MAY 14, 2008.—Referred to the House Calendar and ordered to be printed

Ms. SLAUGHTER, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 1197]

The Committee on Rules, having had under consideration House Resolution 1197, by a record vote of 7 to 2, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of the Senate amendment to H.R. 2642, the “Supplemental Appropriations Act, 2008.” The resolution would make in order a motion offered by the chairman of the Committee on Appropriations that the House concur in the Senate amendment with each of the three amendments printed in this report.

The rule waives all points of order against the motion except those arising under clause 10 of rule XXI. The motion shall be debatable for two hours equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. The Senate amendment and the motion shall be considered as read. The Chair shall divide the question among each of the three House amendments. These votes will occur in the order in which the amendments are printed in this report notwithstanding the fact that any amendment adopted will be engrossed in its respective place in the Senate amendment.

Notwithstanding the operation of the previous question, the Chair may postpone consideration of the motion to a time designated by the Speaker. Finally, the rule permits the chairman of the Committee on Appropriations to insert in the *Congressional Record* dated May 15, 2008, such material as he may deem explanatory of the motion.

EXPLANATION OF WAIVERS

The waiver of all points of order against the motion (except those arising under clause 10 of rule XXI) includes a waiver of section 306 of the Congressional Budget Act (prohibiting consideration in the House of measures within the jurisdiction of the Committee on the Budget unless such measures have been reported by the Committee on the Budget or the Committee on the Budget has been discharged from their consideration) and of clause 5(a) of rule XXI (prohibiting an amendment in the House from carrying a tax or tariff measure during consideration of a bill not reported by a committee having jurisdiction over such measures).

SUMMARY OF THE HOUSE AMENDMENTS TO THE SENATE AMENDMENT
TO H.R. 2642 MADE IN ORDER UNDER THE RULE

Amendment #1

The amendment provides funding for the Department of Defense in the amount of \$96.6 billion for FY 2008 and \$65.9 billion for FY 2009, totaling \$162.5 billion.

Amendment #2

The amendment requires that troops begin redeployment from Iraq within 30 days with a goal of completing withdrawal of combat troops by December of 2009. It requires that any agreement between the United States and the Government of Iraq committing U.S. forces be specifically authorized by Congress. It requires that U.S. reconstruction aid for Iraq be matched dollar-for-dollar by the Iraqi Government. It requires the President to reach an agreement with Iraq to subsidize fuel costs for U.S. Armed Forces operating in Iraq so that our military pays what Iraqis pay. It requires that troops meet the Pentagon's definition of "combat ready" before they can be deployed to Iraq and prohibits troops from being deployed in Iraq longer than recommended under Pentagon guidelines.

The amendment expands current law to make all contractors working in war zones subject to prosecution for offenses that would otherwise be in violation of U.S. law; extends the statute of limitations for fraud cases during wartime; and amends the federal criminal code to prohibit profiteering and fraud involving contractors overseas. It prohibits the establishment of permanent bases in Iraq. It prohibits interrogation techniques not authorized in the Army Field Manual.

Amendment #3

The amendment expands the education benefits veterans receive under the GI bill and would impose a tax of 0.47% on modified adjusted gross incomes above \$500,000 (\$1,000,000 for joint incomes), a slight increase in the highest tax bracket, to offset the cost of the expansion. It extends unemployment benefits for workers who have exhausted their benefits by up to 13 weeks in every state as well as an additional 13 weeks in states with high unemployment rates.

It places a moratorium on seven Medicaid regulations that would cut services to seniors, families, and those with disabilities as well as cut payments to safety net providers. These costs are offset through amendments to Medicaid asset verification provisions and Medicare physician assistance and quality initiative funds.

The amendment provides \$5.923 billion for the State Department, USAID and International Food Assistance, including \$1.865

billion for international food and disaster assistance and \$675 million for refugee assistance.

The amendment provides \$4.6 billion for military construction, including \$939 million for BRAC, over \$210 million for military child care centers, and \$956 million for military hospitals. It provides \$5.8 billion for efforts to strengthen New Orleans levees in FY 2009. It provides \$178 million to the Bureau of Prisons for rising incarceration costs and a growing inmate population. It provides \$210 million to address decennial census cost overruns. Finally, it requires companies that receive more than 80 percent of their revenue from the federal government to disclose the names and salaries of their top officers, and requires federal contractors to report violations of federal criminal law and over-payments on contracts over \$5 million.

