CONSTRUCTION SAFETY TEAM ACT

Ms. PRYCE of Ohio, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 475]

The Committee on Rules, having had under consideration House Resolution 475, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 4687, the National Construction Safety Team Act, under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Science.

The rule provides that the amendment in the nature of a substitute recommended by the Committee on Science now printed in the bill shall be considered as an original bill for the purpose of amendment. The rule waives all points of order against the committee amendment in the nature of a substitute. The rule provides that the bill shall be considered for amendment by section.

The rule authorizes the Chairman of the Committee of the Whole to accord priority in recognition to Members who have preprinted their amendments in the Congressional Record. The rule provides one motion to recommit with or without instructions.

The waiver of all points of order against the committee amendment in the nature of a substitute is needed because a provision contained on line 6 of page 11, violates clause 4 of rule XXI (prohibiting appropriations in legislative bills).
