In accordance with § 351.213 of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. In revisions to its regulations, the Department changed its requirements for requesting reviews of countervailing duty orders. Pursuant to 771(9) of the Act, an interested party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Department of Commerce Regulations, 62 FR 27295, 25494 (May 19, 1997)). Therefore, for both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting

party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country or origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/

Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with § 351.303(f)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of October 1998. If the Department does not receive, by the last day of October 1998, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash

deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: September 28, 1998.

Holly A. Kuga,

Acting Deputy Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of Sunset Reviews and Revocation of Antidumping Duty Findings: Large power transformers from Italy (A-475-031); Large power transformers from France (A-427-030); Large power transformers from Japan (A-588-032); Steel Jacks from Canada (A-122-006); Bicycle speedometers from Japan (A-588-038); Fish netting of manmade fiber from Japan (A-588-029); and Canned Bartlett pears from Australia (A-602-039).

SUMMARY: On July 6, 1998, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping duty findings on large power transformers from Italy, France, and Japan, steel jacks from Canada, bicycle speedometers from Japan, fish netting of manmade fiber from Japan, and canned Bartlett pears from Australia. Because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking these findings.

EFFECTIVE DATE: January 1, 2000.

Martha V. Douthit, Scott E. Smith, or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, Pennsylvania Avenue and 14th Street, NW, Washington, DC 20230; telephone: (202) 482-3207, (202) 482-6937, or (202) 482-1560 respectively.

SUPPLEMENTARY INFORMATION:

Background

The Treasury Department issued antidumping findings on large power transformers from Italy (37 FR 11772, June 14, 1972), large power transformers from France (37 FR 11772, June 14, 1972), large power transformers from Japan (37 FR 11773, June 14, 1972), steel jacks from Canada (31 FR 11974, September 13, 1966), bicycle speedometers from Japan (37 FR 24826, November 22, 1972), fish netting of manmade fiber from Japan, (37 FR 11560, June 9, 1972, and canned Bartlett pears from Australia (38 FR 7566, March 23, 1973). Pursuant to section 751 (c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated sunset reviews of these findings by publishing notice of the initiation in the **Federal Register** (63 FR 36389, July 6, 1998). In addition, as a courtesy to interested parties, the Department sent letters, via first class mail, to each party listed on the Department's most current service list for these proceedings to inform them of the automatic initiation of a sunset review on these findings.

No domestic interested parties in any of these sunset reviews of these findings responded to the notice of initiation by the July 21, 1998, deadline (see § 351.218 (d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("Sunset Regulations"). In the sunset review on canned Bartlett pears from Australia, the Department determined that the response filed by the California Pear Advisory Board was inadequate (see Memorandum for Joseph A. Spetrini, Acting Assistant Secretary for Import Administration, August 17, 1998) and, therefore, consistent with § 351.218 (e)(1)(i)(C)(1) of the *Sunset Regulations* concluded that no domestic interested party responded to the notice of initiation.

Determination To Revoke

Pursuant to section 751 (c)(3)(A) of the Act and § 351.218 (d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no interested party responds to the notice of initiation, the Department of Commerce shall issue a final determination, within 90 days after the initiation of the review, revoking the finding or terminating the suspended investigation. Because no domestic interested party responded to the notice of initiation by the applicable deadline July 21, 1998 (see §§ 351.218 (d)(1)(i) and 351.218 (e)(1)(i)(C)(1) of the *Sunset Regulations*), we are revoking these antidumping findings.

Effective Date of Revocation

Pursuant to section 751 (c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to these findings entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and duty deposit requirements. The Department will complete any pending administrative reviews on these findings and will conduct administrative reviews on all entries prior to the effective date of revocation in response to appropriately filed requests for review.

Dated: October 5, 1998.

Robert S. LaRussa,

Assistant Secretary for Import Administration.
