R E P O R T

[To accompany H. Res. 447]

The Committee on Rules, having had under consideration House Resolution 447, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 1979, the Small Airport Safety, Security, and Air Service Improvement Act of 2002, under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Transportation and Infrastructure.

The rule provides that it shall be in order to consider as an original bill for the purpose of amendment the amendment in the nature of a substitute recommended by the Committee on Transportation and Infrastructure now printed in the bill. The rule waives all points of order against the committee amendment in the nature of a substitute. The rule provides that the amendment in the nature of a substitute shall be open for amendment by section.

The rule allows the chairman of the Committee of the Whole to accord priority in recognition to those members who have pre-printed their amendments in the Congressional Record. Finally, the rule provides one motion to recommit with or without instructions.
