

PROVIDING FOR CONSIDERATION OF H.R. 2506, THE FOREIGN OPERATIONS, EXPORT FINANCING, AND RELATED PROGRAMS APPROPRIATIONS ACT, 2002

JULY 18, 2001.—Referred to the House Calendar and ordered to be printed

Mr. DIAZ-BALART, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 199]

The Committee on Rules, having had under consideration House Resolution 199, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2506, the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 2002, under a modified open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Appropriations.

The rule waives points of order against consideration of the bill for failure to comply with clause 4 of rule XIII (requiring a three-day layover of the committee report and requiring the three-day availability of printed hearings on a general appropriations bill). The rule also provides that the amendments printed in the Rules Committee report shall be considered as adopted in the House and in the Committee of the Whole.

The rule further waives points of order against provisions in the bill, as amended, for failure to comply with clause 2 of rule XXI (prohibiting unauthorized or legislative provisions in a general appropriations bill or prohibiting reappropriations in a general appropriations bill), except as specified in the rule.

The rule makes in order only those amendments printed in the Congressional Record and pro forma amendments for the purpose of debate. The rule further provides that each amendment printed in the Congressional Record may be offered only by the Member who caused it to be printed or his designee, and that each amendment shall be considered as read.

Finally, the rule provides one motion to recommit with or without instructions.
