Mr. HYDE, from the Committee on the Judiciary,
submitted the following

REPORT

[To accompany H.R. 1085]

[Including cost estimate of the Congressional Budget Office]

The Committee on the Judiciary, to whom was referred the bill (H.R. 1085) to revise, codify, and enact without substantive change certain general and permanent laws as title 36, United States Code, "Patriotic and National Observances, Ceremonies, and Organizations", having considered the same, report favorably thereon with an amendment in the nature of a substitute and recommend that the bill, as amended, do pass.

COMMITTEE AMENDMENT

The text of the amendment appears in italic type in the reported bill.

GENERAL EXPLANATION

Purpose.—The purpose of the bill is to revise, codify, and enact without substantive change certain general and permanent laws related to patriotic and national observances, ceremonies, and organizations, as title 36, United States Code, "Patriotic and National Observances, Ceremonies, and Organizations".

The bill was prepared by the Office of the Law Revision Counsel of the House of Representatives as part of its functions under section 285b of title 2, United States Code, to submit to the Committee on the Judiciary bills to enact the titles of the United States Code into positive law.

Revision of language.—In the restatement of existing law, certain changes in language are made. Some of the changes result from consolidating related provisions of law. Others are made to achieve uniformity within the title and to conform to common contemporary usage. Although changes are made in language, no substantive changes are made in the law.

Revision notes.— For each section of the revised title, the source law is identified, both in terms of the United States Code and the Statutes at Large. When appropriate, a revision note explains any significant or non-obvious changes in existing language. However, standard changes made throughout the title and described below are not explained each time they are made.

In the revision notes, citations to the United States Code are to title, followed by a colon, and then the section number. For example, section 1 of title 1 is cited 1:1.

Standard changes.—Standard changes are made throughout the revised title. The most significant are explained here:

The law is restated in the present tense and the active voice as far as possible.

When there is a choice of 2 or more words, otherwise of equal legal effect, the more commonly understood word is used.

The word “shall” is used in the mandatory and imperative sense. The word “may” is used in the permissive and discretionary sense, as in “is permitted to” and “is authorized to”. The words “may not” are used in a prohibitory sense, as in “is not authorized to” and “is not permitted to”. The words “person may not” mean that no person is required, authorized, or permitted to do the act.

The words “any part of” mean “all or part of” and “in whole or in part”.

The word “includes” means “includes but is not limited to”.

The word “deemed” is used when a legal fiction, or what may in some cases be a legal fiction, is intended. The word “is” is used for statements of fact and legal conclusions.

When a right is conferred, the words “is entitled” or their equivalent are used.

The first time a descriptive title is used in a section, the complete title is used. Thereafter, in the same section, a shorter title is used unless the context requires the complete title to be used. For example, “Secretary of the Treasury” is used the first time the title appears in a section. Subsequently, in the same section, the title “Secretary” is used.

The word “law” is substituted for “Act” and “joint resolution” because the word “law” includes Acts and joint resolutions.

The words “under section _____” are used instead of “pursuant to section _____” and “in accordance with section _____”.

The word “such” is not used as a demonstrative adjective. The use of the word “each”, “any”, “every”, or “all” is confined to instances in which a doubt could arise if the word were not used.

Provisos are not used. An exception or limitation is introduced by the words “except that” or “but” or by placing the excepting or limiting provision in a separate sentence.

The words “committee of Congress” include a committee of either House of Congress, a joint committee of Congress, or a subcommittee of any of those committees.

Substantive change not made.—As in other codification bills enacting titles of the United States Code into positive law, this bill makes no substantive change in the law. It is sometimes feared that mere changes in terminology and style will result in changes in substance or impair the precedent value of earlier judicial decisions and other interpretations. This fear is not warranted for a codification law. In ordinary amendatory legislation, intent to change substance can be inferred from a change in language. In a codification law, however, the courts uphold the contrary presumption: the law is intended to remain substantively unchanged. The following authorities affirm this principle:

Finley v. United States, 490 U.S. 545 (1989).

Fourco Glass Co. v. Transmirra Products Corp., 353 U.S. 222, 227 (1957).

United States v. Sischo, 262 U.S. 165, 168 (1923).

