POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: Postal Service.

ACTION: Notice of amendment and addition of new routine use for an existing system of records.

SUMMARY: This document publishes notice of modifications to Privacy Act system of records USPS 050.005, Finance Records—Accounts Receivable Files. The proposed modifications add a new routine use and restore an earlier removal from the description of the categories of individuals covered by the system.

The routine use allows disclosure of limited information to a Postal Service permit holder or presenter of a bulk mailing when the customer on whose behalf the mailing was made has submitted a nonsufficient funds check for payment of postage. The categories of individuals segment is amended to restore the previously removed category

of customers whose checks are returned by the bank.

This notice complies with subsection (e)(11) of the Privacy Act, which requires agencies to publish advance notice of any new use of information in a system of records.

DATES: Any interested party may submit written comments on the proposed amendments and addition. This proposal will become effective without further notice on January 16, 1996, unless comments received on or before that date result in a contrary determination.

ADDRESSES: Written comments on this proposal should be mailed or delivered to Payroll Accounting/Records, United States Postal Service, 475 L'Enfant Plaza SW, Room 8650, Washington, DC 20260-5242. Copies of all written comments will be available at the above address for public inspection and photocopying between 8 a.m. and 4:45 p.m., Monday through Friday.

SUPPLEMENTARY INFORMATION: Privacy Act system of records USPS 050.005, Finance Records—Accounts Receivable Files, contains records used to facilitate the collection of debts owed to the Postal Service. It is proposed that the system be amended to add routine use No. 8 and to replace in the categories of individuals segment the category of customers whose checks are returned by the bank.

Proposed routine use No. 8 permits the Postal Service to disclose to a permit holder or presenter of a mailing information concerning a nonsufficient funds check used by the permit holder or presenter to pay postage for a customer on whose behalf a mailing was made. When a permit holder or presenter of a mailing submits a mailing to the Postal Service, the mailing may have been prepared for an individual or organization other than the permit holder or presenter. In such cases, the permit holder or presenter of the mailing may, for payment of postage, submit the check of the individual or organization for which the mailing is prepared. Currently, the Postal Service pursues collection for nonsufficient funds checks directly from the permit holder or presenter of the mailing. Under a new policy, the Postal Service will pursue collection for nonsufficient funds check directly from the check writer. Post offices may then refuse to accept further check payment of postage and fees by that check writer. For that transaction and future transactions, it might be necessary to disclose to the permit holder or presenter of the
