## BACKGROUND AND NEED FOR LEGISLATION

Located adjacent to the Fort Frederica National Monument on St. Simons Island, Georgia, The Christ Church has doubled in size over the last nine years. To address its need to expand, the Church has arranged to acquire, then exchange, 8.7 acres of historically significant land to the National Park Service for 4.8 acres in the Monument. The 8.7 acres to be exchanged is contiguous to the Monument.

## COMMITTEE ACTION

H.R. 1113 was introduced on March 6, 2003, by Congressman Jack Kingston (R-GA). The bill was referred to the Committee on Resources and within the Committee to the Subcommittee on National Parks, Recreation and Public Lands. On April 8, 2003, the Subcommittee held a hearing on the bill. On June 11, 2003, the Full Resources Committee met to consider the bill. The Subcommittee on National Parks, Recreation, and Public Lands was discharged from further consideration of the bill by unanimous consent. Congressman Radanovich offered an amendment in the nature of a substitute that increased the acreage to be conveyed by the Secretary of the Interior to Christ Church of St. Simons Island from 4.6 to 6.0 acres, and revised the map date and boundary cited in the bill to reflect the changes made my amendment. The amendment was agreed to by unanimous consent. The bill as amended was ordered favorably reported to the House of Representatives by unanimous consent.

## COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Resources' oversight findings and recommendations are reflected in the body of this report.

## CONSTITUTIONAL AUTHORITY STATEMENT

Article I, section 8 and Article IV, section 3 of the Constitution of the United States grants Congress the authority to enact this bill.

## COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(3)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974.

2. Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

3. General Performance Goals and Objectives. This bill does not authorize funding and therefore, clause 3(c)(4) of rule XIII of the Rules of the House of Representatives does not apply.

4. Congressional Budget Office Cost Estimate. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,

Hon. RICHARD POMBO,

*H.R. 1113—A bill to authorize the exchange of land at Fort Frederica National Monument*

H.R. 1113 would authorize the National Park Service (NPS) to exchange 6 acres of land within the boundary of the Fort Frederica National Monument in Georgia for 8.7 acres of nearby property owned by the Christ Church. The bill would direct the NPS to adjust the boundaries of the monument to reflect the exchange when completed.

Assuming appropriation of the necessary amounts, CBO estimates that the NPS would spend about \$200,000 over the year or two following acquisition of the 8.7-acre site to identify possible historic resources and determine how to exhibit them. Depending on the outcome of the archaeological studies and the level of future appropriations, the NPS might spend additional funds to develop the new parcel. Based on information provided by the agency, CBO estimates that such development costs would not exceed \$1 million. We estimate that additional costs to operate and maintain any facilities that might be developed (such as access roads and interpretive kiosks) would be less than \$200,000 annually.

Although final appraisals have not been completed, CBO expects that the properties to be exchanged under H.R. 1113 would be determined by NPS to be roughly equal in value. If the appraisals indicate that the parcels' values are different, however, existing law would require that the party receiving the more valuable land provide a cash equalization payment. CBO estimates that any such payment, whether a receipt to the government from Christ Church or an appropriated payment to the church, would not be substantial.

H.R. 1113 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would

have no significant impact on the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Robert A. Sunshine, Assistant Director for Budget Analysis.