United States v. Ryder, 110 U.S. 729, 740 (1884).

McDonald v. Hovey, 110 U.S. 619, 628 (1884).

Smythe v. Fiske, 23 Wall. 374, 382 (1874).

Stewart v. Kahn, 11 Wall. 493, 502 (1871).

Atchison, Topeka and Santa Fe Railway Co. v. United States, 617 F. 2d 485, 490, 491 (7th Cir. 1980).

Trailer Marine Transport Corp. v. Federal Maritime Commission, 602 F. 2d 379, 383 (D.C. Cir. 1979).

Norfolk & Portsmouth Bar Ass'n. v. Drewry, 161 Va. 833, 172 S.E. 282, 285 (1934).

Martin v. Dyer-Kane Co., 113 N.J. Eq. 88, 166 A. 227, 229 (1933).

Sigal v. Wise, 114 Conn. 297, 158 A. 891, 894 (1932).

In re Sullivan's Estate, 38 Ariz. 387, 300 P. 193, 195 (1931).

State ex rel. Rankin v. Wilboux County Bank, 85 Mont. 532, 281 Pac. 341, 344 (1929).

Sutherland, *Statutory Construction*, §§ 28.10, 28.11 (5th ed. 1993).

Tables.—Tables are provided at the end of this document to show the disposition of laws affected by this codification.

HEARINGS

Because H.R. 1085 codifies existing law without making any substantive change in the law, the Committee did not hold any hearings on the bill.

COMMITTEE CONSIDERATION

At a meeting of the Committee on the Judiciary on _____, 1997, a quorum being present, H.R. 1085, as amended, was approved by a voice vote and ordered reported.

VOTE OF THE COMMITTEE

During full committee consideration of H.R. 1085, as amended, the Committee took no roll call votes.

BUDGET EFFECTS

A. STATEMENT REGARDING NEW BUDGET AUTHORITY AND TAX
EXPENDITURES

Clause 2(l)(3)(B) of rule XI of the Rules of the House of Representatives is inapplicable because H.R. 1085, as amended, does not provide new budget authority or an increase in tax expenditures.

B. COST ESTIMATE PREPARED BY THE CONGRESSIONAL BUDGET
OFFICE

In compliance with clause 2(l)(3)(C) of rule XI of the Rules of the House of Representatives, the Director of the Congressional Budget Office has submitted the following letter reporting on the bill.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, October 15, 1997.

Hon. HENRY J. HYDE,
*Chairman, Committee on the Judiciary,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 1085, a bill to revise, codify, and enact without substantive change certain general and permanent laws related to patriotic and national observances, ceremonies, and organizations, as Title 36, United States Code, "Patriotic and National Observances, Ceremonies, and Organizations."

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Mark Grabowicz, who can be reached at 226-2860.

Sincerely,

JUNE E. O'NEILL, *Director.*

Enclosure.

H.R. 1085—Revision of Title 36, United States Code, "Patriotic and National Observances, Ceremonies, and Organizations"

H.R. 1085 would codify, into Title 36 of the United States Code, existing laws related to patriotic and national observances, ceremonies, and organizations, and would refine awkward language and eliminate obsolete statutes. CBO estimates that enacting the bill would result in no cost to the federal government. Because H.R. 1085 would not affect direct spending or receipts, pay-as-you-go procedures would not apply. The legislation contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act of 1995 and would have no impact on the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Mark Grabowicz, who can be reached at 226-2860. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.

C. COMMITTEE ESTIMATE ON BUDGETARY EFFECTS

In compliance with clause 7(a) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the effects on the budget of H.R. 1085, as amended: The Committee agrees with the estimate prepared by the Congressional Budget Office, which is attached.

OTHER MATTERS TO BE DISCUSSED UNDER THE RULES OF THE HOUSE

A. COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

With respect to clause 2(b)(1) of rule X and clause 2(l)(3)(A) of rule XI of the Rules of the House of Representatives, the Committee on the Judiciary's oversight findings and recommendations are incorporated in the descriptive portions of this report.

