SEC. 2. FINDINGS.

Congress makes the following findings:

(1) Since 1970, Federal Indian policy has encouraged Indian self-determination and economic self-sufficiency. The exercise of Federal instrumentality jurisdiction by the Oklahoma State courts over the Indian property that is subject to Federal restrictions against alienation belonging to enrollees and descendants of enrollees whose names appear on the final 1906 Indian rolls of the Muscogee (Creek), Seminole, Cherokee, Chickasaw, and Choctaw Nations, historically referred to as the Five Civilized Tribes, but now referred to as the Five Nations, is inconsistent with that policy.

(2) It is a goal of Congress to recognize the Indian land base as an integral part of the culture and heritage of Indian people.

(3) The exercise of Federal instrumentality jurisdiction by the courts of the State of Oklahoma over conveyances and inheritance of restricted property belonging to Individual Indians—

(A) is costly, confusing, and cumbersome, and effectively prevents any meaningful Indian estate planning, and unduly complicates the probating of Indian estates and other legal proceedings relating to Individual Indians and their lands; and

(B) has impeded the self-determination and economic self-sufficiency of Individual Indians within the exterior boundaries of the Five Nations.

SEC. 3. PURPOSES.

The purposes of this Act are as follows:

(1) To correct the disparate Federal treatment of individual allotted lands of Individual Indians that resulted from prior Federal legislation by equalizing the Federal legislative treatment of restricted and trust lands.

(2) To eliminate unnecessary legal and bureaucratic obstacles that impede the highest and best use of restricted property belonging to Individual Indians.

(3) To provide for an efficient process for the administrative review and approval of conveyances, voluntary partitions, and leases, and to provide for Federal administrative proceedings in testate and intestate probate and other cases that involve the restricted property of Individual Indians, which concern the rights of Individual Indians to hold and acquire such property in restricted and trust status.

(4) To transfer to the Secretary the Federal instrumentality jurisdiction of the Oklahoma State courts together with other authority currently exercised by such courts over the conveyance, devise, inheritance, lease, encumbrance, and certain voluntary partition actions involving restricted property belonging to such Individual Indians.

TITLE IV—MISCELLANEOUS

SEC. 401. REGULATIONS.

The Secretary may promulgate such regulations as may be necessary to carry out this Act, except that failure to promulgate such regulations shall not limit or delay the effect of this Act.

SEC. 402. VALIDATION OF CERTAIN TRANSACTIONS; SAVINGS CLAUSE.

(a) **VALIDATION OF CERTAIN TITLE TRANSACTIONS.**—Any person having the legal capacity to own real property in the State of Oklahoma who claims ownership of an interest in such property through an unbroken chain of title of record, the title to which interest is or may be defective as a result of any transaction described in paragraphs (1) through (5) of this subsection that occurred in such chain of title, may cure the defect in title and validate the transaction by following the procedures of this section. When all conditions and requirements of this section have been met, and if no notice of objection has been timely filed by the Secretary under subsection (c) or by any other person under subsection (f), the transaction shall be validated and shall not be considered a defect in the muniments of title but only insofar as the defect is based on or arises from Federal statutes applicable to the conveyance or inheritance of restricted property in effect at the time of the transaction. The transactions referred to in this subsection are the following:

(1) Any probate order issued by a county court of the State of Oklahoma prior to the effective date of the Act of June 14, 1918 (40 Stat. 606) purporting to probate the estate of an Individual Indian who died owning property which was subject to restrictions against alienation pursuant to Federal statutes in effect at the time of issuance of such probate order.

(2) Any probate order issued by a county or district court of the State of Oklahoma more than 30 years prior to the effective date of this Act purporting to probate the estate of a deceased Individual Indian who died owning property which was subject to restrictions against alienation pursuant to Federal law in effect at the time of issuance of such probate order, where notice was not given as required by Federal statutes in effect at the time.

(3) Any conveyance of record, including an oil and gas or mineral lease, of an interest in individual trust property or property which was subject to restrictions against alienation pursuant to Federal statutes in effect at the time of the conveyance executed by a person who was an heir or purported heir of the Individual Indian decedent who owned such property at the time of his death, if such conveyance was approved by a county or district court in Oklahoma more than 30 years before the effective date of this Act but where no judicial or administrative order of record was issued before or after such approval finding that such person was in fact the heir to the interest conveyed.

(4) Any conveyance of record, including an oil and gas or mineral lease, of individual trust property or property which was subject to restrictions against alienation pursuant to Federal statutes in effect at the time of the conveyance that was approved by a county or district court in Oklahoma or by the Secretary more than 30 years before the effective date of this Act, where—

(A) approval was not in compliance with the notice requirements of Federal statutes governing the conveyance of said individual trust property or said restricted property; or

(B) approval was given by a county or district court in Oklahoma of a conveyance of the property by a personal representative in a probate action over which said county or district court possessed jurisdiction, without compliance with Federal statutes governing the conveyance of the property in effect at the time of the conveyance.

(5) Any conveyance of record, including an oil and gas or mineral lease, of individual trust property or property which was subject to restrictions against alienation pursuant to Federal statutes in effect at the time of the conveyance that was approved by a county or district court in Oklahoma or by the Secretary at any time before the effective date of this Act, where—

(A) approval was given by the Secretary where the Federal statutes governing the conveyance of the property required approval by a county or district court in Oklahoma; or

(B) approval was given by a county or district court in Oklahoma where the Federal statutes governing the conveyance of the property in effect at the time of the conveyance required approval of the Secretary.

(b) **NOTICE OF CLAIM; SERVICE AND RECORDING.**—Any claimant described in subsection (a) must serve written notice of his or her claim by certified mail, return receipt requested, on the Secretary, and file the notice of claim, together with a copy of the return receipt showing delivery to the Secretary and filing in the office of county clerk in the county or counties wherein the property is located. The notice shall not be complete for the purposes of this section until it has been served on the Secretary and filed of record as herein provided. The notice of claim shall set forth the following:

(1) The claimant's name and mailing address.