TITLE X—POLICY REGARDING OPERATIONS IN IRAQ

SENSE OF CONGRESS REGARDING UNITED STATES MILITARY

SEC. 10001. It is the sense of the Congress that the performance of United States military personnel should be commended, their courage and sacrifice have been exceptional, and when they come home, their service should be recognized appropriately.

UNITS DEPLOYED FOR COMBAT TO BE FULLY MISSION CAPABLE

SEC. 10002. (a) The Congress finds that it is the policy of the Department of Defense that units should not be deployed for combat unless they are rated “fully mission capable”.

(b) None of the funds made available in this or any other Act may be used to deploy any unit of the Armed Forces to Iraq unless the President has certified in writing to the Committees on Appropriations and the Committees on Armed Services of the House of Representatives and the Senate at least 15 days in advance of the deployment that the unit is fully mission capable in advance of entry into Iraq.

(c) For purposes of subsection (b), the term “fully mission capable” means capable of performing assigned mission essential tasks to the prescribed standards under the conditions expected in the theater of operation, consistent with the guidelines set forth in the DoD Directive 7730.65, Subject: Department of Defense Readiness Reporting System; the Interim Force Allocation Guidance to the Global Force Management Board, dated February 6, 2008; and Army Regulation 220–1, Subject: Unit Status Reporting, dated December 19, 2006.

(d) The President, by certifying in writing to the Committees on Appropriations and the Committees on Armed Services of the House of Representatives and the Senate that the deployment to Iraq of a unit that is not assessed mission capable is required for reasons of national security and by submitting along with the certification a report in classified and unclassified form detailing the particular reason or reasons why the unit’s deployment is necessary despite the unit commander’s assessment that the unit is not mission capable, may waive the limitations prescribed in subsection (b) on a unit-by-unit basis.

(d) The President may waive the limitations prescribed in subsection (b) on a unit-by-unit basis if the President certifies in writing to the Committees on Appropriations and the Committees on Armed Services of the House of Representatives and the Senate that the extension of a unit’s deployment in Iraq beyond the period applicable to the unit under such subsection is required for reasons

of national security. The certification shall include a report, in classified and unclassified form, detailing the particular reason or reasons why the unit's extended deployment is necessary.

DWELL TIME BETWEEN COMBAT DEPLOYMENTS

(d) The President may waive the limitations prescribed in subsection (b) on a unit-by-unit basis if the President certifies in writing to the Committees on Appropriations and the Committees on Armed Services of the House of Representatives and the Senate that the redeployment of a unit to Iraq in advance of the expiration of the period applicable to the unit under such subsection is required for reasons of national security. TITLE III—VETERANS EDUCATIONAL ASSISTANCE

SHORT TITLE

SEC. 3001. This title may be cited as the “Post-9/11 Veterans Educational Assistance Act of 2008”.

FINDINGS

SEC. 3002. Congress makes the following findings:

(1) On September 11, 2001, terrorists attacked the United States, and the brave members of the Armed Forces of the United States were called to the defense of the Nation.

(2) Service on active duty in the Armed Forces has been especially arduous for the members of the Armed Forces since September 11, 2001.

(3) The United States has a proud history of offering educational assistance to millions of veterans, as demonstrated by the many “G.I. Bills” enacted since World War II. Educational assistance for veterans helps reduce the costs of war, assist

veterans in readjusting to civilian life after wartime service, and boost the United States economy, and has a positive effect on recruitment for the Armed Forces.

(4) The current educational assistance program for veterans is outmoded and designed for peacetime service in the Armed Forces.

(5) The people of the United States greatly value military service and recognize the difficult challenges involved in readjusting to civilian life after wartime service in the Armed Forces.

(6) It is in the national interest for the United States to provide veterans who serve on active duty in the Armed Forces after September 11, 2001, with enhanced educational assistance benefits that are worthy of such service and are commensurate with the educational assistance benefits provided by a grateful Nation to veterans of World War II.