B. COMMITTEE ON GOVERNMENT REFORM AND OVERSIGHT FINDINGS AND RECOMMENDATIONS

With respect to clause 2(l)(3)(D) of rule XI of the Rules of the House of Representatives, because the purpose of H.R. 1085, as amended, is to codify existing law without making any substantive change in the law, no oversight findings or recommendations have been received from the Committee on Government Reform and Oversight with respect to the bill.

C. CONSTITUTIONAL AUTHORITY STATEMENT

With respect to clause 2(l)(4) of rule XI of the Rules of the House of Representatives, the Committee states that the Committee's action in reporting the bill is derived from Article I of the Constitution, Section 8.

In this section, the text of 36:1101 is omitted as unnecessary because of the addition of the words “Except as otherwise provided” in subsection (a) of this section. The text of 36:1166, 1213(a), and 5206(a) is omitted as unnecessary because of the restatement of 36:1102 and 1103 as general provisions covering, except as otherwise provided, all federally chartered corporations referred to in part B of subtitle II of the revised title. (2))) is omitted as unnecessary because of the restatement in this section of the general audit provisions of 36:1102 and 1103.

In subsection (a), before clause (1), the words “Except as otherwise provided” are added because certain corporations referred to in part B of subtitle II of the revised title are not covered by the audit requirements restated in the revised section. The words “at the place or places” and “or persons” are omitted as unnecessary. The words “financial statements” are substituted for “accounts” to use the generally accepted term for audits conducted by public accountants. The words “shall be given access to” are substituted for “shall be made available to” and “shall be afforded to” for consistency. In clause (1), the words “records and property owned or used by” are substituted for “books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in

use by” for consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

In subsection (b)(1)(B), the words “supplemented . . . by” and “carried on by the corporation” are omitted as unnecessary.

SECTION 10

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
10	36:178.	June 22, 1942, ch. 435, § 8, 56 Stat. 380; Dec. 22, 1942, ch. 806, § 8, 56 Stat. 1077; July 7, 1976, Pub. L. 94-344, (20), 90 Stat. 813.

SECTION 2(b)

Section 2(b) makes a conforming amendment to the chapter analysis of chapter 1 of title 4, United States Code.

SECTION 3—CONFORMING PROVISIONS

Section 3 of the bill makes a conforming amendment to section 1332 of title 44, United States Code, because the chapter related to the United Spanish War Veterans is not being restated in title 36. See note for 36:56–56h in table 3A of this report.

SECTION 4—CONFORMING CROSS-REFERENCES

Section 4 of the bill makes conforming cross-reference amendments to those titles of the United States Code that have been enacted into positive law. These amendments are necessary because of the restatement of the source provisions in sections 1 and 2 of the bill.

SECTION 5—LEGISLATIVE PURPOSE AND CONSTRUCTION

Section 5 of the bill contains a statement of the legislative effect in enacting sections 1 and 2, savings provisions, and provisions to assist in interpreting and applying the provisions of law enacted by the bill.

SECTION 6—REPEALS

Section 6 of the bill relates to the repeal of those statutes that are codified and reenacted by the bill, and other statutes that are executed, superseded, obsolete, or otherwise of no present legal effect.

Subsection (a) provides that a repeal of a law may not be construed as a legislative inference that the provision was or was not in effect before its repeal.

Subsection (b) contains the schedule of laws to be repealed. It also preserves rights, duties, and penalties incurred, and proceedings begun, before the date of enactment of the bill.

TABLE 1—MASTER DISPOSITION TABLE

Table 1 shows the disposition of all laws affected by the codification of title 36, United States Code, in section 1 of the bill. This table is in 2 parts. Table 1A shows the disposition according to United States Code citation. Table 1B shows the disposition accord-

ing to Statutes at Large citation. For each law restated in section 1 of the bill, a citation to the “United States Code Revised” indicates where the law is restated. For each law affected by the codification but not restated in section 1 of the bill, a reference is shown to table 2, 3, or 4, another section of the bill, or another section of the Code. Tables 2, 3, and 4 explain why laws listed in those tables are not restated in section 1 of the bill. If a law was expressly repealed by a prior law, that fact is shown in the last column of this table.