(2) An accurate and full description of all property affected by such notice, which description shall be set forth in particular terms and not be general in-

clusions; but if said claim is founded upon a recorded instrument, then the description in such notice may be the same as that contained in such recorded instrument.

(3) A specific reference to or description of each title transaction in the chain of title that the claimant is attempting to validate pursuant to this section.

(4) A list of all documents of record that are part of the claimant's unbroken chain of title, copies of which documents shall be served with the notice.

(c) RESPONSE DEADLINE; EXTENSION.—The Secretary shall have 60 days from date of receipt of the notice of claim in which to notify the claimant in writing that the Secretary exercises discretionary authority to object to the claim for any reason. The Secretary shall be entitled to an automatic extension of time of 60 days in which to object to the claim upon the Secretary's service of written notice of extension on the claimant within the initial 60-day response period.

(d) NOTICE OF OBJECTION; REMEDIES.—The Secretary shall send the notice of objection and any notice of extension of time to the claimant by certified mail to the address set forth in the claimant's notice to the Secretary. The Secretary's notice of objection or notice of extension of time shall include a description of the property and shall be effective on the date of mailing. The Secretary shall file the notice of objection or notice of extension of time in the office of the county clerk for the county or counties wherein the property is located within 30 days after the date of mailing of the notice to the claimant. If the Secretary notifies the claimant that the Secretary objects to the claim, such decision shall be final for the Department and the claimant's sole remedies shall be to file an action to cure title defects pursuant to section 303 of this Act or to request a determination of heirs in accordance with section 302 of this Act.

(e) UNDISPUTED CLAIM.—If, in the exercise of discretionary authority pursuant to subsection (c), the Secretary does not object to the claim, then the Secretary may notify the claimant that the matter is not in dispute. Failure of the Secretary to notify the claimant of the Secretary's objection within the initial 60-day period, or within the 60-day extension period if notice of an extension was given, shall constitute acceptance of the claim. If the Secretary notifies the claimant that the matter is not in dispute or fails to file an objection to the claim of record within the time required by subsection (d), the title transaction described in the claimant's notice shall be deemed validated and shall not be considered a defect in the muniments of the claimant's title based on or arising from Federal statutes governing the conveyance of restricted property in effect at the time of the transaction, provided that no written notice of objection is timely filed by other parties in accordance with subsection (f) of this section.

(f) NOTICE OF OBJECTION BY OTHER PARTIES TO APPLICABILITY OF THIS SECTION.—Any person claiming ownership of an interest in property the record title to which includes a title transaction described in subsection (a) of this section may prevent the application of subsections (a) through (e) to said interest by filing for record in the office of the county clerk for the county or counties wherein the property in question is located, no later than 3 years after the effective date of this Act, a written notice of objection in the form of a declaration made under oath setting forth the following:

(1) The declarant's name and mailing address.

(2) An accurate and full description of all of the declarant's property interests to be affected by such notice, which description shall be set forth in particular terms and not be general inclusions; but if said declarant's claim to ownership is founded upon a recorded instrument, then the description in such notice may be the same as that contained in such recorded instrument.

(3) A statement that the declarant claims in good faith to be the owner of an interest in the property described in the notice and that the declarant objects to the operation of this section with respect to any title transaction that would otherwise be subject to validation under this section.

(g) INTERESTS OF HEIRS OF LESS THAN HALF-BLOOD.—Nothing in this Act shall be construed to invalidate—

(1) any conveyance of record, including a surface, oil and gas, or mineral lease, of an interest in property made prior to the effective date of this Act by an heir of a deceased Individual Indian without district court approval where such heir was of less than one-half degree of Indian blood, even though the property was held in restricted status immediately prior to the decedent Individual Indian's death; or

(2) any other encumbrance that attached prior to the effective date of this Act to an interest in property of an heir of a deceased Individual Indian where such heir was of less than one-half degree of Indian blood, even though the property was held in restricted status immediately prior to the decedent Individual Indian's death.

(h) TERMS.—For purposes of this section:

(1) A person shall be deemed to have an unbroken chain of title when the official public records, including probate and other official public records, as well as records in the county clerk's office, disclose a conveyance or other title transaction of record not less than 30 years prior to the effective date of this Act, which said conveyance or other title transaction purports to create such interest, either in—

(A) the person claiming such interest; or

(B) some other person from whom, by 1 or more conveyances or other title transactions of record, such purported interest has become vested in the person claiming such interest; with nothing appearing of record, in either case, purporting to divest such claimant of such purported interest.

SEC. 409. EFFECTIVE DATE.

This Act shall take effect on January 1, 2003.

Amend the title so as to read: “A bill to amend laws relating to the lands of the enrollees and lineal descendants of enrollees whose names appear on the final 1906 Indian rolls of the Muscogee (Creek), Seminole, Cherokee, Chickasaw, and Choctaw Nations, historically referred to as the Five Civilized Tribes, and for other purposes.”.

PURPOSE OF THE BILL

The purpose of H.R. 2880, is to amend laws relating to the lands of the citizens of the Muscogee (Creek), Seminole, Cherokee, Chickasaw, and Choctaw Nations, historically referred to as the “Five Civilized Tribes,” and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

“Individual Indian” landowners in the Muscogee (Creek), Seminole, Cherokee, Chickasaw and Choctaw Nations (the Five Nations) in eastern Oklahoma face certain problems involving “restricted

property." Federal laws grant Oklahoma State courts, as "federal instrumentalities," jurisdiction over probates dealing with restricted property. Consequently, a large and ever-increasing number of restricted estates have not been probated in eastern Oklahoma because many individual Indians cannot afford to pay for probate actions in State court. History has also shown that countless acres of restricted lands in eastern Oklahoma have been lost when State probate courts have authorized the sale of the restricted lands in estates simply to pay the court costs and attorneys fees for probating the estate. This often involved sale of the entire restricted estate, rather than sale of just enough property to pay the costs and attorneys fees.

