R E P O R T

[To accompany H. Res. 263]

The Committee on Rules, having had under consideration House Resolution 263, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 2143, the Unlawful Internet Gambling Funding Prohibition Act, under a structured rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Financial Services.

The rule makes in order only those amendments printed in this report. The rule provides that the amendments printed in this report may be considered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for a division of the question in the House or in the Committee of the Whole. The rule waives all points of order against the amendments printed in this report.

Finally, the rule provides one motion to recommend with or without instructions.

COMMITTEE VOTES

Pursuant to clause 3(b) of House rule XIII the results of each record vote on an amendment or motion to report, together with the names of those voting for and against, are printed below:

*Rules Committee record vote No. 102*

Date: June 9, 2003.

Measure: H.R. 2143—Unlawful Internet Gambling Funding Prohibition Act.

Motion by: Mr. Hastings of Florida.

Summary of motion: To make in order and grant the appropriate waivers for the amendment offered by Representative Pombo to ensure that Federally Recognized Indian Tribes (as that term is defined in the Indian Gaming Regulatory Act) are given the same status for the purpose of the bill. Ensures that Tribal gaming is given the same status as gaming conducted under state and federal law.

Results: Defeated 3–7.

Vote by Members: Linder—Nay; Diaz-Balart—Nay; Hastings (WA)—Nay; Myrick—Nay; Sessions—Nay; Reynolds—Nay; Slaughter—Yea; McGovern—Yea; Hastings (FL)—Yea; Dreier—Nay.

## SUMMARY OF AMENDMENTS MADE IN ORDER

(Summaries of amendments derived from information provided by the sponsor.)

1. Kelly: Adds a new section 5 to the end of the bill consisting of a rule of construction clarifying that the bill should be read as leaving intact the substantive law with respect to gambling in the United States. It confirms that the bill does not change Federal, State or Tribal law in this regard. (10 minutes)

2. Jackson-Lee: Removes credit cards from the list of bank instruments banned under the bill. The reasoning for removing credit cards is that the age requirements necessary for obtaining a credit card provide a means of preventing minor's use of Internet gambling websites. (10 minutes)

3. Sensenbrenner/Cannon/Conyers: Strikes language in the bill which states that a bet or wager does not include "any lawful transaction with a business licensed or authorized by a State." (20 minutes)