TABLE 2A—UNITED STATES CODE—Continued

United States Code		Explanation
Title	Section	
	16	Obsolete. Provided that the American National Red Cross or any other organization which receives Government-owned cotton pursuant to law is authorized to exchange the cotton for cloth or clothing containing wool. Obsolete because the provision applies to cotton received under the Act of July 5, 1932 (ch. 431, 47 Stat. 605), and the Act of February 8, 1933 (ch. 43, 47 Stat. 797), both of which are obsolete.
	61–66	Obsolete. Belleau Wood Memorial Association is no longer in existence. See letter of Comptroller General in S. Rept. No. 1407, 88th Cong., 2d Sess. (1964), reprinted in 1964 U.S. Code Cong. & Ad. News 3230.
	81–88	Obsolete. United States Blind Veterans of World War I is no longer in existence. See letter of Comptroller General in S. Rept. No. 1407, 88th Cong., 2d Sess. (1964), reprinted in 1964 U.S. Code Cong. & Ad. News 3230.
	121a	Obsolete. Provided temporary authority for the American Battle Monuments Commission to delegate authority to its chairman and other officials. See 36:138b(last par.), restated in section 2103 of the revised title, for permanent authority.
	134	Obsolete. Authorized the American Battle Monuments Commission to incur obligations and enter into contracts. Provision was included in several appropriation acts but was not repeated in appropriation acts after 1932.
	135	Obsolete. Provided temporary authority for the American Battle Monuments Commission to contract for services and supplies in Europe. See 36:138b(2d par.), restated in section 2103 of the revised title, for permanent authority.
	138a	Unnecessary. Permanent authorizations of appropriations are unnecessary because laws authorizing particular functions are themselves authorizations of appropriations for those functions.
	169j–1(c)	Executed. Required that reports be submitted to Congress within 90 days after the first Federal Lands Cleanup Day occurring after August 27, 1986, and for 2 years thereafter.
	169j—169j–10	Executed. Established the Martin Luther King, Jr. Federal Holiday Commission. The Commission has completed its operations and is no longer in existence.
	382a(b)	Obsolete. Required the United States Olympic Committee to transmit reports to Congress on grants received under 36:384. See note for 36:384 in this table.
	384	Obsolete. Authorized the Secretary of Commerce to award grants to the United States Olympic Committee to assist in the development of amateur athletics in the United States in a total amount not to exceed \$16,000,000. That amount was authorized to be appropriated in fiscal year 1980. Funds have never been made available to the Committee under this section.
	426	Obsolete. Authorized the President to appoint the Corregidor Baatan Memorial Commission. Section 2 of the Act of December 23, 1963 (Pub. L. 88–240, 77 Stat. 477), provided that the Commission would cease to exist on completion of the construction of the Corregidor Baatan Memorial or May 6, 1967, whichever is earlier.
	491	Obsolete. Established the Pershing Hall Memorial Fund. Under 36:493(d)(3) that fund was abolished and the corpus of the fund transferred to the Pershing Hall Revolving Fund established under 36:493(d)(1).
	721(a)	Unnecessary. Short titles of laws included in the codification are unnecessary.
	741–747, 749	Obsolete. Established the Civil War Centennial Commission. Obsolete because 36:746 provided that the Commission terminated on May 1, 1966.
	1101(77) (related to NNRCF)	Unnecessary. Added NNRCF to list of corporations subject to audit provisions under 36:1101 et seq. Unnecessary because section 358(a)(1) of the Federal Agricultural Improvement and Reform Act of 1996 (Pub. L. 104–127, 110 Stat. 1014) provides that the NNRCF shall be audited in accordance with 36:1101 et seq.

	5502(d)	Executed. Provided for transfer of the Civilian Marksmanship Program from the Department of the Army to the Corporation for the Promotion of Rifle Practice and Firearms Safety not later than September 30, 1996. 3 a church or public auditorium, the flag of the United States of America
4 should hold the position of superior prominence, in advance of the audience,
5 and in the position of honor at the clergyman’s or speaker’s right as he faces
6 the audience. Any other flag so displayed should be placed on the left of the
7 clergyman or speaker or to the right of the audience.

8 “(l) The flag should form a distinctive feature of the ceremony of unveiling
9 a statue or monument, but it should never be used as the covering for the
10 statue or monument.