These problems were documented as early as 1912. According to a 1925 report, restricted lands in eastern Oklahoma were not protected within the Oklahoma State court system, particularly in the area of State court guardianships. In addition, historic records demonstrate numerous instances where adult Indians, upon coming into large sums of money through ownership of oil or mineral development property, were taken into court, declared incompetent, had guardians appointed, and were forced to pay attorneys and guardians fees out of restricted funds.

H.R. 2880 attempts to deal with these longstanding problems through four broad solutions. First, H.R. 2880 tries to correct the disparate federal treatment of individual allotted lands of individual Indians that resulted from prior federal legislation, by equalizing the federal legislative treatment of restricted and trust lands. Ironically, the inequality arose due to the Five Nations' treaty-based fee ownership of their lands. Because of this fee ownership, the Five Nations avoided the forced allotment of their lands under the 1887 General Allotment Act, which authorized issuance by the United States of trust patents to individual Indian landowners who were members of tribes whose lands were held in trust by the United States. Since the United States did not own the Five Nations' lands, the federal government did not have legal authority to issue patents to individual tribal members. This resulted in a unique and complex system of federal allotment legislation and other federal laws applicable only to the Five Nations' allotted lands.

Second, H.R. 2880 eliminates unnecessary legal and bureaucratic obstacles that impede the highest, best, and most efficient use of restricted property by Indian owners. The bill amends current federal law which requires costly State court approval of sales and mineral leases of restricted property.

Third, H.R. 2880 establishes a process for the administrative review and approval of conveyances, voluntary partitions, and leases. The bill also streamlines federal administrative proceedings in testate and intestate probates and other cases that involve restricted property and the rights of individual Indians to hold and acquire property in restricted and trust status.

Finally, H.R. 2880 returns to the Department of the Interior the federal instrumentality jurisdiction of the Oklahoma State courts over the conveyance, devise, inheritance, lease, encumbrance, and certain partition actions involving restricted property belonging to individual Indians of the Five Nations. This will enable transactions to be handled administratively within the Department of

the Interior, thereby protecting Indian interests without unnecessary judicial proceedings.

COMMITTEE ACTION

After its introduction by Congressman Wes Watkins (R-OK) on September 12, 2001, H.R. 2880 was referred to the Committee on Resources. The Committee did not hold legislative hearings on the bill. On March 20, 2002, the Full Resources Committee met to consider the bill. Congressman James V. Hansen (R-UT) offered an amendment in the nature of a substitute to correct various technical and substantive inconsistencies and to clarify certain provisions. It was adopted by voice vote. The bill as amended was then ordered favorably reported to the House of Representatives by voice vote.

SECTION-BY-SECTION ANALYSIS OF BILL AS AMENDED

Section 1. Short Title; Table of Contents. Section 1 establishes the short title of the Act and provides a table of contents.

Section 2. Findings. Section 2 recognizes that State court federal instrumentality jurisdiction over restricted lands in eastern Oklahoma is inconsistent with federal Indian self-determination policy.

Section 3. Purposes. Section 3 describes the purposes of the legislation, which include correcting the historical disparate federal legislative treatment of individual allotted lands of "Individual Indians."

Section 4. Definitions. Section 4 defines the legislation's key terms.

"Five Nations" means the Cherokee Nation, the Chickasaw Nation, the Choctaw Nation of Oklahoma, the Seminole Nation of Oklahoma, and the Muscogee (Creek) Nation, collectively (historically referred to as the "Five Civilized Tribes").

"Indian Country" has the meaning given that term in section 1151 of title 18, United States Code, and expressly includes trust property and restricted property as those terms are defined in the bill.

"Indian Nation" means one of the individual Five Nations.

"Indian tribe" means an Indian tribe as defined by the Indian Self-Determination and Education Assistance Act.

"Individual Indian" means a member or citizen of one of the individual Five Nations, an enrollee on the final Five Civilized Tribes' 1906 Indian rolls, or an individual who is a lineal descendant by blood of an enrollee, regardless of whether such person is an enrolled member of one of the Five Nations.

"Restricted property" means any right, title, or interest in real property owned by an Individual Indian subject to a restriction against alienation, conveyance, lease, mortgage, creation of liens, or other encumbrances imposed by the legislation or certain other federal laws, but does not include trust property.

"Secretary" means the Secretary of the Interior or her designee.

"Trust property" means Indian property, title to which was acquired in trust by the United States for the benefit of an Individual Indian or an Indian Nation within the boundaries of the state of Oklahoma under authority of the Indian Reorganization Act or the Oklahoma Indian Welfare Act.

TITLE I—RESTRICTIONS; REMOVAL OF RESTRICTIONS

Section 101. Restrictions on Real Property. Section 101 provides that beginning on the effective date of the legislation, all restricted property shall be subject to restrictions, regardless of the degree of Indian blood of the Individual Indian who owns the property, and that restricted status will remain when the property is acquired by an Individual Indian by various described means.

Section 102. Reinvestment of Proceeds from Condemnation or Conveyance of Restricted Property. Section 102 describes procedures for Individual Indians to use proceeds from conveyance or condemnation of restricted property to purchase property to be held in restricted status.

Section 103. Restricted Funds. Section 103 requires that funds and securities that are held or supervised by the Secretary and are derived from restricted property or Individual Indian trust property on or after the effective date of the legislation are restricted and shall remain subject to the jurisdiction of the Secretary.

Section 104. Period of Restrictions. Section 104 provides that, subject to the provisions of the legislation that permit restrictions to be removed, the period of restriction is extended until an Act of Congress determines otherwise.

Section 105. Removal of Restrictions. Section 105 establishes the procedure for removal of restrictions from a specified interest in property owned by an Individual Indian.

Section 106. Exemptions from Prior Claims. Section 106 provides that Sections 4 and 5 of the Act of May 27, 1908 (35 Stat. 312, ch. 199) apply to restricted property.

