Bureau of Land Management

[CA-060-07-1990-00]

Call for Nominations for the Bureau of Land Management's California Desert District Advisory Council

SUMMARY: The Bureau of Land Management's California Desert District is soliciting nominations from the public for six members of its District Advisory Council to serve on the 1998-2000 three-year term. Council members provide advice and recommendations to BLM on the management of public lands in southern California. Public notice begins with the publication date of this notice. Nominations will be accepted through August 31, 1997. The three-year term would begin January 1, 1998.

The six positions to be filled include:

- One wildlife representative;
- One environmental protection representative;
- Two public-at-large representatives;
- Two renewable resources representatives.

Council members serve three-year terms and may be nominated for reappointment for an additional three-year term. Five council members are eligible for reappointment. One renewable resources representative, which represents botanical interests on the council, will retire December 31, 1997. The nominee selected for this position will serve an initial two-year term.

The California Desert District Advisory Council is comprised of 15 private individuals who represent different interests and advise BLM officials on policies and programs concerning the management of 10 million acres of public land in southern California. The Council meets in formal

session three to four times each year in various locations throughout the California Desert District.

Section 309 of the Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of BLM administered lands. The Secretary also selects council nominees consistent with the requirements of the Federal Advisory Committee Act (FACA), which requires nominees appointed to the council be balanced in terms of points of view and representative of the various interests concerned with the management of the public lands.

The Council also is balanced geographically, and BLM will try to find qualified representatives from each area. The California Desert District covers portions of eight counties, and includes 10 million acres of public land in the California Desert Conservation Area and 300,000 acres of scattered parcels in San Diego, western Riverside, western San Bernardino, Orange, and Los Angeles Counties (known as the South Coast).

Council members serve without compensation except for reimbursement of travel expenditures incurred in the course of their duties. Any group or individual may nominate a qualified person for any position, based upon their education, training, and knowledge of BLM, the California Desert, and the issues involving BLM-administered public lands throughout southern California. Qualified individuals also may nominate themselves.

Nominees may contact BLM public affairs at (909) 697-5215 or write to the address below and request a copy of the nomination form. Nominations must include the name of the nominee; work and home addresses and telephone numbers; a biographical sketch that includes the nominee's work, public service record, and applicable outside interests that qualify him or her for the position; and the specific category of interest in which the nominee is best qualified to offer advice and council.

All nominations must be accompanied by letters of reference from represented interests or organizations, a completed background information form, and any other information that demonstrates the nominees qualifications. Individuals nominating themselves must provide at least one letter of recommendation. Advisory Council members are appointed by the Secretary of the Interior Bruce Babbitt, generally in December.

Nominations should be sent to the District Manager, Bureau of Land
