FARM CREDIT ADMINISTRATION

12 CFR Part 614

RIN 3052-AB81

Loan Policies and Operations; Interest Rates and Charges

AGENCY: Farm Credit Administration.

ACTION: Direct final rule with opportunity for comment.

SUMMARY: The Farm Credit Administration (FCA), through the FCA Board (Board), issues a direct final rule amending its regulations concerning interest rates and charges. This action is consistent with the FCA's continuing efforts to reduce regulatory burden and unnecessary prior approval

requirements whenever possible. The amendments eliminate the prior approval requirement for changes in interest rate policies at banks for cooperatives (BCs), eliminate unnecessary or duplicative regulatory requirements, clarify existing requirements that are retained.

The effect of the amendments is to enable BCs to revise rate policies for discounting negotiable paper without prior FCA approval, to eliminate the requirement that fees charged by an association are subject to bank approval, and to clarify that, in all Farm Credit System (FCS or System) banks and direct lender institutions, the board of directors is responsible for setting interest rates and annually reviewing interest rate plans in conjunction with the review and approval of the institution's annual business plan.

DATES: If no significant adverse comment is received on or before January 21, 1998, these regulations shall be effective upon the expiration of 30 days after publication in the **Federal Register** during which either or both Houses of Congress are in session. Notice of the effective date will be published in the **Federal Register**. If significant adverse comment is received, the FCA will publish a notice of withdrawal of the regulations and indicate how the Agency expects to proceed with further rulemaking.

ADDRESSES: Comments may be submitted via electronic mail to "reg-comm@fca.gov" or facsimile transmission to (703) 734-5784. Comments also may be mailed or delivered to Patricia W. DiMuzio, Director, Regulation Development Division, Office of Policy Development and Risk Control, Farm Credit Administration, 1501 Farm Credit Drive, McLean, Virginia 22102-5090. Copies of all communications received will be available for review by interested parties in the Office of Policy Development and Risk Control, Farm Credit Administration.

SUPPLEMENTARY INFORMATION:

I. Background

The regulations in 12 CFR part 614—subpart G pertain to interest rates and charges by FCS institutions. Most of the regulations in subpart G were originally

promulgated by the FCA in 1972 following Congress' modernization and consolidation of existing farm credit law in the Farm Credit Act of 1971. The structure of the System has changed considerably in the past 25 years, and the regulatory relationship between FCS institutions and the FCA has become an arm's-length relationship. The amendments set forth below reflect those changes, as well as the FCA's current regulatory philosophy of removing prior approval requirements not mandated by the current Farm Credit Act of 1971, as amended (Act), and unnecessary to the safe and sound operation of an institution. The FCA will continue to hold FCS institution boards and management accountable for their internal operations through the examination process. Likewise, regulatory language that merely restates statutory provisions is eliminated.

Five sections in 12 CFR part 614—subpart G are eliminated, and the two remaining sections are renumbered and moved to 12 CFR part 614—subpart D. Because the changes conform existing regulations to the statute and make only minor changes to the regulatory language, the FCA believes the rule to be noncontroversial and anticipates no significant adverse comment from the public.

II. Description of Amendments

1. Section 614.4270—Policy

The provisions in this section are nearly identical to provisions in sections 1.8(b), 2.4(c), and 3.10(a) of the Act and are therefore removed, as they are duplicative and unnecessary.

2. Section 614.4280—Interest Rates

The FCA is amending existing § 614.4280, which concerns interest rate plans and policy, to make it applicable to direct lender associations as well as to banks. This change will clarify that the board of directors of every System direct lender is responsible for establishing interest rates or interest rate plans. This change is consistent with the underwriting regulation adopted earlier this year, § 614.4150, which requires the boards of directors of both banks and associations to adopt written policies and procedures that, at a minimum, prescribe prudent loan pricing practices.

Although no other substantive changes are made to existing § 614.4280, the FCA makes two technical changes to the final sentence. The first clause, which states that the board "may not delegate its ultimate responsibilities for setting interest rates," is deleted as unnecessary. Because the boards of