Section 107. Fractional Interests. Section 107, which involves conversion of the status of certain undivided property interests, is similar to section 217 of the Indian Land Consolidation Act, Public Law 106–462, as amended (25 U.S.C. § 2216).

TITLE II—ADMINISTRATIVE APPROVAL OF CONVEYANCES, PARTITIONS, LEASES, AND MORTGAGES; MANAGEMENT OF MINERAL INTERESTS

Section 201. Approval Authority for Conveyances and Leases. Section 201 provides that the Secretary shall have exclusive jurisdiction to approve conveyances and leases of restricted property.

Section 202. Approval of Conveyances. Section 202 describes the procedure and requirements for Secretarial approval of conveyances of restricted property.

Section 203. Reimposition of Restrictions on Conveyances of Property to Indian Housing Authorities. Section 203 authorizes the Secretary to grant requests to reimpose restrictions on former restricted property used as sites for homes constructed by Indian housing authorities with Housing and Urban Development funds, subject to certain requirements.

Section 204. Administrative Approval of Partition in Kind. Section 204 establishes procedures for Secretarial approval of certain types of partitions of trust and restricted property.

Section 205. Surface Leases. Section 205 authorizes surface leases of restricted property in accordance with other federal laws of general applicability that are listed in this section.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Resources' oversight findings and recommendations are reflected in the body of this report.

CONSTITUTIONAL AUTHORITY STATEMENT

Article I, section 8 of the Constitution of the United States grants Congress the authority to enact this bill.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(3)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974.

2. Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section

308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

3. General Performance Goals and Objectives. This bill does not authorize funding and therefore, clause 3(c)(4) of rule XIII of the Rules of the House of Representatives does not apply.

4. Congressional Budget Office Cost Estimate. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 10, 2002.

Hon. JAMES V. HANSEN,
*Chairman, Committee on the Resources,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 2880, the Five Nations Indian Land Reform Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Lanette J. Walker.

Sincerely,

BARRY B. ANDERSON
(For Dan L. Crippen, Director).

Enclosure.

H.R. 2880—Five Nations Indian Land Reform Act

Summary: H.R. 2880 would make various changes to the laws that regulate restricted land held by individual Indians of the Five Nations tribes in Oklahoma (Muscogee, Seminole, Cherokee, Chickasaw, and Choctaw). Restricted land generally refers to certain real property owned by individual Indians of those tribes that is encumbered by certain federal laws. Assuming appropriation of the necessary amounts, CBO estimates that implementing the bill would cost \$90 million over the 2003–2007 period to pay for additional administrative costs of the Department of the Interior (DOI). Enacting H.R. 2880 would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

H.R. 2880 contains no intergovernmental mandates as defined in the Unfunded mandates Reform Act (UMRA). Enacting this legislation would involve some costs and some benefits for the state of Oklahoma and for local governments in the state, but these would not be caused by mandates. CBO cannot determine the net impact of the bill on these governments.

H.R. 2880 would grant authority to the Secretary of the Interior to partition certain parcels of undivided property held in trust for individual Indians of the Five Nations who own interests in such property. In the event that the Secretary orders a partition without the consent of each of the property owners, H.R. 2880 would impose a private-sector mandate on those not favoring the partition. CBO estimates that the cost of the mandate would be well under the annual threshold established in UMRA (\$115 million in 2002, adjusted annually for inflation). As part of the partition process,

each owner would receive a parcel or some other form of compensation in proportion to his interest in the property.

Major provisions: H.R. 2880 would make several changes to federal laws concerning restricted land held by individual Indians of the Five Nations. In particular, the bill would:

- Make all restricted property subject to restrictions against alienation, conveyance, lease, mortgage, or creation of liens regardless of the degree of Indian blood of the individual Indian who owns the property;
- Establish requirements enabling individual Indians to use proceeds from the conveyance of restricted property to purchase other property to be held in restricted status;
- Grant the Secretary of the Interior exclusive jurisdiction to approve conveyances, leases, and voluntary partition in-kind of restricted property;
- Grant the Secretary of the Interior exclusive jurisdiction to probate wills or determine heirs of deceased individual Indians and to adjudicate estate actions involving trust or restricted property and securities; and
- Authorize the Secretary of the Interior to administer certain oil and gas leases on restricted lands held by individual Indians.

Estimated cost to the Federal Government: The estimated budgetary impact of H.R. 2880 is shown in the following table. The cost of this legislation falls within budget functions 450 (community and regional development) and 300 (natural resources and environment).

Basis of Estimate: H.R. 2880 would make various changes to the laws that regulate restricted land held by individual Indians of the Muscogee, Seminole, Cherokee, Chickasaw, and Choctaw tribes in Oklahoma. CBO estimates that implementing the bill would cost \$90 million over the 2003–2007 period for additional administrative costs to DOI, assuming the appropriation of the necessary amounts. For this estimate, CBO assumes that the bill will be enacted by the end of this fiscal year and that the necessary amounts will be appropriated for each year, beginning with 2003.

Bureau of Indian Affairs

Based on information from the Bureau of Indian Affairs, CBO estimates that it would cost the agency \$38 million over the 2003–2007 period for additional salaries and expenses to establish and maintain individual Indian accounts managed by the federal gov-

ernment and to review and make determinations on the additional land transactions that would be under the exclusive jurisdiction of the Secretary of the Interior. Such costs would be subject to future appropriation action. Proceeds from the conveyance or condemnation of restricted Indian property that are held by the Secretary on behalf of individual Indians are not considered budgetary funds. Consequently, CBO estimates that any change in the amounts held in the individual Indian accounts as a result of implementing this bill would have no impact on the federal budget.

Oil and gas royalty management

Under current law, the Secretary of the Interior is responsible for administering oil and gas leases on lands that are held in trust on behalf of Indian tribes. Section 207 of the bill would authorize the Secretary to administer certain oil and gas leases on restricted lands that are not held in trust. Based on information from DOI about the number of leases that would be added under the bill, we estimate that this provision would increase federal spending by \$6 million in 2003 and \$52 million over the 2003–2007 period, mostly for increased costs to approve leases and audit royalty payments. Enacting the bill would not affect federal income from oil and gas leases.