11 “(m) The flag, when flown at half-staff, should be first hoisted to the peak
12 for an instant and then lowered to the half-staff position. The flag should be
13 again raised to the peak before it is lowered for the day. On Memorial Day
14 the flag should be displayed at half-staff until noon only, then raised to the
15 top of the staff. By order of the President, the flag shall be flown at half-staff
16 upon the death of principal figures of the United States Government and the
17 Governor of a State, territory, or possession, as a mark of respect to their
18 memory. In the event of the death of other officials or foreign dignitaries, the
19 flag is to be displayed at half-staff according to Presidential instructions or
20 orders, or in accordance with recognized customs or practices not inconsistent
21 with law. In the event of the death of a present or former official of the gov-
22 ernment of any State, territory, or possession of the United States, the Gov-
23 ernor of that State, territory, or possession may proclaim that the National
24 flag shall be flown at half-staff. The flag shall be flown at half-staff thirty
25 days from the death of the President or a former President; ten days from
26 the day of death of the Vice President, the Chief Justice or a retired Chief
27 Justice of the United States, or the Speaker of the House of Representatives;
28 from the day of death until interment of an Associate Justice of the Supreme
29 Court, a Secretary of an executive or military department, a former Vice
30 President, or the Governor of a State, territory, or possession; and on the day
31 of death and the following day for a Member of Congress. The flag shall be
32 flown at halfstaff on Peace Officers Memorial Day, unless that day is also
33 Armed Forces Day. As used in this subsection—

1 “(1) the term ‘half-staff’ means the position of the flag when it is one-
2 half the distance between the top and bottom of the staff;

3 “(2) the term ‘executive or military department’ means any agency
4 listed under sections 101 and 102 of title 5; and

5 “(3) the term ‘Member of Congress’ means a Senator, a Representative,
6 a Delegate, or the Resident Commissioner from Puerto Rico.

7 “(n) When the flag is used to cover a casket, it should be so placed that
8 the union is at the head and over the left shoulder. The flag should not be
9 lowered into the grave or allowed to touch the ground.

10 “(o) When the flag is suspended across a corridor or lobby in a building
11 with only one main entrance, it should be suspended vertically with the union
12 of the flag to the observer’s left upon entering. If the building has more than
13 one main entrance, the flag should be suspended vertically near the center of
14 the corridor or lobby with the union to the north, when entrances are to the
15 east and west or to the east when entrances are to the north and south. If
16 there are entrances in more than two directions, the union should be to the
17 east.

18 **“§ 8. Respect for flag**

19 “No disrespect should be shown to the flag of the United States of America;
20 the flag should not be dipped to any person or thing. Regimental colors, State
21 flags, and organization or institutional flags are to be dipped as a mark of
22 honor.

23 “(a) The flag should never be displayed with the union down, except as a
24 signal of dire distress in instances of extreme danger to life or property.

25 “(b) The flag should never touch anything beneath it, such as the ground,
26 the floor, water, or merchandise.

27 “(c) The flag should never be carried flat or horizontally, but always aloft
28 and free.

29 “(d) The flag should never be used as wearing apparel, bedding, or drapery.
30 It should never be festooned, drawn back, nor up, in folds, but always allowed
31 to fall free. Bunting of blue, white, and red, always arranged with the blue
32 above, the white in the middle, and the red below, should be used for covering
33 a speaker’s desk, draping the front of the platform, and for decoration in gen-
34 eral.

1 “(e) *The flag should never be fastened, displayed, used, or stored in such*
2 *a manner as to permit it to be easily torn, soiled, or damaged in any way.*

3 “(f) *The flag should never be used as a covering for a ceiling.*

4 “(g) *The flag should never have placed upon it, nor on any part of it, nor*
5 *attached to it any mark, insignia, letter, word, figure, design, picture, or*
6 *drawing of any nature.*

7 “(h) *The flag should never be used as a receptacle for receiving, holding,*
8 *carrying, or delivering anything.*

