson, Jr. Even faced with the loss of her son, Ms. Randolph remarked that she is "blessed that he was happy and willing to do what he needed to do for his country." This strength and dedication speaks volumes to the man that Sgt. Johnson was—a true American hero.

Mr. Speaker, Sgt. Justin Johnson bravely served our nation and ultimately gave his life to defend this country. I extend my most heartfelt condolences to his friends and family during this most difficult time. It is an honor and privilege to recognize his life of service here today.

IN RECOGNITION OF THE OUTSTANDING COMMITMENT OF DR. NAZMUL HASSAN TO THE BANGLADESHI-AMERICAN COMMUNITY IN MICHIGAN AND ACROSS THE COUNTRY

HON. GARY C. PETERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2013

Mr. PETERS of Michigan. Mr. Speaker, I rise today to recognize my longtime friend, Dr. Nazmul Hassan, as he is recognized by the Bangladeshi-American community in Michigan for his many years of stalwart guidance and leadership. Known to friends as Shahin, Dr. Hassan has been a strong voice for Bangladeshi-Americans, not just in Michigan, but across the United States of America. As an immigrant to our nation, Shahin is emblematic of one of the greatest strengths of our nation, our ability to bring the best and brightest from across the world.

Before coming to Michigan, Shahin was a leader in his birth country of Bangladesh. His commitment to service is an ideal he learned at a young age, from watching his father, who was an educator and prominent elected leader in Bangladesh having served as a Member of Parliament for four terms. The value of service to the community is one that Shahin brought with him when he arrived in the United States as a student in 1991. Shahin later went on to earn a Masters of Science in Industrial and Manufacturing Engineering in 1996, and in 2011, he completed his Doctorate in Industrial Engineering from Wayne State University. In his professional work, he worked for both Delphi Automotive and Ford Motor Company.

While his educational and professional pursuits are impressive, nowhere has his passion been felt more greatly than in his tireless advocacy for the Bangladeshi-American population. In his tenure as the President and Chairman of the Michigan Bangladeshi American Democratic Caucus (BADC), Shahin has

worked within his community to organize its members and raise issues of importance to them in the public arena. His work has included assisting community members with a wide range of issues, from immigration to helping families in need obtain basic necessities. He has been a source of information for his community on pressing policy issues such as human rights, foreign affairs and health care. In particular, during the debate on the Patient Protection and Affordable Care Act he organized discussions within the Bangladeshi community to raise awareness of health care issues.

In my time representing Michigan in the United States Congress, I have been fortunate to call Shahin a valued friend and trusted advisor. Thanks to his leadership, I have developed close relationships with Bangladeshi constituents and am honored to serve as a leader of the Bangladeshi Congressional Caucus in Washington, D.C. Shahin's passion for his community and his support of cross-cultural dialogue, both in Michigan and across the country, have earned him numerous accolades, including the 2011 Rev. Dr. Martin Luther King, Jr. Freedom Award from the Michigan Democratic Party.

Mr. Speaker, our unparalleled ability to attract the best and the brightest from around the world and bring them to our country, where they make significant contributions to our future, is one of our nation's greatest strengths. Dr. Nazmul Hassan's life is an embodiment of the American Dream and for his work, our nation is a better place. I am grateful to both Shahin and his family for the many experiences they have shared with me and I wish Dr. Hassan well as he continues to represent the interests of Bangladeshi-Americans in his new endeavors.

FEDERAL AGRICULTURE REFORM
AND RISK MANAGEMENT ACT OF
2013

SPEECH OF

HON. JOHN D. DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2013

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 1947) to provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2018, and for other purposes:

Mr. DINGELL. Madam Chair, I rise in opposition to H.R. 1947, the Federal Agriculture Reform and Risk Management Act. I would very much like to support this legislation. I understand how important it is for Congress to pass a five-year Farm Bill to give certainty to farmers across the nation and to reauthorize and improve critical nutrition and conservation programs. I strongly support many of the reforms made to the farm safety net, including the elimination of direct payments and an increased focus on crop insurance, a risk management tool which actually works. However, the \$20 billion in cuts to the Supplemental Nutrition Assistance Program (SNAP) are unconscionable, and for this reason I cannot support this bill.

My Republican colleagues continue to claim that SNAP is growing out of control because

participation in the program has grown in recent years. In fact, this is a sign that SNAP is working as intended. The recession left many people in dire financial straits and unable to put food on the table to feed their families. For many of my constituents, SNAP is an important stop-gap measure to help them during a time of need. These people are not asking for a handout. They are simply trying to get by. We should be thankful that we have a strong SNAP program as a part of our safety net. If the reforms proposed by the GOP were in place over the last five years, more Americans would have gone hungry. This is unacceptable and is not the direction in which our country should be headed.

I agree that we need to take reasonable steps to stabilize the national debt. However, we must not balance our nation's books on the backs of the most vulnerable Americans, as this legislation proposes to do. My dear friend Senator DEBBIE STABENOW has a strong, bipartisan farm bill which recently passed the Senate overwhelmingly. The Senate bill makes smart, targeted cuts to SNAP, and I strongly support this legislation. I hope that we can come together in a conference committee to pass a good, strong bipartisan farm bill which I can support.

FEDERAL AGRICULTURE REFORM
AND RISK MANAGEMENT ACT OF
2013

SPEECH OF

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 18, 2013

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 1947) to provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2018, and for other purposes:

Mr. BISHOP of Georgia. Madam Chair, it was my intention to offer an amendment to H.R. 1947, the Federal Agriculture Reform and Risk Management Act of 2013, which would have amended Section 4 of Public Law 87-788 (commonly known as the "McIntire-Stennis Cooperative Forestry Act").

My amendment said: "The matching funds requirement shall not be applicable to eligible 1890 Institutions (as defined in Section 2 of the Agricultural Research, Extension, and Education Reform Act of 1998), if the allocation is below \$200,000."

On July 2, 1862, President Abraham Lincoln signed into law the Morrill Act, which made it possible for each state to receive federal funds to establish a state college or university.

Regrettably, slavery still existed in the United States when the Morrill Act of 1862 was enacted into law. Even after the Civil War ended in 1865, it was still considered illegal to educate blacks in the South—making it impossible for black students to attend any college or university established under the Morrill Act of 1862. These conditions resulted in the enactment of the Morrill Act of 1890 and its support for black educational institutions.

Today: The eighteen 1890 Land-grant institutions represent 24 percent of all land-grant institutions (76 institutions total); The 1890 Land-grant Institutions enrolled 98,397 students in 2011 (31% of all student enrolled in HBCUs); The 1890 Land-grant institutions produced 33 percent of all Bachelor's degrees, 41 percent of all master's degrees, 45 percent of all doctoral degrees and 24 percent of all professional degrees awarded at HBCUs.

Notable graduates of 1890 Institutions include: Oprah Winfrey, Ralph Waldo Emerson, Gen. Daniel Chappie James, Lionel Richie, Whitney Young, Art Shell, Ronald McNair, JIM CLYBURN, EDOLPHUS TOWNS, ALCEE HASTINGS, CORRINE BROWN.

Madam Chair, in the 2008 Farm bill, 1890 institutions were made eligible to receive funding for the first time under the McIntire-Stennis