Pay-as-you-go considerations: None.

Estimated impact on state, local, and tribal governments:

H.R. 2880 contains no intergovernmental mandates as defined in UMRA. Enacting this legislation would involve some costs and some benefits for the state of Oklahoma and for local governments in the state, but these would not be caused by mandates. Specifically, the changes made by this bill could affect the amount of property in some Oklahoma counties that is exempt from local property taxes. Also, by removing jurisdiction over matters regarding restricted property from the Oklahoma courts, this bill probably would reduce the burden now borne by the state and by some of its counties. CBO does not have sufficient data to determine the impact of this bill on those governments. The bill would impose no costs on any other state, local, or tribal government.

The changes made by this bill would affect the tax base of Oklahoma and some of its local governments because most of the restricted property addressed by the bill is exempt from state and local property taxes. We anticipate that, with no change in current law, the amount of property remaining in restricted status would decline over time. Enacting H.R. 2880 probably would slow this decline, and thus result in some loss of state and local tax receipts. Also, it would make it easier for Indians to replace restricted property in one county with restricted property in another county, so it could change the distribution of this property among the affected counties.

H.R. 2880 would transfer jurisdiction for most matters concerning restricted property from state and local courts in Oklahoma to the federal government, and thus would shift some of the burden now borne by these state and local courts. As a result, the state and its counties could realize some savings, which would at least partially offset their losses.

Estimated impact on the private sector: H.R. 2880 would grant authority to the Secretary of the Interior to partition certain par-

cels of undivided property held in trust for individual Indians of the Five Nations, who own interests in such property. Generally, a partition of this type, partition in kind, involves dividing the property into individual parcels and distributing those parcels to each interest owner in proportion to his share in the undivided property. As an alternative, H.R. 2880 would also authorize the Secretary to secure the appropriate deeds from all interest owners to sell all, or a portion of the property, and divide the proceeds from the sale proportionally among the interest owners.

Under the bill, the Secretary would initiate the partition process at the request of at least one of the interest owners. Actual partition of the land would occur only after a period of negotiation between the Secretary and all interest owners, development of a partition plan, and then approval of the partition plan by over half of the interest owners. In the event that the Secretary orders a partition without the consent of each of the property owners, H.R. 2880 would impose a private-sector mandate on those not favoring the partition. CBO estimates that because of the small amount of land involved and the negotiation process required under the bill, the cost of the mandate would be small and well below the annual threshold established in UMRA (\$115 million in 2002, adjusted annually for inflation). Although the bill may impose a mandate on certain interest owners, all of the owners involved in such a partition are likely to benefit as property values typically increase when undivided property interests are separated.

COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any local or tribal law. It does preempt the law of the State of Oklahoma regarding restricted property of Individual Indians of the Five Nations.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, existing law in which no change is proposed is shown in roman):

ACT OF AUGUST 11, 1955

(Chapter 716)

AN ACT To extend the period of restrictions on lands belonging to Indians of the Five Civilized Tribes in Oklahoma, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, [That subject to

the provisions of section 2 of this Act, the period of restrictions against alienation, lease, mortgage, or other encumbrance of lands belonging to Indians of the Five Civilized Tribes in Oklahoma of one-half degree or more Indian blood, which period was extended to April 26, 1956, by the Act of May 10, 1928 (45 Stat. 495), is hereby extended for the lives of the Indians who own such lands subject to such restrictions on the date of this Act.

【SEC. 2. (a) Any Indian of the Five Civilized Tribes may apply to the Secretary of the Interior for an order removing restrictions. Within ninety days from the date of the application, the Secretary shall either issue the order or disapprove the application. The order shall be issued if in the judgment of the Secretary the applicant has sufficient ability, knowledge, experience, and judgment to enable him, or her, to manage his, or her, business affairs, including the administration, use, investment, and disposition of any property turned over to such person and the income or proceeds therefrom, with such reasonable degree of prudence and wisdom as will be apt to prevent him, or her, from losing such property or the benefits thereof.

【(b) The Secretary of the Interior is authorized and directed to issue, without application, to any Indian of the Five Civilized Tribes, who in the judgment of the Secretary is able to manage his, or her, own affairs, in accordance with the standard specified in subsection (a) of this section, an order removing restrictions that will become effective six months after notice of the order is given to such Indian, unless it is set aside by a county court in accordance with proceedings initiated prior to such time pursuant to subsection (c) of this section. The timely initiation of such proceedings shall stay the effective date of an order until the proceedings are concluded. When the Secretary issues an order pursuant to this subsection, he shall notify the board of county commissioners for the county in which the Indian resides.

【(c) If the Secretary of the Interior disapproves, or fails either to approve or disapprove, an application within the ninety-day period prescribed in subsection (a) of this section, the Indian affected may apply to the county court for the county in which he, or she, resides for an order removing restrictions. If the Secretary issues an order removing restrictions without application therefor in accordance with the provisions of subsection (b) of this section, either the Indian affected or the board of county commissioners may apply to the county court for the county in which the Indian resides for an order setting aside such order. The court shall set a hearing date not less than thirty days from the day it receives the application, and, under rules adopted by the court, notify the board of county commissioners, the welfare departments of the State and county governments, the local representative of the Commissioner of Indian Affairs, and any other persons the court considers appropriate. At the hearing the court shall examine the Indian and may require the persons who appear before the court to give testimony in the matter of the ability of the Indian to manage his, or her, own affairs. The Secretary of the Interior, and the attorney for the county in which such court is located, shall be given an opportunity to appear at such hearings and to participate in the examination of the Indian and other witnesses. The evidence taken at the hearing shall be transcribed and filed of record in the case. In determining

capability, the court shall apply the standard specified in subsection (a) of this section with respect to determinations by the Secretary. If the court finds that the Indian is able to manage his, or her, own affairs, it shall issue an order removing restrictions or deny the application for an order to set aside an order of the Secretary issued without application therefor, as the case may be. If the court does not find that the Indian is able to manage his, or her, own affairs, it shall deny the application for an order removing restrictions, or set aside an order of the Secretary issued without application therefor, as the case may be. The court shall furnish to the Secretary and to the applicant one certified copy of any final order issued by it. Any final order of the court shall be subject to appeal by the applicant, by the Secretary, or by the board of county commissioners in accordance with the probate laws of the State of Oklahoma, except that no appeal bond shall be required in an appeal by the Secretary.