9 “(i) *The flag should never be used for advertising purposes in any manner*
10 *whatsoever. It should not be embroidered on such articles as cushions or hand-*
11 *kerchiefs and the like, printed or otherwise impressed on paper napkins or*
12 *boxes or anything that is designed for temporary use and discard. Advertising*
13 *signs should not be fastened to a staff or halyard from which the flag is flown.*

14 “(j) *No part of the flag should ever be used as a costume or athletic uni-*
15 *form. However, a flag patch may be affixed to the uniform of military person-*
16 *nel, firemen, policemen, and members of patriotic organizations. The flag rep-*
17 *resents a living country and is itself considered a living thing. Therefore, the*
18 *lapel flag pin being a replica, should be worn on the left lapel near the heart.*

19 “(k) *The flag, when it is in such condition that it is no longer a fitting*
20 *emblem for display, should be destroyed in a dignified way, preferably by*
21 *burning.*

22 **“§9. Conduct during hoisting, lowering or passing of flag**

23 “*During the ceremony of hoisting or lowering the flag or when the flag is*
24 *passing in a parade or in review, all persons present except those in uniform*
25 *should face the flag and stand at attention with the right hand over the heart.*
26 *Those present in uniform should render the military salute. When not in uni-*
27 *form, men should remove their headdress with their right hand and hold it*
28 *at the left shoulder, the hand being over the heart. Aliens should stand at at-*
29 *tention. The salute to the flag in a moving column should be rendered at the*
30 *moment the flag passes.*

31 **“§10. Modification of rules and customs by President**

32 “*Any rule or custom pertaining to the display of the flag of the United*
33 *States of America, set forth herein, may be altered, modified, or repealed, or*
34 *additional rules with respect thereto may be prescribed, by the Commander*

1 *in Chief of the Armed Forces of the United States, whenever he deems it to*
 2 *be appropriate or desirable; and any such alteration or additional rule shall*
 3 *be set forth in a proclamation.”.*

4 (b) *The analysis of chapter 1 of title 4, United States Code, is amended*
 5 *by adding at the end the following new items:*

“4. *Pledge of allegiance to the flag; manner of delivery.*

“5. *Display and use of flag by civilians; codification of rules and customs; definition.*

“6. *Time and occasions for display.*

“7. *Position and manner of display.*

“8. *Respect for flag.*

4 (a) *NO SUBSTANTIVE CHANGE.*—Sections 1 and 2 of this Act restate, with-
5 out substantive change, laws enacted before August 16, 1997, that were re-
6 placed by those sections. Those sections may not be construed as making a
7 substantive change in the laws replaced. Laws enacted after August 15, 1997,
8 that are inconsistent with this Act supersede this Act to the extent of the in-
9 consistency.

10 (b) *REFERENCES.*—A reference to a law replaced by section 1 or 2 of this
11 Act, including a reference in a regulation, order, or other law, is deemed to
12 refer to the corresponding provision enacted by this Act.

13 (c) *CONTINUING EFFECT.*—An order, rule, or regulation in effect under a
14 law replaced by section 1 or 2 of this Act continues in effect under the cor-
15 responding provision enacted by this Act until repealed, amended, or super-
16 seded.

17 (d) *ACTIONS AND OFFENSES UNDER PRIOR LAW.*—An action taken or an
18 offense committed under a law replaced by section 1 or 2 of this Act is deemed
19 to have been taken or committed under the corresponding provision enacted
20 by this Act.

21 (e) *INFERENCES.*—An inference of a legislative construction is not to be
22 drawn by reason of the location in the United States Code of a provision en-
23 acted by this Act or by reason of a caption or catch line of the provision.

24 (f) *SEVERABILITY.*—If a provision enacted by this Act is held invalid, all
25 valid provisions that are severable from the invalid provision remain in effect.
26 If a provision enacted by this Act is held invalid in any of its applications,
27 the provision remains valid for all valid applications that are severable from
28 any of the invalid applications.

29 **SEC. 6. REPEALS.**

30 (a) *INFERENCES OF REPEAL.*—The repeal of a law by this Act may not

32 effect before its repeal.

33 (b) *REPEALER SCHEDULE.*—The laws specified in the following schedule
34 are repealed, except for rights and duties that matured, penalties that were

1 incurred, and proceedings that were begun before the date of enactment of this