[(d) When an order removing restrictions becomes effective, the Secretary shall cause to be turned over to the applicant full ownership and control of any money and property that is held in trust for him or that is held subject to a restriction against alienation imposed by the United States, issuing, in the case of land, such title document as may be appropriate: *Provided*, That the Secretary may make such provisions as he deems necessary to insure payment of money loaned to any such Indian by the Federal Government or by an Indian tribe: *Provided further*, That nothing herein contained shall abrogate the interest of any lessee or permittee in any lease, contract, or permit that is outstanding when an order removing restrictions becomes effective.

[SEC. 3. Section 23 of the Act of April 26, 1906 (34 Stat. 137), as amended by section 8 of the Act of May 27, 1908 (35 Stat. 312), which expires on April 26, 1956, is continued in force with respect to the restricted properties of Indians of the Five Civilized Tribes as long as such properties remain restricted.

[SEC. 4. Except as provided in section 2 of this Act, nothing in this Act shall be construed to repeal or to limit the application of the Act of August 4, 1947 (61 Stat. 731), the provisions of which shall continue in effect until otherwise provided by Congress.

[SEC. 5. Any existing exemption from taxation that constitutes a vested property right shall continue in force and effect until it terminates by virtue of its own limitations.]

【SEC. 3. The Secretary of the Interior be, and he is hereby, authorized, upon the execution and approval of any trust agreement or contract as herein provided, to transfer, or cause to be transferred, to the trustee, from the individual restricted or trust funds or other restricted property of the respective Indian, the funds or property required by the terms of the approved agreement, and the funds or property so transferred shall in each case be held by the trustee subject to the terms and conditions of the trust agreement or contract creating the trust, separate and apart from all assets, investments or trust estates in the hands of said trustee.

【SEC. 4. None of the restrictions upon the funds or property transferred under the terms of any such trust agreement or contract shall be in any manner released during the continuance of the restriction period now or hereafter provided by law, except as provided by the terms of such agreement or contract, and neither the corpus of said trust nor the income derived therefrom shall, during the restriction period provided by law, be subject to alienation, or encumbrance, nor to the satisfaction of any debt or other liability of any beneficiary of such trust during the said restriction period. The trustee shall render an annual accounting to the Secretary of the Interior and to the beneficiary or beneficiaries to whom the income for the preceding year, or any part thereof, was due and payable.

【SEC. 5. Trust agreements or contracts executed and approved as herein provided shall be irrevocable except with the consent and approval of the Secretary of the Interior: *Provided*, That if any trust, trust agreement, or contract be annulled, canceled, or set aside by order of any court, or otherwise, the principal or corpus of the trust estate, with all accrued and unpaid interest, shall be returned to the Secretary of the Interior as restricted individual Indian property.

【SEC. 6. If, after the creation and approval of any trust, it is found that said trust was procured in violation of any of the provisions of this Act, or that the trustee designated therein has failed or refused to properly perform the duties imposed thereby, in ac-

【SEC. 7. The Secretary of the Interior is hereby authorized to prescribe such rules and regulations as he may deem necessary for the proper administration of this Act. He shall fix and determine the value of each trust, revising such valuation from time to time as he may deem necessary, and, for the faithful performance of each trust agreement or contract, shall require corporate surety company bond equal to the value of the respective trust so fixed and determined, or the deposit of securities of the United States Government equal to such amount: *Provided, however,* That trusts created under the provisions of this Act shall not extend beyond a period twenty-one years after the death of the last survivor of the named beneficiaries in the respective trust agreement.】

cept that this proviso shall not affect and may not be pleaded in any suit brought before the approval of this Act.”

It shall then be the duty of the State court to accept such petition and proceed no further in said suit. The said copy shall be entered in the said district court of the United States within twenty days after the filing of the petition for removal and the defendants and intervenors in said suit shall within twenty days thereafter plead, answer, or demur to the declaration or complaint in said cause, and the cause shall then proceed in the same manner as if it had been originally commenced in said district court, and such court is hereby given jurisdiction to hear and determine said suit, and its judgment may be reviewed by certiorari, appeal, or writ of error in like manner as if the suit had been originally brought in said district court.】

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, 【That a determination of the question of fact as to who are the heirs of any deceased citizen allottee of the Five Civilized Tribes of Indians who may die or may have heretofore died, leaving restricted heirs, by the probate court of the State of Oklahoma having jurisdiction to settle the estate of said deceased, conducted in the manner provided by the laws of said State for the determination of heirship in closing up the estates of deceased persons, shall be conclusive of said question: *Provided*, That an appeal may be taken in the manner and to the court provided by law, in cases of appeal in probate matters generally: *Provided further*, That where the time limited by the laws of said State for the institution of administration proceedings has elapsed without their institution, as well as in cases where there exists no lawful ground for the institution of administration proceedings in said courts, a petition may be filed therein having for its object a determination of such heirship and the case shall proceed in all respects as if administration proceedings upon other proper grounds had been regularly begun, but this proviso shall not be construed to reopen the question of the determination of an heirship already ascertained by competent legal authority under existing laws: *Provided further*, That said petition shall be verified, and in all cases arising hereunder service by pub-

lication may be had on all unknown heirs, the service to be in accordance with the method of serving nonresident defendants in civil suits in the district courts of said State; and if any person so served by publication does not appear and move to be heard within six months from the date of the final order, he shall be concluded equally with parties personally served or voluntarily appearing.

【SEC. 2. That the lands of full-blood members of any of the Five Civilized Tribes are hereby made subject to the laws of the State of Oklahoma, providing for the partition of real estate. Any land allotted in such proceedings to a full-blood Indian, or conveyed to him upon his election to take the same at the appraisalment, shall remain subject to all restrictions upon alienation and taxation obtaining prior to such partition. (Chapter 199)

All lands, except homesteads, of said allottees enrolled as mixed-blood Indians having half or more than half and less than three-quarters Indian blood shall be free from all restrictions. All homesteads of said allottees enrolled as mixed-blood Indians having half or more than half Indian blood, including minors of such degrees of blood, and all allotted lands of enrolled full-bloods, and enrolled mixed-bloods of three-quarters or more Indian blood, including minors of such degrees of blood, shall not be subject to alienation, contract to sell, power of attorney, or any other incumbrance prior to April twenty-sixth, nineteen hundred and thirty-one, except that the Secretary of the Interior may remove such restrictions, wholly or in part, under such rules and regulations concerning terms of sale and disposal of the proceeds for the benefit of the respective Indians as he may prescribe. The Secretary of the Interior shall not be prohibited by this Act from continuing to remove restrictions as heretofore, and nothing herein shall be construed to impose restrictions removed from land by or under any law prior to the passage of this Act. No restrictions of alienation shall be construed to prevent the exercise of the right of eminent domain in condemning rights of way for public purposes over allotted lands, and for such purposes sections thirteen to twenty-three inclusive, of an act entitled "An act to grant the right of way through Oklahoma Territory and the Indian Territory to the Enid and Anadarko Railway Company, and for other purposes," approved February twenty-eighth, nineteen hundred and two (Thirty-

second Statutes at Large, page forty-three), are hereby continued in force in the State of Oklahoma.

【SEC. 2. That all lands other than homesteads allotted to members of the Five Civilized Tribes from which restrictions have not been removed may be leased by the allottee if an adult, or by guardian or curator under order of the proper probate court if a minor or incompetent, for a period not to exceed five years, without the privilege of renewal: *Provided*, That leases of restricted lands for oil, gas or other mining purposes, leases of restricted homesteads for more than one year, and leases of restricted lands for periods of more than five years, may be made, with the approval of the Secretary of the Interior, under rules and regulations provided by the Secretary of the Interior, and not otherwise: *And provided further*, That the jurisdiction of the probate courts of the State of Oklahoma over lands of minors and incompetents shall be subject to the foregoing provisions, and the term minor or minors, as used in this Act, shall include all males under the age of twenty-one years and all females under the age of eighteen years.

【SEC. 3. That the rolls of citizenship and of freedmen of the Five Civilized Tribes approved by the Secretary of the Interior shall be conclusive evidence as to the quantum of Indian blood of any enrolled citizen or freedman of said tribes and of no other persons to determine questions arising under this Act and the enrollment records of the Commissioner to the Five Civilized Tribes shall hereafter be conclusive evidence as to the age of said citizen or freedman.

【That no oil, gas, or other mineral lease entered into by any of said allottees prior to the removal of restrictions requiring the approval of the Secretary of the Interior shall be rendered invalid by this Act, but the same shall be subject to the approval of the Secretary of the Interior as if this Act had not been passed: *Provided*, That the owner or owners of any allotted land from which restrictions are removed by this Act, or have been removed by previous Acts of Congress, or by the Secretary of the Interior, or may hereafter be removed under and by authority of any Act of Congress, shall have the power to cancel and annul any oil, gas, or mineral lease on said land whenever the owner or owners of said land and the owner or owners of the lease thereon agree in writing to terminate said lease and file with the Secretary of the Interior, or his designated agent, a true copy of the agreement in writing canceling said lease, which said agreement shall be executed and acknowledged by the parties thereto in the manner required by the laws of Oklahoma for the execution and acknowledgment of deeds, and the same shall be recorded in the county where the land is situate.】

* * * * *

【SEC. 6. That the persons and property of minor allottees of the Five Civilized Tribes shall, except as otherwise specifically provided by law, be subject to the jurisdiction of the probate courts of the State of Oklahoma. The Secretary of the Interior is hereby empowered, under rules and regulations to be prescribed by him, to appoint such local representatives within the State of Oklahoma who shall be citizens of that State or now domiciled therein as he may deem necessary to inquire into and investigate the conduct of guardians or curators having in charge the estates of such minors,

and whenever such representative or representatives of the Secretary of the Interior shall be of opinion that the estate of any minor is not being properly cared for by the guardian or curator, or that the same is in any manner being dissipated or wasted or being permitted to deteriorate in value by reason of the negligence or carelessness or incompetency of the guardian or curator, said representative or representatives of the Secretary of the Interior shall have power and it shall be their duty to report said matter in full to the proper probate court and take the necessary steps to have such matter fully investigated, and go to the further extent of prosecuting any necessary remedy, either civil or criminal, or both, to preserve the property and protect the interests of said minor allottees; and it shall be the further duty of such representative or representatives to make full and complete reports to the Secretary of the Interior. All such reports, either to the Secretary of the Interior or to the proper probate court, shall become public records and subject to the inspection and examination of the public, and the necessary court fees shall be allowed against the estates of said minors. The probate courts may, in their discretion, appoint any such representative of the Secretary of the Interior as guardian or curator for such minors, without fee or charge.

【And said representatives of the Secretary of the Interior are further authorized, and it is made their duty, to counsel and advise all allottees, adult or minor, having restricted lands of all of their legal rights with reference to their restricted lands, without charge, and to advise them in the preparation of all leases authorized by law to be made, and at the request of any allottee having restricted land he shall, without charge, except the necessary court and recording fees and expenses, if any, in the name of the allottee, take such steps as may be necessary, including the bringing of any suit or suits and the prosecution and appeal thereof, to cancel and annul any deed, conveyance, mortgage, lease, contract to sell, power of attorney, or any other encumbrance of any kind or character, made or attempted to be made or executed in violation of this Act or any other Act of Congress, and to take all steps necessary to assist said allottees in acquiring and retaining possession of their restricted lands.

【Supplemental to the funds appropriated and available for expenses connected with the affairs of the Five Civilized Tribes, there is hereby appropriated, for the salaries and expenses arising under this section, out of any funds in the Treasury not otherwise appropriated, the sum of ninety thousand dollars, to be available immediately, and until July first, nineteen hundred and nine, for expenditure under the direction of the Secretary of the Interior: *Provided*, That no restricted lands of living minors shall be sold or encumbered, except by leases authorized by law, by order of the court or otherwise.

【And there is hereby further appropriated, out of any money in the Treasury not otherwise appropriated, to be immediately available and available until expended as the Attorney-General may direct, the sum of fifty thousand dollars, to be used in the payment of necessary expenses incident to any suits brought at the request of the Secretary of the Interior in the eastern judicial district of Oklahoma: *Provided*, That the sum of ten thousand dollars of the above amount, or so much thereof as may be necessary, may be ex-

pending in the prosecution of cases in the western judicial district of Oklahoma.

【Any suit brought by the authority of the Secretary of the Interior against the vendee or mortgagee of a town lot, against whom the Secretary of the Interior may find upon investigation no fraud has been established, may be dismissed and the title quieted upon payment of the full balance due on the original appraisement of such lot: *Provided*, That such investigation must be concluded within six months after the passage of this Act.

【Nothing in this act shall be construed as a denial of the right of the United States to take such steps as may be necessary, including the bringing of any suit and the prosecution and appeal thereof, to acquire or retain possession of restricted Indian lands, or to remove cloud therefrom, or clear title to the same, in cases where deeds, leases or contracts of any other kind or character whatsoever have been or shall be made contrary to law with respect to such lands prior to the removal therefrom of restrictions upon the alienation thereof; such suits to be brought on the recommendation of the Secretary of the Interior, without costs or charges to the allottees, the necessary expenses incurred in so doing to be defrayed from the money appropriated by this act.

【SEC. 7. That no contest shall be instituted after sixty days from the date of the selection of any allotment hereafter made, nor after ninety days from the approval of this Act in case of selections made prior thereto by or for any allottee of the Five Civilized Tribes, and, as early thereafter as practicable, deed or patent shall issue therefor.

【SEC. 8. That section twenty-three of an Act entitled "An Act to provide for the final disposition of the affairs of the Five Civilized Tribes in the Indian Territory, and for other purposes," approved April twenty-sixth, nineteen hundred and six, is hereby amended by adding at the end of said section, the words "or a judge of a county court of the State of Oklahoma."

【SEC. 9. The death of any allottee of the Five Civilized Tribes shall operate to remove all restrictions upon the alienation of said allottee's land: *Provided*, That hereafter no conveyance by any full-blood Indian of the Five Civilized Tribes of any interest in lands restricted by section 1 of this Act acquired by inheritance or devise from an allottee of such lands shall be valid unless approved by the county court having jurisdiction of the settlement of the estate of the deceased allottee or testator: *Provided further*, That if any member of the Five Civilized Tribes of one-half or more Indian blood shall die leaving issue surviving, born since March 4, 1906, the homestead of such deceased allottee shall remain inalienable, unless restrictions against alienation are removed therefrom by the Secretary of the Interior for the use and support of such issue, during their life or lives, until April 26, 1931; but if no such issue survive, then such allottee, if an adult, may dispose of his homestead by will free from restrictions; if this be not done, or in the event the issue hereinabove provided for die before April 26, 1931, the land shall then descend to the heirs, according to the laws of descent and distribution of the State of Oklahoma, free from all restrictions: *Provided*, That the word "issue" as used in this section shall be construed to mean child or children: *Provided further*, That the provisions of section 23 of the Act of April 26, 1906, as amend-

ed by this Act, are hereby made applicable to all wills executed under this section: *And provided further*, That all orders of the county court approving such conveyances of such land shall be in open court and shall be conclusive as to the jurisdiction of such court to approve such deed: *Provided*, That all conveyances by full-blood Indian heirs heretofore approved by the county courts shall be deemed and held to conclusively establish the jurisdiction of such courts to approve the same except where more than one such conveyance of the same interest in the same land has been made by the same Indian to different grantees and approved by county courts of different counties prior to the passage of this Act, and except that this proviso shall not affect and may not be pleaded in any suit brought before the approval of this Act.

[SEC. 10. That the Secretary of the Interior is hereby authorized and directed to pay out of any moneys in the Treasury of the United States, belonging to the Choctaw or Chickasaw nations respectively, any and all outstanding general and school warrants duly signed by the auditor of public accounts of the Choctaw and Chickasaw nations, and drawn on the national treasurers thereof prior to January first, nineteen hundred and seven, with six per cent interest per annum from the respective dates of said warrants: *Provided*, That said warrants be presented to the United States Indian agent at the Union Agency, Muskogee, Oklahoma, within sixty days from the passage of this act, together with the affidavits of the respective holders of said warrants that they purchased the same in good faith for a valuable consideration, and had no reason to suspect fraud in the issuance of said warrants: *Provided further*, That such warrants remaining in the hands of the original payee shall be paid by said Secretary when it is shown that the services for which said warrants were issued were actually performed by said payee.

[SEC. 11. That all royalties arising on and after July first, nineteen hundred and eight, from mineral leases of allotted Seminole lands heretofore or hereafter made, which are subject to the supervision of the Secretary of the Interior, shall be paid to the United States Indian agent, Union Agency, for the benefit of the Indian lessor or his proper representative to whom such royalties shall thereafter belong; and no such lease shall be made after said date except with the allottee or owner of the land: *Provided*, That the interest of the Seminole Nation in leases or royalties arising thereunder on all allotted lands shall cease on June thirtieth, nineteen hundred and eight.
